Mr. Peters organized the fuel corporation in 1957. He distributes petroleum products in Western Maryland, Pennsylvania and West Virginia. He and his wife, the former Louise Richardson, of Chicago, Ill., have a farm in adjoining Fayette county, Pa., where they reside. They have four children. He was elected president of the Mt. Top Chamber of Commerce a few weeks ago.

Mr. Peters will speak on "A Glimpse at the Constitution." The son of a minister, Mr. Peters was educated in the public schools of Virginia, was graduated from the Virginia Polytechnic Institute in Civil Engineering and the University of Virginia in law where he served as editor-in-chief of the Virginia Law review. He was an instructor in law at the University and also served as legal secretary to Hon. Armistead M. Dobie of the Fourth Circuit Federal court of appeals which has jurisdiction in Maryland.

Mr. Peters was later vice-president of the Robertson-Henry Contracting company, Huntington, W. Va., was in management at the United States Steel corporation as assistant general superintendent and assistant to the vice-president in charge of coal.

During World War II Mr. Peters served four years in the air force, attaining the rank of Major, was overseas for 2½ years as an engineering officer and squadron executive officer. He is a graduate of the command and general staff school and the industrial college of the armed forces and was later with the inspection section of the procurement division at Wright Field, near Dayton, O.

Mr. Peters and his family are members of the Episcopal church.

Mrs. W. W. Grant, president of the Historical society, will be in charge of the program. At a brief business session there will be an election of officers.

Scout Leaders Plan Annual Dinner Meet

Boy Scout leaders of Deep Creek district have planned their annual district dinner meeting for next Tuesday, June 23, at 6:30 o'clock. Dinner will be served at the Oak Park Church of the Brethren, near town.

There will be reports of district committees on the year's activities and election of district officers will be held. George Stuck is the present district chairman.

Willis V. Smith, scout executive of the Potomac Council, will be the speaker. Edmund S. Burke, president of Potomac Council, also is expected to attend.

Firemen's Celebration On Tap At Friendsville

The Friendsville Fire department is continuing its annual celebration for the balance of the week, with a parade being featured Friday evening.

The B. and G. Shows will remain in the town until Saturday night. Participating in the parade Friday evening at 7:30 will be at least twenty-two fire companies, the Mt. City band, Oakland; the Bruceton, W. Va., band, and the Friendsville Drum and Bugle corps.

The affair is being held under the auspices of the Friendsville Fire company.

Only One Vacancy In Teaching Staff At Present Time

Supt. Hawkins Said Few More Resignations To Be Expected

Only one teaching position remains vacant in the county for the 1959-60 term at present, it was learned this morning from Willard L. Hawkins, county superintendent. The list of teachers will be announced next week.

The only unfilled position in the county at present is one in the seventh and eight grades English and Social Studies at the route 40 school. This position recently became vacant due to the resignation of Mrs. Mary Jo Dougherty. Mr. Hawkins said the vacancy was expected to be filled within the next few days.

At a recent meeting of county superintendents in Baltimore, the only two counties reporting no teacher vacancies were Garrett and Montgomery. Mr. Hawkins pointed out that Garrett has the lowest salary scale in the state while Montgomery has the highest. Mr. Hawkins said that a few more resignations could be expected this month but he hoped they could be filled within a reasonable time.

In a resume of the teaching situation Mr. Hawkins listed nine recent resignations, twelve appointments, and three transfers. Some of these have been listed previously in The Republican.

Recent Resignations

Philip Johnson, Northern High School (History); Mrs. John Reckner, Accident Elementary; Charles Pence, Kitzmiller Jr. High; Lester Bolyard, Swanton Principal; Paul Eary, Deer Park Principal; Mrs. Alice Ann Eary, Center Street Elementary; Miss Mona Lou Evans, Southern High; Miss Elaine Chrisman, Northern High; Eugene Weese, Southern High School.

Teacher Appointments

Alvin Jones, one year's teaching experience in Ohio, graduate of Fairmont College, employed to replace Philip Johnson at Northern

Conferences Seek Employment Hike

Additional conferences were held during the past week by members of the County Commissioners board and state agencies, in an effort to bring an increase in employment within the county.

The commissioners worked in cooperation with State Senator Bernard I. Gonder, Sr., who also attended the meetings along with Stuart F. Hamill, Jr., attorney to the board.

At Annapolis last Wednesday morning they met with the Department of State Forests and Parks and discussed employment possibilities, the construction of more cabins in the recreation areas and other matters.

At 12:30 p. m., the same day they met with Ernest Vaughn, director of the State Game and Inland Fish commission concerning more and better fishing.

At 2 p. m., in Baltimore the Commissioners met with state health department in a medical and hospital program.

On Thursday afternoon they met with the State Planning commission concerning the possibilities of increased employment, about the flood control project at Kitzmiller, an increase in the coal allocations in state agencies coming from this county, the acceleration of the roads program and industry in general.

Carl A. Schell, president of the Commissioners, said he felt the group was making some progress in their efforts.

Pastor Is Named For Kitzmiller

Announcement has been made that John Arnold, of Winchester Va., will serve as student minister for the Mt. Storm, Gormania and Kitzmiller Presbyterian churches for the summer months.

He is a candidate for the ministry under the care of the Winchester Presbytery, a graduate of Washington and Lee and has had one year at Yale University Divinity School.

Laymen have been maintaining regular services in the churches since last October. Announcement of the appointment was made by Dr. C. C. Cowsert, executive secretary of the Presbytery.

Attending National Four-H Conference

Judy Bnekel is in Washington, D. C., this week attending the 29th national 4-H conference. She was one of four delegates from Maryland named two months ago.

Judy has been a 4-H'er for ten years. Clothing, food, home furnishings, junior leadership and baby-sitting are included among her 4-H projects. She served as president of her local club for three years and also held other offices in the club. She participated in four state 4-H dress revues and in 1957 won second place. In 1955 she attended the National 4-H club congress in Chicago. At present she is enrolled in the University of Maryland School of Nursing. She says that most of her college wardrobe she made as a result of sewing skills learned in 4-H work.

She is the daughter of Mr. and Mrs. Ralph Buckel, of Bittinger.

The theme of the conference is "Your Tomorrow." Four-H delegates from every state in the union and Puerto Rico are attending assemblies, participating in group discussions, visiting historic shrines and meeting congressional and other national leaders this week. The conferences began last Saturday and will conclude tomorrow.

Magistrate Refuses To Waive Hearing

A juvenile magistrate in Prince Georges county has refused to waive jurisdiction on three boys involved in the fatal rock throwing fracas last month in which Donald Lee Moorehead, 37, of Bloomington, lost his life.

Magistrate J. Dudley Diggs refused to sign the petition, saying he wished to study the case further.

The Juveniles, along with two youths, James Duvall, 18, and Raymond F. Burke, 20, were charged with manslaughter after the former Bloomington man died during an operation in a Washington hospital, May 14.

The coroner had informed authorities that Moorehead was undergoing an operation for a ruptured spleen which he sustained when struck by rock during a stoning incident, May 10. Following Moorehead's death the two adults and three juveniles were rounded up by authorities.

The two adults are scheduled for a hearing today in Hyattsville on charges of manslaughter. Moorehead was allegedly injured when the five threw stones at the victim and a group of men who were drinking beer. Police said the youths asked for some beer, and when they were refused they retaliated with a barrage of stones. The former Bloomington man received two broken ribs in addition to the spleen injury. He sustained a heart attack during the spleen operation. He was a native of Beryl, W. Va., and a son of Mr. and Mrs. Lee Moorehead, of Bloomington.

C. Douglas Dillon was sworn in as undersecretary of state.

Three Boys Camps Set For Summer

4-H boys of Garrett County will have the opportunity to participate in three camps this summer at the Western Maryland 4-H Center near Bittinger.

Five delegates from the county will attend the State 4-H Conservation Camp from July 6 to 11. The camp consists of a special program on wildlife, soil and forestry for state 4-H'ers who are 14 years of age or older. Special demonstrations will be held in the morning; games, rifle, and swimming in the afternoon, and campfire activities in the evening.

4-H Boys' Tri-County Camp Algawa will be held from July 12 to 18. Boys from Garrett, Allegany, and Wasnington counties will participate in a program of crafts, swimming, sports, campfires, hikes, wildlife, rifle marksmanship, and vespers.

Joint 4-H Week-end camp for boys and girls of Garrett, Allegany, and Washington counties, age 14 and up, will be held July 25 to 27. This camp is designed for older 4-H'ers who are unable to attend a full week of camp activities. They may attend any part of the program on any one of the three days.

Reservations are now being accepted for all camps by the County Extension Office. Full information may be obtained by contacting E. Rankin Lusby, Assistant County Agent, Post Office Building, Oakland.

Tawes Proclaims Long Week-End For July 4

Gov. Tawes has proclaimed Friday, July 3, a legal holiday in Maryland, assuring state employes and other workers of a three-day Fourth of July week-end.

The proclamation noted that it is not likely a large volume of business would be conducted on the Friday preceding a fixed legal holiday.

The governor's action means Maryland banks will close July 3 and city and county governments may follow suit by giving their employes the day off.

President Eisenhower recently excused most federal employes from duty on July 3 but Postmaster General Arthur E. Summerfield announced that post offices throughout the nation would be open as usual that day.

Skeleton of a rhinoceros 475,000 years old was found in East Germany.

Among those winning places on the dean's list at Frostburg State Teachers college were Delores Vetter, a junior, of Oakland, who was a straight "A"; Ethel Gail Kesner, junior, Accident; Florence D. Faith, sophomore, Grantsville; John Kolb, sophomore, Accident.

To be eligible for the dean's list a student in the sophomore, junior or senior class must have earned a grade-point score of 2.25 or better and must have carried 15 semester hours of work or more. A student in the freshman class must have earned a grade-point score of 3.25 or better, carrying 15 semester hours or more. The freshman class was graded on a 4-point basis while the upper classes were graded on a 3-point basis.

Mercury Dips to 36

The temperature dropped dangerously close to the frost line on several occasions this week as a cold wave hit the area and continued to hang on.

The drop took place after a warm and clear Friday. There was a severe rainstorm on Saturday before noon and by mid-afternoon the temperature had dropped sharply. It continued to get colder and by Sunday morning the thermometer had dropped to the mid-thirties. Sunday remained clear and cold and Monday morning narrowly missed the frost line. Tuesday morning the official reading at Weber's was 36 degrees. There were reports of ice on windshields in some sections and scattered frost on a few gardens throughout the area. Wednesday was still cold and cloudy.

There were indications that the week-end would be some warmer. Rain fell on both Tuesday and Wednesday.

Workshop to Be On Summer Guests

Several farm women interested in learning more about opening their homes to summer guests will meet to discuss the idea next Wednesday, 1:30 p. m., at High Point Restaurant on Negro Mountain. At this meeting a discussion led by Mrs. Jonas Beachy, Accident, and Miss Ida Engle, Grantsville, will bring out the problems involved and how to overcome them. Miss Ethel Grove, Home Demonstration Agent, will be on hand to give work saving tips and answer questions. The meeting is being sponsored by the Rural Development Steering Committee.

Other women who will attend the meeting are Miss Irene Thayer and Mrs. Clyde Bowman. Any women interested in knowing more about this project are welcome. Arrangements may be made by calling the County Extension Office.

McHenry

Maple Syrup Yield Considered Normal

Maryland and Minnesota were the only two of 11 maple syrup producing states in which 1959 production matched the yield of the previous year, according to a report from the U. S. department of Agriculture.

Production of maple syrup for the nation in 1959 was estimated at 1,196,000 gallons, about 21 percent below the 1949-57 average.

The 1959 season was characterized by generally unfavorable weather for sap flow. Conditions were generally unfavorable in Pennsylvania except for the Roof Garden section of Somerset county where two fine runs in mid-March taxed the ability of producers to keep buckets emptied. Sugar bushes on the southern slopes consistently yielded better than those exposed to the north. In Maryland the season was shorter than normal but short steady runs throughout the season gave a production equal to 1958.

In Pennsylvania some 295,000 trees were tapped and the yield was 90,000 gallons. Maryland had 22,000 trees tapped for a yield of 10,000 gallons. Vermont produced 465,000 gallons and New York 344,000. Other states producing maple syrup are Maine, New Hampshire, Massachusetts, Ohio, Michigan, Wisconsin and Minnesota.

NEWS FROM THE Ruth Enlow Library

BY EDITH BROCK

Vacation time is a good time to catch up on reading—for fun, for information, for school and college requirements. Whether or not you have a "required reading" list, good books old and new from the library's shelves can be a worthwhile part of your summer activities.

Summer residents and visitors are always welcome to use the library's facilities and to borrow books for home reading. The hours are: Monday, 9:00-100, 2:00-5:00; Tuesday, 9:00-1:00, 2:00-5:00; Wednesday, 9:00-1.00, 2:00-5:00, 7:00-9.00; Thursday, 9:00-1:00; Friday, 9:00-1.00, 2:00-5:00; Saturday, 9:00-1:00, 2:00-5:00, 7:00-9:00.

We are asking all of our patrons to re-register in order to bring our address files up to date.

The summer bookmobile schedule will begin next week. The bookmobile will make 25 different stops, carrying books for adults and children. Stops are made in any community where several families request the service. Information about the bookmobile schedule can be obtained by calling the library.

Bookmobile service is the theme of a bulletin board display in the front of the library. Besides pictures of the bookmobile in action in Garrett County there are clippings showing the first bookmobile in the United States, a horse-drawn "book-wagon" used in Washington County, Maryland in 1905, and the modern bookmobile which is being shipped to the United States exhibit in Moscow. Bookmobile service is now considered so much a part of the American way of life that it is included in this exhibit.

MARRIED

Harsh-McRobie—The wedding of Miss Joanne C McRobie daughter of Mrs. Mary B McRobie Oakland and the late Lorce L. McRobie, and A/Sgt. Harold R. Harsh, USMC son of Mr. and Mrs. Earl C. Harsh, Loch Lynn, took place the sixteenth of May at St. Peter's Roman Catholic Church, Oakland. Rev. Michael K. Carney, solemnized the marriage and celebrated the Nuptial Mass. Miss Joan Paige served as maid of honor and Pfc. Henry L. McRobie USMC brother of the bride, served as best man. Paul D. Welsh and Leland Messer, uncle of the groom were ushers. Mrs. Ruth Brown was the soloist, accompanied by Mrs. Gerald LaPorta.

The bride was escorted to the altar by her grandfather, Mr. Theodore Eleanore. She wore her mother's wedding gown of imported Chantilly lace, fashioned with a high neck, long pointed sleeves, and a long train. Her fingertip length veil fell from a crown of imported lace and pearls. She carried a cascade bouquet of feathered carnations, which she dedicated to the Blessed Mother, while Mrs. Brown sang, "Mother at Thy Feet I'm Kneeling." Upon leaving the church she carried a White Brocade Missal, covered with a white Orchid.

Following the ceremony a wedding breakfast was held at the Wisp-Lamos Hotel. The bride's table was centered with a 4-tiered wedding cake, topped with a miniature bride and groom. Miss Coral F. McRobie, aunt of the bride, cut and served the cake.

The couple motored to Blackwater Falls, W. Va., then to Camden, N. J., where the bride is enrolled as a student nurse. The bride plans to continue her studies, while the groom is going to Japan for a tour of duty with the Marine Corps.

Unique Graduates at Northern

DOROTHY E. SAVAGE

JOAN F. SAVAGE

For the second time within two years, two graduates of Northern High school had a unique distinction. This time they were Dorothy Elsie Savage, daughter of Mr. and Mrs. Leslie Savage, of Friendsville; and Joan Frances Savage, daughter of Mr. and Mrs. Roy E. Savage, and granddaughter of Mr. and Mr. and Mrs. Leslie Savage.

The same kind of distinction may never happen again but it has happened twice in two years to Mr. and Mrs. Leslie Savage, parents and grandparents. At least Mr. Savage is sure it will never happen in his family again. Two years ago it was Carolyn Mae Savage, a daughter, and Ruth Elaine Savage, granddaughter. They both entered State Teachers college at Frostburg.

This year Joan will enter a beautician school at Morgantown, while Dorothy will neter a school for medical secretaries at Hagerstown.

Leslie E. Savage, present member of the House of Delegates, now aged 60, was married twice, his first wife passing away at an early age. Roy Savage, father of both Ruth Elaine and Joan Frances, is the eldest son of Leslie's first wife.

SRC Is Planning Radio Towers In Western Maryland

The State Roads Commission planned to advertise for bids this week to construct four concrete bases for radio masts and antennae in Western Maryland.

This is the beginning of work to establish a radio communications system linking key vehicles and operating personnel of the commission throughout the state. John B. Funk, chairman of the commission, and director of highways for Maryland, said the new system would enable the agency to make its manpower and equipment instantly available to cope with emergencies and to meet maintenance problems more efficiently.

The four towers will be erected: at Garrett county maintenance engineer's headquarters in Oakland; Dan's Rock, Allegany county; Fairview mountain, Washington county; and Gambrills State park, Frederick county.

The contract calls for contruction of four concrete foundations, erection, painting and attaching of antennae and wiring of four self-supporting antenna masts. Masts and anteunae are to be furnished by the State Roads commission. Bids will be opened June 30.

Funk said some 380 vehicles would be equipped with receivers and transmitters, assigned to district engineers, resident maintenance engineers in each county, and supervisory personnel. The radio system will be a department under G. Bates Chaires, director of highway maintenance.

The vehicles will be linked with 27 base stations, with at least one in each county. Principal substations will be manned 24 hours a day as well as central communications headquarters in Baltimore.

Commission officials believe the new system will be of special value during a storm. By use of the two-way system men at the scene of a storm-stricken area could advise headquarters of road conditions. Headquarters could instantly contact roads personnel anywhere in the state and could be dispatched directly to the scene.

The commission has been assigned three frequencies on which to broadcast. It is expected the hookup will be ready for operation in December.

The cost of the project, which is being shared equally by the State Roads Commission and the Federal office of Defense Mobilization, will be approximately $348,000.

Teen Corner

By DICK CASTILOW

The trend in music seems to be concerned with famous battles in American history. "First the Battle Of New Orleans," now "Waterloo." Seems odd, all the history in school we hate, school's out, and some one writes a song about American history and it sells a million. That's life!

Most people seem to think that teenagers haven't any initiative. I think that one local boy, just a grad this year, proves otherwise. His name is Robert Michael. Bob has steadily maintained good grades as well as holding a job at the Rexall Drug store. He has a quick wit, a good sense of humor and is very well liked. He has many friends who would do anything at all for him. This is one thing which a friend and I noticed, Bob does so much for his friends and asks for nothing in return. A job, good grades, a good disposition and personality plus. Is that initiative?

Chaperones for "Teen Canteen" Friday night were Mrs. Chester Mosser and Mrs. McClung. "Teen Canteen" invites all teenagers in the county to attend every Friday evening from 8 til 11. This invitation extends to our summer guests also. The concession is operated by the Moose Club, whose hall "Teen Canteen" occupies.

See you all next week.

Grantsville Wins Two Games 8-1, 22-3

Grantsville's Sluggers won two games over the week-end. Robert Keister, diminutive Grantsville southpaw, notched his first mound win of the season Saturday with a three-hitter over Hyndman merchants at Grantsville 8 to 1.

The victory pulled Grantsville into a three-way tie for fourth place with a 5-7 record, while putting Hyndman into second place.

In the surprise upset Hyndman was practically impotent against the slants of Keister. The Merchants, who scored their only run on a homer by Hite in the sixth inning, never seriously threatened except in the second inning when they loaded the bases.

Keister faced only 32 batters in the contest, struck out 11 and walked one. He retired the side in order in the third, fourth, fifth, seventh, eighth and ninth innings.

Grantsville tallied seven runs in the first three innings. John Keister pounded out a circuit smash in the first with two on base. Jim Keister singled and doubled and Young had three singles. Tucker Cain had a single, double and two runs batted in. Jerry Ritchey rapped out a pair of one-base blows.

On Sunday Grantsville teed off on Wellersburg pitching for 19 hits to rout the league's tailenders at Wellersburg by the score of 22 to 3.

Dage Richards fanned 15 and issued nine walks in registering his fourth win of the season. He has lost one game. Junie Perry and R. Young paced the Grantsville attack with a home run, double and single each.

Grantsville is now tied with Centerville for fourth place in the Pen Mar league.

Army Pvt. Henry L. Niner, son of Mr. and Mrs. J. L. Niner, Route 2, Deer Park, recently was graduated from the 101st Airborne Division Jump School at Fort Campbell, Ky. Niner received his paratrooper wings after completing two week of intensive ground and aerial training which included five parachute jumps. He entered the Army last October and completed basic training at Fort Jackson, S. C.

With Our Men In The Service

Jimmy N. Smith, engineman third class, USN, son of Mr. and Mrs. James Smith of Kitzmiller, is serving aboard the attack cargo ship USS Rankin, operating with the U.S. Sixth Fleet in the Mediterranean.

The Rankin, a unit of Amphibious Squadron Four, departed the Island of Rhodes, off the Turkish coast, May 23, following a week of amphibious operations on Crete.

The landings, which were made at Kolpos Rethimnov, Crete, were designed to keep the U. S. Sixth Fleet and all of its components in the highest possible state of readiness should an emergency arise.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	2 Chronicles	20	20-37
Monday	Revelation	22	6-21
Tuesday	Leviticus	14	1-20
Wednesday	Leviticus	19	1-18
Thursday	Numbers	20	1-13
Friday	2 Kings	11	1-16
Saturday	2 Kings	11	17
		12	8

When I walk out of my front door, it always gives me a good feeling to see the spire of the church down the street.

A church spire makes you look upward. You have an irresistible urge to gaze at its highest point. It is a lofty symbol, the physical manifestation of an ideal.

Sometimes, when I step through my front door, my thoughts are on the "down" side. Then I look toward the church, my eyes travel to the sky, and I feel better, no matter what my troubles.

Next time you're near a church — try it and see. Better still, try going inside.

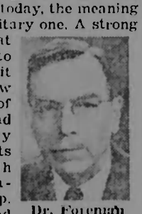
A Strong Country

Lesson for June 21, 1959

THE STORY of King Jehosaphat in the Bible gives us a valuable illustration of what a "strong country" or nation is, and also how the various parts of institutions of a country support one another. When the words "strong" or "weak" are used of nations today, the meaning usually is a military one. A strong nation is one that would be likely to win a war if it got into one. Now the kingdom of Judah, which had been pretty weak, revived its military strength under Jehoshaphat's leadership. He reorganized the army itself and also rebuilt the fortresses that guarded the strategic points in Judah. But there were other nations which were even stronger from a military view, and they did not outlast little Judah. There were other forms of strength in that nation.



Dr. Foreman

Support of Education

In those days there were no colleges, no schools in our sense of the word. Most of what we now teach in school was still unknown; we would call that civilization "barbaric" if it existed today. Nevertheless, even bookless people need education. King Jehoshaphat saw to it that the schools went to the people. He routed the priests, Levites and princes out of the capital city where most of them seem to have gone, and sent them around the country to teach the people where they lived. We can observe similar movements today in the village schools of India or the folk-schools of Denmark. Many Americans seem to think you can't have real education without big expensive plants (including gymnasiums bigger than anything else); but where countries are small and poor, as Jehoshaphat's was by our standards, you have to do something simpler.

Support of the Courts

King Jehoshaphat knew that even an educated and well-churched nation needs good courts. His strong charge to the judges he appointed is still as good as new. (Incidentally, we note that he saw to it that every town had a court. If courts are not available, if they are too far and too few, you get the "west-of-the-Pecos" stuff, which is really not law at all.) The king advised the judges to make their decisions in the fear of God, not of men. Courts which make only such decisions as they know will be popular are basically unfair. A court must not ask: Will everybody like this? but is this fair and just in the sight of God? Furthermore, the king warned those judges against partiality, or taking bribes. "Peddlers of influence" were a nuisance in those days as well as these. A court or a judge that can be bought, a lawyer who thinks only of his fee and his fame, are obstructions to justice. Some one has said that the whole purpose of the law is to protect the weak from the strong. And when courts are too weak to do that, the whole country slides into weakness and decay.

Support of the Church

Little if anything is said about organized religion in Jehoshaphat's time. We may assume that the temple worship was going on, and we know the king suppressed many of the local shrines or "high places" as they were called. The trouble with those "high places" was that they tended to get off the track and actually become centers of idol-worship, sometimes of a repulsive sort. But the significant thing about this king's attitude to religion was that he expected it to push out into the other institutions of society. When his army was in a tight place, he prayed, "We do not know what to do, but our eyes art upon Thee." He reminded his judges that God was their Judge. He sent both priests and Levites out to teach. It takes not only a strong army, strong educational institutions and strong courts to make a strong nation; a strong religion is needed as the base of it all. But the strength of a nation's faith is not shown in its far-flung organizations nor in the number attending public worship. The test of a nation's professed religion was then and is now: Does it work out into the country's whole life?

Report on Fishing Continued This Week

Report of fishing conditions in Deep Creek Lake was continued this week by Cecil C. Edwards, fish culturist assistant of the Game and Inland Fish commission.

Varied weather conditions caused a drop in fishing pressure during the week but those fishermen who braved the elements caught quite a few of the smaller variety but there were few reports of large fish being taken. Yellow Perch predominated with many small-mouth bass 10 to 13 inches long being caught.

Largest largemouth bass was one measuring 18 inches caught by Lee Wyatt Saturday in Marsh Hill inlet, using a "popper." The 22-inch bass credited to Wyatt last week was caught instead by his fishing partner, Menlon Marucci.

On June 13 Lewis Galusky, Kingwood, caught a 12-inch black crappie. His daughter caught two bass 12 and 10½. Jack Wotring caught an 18-inch pickerel and his daughter a 16-inch northern pike, all caught in vicinity of Johnny's Bait house and Thayerville using "Abu" spinners.

Despite rough weather Sunday Robert Hartley creeled three pickerel, 20½, 19 and 17½ around Deep Creek bridge, and one black crappie. His son got an 18-inch northern pike and three pickerel. They used a "shyster" spinner, similar to the "Abu."

Thomas Whisenand, Baltimore, caught a 15½ inch northern pike near Harvey's peninsula on a shiner minnow, and Robert Edwards, McHenry, caught a 15-inch pickerel opposite McHenry, using night crawlers. He released this one.

Edwards reported on how the air temperature affected the water temperature, and gave records taken near McHenry. Water temperature is recorded at an approximate depth of three feet and air temperature about one foot above water. From Tuesday to Friday water temperature was running from 74 degrees to 77. At same time afternoon air temperature was in high 70's or low 80's. With rapid drop of air temperature Saturday evening and continued cool weather over week-end the water temperature dropped from 76 degrees at noon to 62 degrees Saturday midnight and Monday was down to 58 degrees. Maximum air temperature Sunday was about 62 and the low air temperature for the week was 40 degrees Sunday morning at 6 o'clock.

Fishermen were reminded not to forget to have their "big" or unusual catches measured at Johnny's Bait House or at Matt Storey's.

Hungering and Thirsting after Righteousness

Matt. 5:6. "Blessed are they that hunger and thirst after righteousness: for they shall be filled."

These are the words of Jesus as found in the fourth beatitude of the Sermon on the Mount. 'Blessed are they that hunger and thirst after righteousness: for they shall be filled."

Hunger and thirst are signs of health and growth. When you do not suffer the pangs of hunger any more you realize that your health is not the best and that it would be wise to see a physician. Healthful living things hunger and thirst.

That little baby in your home hungers and thirsts about all the time. It often seems. Sometimes when you are real tired and worn out you wish that he did not hunger and thirst so often, but still you know that it is best, even though he often disturbs your sleep and rest. Just so long as he keeps a good appetite he will grow, but if he loses his appetite he will cease to grow.

But there are other hungers, besides the hunger for bread. Man must have bread. He cannot get along without it. But while bread is important it is not enough. "Man does not live by bread alone." The soul is never satisfied with what the world offers.

One's appetite grows by what he feeds upon. If one begins to use intoxicating drink, it most certain that his appetite for it will increase and that the more he drinks the more he will crave it. One drink calls for another. One drink satisfies for only a short time. The person is soon athirst again, and after each drink the thirst becomes more intense.

Man has not been and cannot be content with anything less than God. God has placed in every one of us a hunger for himself. Therefore when the psalmist cried, "As the hart panteth after the waterbrooks, so panteth my soul after thee, O God," he was speaking a universal language. It is the conscious or unconscious cry of every human soul. This longing for God is characteristic of the race. When Philip said, "Lord, show us the Father, and it sufficeth us,' he was voicing a longing that is as old as man. Augustine expressed the longing of the soul after God when he said, "O God, thou hast formed us for thyself, and our heart are restless until they find their rest in thee."

If we find ourselves with a divine discontent, let us rejoice, for we are in the way of blessing. The tragedy of the Pharisees was that they were so content with their own righteousness that Jesus could not get them interested in the higher righteousness which he offered them. We have no righteousness of our own worth calling righteousness. "All our righteousness are as filthy rags."

One result of spiritual discontent is a closer acquaintance with Christ. Paul accomplished more for Christ than any man of his day, but he was not content with what he had done. He said, "One thing I do, forgetting the things which are behind and stretching forward to the things which are before, I press on toward the goal unto the prize of the high calling of God in Christ Jesus."

This is not a benediction pronounced upon those who have attained to righteousness, but upon those who long after it, who have it as their chief object or desire.

Striving after this kind of righteousness of which Jesus is speaking is nothing more than striving to be like Jesus Christ. The aiming after such perfection is the highest aim that a man can set before him.

The best of Christians keep on hungering and thirsting for more of Christ. They desire to have sweeter and more intimate fellowship with him day by day. It is their supreme desire to know and to do his will. All such have the promise of Jesus, "They shall be filled."

Do you know Jesus? Do you claim him as your own? Would you like to know him better and love Him more and do always those things that please him? Does he come first in your life? If so, abiding satisfaction is yours.

Worth Living - - - - -

That noted statesman from Lebanon Charles Malik, put a much-needed emphasis to America in a speech the other day. In urging a "mighty spiritual revival" to counteract the Communist "warfare-by-subversion," he said:

"Free representative government, the primacy of the human person, the moral law, the continuity of history, freedom, truth, and God—it is these things that are at stake today.

"They are all rejected and opposed from without, and some of them are doubted or compromised from within. Is life worth living without them? And yet if people do not wake up, life will not be worth living!"

Edward W. Greenfield, in "Pause for Reflection," comments:

It was said even better in the shadow of Lebanon 2000 years ago: "What shall it profit a man to gain the whole world if he lose his soul?"

For, the surpassing material abundance of America may be her body, but the heritage of freedom, the dignity of the individual, merality, truth, and faith in God are the American soul. Without these, our material bounty would not only be not "profitable" but eventually impossible.

Means without meaning, power without principle, status without self-respect, gadgetry without God—that's what the Communists want for us. They know that to conquer the flesh they must first conquer the spirit.

Yet we seem dangerously eager to kill off our spiritual values without Communist help! We had better listen to Malik: "If people do not wake up, life will not be worth living!"

Youth Found Dead Of Gunshot Wound

An 18-year-old Preston County, W. Va., youth was found dead Tuesday night of a self-inflicted chest wound near his home in Corinth, W. Va.

The body of Dennis P. Glotfelty, son of Virgil and Grace Shaffer Glotfelty, was found by a search party formed after the youth failed to return home for supper.

Coroner Frank W. Pritt and Prosecuting Attorney James Dailey, Preston county, ruled the youth died as a result of a self-inflicted gunshot wound in the heart.

The youth's grandfather, George Shaffer, said the youth left home Tuesday morning with his shotgun and his dog. The parents were gone for the day and returned home in the evening. They became worried when the youth didn't come home, and formed a search party. Members of the family told authorities the youth had been in ill health for six months.

Surviving, besides his parents and maternal grandfather, are two sisters, Mrs. Peggy DeWitt, Baltimore, and Miss Linda Glotfelty, Corinth, and paternal grandmother, Mrs. Ida Glotfelty, McHenry.

Funeral services will be conducted Friday afternoon at 2:30 o'clock from the Corinth Methodist church by Rev. Charles Godwin, pastor of St. Paul's Methodist church, Oakland. Burial will be in Terra Alta cemetery.

The body is at the Fike-Watson Funeral home in Terra Alta.

Guy Wm. Hinebaugh Heads Lions Club

Guy William Hinebaugh was installed as president of the Oakland-Mt. Lake Parks Lions club at a regular meeting Monday evening in the William-James hotel. Installing officer was E. Leister Mobley, international counsellor, of Hagerstown, and assisting him was Arthur Moats, of Half-Way, Md.

Other officers installed were Delbert Gnegy, first vice-president; Robert W. Stemple, second vice-president; James McHenry, third vice-president; Richard L. Davis, secretary-treasurer; James H. Nordeck, lion tamer; and Jay Bell, tail twister. Named to the board of directors were Irvin R. Rudy, Jr., Kenneth Lawton, Lewis R. Jones and Howard D. Naylor.

Officers assume their duties July 1.

The club heard Roy Schlosnagle, Northern High student and F. F. A. member, give a talk on the work of the Future Farmers of America. Roy will compete in the regional oratorical contest soon at Hagerstown, as representative from this region.

Ventilator System For County Garage Is Now Installed

The new ventilator system for the County Roads garage, which has been recommended by the past several Grand Juries to take care of the obnoxious fumes, has just been installed, it was reported Monday by Darrell Wotring, county roads supervisor.

The system was installed by W. E. Shirer and Son for $1,570. The system includes a ventilator for the garage and two for the storage area, and duct work connecting the three.

Strike Continues At Carnation Co.

The strike was continuing this week at the Carnation company plants in Oakland, and parts of West Virginia, and there was no indication that any discussions were being held to settle differences.

The Oakland plant sent out word to farmers last week that it would not receive any milk until settlement is made. Many farmers of the area have turned to making butter from the excess cream, and gallons of skimmed milk are being tossed to the hogs. In some instances cream was being hauled to Terra Alta and Petersburg.

The strike affects 18 independent milk haulers and receiving stations at Oakland, Cameron and Huttonsville, and some 800 farmers in the area are without a steady outlet for their product.

H. S. Glenn, superintendent of the Carnation plan, stated yesterday: We were very much surprised that our employes took strike action June 17 after the company had made a very substantial wage offer and an improvement in the fully paid hospital, medical and life insurance plan.

"Our concern at this time is not only for those employes on strike, but for the 3,000 producers who have lost the market for their milk. This, no doubt, will have an economic effect on the community as there will be a loss of revenue to the farmers for the milk they produce. Also, the payroll to our employes is lost for whatever period of time the strike lasts.

"The company stands ready to discuss with the union at any time it desires, the matter of any other differences. If the plant continues to remain closed long enough to result in serious loss of the raw milk supply, the company, once the strike ends will be able to employ only the crew necessary to handle a reduced volume."

Oakland to Observe Little League Day

Oakland will observe Little League Day on Saturday, June 27. On that day the second half of the current season will begin.

In observing the event a parade has been planned starting at 1 o'clock beginning on Second street. Following the parade there will be a flag raising ceremony and certificates honoring last year's graduates, will be presented.

There will be a double header baseball game staged at the Little League field. Two teams are tied for first place.

Those in charge of Little League activities are hopeful for a renewal of interest among the parents and other citizens and anticipate a large crowd.

The picture shows Dr. Alta Schrock, executive secretary of Penn Alps, Inc., and Daniel Hershberger, chairman of Grantsville Improvement Sub-Committee and member of County Steering Committee, at the present Penn Alps Craft store. In the background are examples of the crafts being made by local persons and sold through this outlet. All crafts have a local "color" such as the maple syrup keeler staves decorated with paintings of local flowers (third shelf on left.) This store will be moved to the recently purchased building on Route 40, just east of Grantsville, in the near future. The building will contain a restaurant specializing in "Dutch" cookery and a crafts outlet for locally produced items. This is the first time a project of this nature has been carried out in the Allegheny mountains.

Rural Development Group Supports Crafts Project

The home crafts project being sponsored by the Penn Alps, Inc., a group interested in advancing the economy as well as the moral and spiritual climate of the county, is now receiving support and backing of the county's Rural Development committee, it was announced.

Daniel Hershberger, chairman of Grantsville Improvement sub-committee and member of the county's rural development steering committee, has been working closely with Dr. Alta Schrock, of the corporation, in promotion of this project. The County Health department, County Welfare department and Extension service are also cooperating.

Most recent plans call for a "Dutch" restaurant and native craft outlet on route 40, just east of Grantsville. The former Arlington hotel property has been purchased and will be remodeled. The group also expects to conduct classes and demonstrations on crafts at the hotel and also to equip some of the rooms with the material needed for certain craft work. This would include rug weaving and braiding, woodworking, carving, oil painting of pictures, manufacture of figurines, leather crafts, etc. Volunteer workers, supplied by the Mennonite church will visit and counsel with persons to both teach and encourage them in home industries and crafts and in home management. Their aim is to provide them with supplemental income and raise their level of family living.

Barry Carr, assistant county agent, with emphasis on rural development, said that some families had begun craft work and are selling these items through the original Penn Alps store on the Springs road, just across the line in Pennsylvania. The new building on route 40 will replace the store on the Springs road.

Carr said he hoped to be able to help the group in counseling with low income families in regard to raising living standards. He said this counseling "would be relative to crop and livestock production, gardens, sanitation and water supply, building repair, etc." He said the resources of the Extension service are available to provide educational needs in agriculture and homemaking to the people of the county.

188 Instructors Assigned For 1959-60 Term

Appointment of 188 teachers for the 1955-60 school term has been approved by the Board of Education and announcement made by Willard L. Hawkins, county superintendent of schools.

The number is ten more than were named at the start of the 1958-59 season. One hundred four of the teachers were for the sixteen two-teacher, graded and elementary schools. Thirty-five instructors were named for Northern High school and forty-nine for Southern High school.

The last one-room school in the county has been abolished. This was at Bittinger. The children are being transported either to Accident or Grantsville.

The appointments were as follows:

SWANTON—Bennett Arthur, Jr., Principal, Mrs. Florence J. Cosgrove.

To Extend Route 2

Rural Route No. 2 from the Oakland Post office will be extended, effective Saturday, to include portions of the Old Deer Park road, it was announced Monday.

The extension will provide mail delivery service to some 25 families previously without any mail facilities, according to William Eggers, carrier.

Only Two Births Occur

Only two births occurred during the past week at the Garrett County Memorial hospital in Oakland, both boys.

On the 19th a son to Mr. and Mrs. David Harvey, Deer Park.

On the 22nd a son to Mr. and Mrs. Earl Wilt, Gormania.

During the week the hospital admitted 28 patients and discharged 26. Census this morning was 40.

To Teach At Cove

Miss Mildred Wucik, a graduate of Morgantown High School and with a B. S. degree from West Virginia University, will replace Miss Chrisman as instructor in commercial subjects at Northern High School this September. Miss Wucik is a major in commercial subjects and taught one year in the Carrollton High School in Ohio. She is a member of the Methodist Church.

Historical Society Dinner Set Tonight

Around seventy-five persons are expecting to attend the annual dinner meeting of the Garrett County Historical Society set for this evening at 6:30 at the William-James hotel in Oakland.

Speaker for the occasion will be Frank W. Peters, owner of the Peters Fuel Corporation which distributes petroleum products in a three-state area. Mr. Peters will speak on "A Glimpse at the Constitution."

Mrs. W. W. Grant, president of the Historical society, will be in charge of the program. At a brief business session there will be an election of officers.

Better Living Program For Farmers In Twentieth Year

This year the Farming For Better Living program, in which Garrett County participates, will be in its twentieth year. While Garrett County has been in the program for only twelve years, it has won more than its share of the honors. Seventy-eight farm families are enrolled this year.

The Farming For Better Living program is co-sponsored by Monongahela Power Company and the Agricultural Extension Service in twenty-four counties of West Virginia and in Garrett County. The area is divided into four regions and each year in addition to the county winners, four regional winners and a Sweepstakes winner are selected. John H. Carter, retired Garrett County Agricultural Agent, is this year's chairman of the Garrett County Farming For Better Living Council, the organization that directs the Garrett County program.

Garrett County has had two Sweepstakes winners and four Regional winners. The Sweepstakes winners were Mr. and Mrs. Clark Schlossnagle, Friendsville, 1952; and Mr. and Mrs. Lenwood Bittinger, Mt. Lake Park, 1957. The Schlossnagles were regional win-

Camps to Open

Camps Whitethorn for boys, and Minnestoska for girls, under ownership of Mr. and Mrs. Chester Johns, of Baltimore, will open Monday, June 29 for the summer season.

There will be some one hundred campers and a full staff of councilors, Mr. Johns announced.

Among the campers this year are Diane Kefauver, daughter of U. S. Senator and Mrs. Estes Kefauver, and Jesus Perez-Morlas, son of the military attache of the Venezuelan embassy. This will be the second season for Diane Kefauver.

The camps were established quite a number of years ago by the late Dr. Henry W. McComas, and were operated for some time by Mr. and Mrs. Frank Hansen. Mr. Johns became owner and operator some three or four years ago.

Citizens Ordered To Conserve Water

Citizens of Oakland were notified this week by the Mayor and Town Council to conserve the water supply until further notice. An advertisement to that effect appears in today's issue.

The Mayor and Council banned car washing, the sprinkling of lawns and any unnecessary use of water.

Henry W. McComas, chairman of the Water committee, said the water supply was adequate at this time and that the order was merely a precautionary measure. There has been only slight rainfall in the area in recent weeks, and a prolonged drouth could cause a shortage, he pointed out.

Teach at Southern

Miss Tarun Comegys, a June graduate of Hood college, has accepted a position as girls' physical education instructor at Southern High school for the next school year. Miss Comegys will replace Miss Mona Lon Evans who resigned to be married this fall.

She is a resident of Clayton, Delaware, and is the daughter of Dr. and Mrs. Charles Comegys of that city. Miss Comegys has had experience for several summers

A potent factor in the agricultural evolution that has occurred in the past twenty years has been electricity. Ross Crowe looks over his 100 amoere service entrance with L. Bush Swisher, Monongahela Power Company agricultural representative. Crowe was one of the first farmers in the county to install a central pole service—changing from an old two-wire 30 ampere service that ran only to the house. And, it may not be too long before he'll have to convert again—to a 200 amnere service. He runs two 5-horsepower motors, one on the hay dryer and the other on his Harvestore silo, and he uses motors on chicken feeders, his own farm water system to home, barn and chicken house, milkers, milk cooler, food freezer and a multitude of other equipment. He has two electric hot water heaters.

Oakland Teacher Receives Car In Nation-Wide Contest

Raymond Borrell, science and music teacher at Southern High school, and director of the Southern High band, who resides in the Oak Park area near Oakland, is one of ten national grand award winners in a Family Fun Jingle contest conducted by Plymouth automobile.

As one of the ten top winners, Mr. Borrell receives as his grand award a Plymouth Sport Fury two-door hardtop and a power-driven kiddie sized Fury junior styled after a 1959 car.

Mr. Borrell received notification of his win from Ray Teets, president of Ray Teets' garage, Oakland, automobile dealer, who validated his winning entry blank and who delivered both of the prizes.

"I have heard about people winning contests but this is the first I have ever won," Mr. Borrell said. He added that he and his wife were "most happy to be the winners." But Mr. Borrell didn't seem any more excited than his daughter Leslie, aged three, who called for all her neighborhood friends to come and see her new Fury Junior.

There were more than 100,000 entries received by the automobile concern in the contest. Of the ten national winners, two were within an area of twenty miles, another winner having been named from Kingwood. In addition to the ten national awards there were 150 runner up prizes of pocket transistor radios.

Like all grand award winners Mr. Borrell had his choice of a sport surburban station wagon or a Sport Fury in addition to the Fury junior.

RECEIVES KEYS—Raymond Borrell receives the keys to his new Plymouth which he won in a national jingle contest recently. The presentation was made Tuesday afternoon by Ray Teets, local garage owner. Beside Borrell are his wife and daughter. The daughter received a junior model.

Receives Needed Rain

The county received some much needed rain Monday night, to give a "shot in the arm" to the crops of the area. It also added to the dwindling water supply.

Rain also began falling this morning and there were indications this might continue throughout the day.

The recent cold spell ended last Friday with warmer temperatures prevailing Saturday, Sunday and Monday. It was fairly clear and warm on Tuesday and Wednesday.

Lay New Gas Line

Employes of the C. and A. Gas company have completed the laying of a new gas line on Green street. The pavement was torn up for about two weeks. The town has planned a repaving project for the street within the near future.

Victims of Boat Mishap Are "Fair"

Two Pittsburgh men who were injured Tuesday in a boating accident at Deep Creek Lake were reported in "fair" condition this morning at Garrett County Memorial hospital.

Daniel D. Barker, 28, driver of the craft, and John F. McGlynn, 32, were hospitalized. Mr. McGlynn sustained fractured ribs and Mr. Barker was bruised considerably, according to an attending physician.

The accident occurred when the boat rammed into a pier at the Glendale Bridge. The boat was badly damaged.

Leo Friend, fish and game warden who patrols the lake area, said the driver of the boat would be charged with two boating violations.

Mr. Barker has a cabin at Pond Ann, near the place where the accident occurred. The two were brought to the hospital in the Minnich ambulance.

Dogs Are Poisoned

Several dogs have been poisoned in the Sang Run area, it was learned this week. Residents have found a quantity of meat scattered throughout the community, apparently heavily dosed with arsenic.

Mrs. Mary Hinebaugh has lost two dogs and one cat, while a neighbor, Ralph Hoye, also lost two dogs.

Democratic Women To Hold Final Meeting

The final meeting for the summer season of the Federation of Democratic Women's Clubs will be held June 29 at the home of Mrs. Harry Seggie in Accident, beginning at 7:30 p. m.

Plans will be made for activities during the coming year. Members requiring transportation should contact Mrs. B. I. Gonder, Mrs. Lois Dettmer or Mrs. F. J. Baumgartner.

MARYLAND DELEGATES attending the National 4-H Conference in Washington, D. C., June 13-19 were (left to right) Roy D. Cassell, assistant state club agent; Richard Heavner, 18, Rt. 3, Cumberland; Judy Buckel, 18, Bittinger; Sarah Ann Ramsburg, 20, Rt. 1, Thurmont; J. O'Neal Johnston, 19, Bel Air, and Charlotte Conaway, assistant state club agent.

School Construction Ahead of Schedule

All school building improvements now under construction are ahead of schedule, and should be ready for occupancy by the time schools open in September it was announced by Willard L. Hawkins, county superintendent of schools.

Included are the all-purpose room at Center street in Oakland, two room addition and all-purpose room at Loch Lynn Heights, and an addition at Yoder school which will provide a classroom and library.

Mr. Hawkins said that in addition several needed improvements are being made by the regular maintenance and custodial force.

The Center street all-purpose room will have a seating capacity of approximately 400 and a full size stage. The latter will be equipped with suitable curtains and windows will have blackout drapes in order that the room may be used for visual aids. Extra toilet facilities for girls and a chair storage room are also a part of the Center street project.

Two modern classrooms are being added to the Loch Lynn school with full basement converted into a small all-purpose room. This will have a platform stage and will seat approximately 150 people. It will be equipped with blackont curtains for visual aids purposes. A small library and several storage rooms are part of this project. Mr. Hawkins said the addition would relieve the oversized classes in both the Center Street and Dennett road schools. The present four room structure at Loch Lynn is also being completely renovated and reconditioned.

Items of improvement include acoustical ceiling for classrooms, better lighting, improved toilet facilities, repair of walls, new stairway to cafeteria, a new roof, and entire building repainted inside and outside. The new building will house 190 children in six grades with six teachers.

Other Construction

Other items of maintenance and improvement underway this summer include: construction of a corridor at Northern High school, joining the shop and main building; construction of ramp at Friendsville for removal of ashes; painting of exterior of Accident school and portion of the interior, plus some repair; painting of exterior of Center street school and partial painting of interior; painting of exterior of annex building; painting of interior and exterior of Swanton and North Glade schools, and partial painting and maintenance at Kitzmiller, Crellin, Deer Park and Red House.

Stoning Hearing Is Delayed Until July

A hearing on manslaughter charges filed against two young men as a result of the rock throwing death of a former Bloomington man in May, in Prince Georges county, has been continued to July 20.

Originally charges against James Duvall, 18 and Raymond F. Burke, 20, both of the Washington suburban area, were to have been heard in Hyattsville police court last week.

A 15-year-old Washington boy and two brothers, 16 and 17, from Morningside, will remain under jurisdiction of the juvenile court in that county. The five youths were arrested in connection with the death of Donald L. Moorehead, 37, formerly of Bloomington, who was working in Washington as a carpenter.

The man suffered a ruptured spleen and two broken ribs in a rock-throwing incident in Coral Hills, Prince Georges county on May 10. Moorehead who was struck by rocks thrown by five youths when he refused to give them some of the beer he and a companion were drinking, died May 19 on the operating table in a Washington hospital.

Circuit Court Judge J. Dudley Diggs, in Upper Marlboro, rejected a defense attorney's request to waive jurisdiction of the three younger defendants to an adult court. He continued the case indefinitely to permit more time for study of circumstances surrounding the death of Moorehead.

Gets High School Diploma

Patricia Ann Leighton, daughter of Mr. and Mrs. Clarence H. Leighton, 7th street, Oakland, was among the students of St. Mary's Seminary Junior college to receive a high school division in graduation exercises on the campus at St. Mary's City on Sunday, June 7.

Miss Leighton formerly attended Southern High school. During the past two years she has been active in the chair, publications, dramatics, class organization, athletic association, May Day dancer, various clubs and committees.

Telephone Co. Authorized Addition To Building

At a meeting of the Board of Directors of the Chesapeake and Potomac Telephone Company of Maryland recently the construction of a one-story building at Oakland, was approved. The addition would house central office equipment for increasing the number of long distance circuits between Oakland and Cumberland.

The project was among $1,751,500 authorized for additional service improvements within the state.

Two Drama Veterans To Return This Year To Summer Theatre

Two drama veterans are returning this year to the summer theatre, it was announced by Gene Yell, director, who arrived in Oakland with his wife and daughter a few days ago.

The Yells are getting their summer home, "Hemlock Hollow," in shape to receive the members of the cast who are expected to arrive this week-end.

Included in the group are Neil Flanagan and Cris Curran. Flanagan has been with the summer theatre for the past two seasons. Curran was here in 1957 but missed last year.

Among the new ones this year are Jeanne Peaker, a sophomore at the University of New Mexico. She has played "The Lark," at the university and has attended the Perry Mansfield school of dance in Colorado for two summers. Sal Springwell, of New York, is a graduate of the University of California at Los Angeles and has been a member of the Pasadena Playhouse. Sally Lutin, a senior this year at the University of New Mexico is coming to serve as stage manager. Gene Falcetta, a graduate of the Goodman theatre, and Ray Caton, of Chattanooga, Tenn., are also planning to arrive this week-end. The latter will be the technician.

The first play is scheduled to be presented the week of July 7th.

Two Young Men At Boys State Meeting

Two young men from Garrett county are attending Boys State of Colorado this week, it was announced.

Robert Uckele, Jr., 16 son of Mr. and Mrs. Ralph Uckele, Bittinger, and James McKenzie, 16, son of Mr. and Mrs. Jean McKenzie, Grantsville, are being sponsored by American Legion Post 214, of Grantsville, and co-sponsored by the Grantsville Rotary club.

To be eligible for selection the young men must be readers of Maryland and members of the junior class of their high school as of June 1.

Boys selected must be outstanding young leaders who have demonstrated leadership qualities and organizational ability. They are expected to be of excellent character, physically fit, have the ability to meet and get along well with others and able to adapt themselves quickly to changing situations.

It was explained that Boys State was a study conference which provides young leaders with further opportunity for practical training in citizenship, and in the functions and operations of city, county and state governments. It is designed to develop a better understanding of the workings of government and the duties and responsibilities of public officials.

The conference will end on Saturday, June 27.

Prices rose 0.1 percent in May for all-time record high.

Stuck Is Re-elected As Scout Chairman Of Deep Creek Area

George Stuck was re-elected as chairman of the Deep Creek district of the Potomac Council, Boy Scouts of America, at the annual dinner meeting held Tuesday night at the Oak Park Church of the Brethren.

W. Kennedy Johns was named as vice-chairman and Ralph Fauber district commissioner.

Some sixty persons attended the meeting and heard reports of various district committees and representatives from sponsoring institutions of the several scout troops, cub packs and explorer posts in the Deep Creek District.

M. S. Brookhart was chairman of the dinner committee and served as master of ceremonies. Gerald Minnich and Ralph Fauber assisted in the dinner arrangements.

Charles Newman, field scout executive, presented scouter's keys to Mr. Johns and Frank McDaniel, for their work in scouting. Mr. Johns is adviser to Explorer Post 21, while McDaniel is leader of the Cub Pack, both at Oakland.

Willis V. Smith, scout executive, Potomac Council, gave a talk on the importance of scouting. Edward Umstot presented a piano selection.

To Represent County

Miss Viola Broadwater will represent Garrett county at the meeting of the National Education association meeting in St. Louis June 28 to July 3. Maryland will be represented by nearly 135 educators at the convention. Of the group 125 will be official delegates of the Maryland State Teachers' association.

She planned to leave from her home at Grantsville on June 27 and return July 5.

Miss Broadwater has been serving on the NEA commission on defense, and chairman for the public relations committee for the county teacher association and is a member of the MSTA committee. She was chairman of the Institute of Maryland Public Affairs committee and served as recorder at the IMPA workshop in Baltimore last summer. She had attended leadership training camp at Camp Louise, Cascade, for several years.

Two Persons Hospitalized

Two persons were hospitalized as the result of a wreck at the intersection of U. S. 219 with the Deer Park-Sand Flat road last Friday evening. They were Mr. and Mrs. Thomas Elmer Nelson, of Swanton, who were brought to Garrett County Memorial hospital in Oakland.

The driver of the automobile which struck Mr. and Mrs. Nelson was not identified. Mr. Nelson had lacerations of the face and a cut over the right eye. He was discharged from the hospital. Mrs. Nelson, who was badly bruised, still remains a patient.

Corporal Samuel Conrad Investigated the accident, but he could not be located this morning to identify the driver of the other car.

Grantsville Wins Over Flintstone

Dave Richards struck out 20 batsmen in hurling Grantsville's Sluggers to a 9-0 victory over Flintstone on Sunday in the Penn-Mar baseball league.

Richards left four strikeouts short of the season high of 24 set by Bobby Ramos on May 20 against Flintstone. In posting his fifth victory against one loss the Grantsville ace turned back Flintstone with three hits. He issued six passes.

Jim Keister was Grantsville's leading hitter with three safeties in four trips. Tucker Cain, George Lauder and Jupie Perry obtained two hits each for Grantsville. Perry was injured sliding and was forced to withdraw from the contest which was played at Flintstone.

Grantsville now stands in fourth place in the eight-team league.

Gains Noted in 1958 Income Tax Receipts

The share of state income tax received by Garrett county's commissioners and the eight political subdivisions in the county increased sharply in the past year.

Comptroller of the Treasury Louis L. Goldstein noted that the total payments to the governmental bodies during the current fiscal period which ends June 30, amounted to $33,699.

During the 1957-58 fiscal year the total payments came to $26,317, an increase of $7,392. In the 1955-57 year the county board and subdivisions received $27,579.

The governmental units received no part of the one percent additional tax that went into effect last year. They shared only in the two percent tax that has prevailed for a number of years.

The listing for last year includes the following: Accident, $369; Deer Park, $217; Friendsville, $268; Grantsville, $833; Kitzmiller, $279; Loch Lynn, $195; Mt. Lake Park, $773; Oakland, $1699; County Commissioners, $26,031; total, $33,699.

More car than this Impala Sport Coupe is hard to find at any price.
clings to curves like a cat on a carpet!
the travel-lovin' Chevrolet
Nothing else but a dyed-in-the-wool sports car like the Corvette can take a turn with such solid assurance!
It's easy to see where Chevrolet gets its road sense. With big coil springs at every wheel, a firm, wider stance and all of its pounds distributed with painstaking care, Chevy's born with it.
The only thing that may be hard to understand is how it can offer the ride it does, along with so many other luxury-car virtues, and still compete in the low-price field.
We use the word compete only in the sense of price. For with a ride as special as Chevy's, real competitors are hard to come by. There's a world of difference between Chevrolet's coil springs at all four wheels and the leaf springs that most other cars still use. Take a Chevy down a snaky back road and you'll feel the difference in the sure way it holds through curves and shoots over rough spots with hardly a ripple.
This one's really made to travel and loves every minute of it.

Area State Parks Of Interest to Many

State parks and forests of Garrett and Allegany counties attracted 485,000 visitors last year, a big increase over 1957.

William H. Johnson, district forester, said the majority of the visitors went to state forests and parks in Garrett county.

Largest number of visitors was listed for New Germany which attracted 150,000 persons. Next largest number listed was at Herrington Manor, west of Oakland where there is a lake and cabins for summer campers. A total of 125,000 visited here. Swallow Falls also had 45,000 persons, Savage River forest, 70,000 and Potomac State forest, 5,000.

The State Department of Forests and Parks listed 5,744,101 visitors in the various parks and forests during the year, an increase of 1,750,000. The parks attracted 5,160,642 and the forests 583,459.

Campers showed the most noticeable increase in numbers. Total campers numbered 180,176. Another increase was noted at water areas. July was the most popular month, accounting for 1,134,236.

MRS. WILLIAM SIMMONS

Mrs. Myrtle Simmons, 73, formerly of Cumberland, died Tuesday in the Weeks Nursing Home in Oakland where she had been a patient over three years.

Born in Petersburg, W. Va., she was a daughter of the late Mr and Mrs. Jacob Mongold and the widow of William Simmons.

Survivors include two brothers and a sister. Funeral services will be conducted Friday afternoon at 2 o'clock from the Leighton Funeral home in Oakland with Rev. Irvin Steiding, of Sand Flat, officiating. Burial will be in the IOOF cemetery at Elk Garden.

Better Living

(Continued from Page One)

ners in 1950, and the Bittingers won in 1953. Other Garrett County regional winners were: Mr. and Mrs. Ross Crowe, Oakland, 1955; and Mr. and Mrs. Stanley H. Baker, Mt. Lake Park, 1957.

Ross Crowe, one of the regional winners, was a mechanic at the Ford Garage in Oakland when the Farming For Better Living program was started twenty years ago—a far way from being one of the top farmers in the area's finest agricultural county. After the war that included a tour of duty in India, Crowe bought his 100 acre farm in 1946 and started farming.

When Crowe started farming, the farming business was in the beginning of an evolution—changing from back-breaking manual labor to a manager's job and a user of machinery, of which Crowe is well-supplied.

One example of labor saving devices that have come about in the past decade is Crowe's Harvestore silo. A push of the button brings silage to the cattle—before that a man had to climb up into the silo and toss the highly aromatic fermented grass down by the shovel-full.

Crowe, after 15 years of farming, has a large investment in machinery, in buildings, in soil improvements, and in his home. He is milking twenty-four cows, producing Grade "A" milk, and last September started the production of broilers, moving 12,000 through his chicken house each three months.

Herter, upon return from Geneva conference, declared that the Reds want all of Germany.

The last civil war veteran, aged 110, of Texas, was ill of pneumonia. He is a Confederate.

"Our Growing Edge"

MRS. MARTHA GEORGELAS

An Unusual Record

David K. Bishop, twenty-one years old, and son of Mr. and Mrs. Rowland K. Bishop of Shelby, North Carolina graduated recently from the Naval Academy at Annapolis with a record matched only by eight other midshipmen in that school's long history.

David had a perfect conduct record. He did not receive a single demerit in four years, and never walked off a minute of extra duty. His classmates had averaged 180 demerits each. These demerits are handed out for hundreds of reasons, ranging from a less than perfect shoe shine to a smile in ranks.

To his classmates, this achievement seemed incredible. They could scarcely see how he could have made it through four years of strict discipline without once getting "tried," a midshipman's slang for getting demerits.

What was the secret of this unusual achievement? David answered this question himself. He said, " Don't try to beat the system. Bend with it like a tree in the wind. Just act like you know what you are doing all the time." He never expected to make it, so he never worried about it. It's no good to try too hard anyway, he believes.

In my opinion, this boy has learned a lesson so valuable each one of us should share in thinking about it.

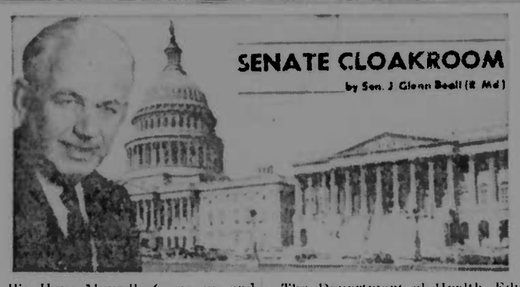
First of all, he learned to accept the situation in which he found himself. Without resentment, he accepted necessary authority. He learned to bend with it, instead of having it break him. How we all need in this twentieth century to accept necessary authority. The word "discipline" has come to mean to many of our young people a word to be feared, resented, something to struggle against. For that sad state of affairs, we can thank some of our so-called "progressives" in education, and on the part of parents.

Analyzing David's thinking, we find that he not only accepted his necessary discipline in a gracious manner, but also gave to his training a positive action. He was not a puppet on a string, obeying blindly his superior officers, but gave willingly of the most that could be expected of him. The newspaper reports say, "He never missed a minute of extra duty."

Then, by his own words, we see he took things calmly, without worry or undue concern, just doing his duty as he saw it. All in all, his attitudes add up to an unusual record from an unusual boy.

We can all learn from David. He has shown us what can be done, when, accepting authority, we move ahead to our duty plainly before us with a calm and untroubled mind.

I believe we will all be happier and more fruitful in our lives when we, too, learn these valuable lessons.



We Have Moved!—Come up and see us sometime! We are now in new quarters—nicer offices, more elbow room. The location is ideal; our suite of offices is in the part of the Senate Office Building nearest the Senate Wing of the Capitol. We chose not to move into the new building, farther away, and with certain other disadvantages. We like our building, gracious in architecture, with its classical rotunda, marble stairways and balustrades, and high ceilings. Our new suite is 321 Senate Office Building, telephone CApitol 4-3121, extension 5641.

Tobacco Price Support Limited—Maryland tobacco growers do not want a price support so high that it would price them out of the foreign market. They favor the kind of bill we got through the Senate, S. 1901, limiting rising support prices on tobacco, which in addition to preventing the loss of export markets, will help prevent surpluses and further cuts in acreage allotments. This past week I visited the House of Representatives Wing of the Capitol and talked with many of my old friends, pointing out to them that tobacco growers do not want high price supports and therefore favor S. 1901. When the roll was called, our bill won.

Parkway In Prince Georges Again Blocked—The Senate voted down my amendment designed to permit continued progress on the George Washington Memorial Parkway. The House of Representatives, on the pretext of trying to balance the budget, had knocked out President Eisenhower's item of $1,000,000 to match an equal amount put up by Prince Georges County for this parkway. It was to meet this emergency that I devised an amendment which would not require any new appropriation, but would transfer $500,000 from D. C.-land-acquisition funds not needed immediately to Prince Georges land-acquisition funds. Though this effort failed I will keep up my work for this much needed parkway. The Federal government must eventually make good on the authorization it made 30 years ago.

Two Maryland Youths Honored—The Secretary of Labor informs me that two young men of Maryland—Richard Bourne, of Hyattsville, and John C. Dillingham, of Bethesda—have been selected under the Student Assistant Program, designed to encourage students with outstanding capabilities in the fields of economics and statistics to become Federal government employees.

Education For Survival—Last week I put into the Congressional Record excerpts from the report of the Committee on Government and Higher Education, headed by Dr. Milton Eisenhower, President of Johns Hopkins University. The report points up dangers of Federal controls on education.

The President's Science Advisory Committee released its report also last week. It calls for more effective education, stating, among other things, that "the strength and happiness, even the survival of our democratic society will be determined primarily by the excellence and appropriateness of our educational patterns."

The Department of Health, Education, and Welfare announced the allocation of funds for graduate fellowships designed to increase the supply of college teachers and scholars and to expand graduate education in all fields. Johns Hopkins University and the University of Maryland are listed as the nominating schools for four categories: Art, Philosophy, Political Economy, and Economics.

10 Emergency Hospitals Located In Maryland—The Office of Civil and Defense Mobilization tells me that it has placed ten 200-bed Civil Defense Emergency Hospitals in the following locations in Maryland: Cambridge, Dorchester County; Frederick, Frederick County; LaPlata, Charles County; Hagerstown, Washington County; Harford, Baltimore County; and Glenelg, Howard County. The hospitals are pre-positioned that they may be ready, if needed. Within a few hours the hospitals can be uncrated and set up by local authorities, ready to receive patients.

Revolutionary "Shield" Made In Maryland—The electronic shield to protect the Air Force's Valkyrie against enemy attack is to be built by the Air Arm Division of Westinghouse Electric Corporation, Baltimore, Maryland—a multi-million-dollar contract.

The Valkyrie, or B-70, cruises at speeds in excess of 2,000 miles per hour, faster than a rifle bullet, and can operate many hours with refueling. It will carry the largest nuclear weapons plus air-launched ballistic missiles, thus combining the flexibility of bombers with the quick reaction capability of missiles.

The defense system to protect the Valkyrie—the unit to be built in Baltimore—will make use of electromagnetic and other techniques to make it difficult if not impossible for enemy aircraft or missiles to successfully attack the big, fast bomber. The electronic shield provides the bomber crew with a bag of tricks, being kept secret or "classified", as they say in Washington. The equipment is of highly advanced design, unlike any thing in use today. Its development is considered to be one of the most important programs in the military history of the United States. Westinghouse in Baltimore was selected to build this unit after an exhaustive evaluation covering almost 200 technical criteria.

Maryland Man Delivers First Missile-Borne Letter—President Eisenhower on Tuesday received Mr. Noble Upperman, of Silver Spring, Maryland, letter carrier, who then delivered the first letter to be sent by guided missile. The letter was "launched" 100 miles at sea in a Regulus I missile, directed to Mayport, Florida, where it landed on schedule, and proceeded on its route by commercial plane. The Maryland postman was accompanied to the White House by Postmaster General Summerfield.

President's New Science Adviser—The President has named Russian-born Dr. George B. Kistiakowsky (pronounced Kiss-ty-yah-KOV-skee), a Harvard chemistry professor, to replace Dr. James Killian as his chief adviser on scientific matters. The job was created after the first Soviet sputnik orbited into space and brought a clamor for appointment of a U. S. missile czar. Kistiakowsky fought in the White Russian Army against Bolsheviks, eventually escaped, first to Germany, then to the United States, became a U. S. citizen in 1933, became the world's foremost expert on explosives, created "Aunt Jemina", the amazing explosive powder of World War II, and contrived the device that detonated the first atomic bomb.

Census Electronics, You, A Mere Dot!—Next year you're going to be just a magnetic dot on a piece of tape. In the 1950 census you were a hole in a punched card. But that's "horse-and-buggy" compare too the new electronic machine the Census Bureau proudly showed off the other day. On one tape the entire population of the United States can pass in review at a rapid rate and come out tabulated by sex, race, and age. Punched cards still are used on small special projects at the Bureau, in Suitland, Maryland. But for the 1960 census, it will be magnetic tape. The cards are too slow.

You Hear Strange Things About Catholics

Yes, you can hear some strange things about Catholics.

You hear it said that Catholics believe all non-Catholics are headed for Heli... that they believe non-Catholic marriages are invalid.

Some think Catholics believe the Pope is God... that he can do no wrong... that they owe him civil allegiance and that he should have the political power to rule America.

It is said that Catholics want religious freedom only for themselves... that they oppose public schools and separation of Church and State as evils which should be destroyed.

The claim is made that Catholics pay the priest for forgiveness of their sins... that they must buy their departed relatives and friends out of Purgatory... that they adore statues... are forbidden to read the Bible... use medals, candles and holy water as sure-fire protection against the loss of a job, lightning or being hit by an automobile.

But what is worse, some say, Catholics corrupt the true teachings of Jesus Christ with the addition of pagan superstitions and practices that are nothing less than the inventions of the devil.

If all these things—or any of them—were true, it would be a pity. For at least one out of every six Americans is a Catholic—and it would be a national tragedy if one-sixth of all Americans entertained such erroneous ideas.

The Knights of Columbus is an organization of more than 920,000 Catholic men of reason and intelligence. In our ranks will be found statesmen, scientists, historians, physicians, movie stars, lawyers, educators and others representing every cross-section of American life. And for each and all of them loyalty to the Catholic Faith is the act of a reasonable man.

We are deeply interested in the welfare of our Church and our Country. And we believe the interests of both will be served best when fair-minded people know the Catholic Church as it is—not as it is sometimes mistaken to be.

If you have heard and believed any of these false claims, and want the truth, we will gladly send you a free booklet which explains many aspects of Catholic belief and practice. It will come to you in a plain wrapper—and nobody will call on you. Write for Pamphlet No. KC-1.

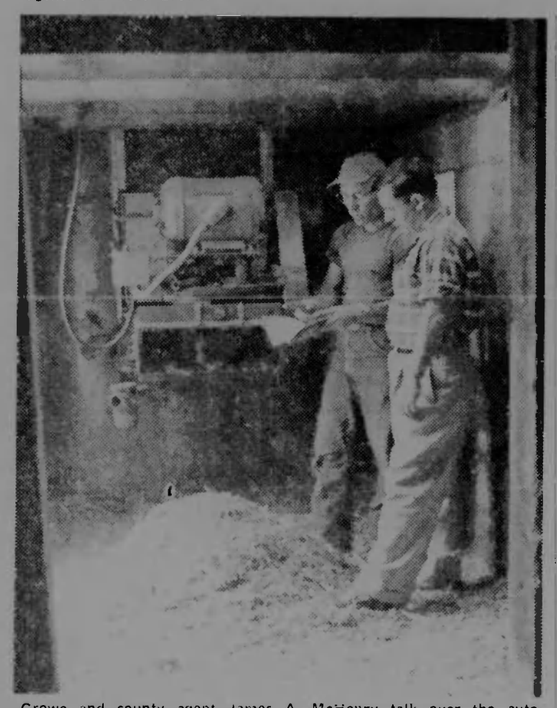
Newest enterprise on the Crowe farm is the production of broilers under contract. The new building has the capacity of 12,000 birds, and with its mechanical feeders, brooders, waterers, and lighting, does not require constant attention. A valuable by-product of the broiler business is the chicken litter—already showing up in greener grass on the Crowe pastures and hay fields. Discussing the enterprise are L. Bush Swisher, project director of the Farming for Better Living Program, James McHenry, county agent, and Ross Crowe.



Crowe and county agent James A. McHenry talk over the automatic silo unloader at the Crowe farm. Despite its high initial cost, Crowe says that the Harvestore silo will pay for itself shortly. The animals get a much better feed that has less moisture and can be fed from the silo at any time. There is no spoilage in the hermetically sealed, glass lined, steel silo, no gas or fumes escape and no food value is lost. The silo is filled with a blower, through a port-hole in the top of the silo. Air is forced out of the empty space by inflating a large plastic bag in the top of the silo and then the port-hole is sealed.

AURORA - EGLON

Walter Steinple Anday underwent surgery Wednesday in the Garrett County Memorial hospital, Oakland. Mrs. Steinple is the former Miss Dora Bland, Steinple Ridge.

Charles Winters, Gregg Church, went Sunday to the Garrett County Memorial hospital, Oakland, where he remained a few days for treatment.

The marriage of Miss Janice Longhrie, daughter of Mr. and Mrs. Guy Loughrie and Norman Hanline, son of Mr. and Mrs. Lorain Hanline, all of Aurora, occurred June 6, at the Lutheran church, Aurora, with the pastor, the Rev. George Weirick reading the vows. The couple is at home in Cleveland where the groom is employed.

Saturday, June 20, at the Methodist church, Aurora, occurred the marriage of Miss Betty Jean Wotring, daughter of Mrs. Eva Wotring and the late George Wotring and Kenneth E. Bailey. A reception followed the ceremony in the church basement.

Mrs. John Weaver and children, of Ohio, spent last week at the home of Mrs. Weaver's parents, Mr. and Mrs. Jesse F. Harsh, Eglon.

The Eglon Farm Women's club had a picnic dinner Sunday evening at Wild Life Park, Horse Shoe Run. About 30 were present. Four members of the club went Tuesday with the Preston County club members on a tour to Gettysburg, Pa.

Carol Ann Myers, daughter of Mrs. Marie Cole, Eglon, went Sunday to Winchester, Va., from where she left this week for Texas to spend some time with her father, Marshall Myers.

Mrs. Ben Teets is quite ill at her home near Aurora.

Mrs. Agnes Shaffer is visiting friends and relatives in Eglon and Horse Shoe Run.

Mr. and Mrs. Alfred Wotring and son Ross, Brookside, attended memorial service, Sunday at Red Rock church.

Miss Kathleen Spiggle, Aurora, visited last week at the home of brother, John Spiggle, of Mt. Pleasant O.

Word was received here of the death of Paul Spaid, nephew of the Rev. Daniel Spaid, of Eglon. Burial was in Hampshire county on Wednesday.

Majority of Seniors At Southern Earn More Than 16 Units

A study of the records of this year's senior class at Southern revealed that over 75% of the graduating class earned twenty credits or more toward graduation. The Maryland State Department of Education requires only sixteen credits for graduation.

Students first begin earning credits for graduation when they enter the ninth grade. Generally speaking, any class which meets five times per week receives one full credit. Minimum requirements for graduation include four years of English, three units in social studies (one of which must be American history) one unit in mathematics and two units in science.

Only one student met the minimum requirements for graduation. Thirty-four students earned less than twenty credits for graduation, while 109 students earned four or more credits than the required number. Twenty-seven students received twenty-two or more credits. The largest number recorded was 22+1.

Kenneth Johns, principal, stated that while he did not have statistics from other schools, he felt reasonably confident that this report would compare very favorably with other schools in the state.

Also noted was the fact that fifty-two students pursued the general course, forty-two the academic, twenty-four the general business, seventeen the stenographic, four the vocational agriculture and five girls received the vocational home economics diploma.

Mr. Johns also indicated that where the attendance record of the student was poor, his grades were poor. Another interesting fact was the consistency of attendance over the four year record. Most attendance figures followed much the same pattern. A student who missed ten-twelve days of school appeared to follow the same pattern each year. Mr. Johns said likewise, students who missed only four-five days a year appeared to follow that same pattern.

One senior, Bonnie Nally maintained a perfect attendance record for eight years. Three other seniors had five-year records. They were Jean Beachy, Kenneth Nitz and Catherine Rodeheaver.

Fishing Conditions Good for Past Week

The cool dry weather of the past week made fishing conditions very good, according to a weekly report of Cecil C. Edwards, fish culturist assistant of the Game and Inland Fish commission. Edwards said there was a large increase in number of fishermen.

The report showed that chain pickerel were being caught in increased numbers as well as smallmouth bass. There were also nice catches of largemouth bass, walleyes, bluegills and rainbow trout.

The report showed: Clarence Rice, 24-inch walleye while trolling near Holy Cross camp June 12, taken on a flatfish. Another walleye 21½ inches long, weighing 2½ pounds, was caught on a "spinner" near Turkey Neck by Bill Frazee, Erie, Pa., while trolling.

A fourteen inch rainbow trout, four bluegills and two 11-inch smallmouth bass were caught in Slide Hollow by E. E. Lee, Alexandria, Va. He also caught a 21-inch largemouth bass weighing 4½ pounds, near breast of dam. All catches were made on live "shiner" minnows.

R. L. Sherwood, Fairfax county, Va., creeled a 20-inch chain pickerel, a 14-inch rainbow trout and a 14-inch yellow perch in Slide Hollow, using "shiner" minnows. Gary Jackson, Oakland, landed a 21-inch largemouth bass of four pounds at Red Run. T. R. Johnson, Morgantown, caught a largemouth bass, 18½ inches, 3½ pounds, at Thayerville, and three chain pickerel. He also caught another pickerel at Pawn Run and a 10½ inch smallmouth bass at Penn Point. J. A. Wingert, Waynesboro, Pa., got a 19-inch pickerel of 1½ pounds and a 15 inch largemouth bass of two pounds, while casting with a spoon" near Thayerville.

Others reporting catches of chain pickerel from 14 to 22½ inches: Paul Frazee, Erie; W. L. Murphy, Belle Vernon, Pa; Harry Hartley, Morgantown. Burton Glotfelty, Grantsville, got a 22-inch northern pike.

Edwards said just a few tagged pickerel have been reported caught but these have been in widely scattered areas. One was caught near the breast of the dam, one above Deep Creek bridge and one near Holy Cross. The fish were tagged and stocked at the Deep Creek bridge.

Water temperature in the lake, after dropping to 58 degrees on June 14, has been warming slowly and is now at 65 degrees. The temperature is recorded at a depth of approximately three feet.

Sermonette By Area Ministers

By EDWARD G. WENGER
Pastor, Oak Park Church of the Brethren

"Growing Up To Salvation"

"Like new born babes, long for the pure spiritual milk, that by it you may grow up to salvation." 1 Peter 2:2.

If it is important for us to grow physically, mentally and emotionally, it is also most important that we grow toward more spiritual maturity. This is emphasized in several passages in the New Testament. Paul says in 1 Cor. 14.20, "Brethren do not be children in your thinking; be babes in evil, but in thinking be mature." Even more striking is 1 Peter 2:2,3 "Like new born babes, long for the pure spiritual milk, that by it you may grow up to salvation; for you have tasted the kindness of the Lord."

Here Peter suggests that when we are born into the Body of Christ we are born as babes, and must therefore grow up to salvation. He is saying salvation is something we grow up to. That is not the view we usually have of salvation. Often we think of it as something that is given to us or that we acquire at some particular moment in time. Some churches hold exangelistic services where the gospel is preached and people are urged to commit their lives to Christ and be saved. Many a person will say therefore "I was saved at such a time and place." But Peter would say, "You have only tasted the kindness of the Lord and you must now grow up to salvation." It comes at the end of a process of growth.

There are at least three things that happen to us as we grow up to salvation. They involve our minds and heart, which is really ourselves as a whole.

The first of these is that we become increasingly more trustworthy. We grow up to take responsibility for our own actions and for recognizing the rights of others. A spiritually mature person sees what his responsibilities are and seeks by the grace of God to discharge them to the best of his ability. A spiritually immature person seeks to avoid them or as we say, tries to pass the buck.

There is a second thing that happens to us as we grow up to salvation. We become increasingly able to honestly examine ourselves and criticize ourselves. "He may be a fine collie dog with a pedigree but I doubt whether he has ever looked at himself and asked, what kind of a dog am I?" "How can I improve myself and be even a better dog?" We humans can ask similar questions and do something about it.

Again as we grow toward salvation, we experience what I would call self expansion. A person who is mature spiritually and intellectually never ceases to grow. Physically, of course, we reach maturity in our late teens. We often make the mistake of thinking that this is true also of intellectual and spiritual growth. But careful studies have shown that man's mind can continue to grow throughout a long life time. This is one reason for the strong adult education emphasis existing today in our country of which Grandmother Moses is just one glaring exponent.

"Phone us if you need us"

A girl's best friend is often her telephone—whether she's twenty-five or five.

When you're twenty-five, the mother of a five-year-old, and going out for the evening—it means a lot to know that your favorite baby sitter can call you by phone should anything unusual occur to worry her.

That silent phone says, as clearly as words, that all's well at home.

Sometimes the calls that aren't made (because they aren't needed) add as much to living as those we like to make. Perhaps that's what makes a phone worth so much more than it costs.

If someone were to deprive you of the right of relaxation you would be a slave.

Yet relaxation itself can enslave us!

Nero is a villain of history because he fiddled while Rome burned. He couldn't have put out the fire . . . but what a colossally stupid time to relax!

There are hours in every week when we need to relax. And there are hours that challenge our mightiest effort.

It is like those hours when, with millions the world over, we have opportunity to seek in our churches truth . . . faith . . . God!

The value of relaxation is unquestionable. But the value of religious and moral growth is *supreme!*

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Religion In Life

Lesson for June 28, 1959

"THE TEST of a nation's professed religion was then and is now: Does it work out into the nation's whole life?" That last sentence from last week's column will be our starting point for this one. The fact is, that sentence raises a great many questions. How does religion work out into the life of a nation? Just one side of that single question will be enough for this week's short discussion.

The Ancient Style is not for Us

The story of the high priest Jehoiada and the young king Joash is a story of how religion worked out into public life once upon a time. But of course we can't follow Jehoiada's line, for obvious reasons. For one thing, he was an uncle (by marriage) of the boy king, whose parents had been murdered when he was a baby. Little Joash has been brought up in the Temple itself, in secret, and we can be sure that the High Priest had had much to say to his nephew. Now we can't pick some future President of the U. S. A. in his infancy and take him off (say) to a Bishop's home, or rather the Bishop's cathedral, and bring him up there—even if his uncle were a bishop, which isn't likely. Furthermore, High Priest Jehoida was not only an in-law of royalty. He was head of the official state religion. Most Americans do not want a state religion, we tell it is better (for all its drawbacks) to have a religiously free nation. So if we are going to make religion a force in national affairs we shall have to do something different from what Jehoiada did.

Dr. Foreman

Two Mistakes

But we have the same problem Jehoiada had: How can we get religion into public life? The point is, he used the opportunity he had. And so may we, if we use any consecrated ingenuity. To make the problem simpler, let us limit it to this question: How can organized religion, that is to say the church, make itself felt in the public (that is, the official) life of the nation?

Two opposite mistakes have been made. One is to throw the weight of the church into the political arena, as a voting and fighting unit, so that the church becomes either in name or in effect a political party. This has happened more than once in European politics. The short verdict must be that it does neither the church nor politics any good. The opposite mistake is made by some of those who see well enough what is wrong with the church's becoming a "clerical party" or anything of the sort. Shying away from that blunder, some have stumbled into another: namely withdrawing the church entirely from political life, so much so that no minister and no church body ever raise a voice regarding any political issue, or any issue which politicians and lawmakers have to deal with. The verdict on this also is short and straight: A bad solution. Political life and leaders, left to themselves, assume that religion has nothing to say about public interests; and the church becomes morally deaf and blind.

What the Church Can Do

Between these two futile mistakes there are some actual possible ways of making Christian influence felt by those who stand in places of power, great or small. (1) Churches can make public statements in their conventions or assemblies, about matters of national or international concern. Examples of this would be such statement made by the National the south on the race question, bringing popular race prejudice to the light of God's Word and finding it a sin. Another example is a statements as have been made in Council of Churches criticizing the government's foreign policy at certain points. This is not politics: it is the church seeing moral issues and saying what they are. (2) Churches can make an effort to win public men to Christian living. (3) The church can encourage young Christians to prepare themselves for public service as a Christian duty.

"Little Joe" Tests For Space Travel—At Wallops Island, not far from the eastern shore of Maryland, space engineers are getting set to fire three monkeys and a chimpanzee on brief rides aboard space capsules like those they expect eventually will carry men into satellite orbits around the earth. The program is called "Little Joe." The monkeys and the chimp will scout the way for the seven astronauts picked by the Space Administration to vie for the honor of being the first Earthman to travel in outer space. The Little Joe animals will test the capsule's built-in safety hardware; they will be tied into bio-packs containing the necessities of life. Eventually, chimps will be fired into actual satellite orbits. When enough of them have gone up and out yonder and back down safely, the astronauts will get their chance. One of the purposes of the Little Joe project is to test some of the mechanism for cutting the capsule's speed of 25,000 feet per second while in orbit to a safe impact speed of 30 feet per second.

Two Significant Scientific Steps—Last week the United States (1) dropped the 4,000-mile-per-hour X-15 rocket plane on a free-fall test flight from a point seven miles above the earth in preparation for a coming space flight, and (2) launched the first of nine atomic-powered submarines equipped for firing ballistic missiles—with a range of 1590 miles. These two steps, following immediately on the performance of the guided missile bringing mail from 100 miles at sea, present a dramatic show of progress in space and atomic technology.

Massive Switch In Defense Plans—Our Committee on Armed Services met last week in executive session to discuss with Secretary of Defense McElroy our continental air defenses. Accompanying Secretary McElroy were Assistant Secretary of Defense McNeil and Director of Guided Missiles William Holiday. The new master plan was outlined. There will be a cut back of defenses against manned bombers and a speed up of defenses against missiles.

Under the new master plan, the programs involving the Air Force's bomarc and the Army's Nike-Hercules, both defense missiles against aircraft, will be cut back to some extent. On the other hand, the program involving the Army's Nike-Zeus, a defense missile against missiles, will be enlarged and speeded up.

Thus is heralded a massive switch in our whole defense theory.

Although stress is to be put on anti-missile missiles, the defense against manned bombers will not be neglected. Both the Bomarc and the Nike-Hercules will be among the mixture of defense weapons to be readied, but neither will be the dominant weapon.

The doubts and confusions besetting our over-all defense machine are not all due to "inter-service rivalries," which unfortunately do exist. In addition, and of significance, is the transition of moving from one concept of defense to another.

Milton Eisenhower To Study Soviets—The President's brother, Dr. Milton Eisenhower, head of Johns Hopkins University, is not just "going along for the ride" when he accompanies Vice-President Nixon to Moscow to open the American exhibition there in July. Dr. Eisenhower has been commissioned by the President to bring back a personal report on Soviet conditions. He will observe industrial and agricultural progress, and talk with Premier Khrushchev alongside Vice-President Nixon. The twin presence of the two outstanding American citizens should make the whole venture more effective. Dr. Eisenhower will accompany Mr. Nixon throughout the far-ranging tour, including stops in remote sections of Siberia and the Soviet Far East.

Dilemma Of Farm Surpluses Illustrated—The Army says it wants to buy 538,440 pounds of butter at a time when another Government agency, the Commodity Credit Corporation, owns 17,000,000 pounds, acquired under the price support program. This is a graphic illustration of the incredible dilemma of farm surpluses.

Logic would seem to dictate use of surplus butter by the Army. But no! There is no logic in the topsy-turvy economics of price supports and farm surpluses. For the Army to use surplus butter would simply mean that 538,440 pounds of butter would go unsold on the open market, creating more surplus for the CCC to acquire and store.

Anybody got the answer?

Some people like to blame Secretary of Agriculture Benson. As a matter of fact, he has been against the whole program from the start. He has courageously sought lower price supports—while continuing to faithfully administer distasteful laws sponsored by previous Administrations and forced on him.

Some of the measures now favored in the Congress to hold down production are mere excuses; they could end by actually increasing production. Congress must face the fact that it is responsible for the basic policy failure and take effective steps toward putting the whole program "out of its misery"—as painlessly as possible.

Military Contracts In 4 Maryland Areas—The quarterly report of the Secretary of Defense on contracts awarded gives us accumulated figures on four Maryland areas. The net value of prime military contact awards for the first nine months of this fiscal year in the four areas is as follows:

Baltimore — Army-$13,591,000; Navy-$14,366,000; Air Force-$91,832,000; Total—$150,259,000.

Cumberland — Army-$52,000; Navy-$33,000; Air Force: 0; Total—$85,000.

Frederick—Army-$451,000; Navy-$97,000; Air Force-$119,000; Total—$667,000.

Westminster — Army-0; Navy-$37,000; Air Force-0; Total—$37,000.

Crisfield, Maryland, Harbor Gets Boost—The Chairman of the Senate Committee on Public Works informs me that, in compliance with my request, the full committee has passed a resolution favoring a study by the Board of Engineers for Rivers and Harbors of the Crisfield Harbor, with a view to determining the advisability of increasing navigable depths. I had pointed out the numerous advantages of establishing a deep-water port at this Maryland location.

Orioles Are Bigger 'N Gnats—It was a night game, a few games ago, when Baltimore Oriole Pitcher Wilhelm took the mound to see if he could win his eighth victory. In the very first inning, he got into trouble, not because of batters at the plate but because he didn't have a batter on the Mound. He was attacked by a swarm of gnats. Time was called while a coach waved a towel. Play resumed. Wilhelm complained again. The umpire sprayed insecticide, while a trainer rubbed repellent on Wilhelm. Once more the game started. Again the gnats returned. More spray. Then, to everyone's delight, a smoke bomb! The pitcher was finally permitted to win his game. I'm thinking of writing to the baseball commissioner to suggest that the rule book section on infield flies be amended to tell umpires what to do in case of infield gnats.

Fireworks Are Banned

The necessity of complying with the State Law relating to fireworks in Maryland was noted by P. Douglass Sears, insurance commissioner, in a recent release. The state law specifically forbids the use of fireworks within Maryland unless prior approval has been obtained at least ten days in advance of the date the fireworks display is to take place.

Fireworks of every description are banned unless such approval has been obtained. It bans the use of firecrackers, squibs, rockets, sparklers, roman candles, torpedoes, bombs, paper caps, grenades, fire balloons, signal lights. Persons violating the regulation are guilty of a misdemeanor and subject to a fine or not more than $50.

More Communist Chicanery

For the second time in a quarter century, Western civilization has been betrayed at Munich when the International Olympic Committee ousted Nationalist China on the grounds that it "no longer represents sports in the entire country of China." The Olympic ideal has thus been prostituted by political chicanery of the highest order. Moscow has cracked the whip, and the International Olympic Committee has danced the tune of recognition for Communist Red China.

The U. S. Information Agency, in 1956, observed that "the Communist drive to utilize international sports for political purposes is not merely well under way, but is being planned for many years in advance." The fruits of that activity are now being harvested. But, surprisingly, Olympic officials hold that political affiliations are never considered in determining eligibility of participants, and that the rules of the Olympic Games are based on the foundation that neither individuals, organizations nor nations shall profit from them politically or commercially. That foundation is now badly tarnished and eroded.

Three weeks ago, our Deparment of State denounced this latest IOC move as "a political and discriminatory attitude which has no place in the world of sports," and added: ". . .even more is involved in the IOC decision than a manifest injustice to a member which has throughout staunchly supported Olympic precepts. The maintenance of the respected character of the Olympic Games is also at stake." The State Department also declared "it is evident" that Communist pressures were exerted to obtain the expulsion of the Chinese Nationalists.

Sports and politics, just as sports and dishonesty, will never mix. If, as the State Department suggests, the Kremlin has exerted a supreme influence on Olympic affairs, the free world should take a second look at all global ventures in which Soviet Russia and her satellites are participants. Obviously, as has been said before, the Communists are not really interested in goodwill, honesty and fair play. For too long, with the help of dupes and dopes, Russia has been permitted to make her own rules in every phase of human existence.

The sordid picture of the relentless Communist sports offensive, which has as its primary goal the making of political and propaganda capital, is indicative of the web of intrigue which the Kremlin weaves in all undertakings. It typifies the quicksand of chicanery which, for the lack of free world courage and resolute action, could trap all of mankind.

Sen John Marshall Butler

Where Do We Go From Here?

In the present state of world conditions, this question is frequently asked. It is, of course, difficult to answer. The solution will require the wisdom, forthrightness and vision of our national leaders and the unflinching support of our people. Courageous decisions will be meaningless unless all Americans are prepared to meet the challence. The U. S. and its allies must not be timid in telling the Soviets that the free world will resist without hesitation all further Communist aggression in any area of the globe.

Former President Hoover put the challenge of these critical times in this manner recently: "...the time has come for a determined stand . . ." against 'creeping Communist conquest." In his view, a lack of firmness on the part of the Western World has accounted for many of today's problems and frustrations.

Under conditions of equality with respect to nuclear weapons, a total war would cause devastating damage to the United States as well as to the Soviet Union. The Russians realize this, and it is doubtful that they would do anything which would lead them down the road to destruction. So long as our military strength—our retaliatory and deterrent capabilities—are effectively maintained, general war is only a remote possibility. But, it can be expected that the Communists will continue to stir up affairs in as many places as they can at one time.

U. N. General Assembly President Malik tells us that communism now controls one third of all mankind and that it has penetrated the remaining two-thirds to a varying degree. Within our own borders, according to FBI Director J. Edgar Hoover, American Communists have started a new drive to infiltrate some of our basic industries. The prime objectives of the Kremlin to communize the entire world and to destroy the values of freedom are obviously unchanged.

And so, wisdom, forthrightness and vision are needed domestically as well as internationally. If the U. S. and the Western world fail, all is lost. Our allies must substitute deeds for words—they must stick with us in resisting the Communist onslaught. If foreign aid is to be a permanent instrument for the conduct of international diplomacy, these funds should be dispensed to those countries who unhesitatingly and vigorously stand with us.

In this vital effort, all Americans can help by exposing the menace which would consume us for what it really is, and by awakening those who feel that it is no longer necessary to defend, with courage and conviction, freedom and liberty.

TRUSTEE'S SALE
OF VALUABLE
REAL ESTATE

Under and by virtue of a decree of the Circuit Court for Garrett County, Maryland, passed on the 12th day of November, 1958, in Ex Parte, In the Matter of the Estate of Martin J. Hughes, the same being No. 4896 Equity in said Court, I, the undersigned trustee, duly appointed by said Court, do hereby give notice that on

SATURDAY, JULY 11, 1959
At the Hour of 11 o'clock A. M.
Daylight Saving Time

in front of the Court House in the Town of Oakland, Garrett County, Maryland, I will offer for sale at public auction the following real estate, to-wit:

All that tract or parcel of land situate, lying and being in Election District No. 14, containing approximately 9.63 acres, more or less, and being parts of two tracts called Small Meadows, and The Resurvey on All the Chances, which were conveyed to Martin Hughes by deed from Charles Fulk, et al., dated February 18, 1922, and recorded in Liber No. 82, folio 98, one of the Land Records of Garrett County, Maryland.

Except, however, approximately 4.03 acres previously conveyed by deeds of record among the Land Records of Garrett County, Maryland.

Said real estate contains approximately 5.60 acres and is located directly on State Route No. 39 about ¼ mile from the town of Crellin and is improved by a frame dwelling and other outbuildings.

TERMS OF SALE—One-third on day of sale, and the balance in six months or all cash at the option of the purchaser and the unpaid portion to bear interest at the rate of 6% per annum and to be secured to the satisfaction of the said trustee.

PEARL THELMA TULEY
vs.
WILLIAM THORNTON TULEY

No. 4916 Equity in the Circuit Court for Garrett County, Maryland

ORDER OF PUBLICATION

The object of this suit is to obtain a decree for a divorce A VINCULO MATRIMONII by the plaintiff from the defendant.

The bill states:

That on the 19th day of November, 1949, she was married to William Thorton Tuley, at Oakland, Garrett County, Maryland, with whom she resided until the month of January, 1950, at which time the said defendant deserted the said plaintiff; that although the conduct of your oratrix towards her said husband has always been kind, affectionate and above reproach, the said William Thorton Tuley, without just cause or reason, abandoned and deserted her, and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for more than eighteen months. Is deliberate and final, and the separation of the parties beyond any reasonable expectation of reconciliation; that no children were born of said marriage; that your oratrix is a resident of Garrett County, Maryland, and has resided therein for more than one year prior to the institution of this suit, and the last known address of the said defendant is Baltimore, Maryland.

It is thereupon ordered this 11th day of June, 1959, by the Circuit Court for Garrett County, Maryland, in Equity, that the plaintiff by having a copy of this order to be inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 10th day of July, 1959, giving notice to the said absent defendant, William Thorton Tuley, of the object and substance of the Bill of Complaint and warning him to he and appear in this Court either in person or by a solicitor on or before the 25th day of July, 1959, to show cause, if any he may have, why a decree should not he passed as prayed.

Western Big three foreign ministers suspended for 23 days their efforts to get Soviet assent to a truce in cold war over Berlin.

You get the BIG comfort dividends in your 59 FORD...

Some cars' door openings aren't shaped to fit people! So you have to squirm and wriggle... make your body conform to the car when getting in and out.

NO SQUIRM

Doors in 59 Fords are wider—up to six inches wider—*and door openings are contoured to fit you!* You get in and out of a Ford with greater ease and comfort. The girls really like Ford's doors... for more graceful entries and exits.

To gain a low roof line, some cars end up with higher floor "humps" and thinly padded rear seats... a combination that's mighty rough on the middleman.

NO SQUEEZE

Fords have useable seating space for six big people. The driveshaft tunnel is lower and rear seats are deeply cushioned all the way across. This means more comfort for all passengers... especially for the man in the middle.

The squeezed-down, skimpy roofs of some cars aren't comfortable even for bare-headed riders. And they don't keep out excessive sunlight and glare.

NO SQUASH

See how much more head room Ford has. Even big six-footers sit up straight without touching the roof. And Ford's big roof protects *all* passengers, in both front and rear seats, against the discomforts of excessive glare and heat from the sun.

Greater comfort is only the beginning of the dividends you get in a Ford. You get the World's Most Beautifully Proportioned Car. You get a big dividend in Ford prices... the lowest of the best-selling three. And you get saving dividends that cut costs every mile you drive. See and Action Test a new Ford at your Ford Dealer's. See how you can go finer... with more comfort... for less... in a new Ford!

Pursuant to authority contained in Section 6331 of the Internal Revenue Code, the following described property has been seized for non-payment of delinquent internal revenue taxes due from T. J. Cramblett. The property will be sold in accordance with the provisions of Section 6335 of the Internal Revenue Code and the regulations thereunder, at public sale under sealed bids which will be opened on the 6th day of July, 1959, at 11:00 a. m., at Friendsville, Md., Post Office. Description of Property: All those certain lots or parcels of ground situate, lying and being in Garrett County, State of Maryland, and described as follows: First: All that portion of a tract of land called Buffalo Run lying between the Youghiogheny river and the Confluence and Oakland Railroad, and contained within the following metes and bounds: Beginning at a stake standing North 77 East 30 feet from the beginning of the tract of land called Buffalo Run and running South 9 and one-half degrees East 260 feet, North 80½ East 50 feet, North 9 and one-fourth degrees West 200 feet South 80¾ West 50 feet to the beginning containing 10,000 square feet. This being the same parcel of ground which was conveyed to the said Daniel R. Artice by J. Milton Lowdermilk and wife, by deed dated Sept. 2nd, 1916, and recorded in Liber E.Z.T. No. 70, folio 464 etc., one of the Land Records of Garrett County, Maryland. Second: All that portion of Military Lot No. 3311 contained within the following metes and bounds: Beginning for the same at a stump standing on the East side of Buffalo Run and near the mouth of same and running South 56 and one-half degrees West 66 perches, to Still House Run, North 38 and one-half degrees East 12.6 perches, North 34¾ East 51 perches, North 20 and one-half degrees East 29 perches, South 41 and one-half degrees East 43 perches, South 11 and one-half degrees West 14 perches to the beginning, containing 14 acres. This being the same parcel of ground which was conveyed to the said Daniel R. Artice by J. Milton Lowdermilk and wife, by deed dated October 9, 1916, and recorded in Liber E.Z.T. No. 70, folio 465 etc., one of the Land Records of Garrett County, Maryland. Third: All that certain parcel of ground adjoining the second parcel hereinwith described and beginning for the same at a stake and stone pile standing near a hickory tree and South 10° East, 64 perches from a white oak tree standing by the spring near the Frazee Ridge on Big Crossing church and running thence with the land of Bert Frazee, North 55° West 95 perches to a stake and stones, thence North 10° East two and one-half perches to a wire fence, thence leaving said Bert Frazee's land and running with said wire fence South 60° East 14¾ perches to a hickory tree, South 42° East 25 perches, South 47 and one-half degrees East 22 perches, South 44 and one-half degrees East 62 perches to the line of Daniel R. Artice other land and with same South 33¾° West 50 perches to a Sycamore stump standing on the bank of Church Creek formerly known as Still House Run, thence up said stream, with the meanders thereof to the beginning and containing the quantity of 58 acres, more or less. This being the same land which was conveyed to the said Daniel R. Artice by Isaac R. Awman and wife, by deed dated April 1st, 1918 and recorded in Liber E.Z.T. No. 74, folio 43 etc., one of the Land Records of Garrett County, Maryland, TOGETHER with the improvements thereon and the rights and appurtenances thereto belonging or appertaining. TO HAVE AND TO HOLD the above granted property unto the said H. C. S. Samuels, his heirs and assigns forever in fee simple. Excepting however, two parcels thereof described in deeds from Daniel R. Artice and wife, the first, containing 6½ acres to Milton W. Artice, May 29, 1926, and recorded in Liber E.Z.T. No. 93, folio 465, two parcels, containing a total of 2.68 acres conveyed by said H. C. S. Samuels and wife to the United States of America by deed dated January 2, 1943, and recorded in Liber A.G.R. No. 132 folio 368, and also .48 acres thereof taken by the United States of America under a judgement of the Declaration of Taking, recorded July 30, 1943, in Liber A.G.R. No. 130, folio 436, all Land Records of Garrett County, Maryland. The remaining part of said land hereby intended to be conveyed contains, or is said to contain, approximately 62¾ acres and is the same which was conveyed unto the said Charles William Welch by deed from said Harold C. S. Samuels and wife dated March 4, 1948, and recorded in Liber R.L.D. No. 151 folio 231, one of the Land Records of Garrett County, Maryland. Reference to which said deed and the prior deeds referred to reference is herein made for a more detailed description of the land hereby intended to be conveyed. Together with the buildings and improvements there, and the rights, roads, ways, waters, priviliges and appurtenances thereunto belonging or in anywise appertaining. To have and to hold the above granted property with all and singular the appurtenances thereto, unto the said Thomas Jesse Cramblett, his heirs and assigns, forever, in fee simple. And the said parties of the first part covenant that they will warrant specially the property hereby granted and conveyed, and that they execute such other and further assurances of said lands as may be requisite. Only the right, title, and interest of T. J. Cramblett in and to the property is offered for sale. Also returning for the various meeting are Rev. Andy Roe, in charge of the "Ring meeting"; Rev. N. L. Casey, in charge of the "People's Meeting," Mr. and Mrs. Ben Underwood, in charge of children and young people; Rev. and Mrs. Joe Crouse, in charge of music. Miss Betty Stevens will represent the work of the World Gospel Mission.

The daily schedule includes adult prayer meeting 9 a. m.; youth prayer meeting, 9 a. m.; Peoples meeting, 9:45; preaching at 10:45; children's service at 1:30; preaching on Sundays and July fourth, 2:30; ring service at 6:30 p. m.; young people's meeting at 6:30; and preaching service at 7:30.

The camping meeting, founded in 1882, is interdenominational.

Elementary Science Workshop Concluded

The Elementary Science Workshop held at the Dennett Road School concluded its work last Friday. The workshop was in session for a period of two weeks, and was under the direction of the elementary supervisors, Mrs. Caroline Wilson and Edwin Elias. They were assisted by two State Department supervisors, Mrs. Mildred Sowers and Mr. Lewin Wheat, who acted as consultants. The new program calls for an improvement in the content of the science program for each of the six elementary grades.

Units of work for each grade level are expected to be ready for study and distribution to the elementary teachers prior to the opening of school. Teachers participating in the workshop were Miss Mary Martha Friend, Mrs. Leona M. Hardesty, Mrs. Zeola R. Robeson, Charles L. Blubaugh, Mrs. Elizabeth U. McComas, Miss Esther Opel, and Earle C. Savage.

It seems that there is less and less to write about without the school activities to consider. There are a host of new songs being released each week. In fact, there are about one hundred and twenty five a week coming out of Pittsburgh alone. There are many good ones which never reach the market at all.

One of the most popular around here is Connie Frances' "Frankie." She adds her own personal charm to each note. Any one who knows her personality and charm will verify that this is saving a lot for this girl. Her first gold disc was derived from "My Happiness" which she revived earlier this year.

Contrary to an announcement Friday night at Teen Canteen, The Royales will not be playing. This is due to a previous commitment. In place of the band a record hop will be held. This week I promise to have new discs. The price will be fifteen cents. Chaperones for last week were Mrs. Porter DeWitt and John Castilow.

I have been fortunate enough to get a position with WBOY TV in Clarksburg. This Saturday will be kind of an initial audition I believe. I am co-emceeing Boyland Bandstand with Roger McCoy. The show is on from two thirty to four thirty. This is channel 12 in Clarksburg. Being an auditional period all mail pro or con will be appreciated. This will also help me to know if I am suitable to the job or not. I always wanted to a d. j.

A real great guy in our school is John Updyke. John graduated this year. He is the son of Mrs. R. C. McComas. John is also working this summer, he is planning to attend the University of Maryland for two years and then entering the Naval Academy in Annapolis. John has one brother Dorris, or better known as "Buzz", he is a senior this year. See you all at Teen Canteen Friday night. (Parents cordially invited too.)

Russian people were being told that the recess in Geneva talks was caused by confusion of western powers.

Play It Safe - - - - -

There's much more to the Fourth of July than safe driving, but it seems like any more that phase of it is stressed more than any other—and up to the present time, the warnings, advice and entreaties have appeared to have little effect.

The thought of Fourth of July doesn't seem to arouse manp patriotic memories in this day and age. Oh, there'll be a goodly number of speeches about our responsibilities as a citizen, the need for a more intensive study in our schools concerning the foundation stones of our country. But the fire has gone out.

With this and all other holidays, there is more concern among our leaders about reducing the highway death toll, but people apparently pay no attention and continue with their own merry and reckless way.

The Safety council has cast its mournful prediction that probably 380 persons will be killed on the highways over the week-end. Another Safety council has issued an appeal for motorists to use extra caution during the long week-end. It suggests that people not be goaded or irked into taking chances behind the wheel and point out that temper is a great accident maker. It asks that traffic laws be obeyed and stresses the fact that motorists ought not to drive if they have been drinking.

Another concern stresses that "looking out for the other fellow" will be the upmost importance to everyone on the highways. Early starts, leisure driving.

There is no doubt that there will be some 45 to 50 million automobiles on the highways this year compared to 40 million in 1958. In 1958 310 persons died in highway accidents over the holiday.

The motorist more than ever will be personally responsible for his own safety and the safety of countless others along the road.

We can seriously contemplate the resons why we celebrate the Fourth of July while at the same time resolve that in this age of travel we must be prepared to be courteous, be patient and be safe. "The Life you save may be your own!" If motorists would just pay attention to this little bit of advice.

Retires as Red Cross Chairman After 10 Years

A period of service covering more than 40 years came to a slowdown, but not a halt, Friday afternoon when Mrs. E. Z. Tower, of Oakland, announced her retirement as Chairman of the Garrett County Chapter, American Red Cross.

Meeting with directors of the organization, Mrs. Tower stressed the fact that she is not "resigning," but merely "retiring," and would continue to be active in Red Cross affairs, but not as chairman.

Named to succeed her was Mrs. Paul B. Naylor, who also has been interested in the Red Cross for many years.

Mrs. Tower's direction of the organization began when the local chapter was organized in World War 1 days. She has guided activities through two World Wars, the Korean War, and the inauguration and continuance of the Bloodmobile program. Mrs. Grover C. Stemple has been donor recruitment chairman for the latter activity.

Several years ago, Mrs. Tower in recognition of her long volunteer service, was named "Good Citizen of the Year" by the local Girl Scout troop, a title conferred annually on some public spirited person.

Department Heads Listed For Fair

Appointment of department superintendents who will be in charge of the third annual Garrett County fair were announced this week by Claude Wagner, Sr., manager.

They include the following: Claude Wagner, Jr., dairy cattle; Virgil Jones, Allen Paugh and Curtis Savage, beef cattle; Gerald Glotfelty, draft horses and ponies and the horse pulling contest; Lawrence Faith and Robert O. Glotfelty, poultry, Barry Carr, sheep and honey; Lenwood Bittinger, Ira Yaste, Ross Crowe, agriculture farm crops; Richard DeBerry, vegetables, fruits and potatoes, John H. Carter, maple products; R. Thomas Thayer, Jr., Christmas trees; Rankin Lushy, John Reckner, Jr., boys' 4-H and F. F. A. departments; Mrs. Kenneth Ridder, home arts; Mrs. Wayne Hamilton, arts and crafts; Mrs. William Sears, Mrs. James Fitzwater, clothing; Mrs. Earle Glotfelty, Mrs. Richard Bond, foods; Mrs. John Menges, home furnishing; Mrs Harry Friend, plants and flowers, Mrs. Guy Hardesty booths; Mrs Johanna M. Stull, 4-H girls' department.

Mr. Wagner said that premium books were available from the County Excension office, from him or from H. G. Gortner, president of the fair association. Mr. Wagner said any person having questions regarding exhibits could contact the department superintendent of the area in which he wishes to exhibit.

The fair is being held this year August 11 through August 15, at the Fair grounds at McHenry.

80.7 Percent of Taxes Collected

Some 80.7 percent of the county levy for taxes has been collected up to June 24, it was revealed by Joseph H. Welch, county treasurer.

The levy for 1959 called for collections totaling $422,951.22, and there has been collected $341,339.43 or 80.7 percent.

Welch said the figures were for real and personal property assessed locally and do not include certification from the state tax commission for public utilities, foreign and domestic corporations or bank shares. Taxes in these categories total $55,101.82.

At the same date last year there had been $338,535.27 collected against a total of $404,657.30 or 83.6 percent.

Welch said that uncollected taxes for 1958 and prior years must be paid by July 1 or be subject to advertisement at tax sale for nonpayment.

Welch also reported on dog licenses sold to date. As of last Wednesday the total was 790 tags, 5 kennel tags. There were licenses for 135 females at $2 and 655 tags for males for a total of $975. He said this amount would be slightly more than enough to pay for the tages and printing to date.

The total number issued as of Monday afternoon was 1095.

Jury Disagrees In Condemnation Case

A hung jury resulted in a condemnation case heard in the Circuit court yesterday.

The case concerned property of Mr. and Mrs. William A. Swartzentruber and others and involved some five and one half acres of property. The Swartzentrubers have a 97-acre farm south of Oakland.

The State had deposited $960 with the clerk of the Circuit court and an additional $450.

During the hearing yesterday it was admitted by the state that damages would run as much as $3,366.20. The Swartzentrubers were asking for a sum of approximately $9,000 to $10,000.

The jury retired shortly after five o'clock and after more than five hours admitted that the jurors could not agree.

Seriously Injures Eye

Robert Wagner, 18, son of Mr and Mrs. Claude Wagner, Sr., of McHenry, sustained a serious eye injury on Monday evening, when a chip from a rock struck him following a firecracker explosion.

The youth apparently had obtained firecrackers from a store in Winchester, Va. He lit one and threw it from a car window. It exploded against a rock and a chip struck his eye.

He is now a patient in Memorial hospital in Cumberland. Doctors were hopeful that the sight of the eye could be saved.

July 1 Marked End Of Surplus Food Program

The surplus foods program, as operated by the County Commissioners for the past four or five years, is being discontinued, effective July 1, it was announced this week by Carl A. Schell, president of the Board.

In the future the only items available will be flour, corn meal and rice, and a rigorous system will be used for eligibility, it was stated.

In carrying out the program formerly there had been distributed butter, cheese, powdered milk, canned meat and shortening. People receiving the surplus food had been registering each month in each locality on the date they received their commodities.

Beginning July 1 it will be necessary for persons desiring surplus food, to come into the County Commissioners' office, bring proof of their earnings, proof of the birth date of every dependent claimed, and the same process will be repeated every three months.

Those eligible would receive 5 pounds of corn meal every three months, 10 pounds of flour every three months and one half pound of rice per month per person.

Mr. Schell said that 703 families had received surplus commodities during May, which meant a total of 3,102 individuals. Of the number 411 of the families already were receiving welfare.

The change in the program was brought about by new Federal regulations which would make it much more expensive to operate than the benefit received would warrant. Mr. Schell said it would require at least two employes on a full time basis and others on a part time basis. Under the federal requirement a home demonstration agent would be required to go into homes involved to teach them how to use the material provided.

It was generally felt that many of the people who had been receiving surplus commodities throughout the past four or five years, had used them for dog food, or disposed of them in other ways without using them as food stuff. Some people have sold certain items and used the money to purchase beer, cigarets or gasoline, which are items classified as not exactly essential.

Under the new program set up by the federal government the commissioners would agree to provide sufficient personnel for the proper supervision. So the Commissioners at their last regular session decided to curtail the program to a minimum.

Daniel P. Smouse, who has been the surplus food distributor for the Board, is being named as civil defense director for the county. He will fill the position presently held by Fred W. Tichnell.

New Contract Ends Milk Plant Strike

The Carnation plant resumed partial production Wednesday after announcement that the strike of 140 to 150 employes of the company had ended on Tuesday.

Herbert S. Glenn, superintendent of the plant at Clarksburg, made the announcement.

The Clarksburg local of the Oil, Chemical and Atomic Workers Union went on strike at midnight June 26, over a new contract with the plant. Glenn said a wage increase of 9 cents an hour was among the provisions of the new pact, with salaries set up on a sliding scale for an average hourly wage of $2.10. They were set to collect all milk possible from the more than 3,000 farmers affected by the strike in southwestern Pennsylvania, Western Maryland and West Virginia.

Besides the Oakland receiving station the Carnation has stations at Clarksburg, Cameron and Huttonsville in West Virginia.

Named Vice President

Roy Schlossnagle was named vice-president of the Maryland Future Farmers of America at the concluding session of the Maryland FFA convention at College Park last Friday. A vice president was named for each region and Schlossnagle, student at Northern High school, will represent region one.

Winstead Burdett, of Montgomery county, was named president.

Benj. O. Aiken Is Freedoms Foundation Medal Award Man

Benjamin O. Aiken, teacher in Sherwood High school, was one of several honored by the Freedom Foundation, Valley Forge, for their "patriotic contribution to notable youth leadership in the highest tradition of our free nation."

The Valley Forge Classroom Teachers' medal with a citation scroll was presented at graduation time, at Sherwood high school in Montgomery county where Mr. Aiken has been teaching for the past four years.

A jury composed of state supreme court jurists and elected representatives of national patriotic, service and veterans' organizations selected the award recipients from records submitted by educators all over the country. Mr. Aiken was one of 441 selected throughout the nation.

Mr. Aiken, head of the local studies department in the school, was principal of Accident High school for twenty-one years and at Friendsville High school, prior to going to Pooleville where he taught for two years before going to Montgomery county. He has completed his thirty-seventh year of teaching.

Mr. Aiken came to Accident in 1930 from Montgomery county. He is married to the former Hildegarde Miller, of Accident, and they now own the Fred and Rose Miller farm in that section where they expect to reside after retirement. They have five children, Barbara VanSickle, of Sherwood; Peggy, who was graduated this year from American University; Martha, who completed her first year at the University of Maryland; Amelia, who will be in the 10th grade this fall, and Billy, in the fourth grade.

Cumberland Man Is Held In County Jail

Delbert Campbell, Cumberland, is being held in the Garrett county jail on charges of breaking and entering and receiving stolen goods.

He was given a preliminary hearing Tuesday night on the charges before Trial Magistrate Robert M. Maroney who set a cash bond of $500 on each of three charges.

There was one charge of breaking and entering and two charges of possession of stolen goods.

Campbell was arrested last Friday by Cumberland police along with two other Cumberland men who were suspects in a series of thefts in the tri-state area.

Campbell later was thansferred to Allegany county jail and was questioned by State police. He was taken to Oakland Tuesday by Tfc. Milton G. Hart of the Maryland State Police who placed the charges against him.

Trooper Hart said the two other men were released after being questioned over the week-end.

Campbell is charged with receiving stolen tires and tubes valued at about $40 on June 17 and with breaking into a service station near Grantsville.

County authorities said they understood Pennsylvania authorities at Gettysburg also want Campbell for questioning in several similiar cases there.

Offices to Close

Offices in the Court House will observe the long week-end holiday and will be closed both Friday and Saturday, July 3 and 4 it was announced from the office of the County Commissioners.

Governor J. Millard Tawes declared Friday, July 3, as a legal holiday about two weeks ago for state employes.

The Oakland postoffice will be open all day Friday but will be closed on Saturday. Likewise the two Oakland banks will be open for business as usual on Friday, but will be closed all day Saturday.

Playhouse Due To Open Next Week

"Petticoat Fever" Will Be Presented Next Tuesday Through Saturday

Preparations are practically complete for the opening of the fifth season of the Garrett County Playhouse next Tuesday, July 7, at the summer theatre at the Arden Boat club at McHenry, on Deep Creek Lake.

The opening play is "Petticoat Fever," by Mark Reed, a farce comedy in three acts, and it will be presented Tuesday through Saturday.

Gene Yell, director of this summer's eight plays, said the cast will include Neil Flanagan, Sal Springwell, Dick Snyder, George Randall, Jennifer Yell, Merkley Meeter, Chris Curran, Gene Falcetta, Ray Caton and E. J. Peaker. Curran and Flanagan appeared here in previous years, and Dick Snyder, local high school youth, also appeared in last year's selections.

Yell explained that this comedy concerns a lonely wireless operator, Neil Flanagan who operates a wireless station on the coast of Labrador, who has the time of his life when a plane crashes nearby and brings a beautiful girl (Sal Springwell). Further complications develop when his fiance arrives after a silence of two years.

Author of the play also wrote "Yes, My Darling Daughter," a Broadway bit.

Yell listed his assistants for the year as Ray Caton, technical director; Sallie Lubin, stage manager; Mrs. Charles Briner and Mrs. Lewis Jones, properties; Mrs. Harriett Marks and George Hanst, publicity; Mrs. Robert Stanton, ushers; Mrs. Harold Ashby, costumes.

Ushers this year will be Gail Naylor, Jane Hanst, Willard Ann Glotfelty, Ann Lee Lohr, Susan Gibson, Susan Tichnell, Mary Lasky, Mary Jane Germain, Cheryl Bassie, Gretchen Briner, Roberta Sanders and Patty Winters.

All plays begin at 8:30. General admission, Tuesday through Friday, is $1.90 for adults, $1.30 for children; on Saturdays, $2.20 for adults and $1.50 for children. A season subscription which includes eight admissions may be obtained for $12.50.

The second play of the season will be "Home at Seven," a murder mystery, which will be presented July 14th through 18th.

Youth Dies Suddenly

An 18 year old youth died suddenly early this morning enronte from Garrett County Memorial hospital to University hospital in Baltimore.

He was Ronald Ernest Tasker, a son of Ernest Tasker of Deer Park and Mrs. Nellie Tasker, of Mt. Lake Park. He had been suffering from hives and developed pneumonia. He left the local hospital about 12:35 this morning and died within an hour.

His body was taken to Cumberland where an autopsy is being performed.

Deceased was born in Deer Park May 15, 1941. He had been employed by Jerry Paugh and was engaged in farming.

Surviving are his parents, his maternal grandfather, Robert Lee, Mt. Lake Park; two sisters and one brother, Mrs. June Smith, Pasadena, Md.; Sharon Tasker, with her mother; and airman first class Robert Tasker, Killeen, Tex.

Funeral services will be conducted Sunday afternoon at 2 o'clock from the Full Gospel church at Deer Park with Rev. E. W. Blizzard, pastor, in charge. Interment will be in the Deer Park cemetery. The body will remain at the Leighton Funeral home until noon on Sunday.

Woodmen Boys At Camp

Members of the Woodmen of the World Boys' Sportsmen club of Oakland attended the annual encampment at Selbyville, W. Va., June 21, to 28.

All clubs from Western Maryland and West Virginia had representatives. Eight were from the Oakland area, Gary Sell, David Close, Terry Sliger, Delmar Sliger, Eugene Dilley, Clifford Graham, Gary Orr and George Porter.

Sam Moore and Wayne Graham served as counselors. The boys competed in such activities as rifle marksmanship, archery, soft ball, fly tying, bait casting, swimming. Oakland took the trophy for rifle marksmanship. Eugene Dilley had the high individual score.

DEMONSTRATION CHAMPS—Kathy Yaste, left, and Florence Emory of the Bittinger 4-H club, were among the champion dairy foods demonstrators at the county demonstration days held Monday and Tuesday in Oakland. Their demonstration was on "variations of Cream Filling." Other champions were named to represent the county at the district meeting Tuesday, July 7, in Cumberland. About twenty-four 4-H club members participated.

4-H Demonstration Champions Named

Four-H girls competed for county honors at the Demonstration Days held Monday and Tuesday at the office kitchen of the Cumberland and Allegheny Gas company in Oakland. Mrs. Harold G. Bittinger and Miss Joyce Warnick served as judges.

Boat Operator Fined $100 For Violation

The operator of the outboard motor boat which recently crashed into an abutment of Glendale bridge on Deep Creek Lake, causing injuries to the driver and a passenger, was fined $100 and costs on a charge of operating a boat as to endanger another person.

Daniel D. Barker, 28, of Pittsburgh, driver of the craft, and John F. McGlynn, also Pittshurgh, passenger, are patients in Garrett County Memorial hospital, Oakland, where they are reported "satisfactory."

Barker's mother and brother appeared before Trial Magistrate Robert Maroney in Oakland last Friday and pleaded guilty on behalf of the operator.

Mr. Barker has a cabin at Pond Run. The accident was investigated by Leo Friend, fish and game warden.

Storm Cools Area

A sharp thunder storm last evening cooled off the area and provided some much needed rainfall.

Temperature for the previous three days had been hovering around the 90 mark with the mercury finally reaching that point on Tuesday afternoon. It reached 88 degrees on Monday and 89 on Wednesday.

Last night's storm poured 1.15 inches of rain over most of the county.

There was also some rain last Friday and Saturday which gave an added impetus to crops that had begun to suffer from the prolonged dry spell. Sunday was hot and mostly clear.

Honored By Power Company

Fifteen Monongahela Power company employes with an aggregate 425 service years were honored by the company a few days ago when President Don B. Potter presented them with emblems, some diamond-studded and personally complimented them for "loyal and efficient service."

Gordon McRobie, of Oakland, was one of five persons to receive 30-year emblems. Dean of the group was Secretary Garrett Jackson, Fairmont, who completed 45 years on June 14. John B. Durkin, Fairmont, received a 40-year emblem and 35-year emblems went to B. T. Henry, Clarksburg, Eric C. Summers. Others to receive 30-year emblems were Oleta K. Moats, W. P. Roberts, Fairmont; Edna Lyon and Glida Robinson, Clarksburg.

Twenty-years records were earned by Joan Leeming, John J. Bittner, J. Bruce Ferrell, Charles J. Jarett, Fairmont; William Page Jones, Parkersburg, and Henry P. Murphy, Wellsburg.

Mrs. W. W. Grant Is Re-elected Head of Historical Society

At the annual dinner meeting of the Garrett County Historical society last Thursday night at the William-James hotel in Oakland, Mrs. W. W. Grant, Oakland, was re-elected president of the organization and other officers were re-elected.

Others named were Harry C. Edwards, Grantsville, first vice-president; Mrs. Edward P. Kahl, Mt. Lake Park, second vice-president, Miss Elizabeth West, Oakland, secretary; Miss Edith Brock, Mt. Lake Park, assistant; E. Herbert Shaffer, Oakland, treasurer; Dennis Rasche, Oakland, editor of The Glades Star; Ervin S. Smith, Felix G. Robinson, Oakland; and Miss Viola Broadwater, Grantsville, associate editors.

The board of directors includes Lowell Loomis, Paul B. Naylor, W. Dwight Stover, Mrs. Vernie Smouse, Oakland; Ross Spetcher, Accident; J. J. Walker, Kitzmiller.

Mrs. Grant welcomed the seventy-five or more present. Committee reports were given by Miss Elizabeth West, publicity; Dennis Rasche, historical records and The Glades Star; J. J. Walker, membership; Harry C. Edwards, projects; Paul B. Naylor, Hoye Crest.

Vindex Man Is Killed In Road Crash Saturday

Driver Will Be Charged With Manslaughter By Automobile, State Police Say

Ira Everett Paugh, 28, of Vindex was instantly killed in a one-car accident Saturday on state route 38, four miles west of Kitzmiller. State police said he died of a crushed skull and multiple bruises.

Pfc. Robert D. Henline who investigated, said the driver and owner of the automobile was Elwood Dale Brown, 23, of 7512 Durwood, Baltimore, a former resident of Vindex. He was injured in the accident and admitted to Garrett County Memorial hospital, Oakland with what was reported as internal injuries. His condition was listed as "fair."

Henline said Monday that Brown would be charged with manslaughter by automobile on the Trial Magistrate's docket and that a hearing would be held soon.

Both men were thrown from the 1950 model sedan. Henline said the car was proceeding east on the highway apparently at a high rate of speed. The driver lost control of the car as it rounded a curve and it rolled over several times before coming to rest against a tree along the highway. The car presumably passed over Paugh's body.

Paugh was born in Vindex November 17, 1930, the son of Ira Hobart and Ethel May Paugh, of Vindex. Besides his parents he is survived by five brothers, Calvin Paugh, Sharon, Pa; Paul B., Claude, Franklin and Milford Paugh, all of Vindex; two sisters, Mrs. Sadie C. Fike, Baltimore; and Mrs. Nora Tasker, Cleveland, O.

The body was taken to the home of Charles Tasker, Vindex. Funeral services were conducted Monday afternoon at 2 o'clock from the Mt. Zion Methodist church with Rev. James Tichnell officiating. Interment was in the Mt. Zion cemetery.

Attend Cumberland Meet

Approximately twenty-five persons from the county were in attendance Tuesday evening at the dinner meeting of the Garrett-Alleagany regional section of the Maryland Classified Employes' association, held at the Ali Ghan Shrine club in Cumberland. The address was given by Thomas B. Finan, secretary of state.

Among those attending were Milburn W. Mann, Robert J. Stanton and Charles L. Briner, from the office of Employment Security; Elmer Updole, Ward Ashby, Department of Forests and Parks; Hazel Walter, health department; E. R. Fike, state roads employe, Senator B. I. Gonder, and Delegates, Elza Bray, Elbert Buckel and Leslie E. Savage.

To Be Principal At Deer Park School

Russell McConnell of Mt. Clements, Michigan, has accepted an assignment as principal of the Deer Park School for the next school year.

Mr. McConnell received his high school diploma from Wayne County High School and his A. B. degree four years later from Berea College in Kentucky. He has also had one-half year of graduate work at the University of Michigan in the field of methods and research.

Mr McConnell has had two years of successful teaching experience in the sixth grade in the Clemens School at Mt. Clemens.

He expects to pursue graduate work at West Virginia University.

Mr McConnell's home was originally near Terra Alta. He is single and is a member of the Methodist Church.

He had received a high award for work with Boy Scouts in March of last year, and the Scouts of his area plan to erect a chapel in his memory.

Outlook For Fishing Remains Favorable

Weather conditions remained good for fishing, swimming and boating on Deep Creek Lake in recent days, with the exception of time off for much needed showers. The warm days brought the water temperature back into the seventies, according to a report from Cecil C. Edwards, fish culturist assistant.

He said fishermen interviews during the week continued to show successful catches of yellow perch, blue gills, chain pickerel, largemouth and smallmouth bass, rock bass, rainbow trout and a few brown bullheads.

Probably the largest catch was that of Bob and Harry Hartley, Morgantown, who brought in 14½ pounds of fish including a 24-inch pickerel, 21-inch pickerel, 19-inch smallmouth, in Turkey Neck area while trolling. They used a "shyster" spinner as a lure.

Other catches:

Carl Marucci, Republic, Pa., 5¾ pound largemouth, Shingle camp inlet, measuring 21½ inches, caught on shiner minnow.

George Lipscomb, Kitzmiller, three largemouth measuring 21, 20 and 14, near Harvey's peninsula.

James VanSickle, Friendsville, 16½ inch, 2½ pound largemouth near Mellenry, also 10 inch bass, both on "flat-fish" lure.

Pickerel catches: Truman Johnson, Morgantown, 22½ off Penn Pl.; John Carr, Pittsburgh, 22 inch near Sweene's boat landing; Charles Brant, Somerset, Pa., 22 and 20 inch, Green Glade section; Richard DeWitt, Oakland, 20 and 18 in Bee Tree Hollow; also 17 inch smallmouth and 13 yellow perch.

Hugh G. Dick, Johnstown, caught a 17-inch rainbow near breast of the dam.

Edwards urged fishmen to keep the tags and census reply cards coming in.

Deep Creek Park Opened Wednesday

Maryland's newest recreation area, Deep Creek Lake State Park, was opened to the public yesterday, July 1. No formal dedication program is planned at this time.

The 100-acre tract of land along the Meadow Mountain shore of the lake offers camping, picnicking and swimming facilities.

William H. Johnson, district forester, said the opening of the new park adds to the facilities already offered at Herrington Manor, New Germany, Savage River and Swallow Falls and will ease the pressure in those areas.

Ward Ashby is the new superintendent of the park which will be open from 9 a. m. until 10 p. m. daily. Mr. Johnson said anyone wishing to make reservations for camping may call the superintendent at DE 4-4274 or DE 4-4536.

For those who like to pitch a tent and rough it the camp site fee is $1.25 per day or $7 a week. The camping area has a wash house, sanitary facilities, tubs for doing laundry and also shower baths.

Fifty cents will be charged for parking in the area which has been built up during the past three years by the Maryland Department of Forests and Parks. To get to the site from route 219 a driver turns east at Thayerville on the county road leading to Glendale bridge. After crossing the bridge the motorist takes the road to the left to Meadow Mountain bridge. Just across Meadow Mountain run inlet, the park starts.

Mist Sprays Will Keep Hogs Cool

You can prevent death losses of swine from heat and improve the feed efficiency of pigs as much as 25 percent by proper cooling of the animals during periods of high temperature and humidity.

Dr. J. R. Ferguson, Extension livestock specialist, University of Maryland College of Agriculture, reports that the problem of hot weather has been whipped at the Maryland Swine Testing Station near Trappe. Here, pigs on test are cooled with mist, or fog nozzles. Use of the nozzles keep the pigs gaining at a fast rate. It's pretty typical, Dr. Ferguson pointed out, for pigs to fall off in rate of gain when temperatures go over 80 degrees on a day of high humidity. A temperature of 60 degrees is optimum for best gains.

Shelters that open in the front and back will allow air movement through the housing unit and help reduce the temperature. Idea behind the use of spray nozzles in such housing for feeder pigs and farrowing sows, is to cool the air around the hogs with the evaporating mist, but not to spray the animals with water. Most people use fog nozzles off of a low pressure field sprayer. Water is piped in an overhead, half inch pipe fitted at intervals with rubber or plastic drop hoses. The nozzles are adjusted to hang about three feet from the floor. Use of the flexible drop hose permits hooking them up out of the way when cleaning the house.

If properly installed, to match the water pressure, there should be no dripping to wet the floor and bedding, and if there is any air movement at all the floor will not get wet from the evaporating mist, Dr. Ferguson said.

Cattle, hogs or sheep out on pastures that have no natural shade should be protected from the sun with artificial shades. These can be simply made by setting four posts in the ground and building a framework of poles or old lumber to serve as a roof. The framework can be covered with straw or corn stalks to provide shade. Old woven wire or chicken wire can be used to keep the straw anchored down. Main point to keep in mind in building such a shade is to keep the roof high enough to allow air movement above the animals, Dr. Ferguson said.

Fraudulent Claims Few

Less than two tenths of one percent of all persons who received unemployment insurance benefits in the first quarter of 1959 are known to have received them fraudulently, the Department of Employment Security reported.

The director said 181 persons were paid benefits as a result of fraudulent claims during the period. A total of 95,879 persons received checks.

Of the department's 19 full time and 16 part time offices around the state, three, Lonaconing, Kitzmiller and Friendsville, had no improper payments of any type during the quarter. There are cases pending in the courts from Grantsville and Oakland, it was learned.

Queen Elizabeth II unveiled an aluminum arch as symbol of friendship between U. S. and Canada and their joint St. Lawrence power project.

WEEKLY SERMON

How God Forgives Sin

God never winks at sin nor does He ever excuse it. It takes more than a polite apology on our part to take care of the sins we commit. God is a holy and just God. He cannot tolerate sin in the least degree. His justice demands that a sinner be punished in accordance with his crime. The guilty cannot go free. Yet, the Gospel speaks authoritatively and assures the repentant sinner when it says, "Your sins are forgiven". The basis upon which God forgives sin is spoken of in Hebrews 9:26, "But now once in the end of the world hath He appeared to put away sin by the sacrifice of Himself." We can never have the assurance of forgiveness unless we understand this. The Bible plainly teaches from Genesis to Revelations that either we must suffer for our sins or else an acceptable sacrifice must suffer in our place. In the O. T. the repentant sinners sacrificed an innocent lamb which looked forward to Christ, the Lamb of God. The covenant offered to us in the Gospel is to look back by faith to what He accomplished for us on Calvary. Faith in the shedding of Christ's blood is indispensable to forgiveness. Pardon and peace are to be found alone through HIM.

Injured in Wreck

Louis Cerolini, of Moressen, Pa., wrecked his automobile on Sunday morning near the Schmidt filling station, route 38, when he apparently lost control of his vehicle and ran into a bank. He suffered no injuries, but Frank Sever, of West Newton, Pa., traveling with him, suffered fractured ribs and a possible fractured vertebrae. He is a patient in Garrett County Memorial hospital.

Another man, riding in the front seat, apparently was unhurt and was not given any treatment Sunday. His name was not learned.

Vo-ag Teachers Plan Up To Date Courses Of Study

With a purpose of developing a complete, up to date course of study for each vocational agriculture department in the three western Maryland counties, a workshop for vo-ag teachers from Washington, Allegany and Garrett counties was concluded this week at Southern High school.

W. M. McDonald, state supervisor of vocational agriculture, was in charge. As a basis for the workshop Barry Carr, assistant county agricultural agent, presented a statistical survey of agriculture in Western Maryland. Richard Bishoff, Southern High vo-ag instructor, used this statistical information to interpret the trends of agriculture in the county and to determine the major farm enterprises found on local farms. These were dairy, poultry, beef cattle, swine, sheep and field crops.

Mr. McDonald outlined steps to be taken in developing a course of study for individual developments as: 1. Determine major agriculture enterprises; 2. Decide how many class hours should be devoted to each enterprise; 3. Adjust class hours to meet individual schools and total hours allotted for vo-ag; 4. Break down class hours further to fit into areas of animal, plant, farm management, Future Farmers of America, student farming programs and farm mechanics; 5. Set up committees to determine exact jobs to be taught under each heading. 6. Determine number of class hours to be allocated to each job and its seasonal sequence; and 7. Assign various jobs to be taught in grades 9 through 12.

After each teacher had prepared his course of study in rough outline, he presented it to the group for discussion. Courses of study are to be refined, printed and presented to local administrations for approval.

Attending the workshop were Joseph Scott, Williamsport; Harland Biggs, Hagerstown; William Allenburg, Boonsboro; Horace Fuller, Smithburg; Ken Malone, Flintstone; John Reckner, Larry Faith, Northern High; F. D. Bittle, high school supervisor; Mr. McDonald, Barry Carr and Richard Bishoff.

Carl Wilson, Jr., Is Guilty Of 3 Violations

Carl Wilson, Jr., was fined a total of $225.00 and costs on three charges of violating automobile laws when brought before Trial Magistrate Robert M. Maroney on Tuesday morning.

Wilson pleaded guilty to a charge of operating an automobile under the influence of liquor, for which he was fined $100 and costs. He pleaded guilty to operating an automobile while his license was suspended, for which he was fined $100 and costs. He pleaded guilty to a charge of reckless driving, for which he was fined $25 and costs. The fine and costs were suspended in the latter instance.

Wilson prayed an appeal on the other two convictions and was released under bond for his appearance at the September term of court.

The charges grew out of a wreck of a truck, Saturday, June 27, at Tasker's Corner, near Potomac State forest. Trooper first class Robert Henline investigated.

At the same time Samuel Roy Glotfelty was charged with permitting an unauthorized person to operate a motor vehicle and was fined $25 and costs.

McElroy reported that both U. S. and Russia were having serious trouble getting their Intercontinental ballistic missiles on a war-ready basis.

Ties Attendance Record

The Deep Creek Baptist Sunday school tied its attendance record last Sunday with 113 present. The record was set last July 13, last day in the old building. As a coincidence Douglas Harvey was serving as youth week superintendent on both days. Youth week continues through July 5 with the aim to break the attendance record this Sunday.

Deep Creek Scout District Is Winner Of Memorial Cup

The Deep Creek District has won the Dr. Tom Bess Memorial cup for top performance in fulfilling objectives in the advancement program over a six months' period in Potomac Boy Scout council.

The announcement was made at the annual meeting of the council held last Thursday night in Cumberland.

The Deep Creek district had a percentage of 111 in comparison to 107 for Nemacolin district and 97 for Tri-Valley. The competition for the cup was started in 1957 and this is the first time that Deep Creek District has won. It will become the permanent possession of the district winning it three times.

Clarence Lippel, Cumberland attorney, was elected president of the council, succeeding Edmund S. Burke. Others named were K. S. McKee, Keyser, W. Va., and Maurice Brookhart, Oakland, vice-presidents; M. G. Thompson, Cumberland, council commissioner; and Henry W. Price, Frostburg, treasurer. George Stuck, Oakland, is chairman of the Deep Creek district.

Executive board members include Merritt Feather, Dr. H. R. Gibson, John Forman and Howard D. Naylor, of Oakland. The advisory committee includes Jay Bell, Crellin; and Paul B. Naylor, Oakland. Ralph Fauber was approved as district commissioner for Deep Creek district.

County Represented At Scout Round-Up

Two senior girl scouts and one leader of the Swanton troop left Tuesday, June 30, to attend the senior girl scout roundup at Colorado Springs, Col. They are Carolyn O'Brien, Linda Teets and Mrs. Orval Teets.

The round-up is being held about ten miles north of Colorado Springs on a 1200-acre portion of two adjoining ranches. Approximately 8,000 girls and 1,500 adults from all the states and a few other countries will attend. It is the largest single event to be sponsored by the girl scouts.

The two local scouts are both juniors at Southern High school. They attended the historical tour in the county two meetings in preparation for the trip. Mrs. Teets will serve as an assistant train director on the railroad during the trip. Scouts from this area will return to Cumberland on July 16. Mail may be addressed to the girls, 1-BOO7-2, Girl Scout Senior Roundup, Colorado Springs, Col.

U. S. prepared to go ahead with underground nuclear testing on its own.

GORTNER

Come to the Slabach Reunion at Silver Lake on July 4th.

The Lyndale Revival will begin on July 6, at 8 p. m. Pastor Teets, of Crellin, will be guest speaker and music will be rendered by Charles Trout and others, of Terra Alta.

Mr. and Mrs. Ellis Teets and children, Pastor Pugh and family, of Eglon; and the Jesse Harsh family attended evening worship here on Sunday. Pastor David Moon preached both the morning and evening sermon.

Vacation Bible school will begin July 20, with Pastor Paul Bender, of Springs, as principal.

Mr. and Mrs. Paul Coffman and son Duane, and her nephews, Edward and Wendell Burkholder, of Lexington, Va., enroute to Laurelville Music camp, visited the Henry Swartzentrubers on Saturday. Mr. Swartzentruber and Mr. Corlman were the two men from Camp Grotto during World War II, that found 4-year-old Doris Dean who was lost a week in the Blue Ridge mountains. This is their first meeting since that event. The Swartzentrubers visited Doris, who is now employed in Richmond.

Mr. and Mrs. D. L. Swartzentruber, Mrs. Fannie Stutzman, Miss Mary Lichty and Mrs. Dan Lichty attended Mrs. Rhine Brenner's funeral at Job, W. Va., Saturday.

Among those visiting Mrs. Noah Schrock, recently, were Mrs. Fannie Stutzman, Mrs. Harris, of West Virginia; Ronald Martin and family, Mrs. Harold White, Mrs. Jacob Swartzentruber, Mr. and Mrs. Allen Petersheim and children, and Mr. and Mrs. Dan Lichty.

Freida and Freeman Lichty and parents, Mr. and Mrs. Noah Lichty, and Grover Lee spent Wednesday with the Elmer Yoders at Grantsville.

Ross and Mary Lichty attended a dairy meeting at McHenry, one evening. They were accompanied to Jonas Petersheim's by Andy Hershberger, who spent the evening with Henry Petersheim.

Mr. and Mrs. Lester Hardesty, of Romney, were supper guests of Mr. and Mrs. Paul Welch, Monday.

Mr. and Mrs. Dan Beachy, of Millersburg, Ind., and his brother-in-law and sister, Mr. and Mrs. Alvin Kramer, of Plain City, O., arrived Monday afternoon to visit their cousins. They took supper with the Eli Beachys and spent the night with Mr. and Mrs. Simon Swartzentruber.

Mrs. Fannie Stutzman, Mary and Ross Lichty visited their brother, Noah, and the Milo Yoders.

The fourth annual Moon reunion will be held at Potomac State Park on July 19th.

All members of the family and friends are invited to attend.

Advisory Council In Rural Development Officially Formed

An advisory Council to the County Rural Development Steering Committee was officially formed last Tuesday at a meeting attended by 23 agency and organization representatives. Thomas Cain of Oakland was appointed chairman.

Each representative spoke briefly to describe the program and service being offered in the county by his organization. Suggestions were listed as to how each group could contribute to the work of the Steering Committee.

Merle Garletts, acting chairman for the organizational meeting, explained the four purposes for the Advisory Council: to provide a means of organized support to the Steering Committee; to serve as an informational channel between local representatives and state agency offices. Workers to gain a better understanding of other groups' work, and to serve as a pool of resource people for the Steering Committee to draw upon.

Present at the meeting were Ann Rodgers, University of Maryland; Lee Miller, Farmers' Home Administration; Donald Ebersole, department of Employment Security; James Gwinn, social security administration; John Coburn, vocational rehabiliation; Gest Welling, University of Maryland; Helmuth Hesse, William W. Nace, Elbert Riley, Harold Harmon Robert DeWitt, Robert W. Stemple, Thomas Cain, Wesley Schaible, Frank Peers, Merle Garletts, Barry Carr, E. F. Garletts, Thomas Thayer, Jr., Beeson Snyder, Charles Briner, Dr. Arthur Jones, Senator Bernard I. Gonder and James McHenry.

Steering Committee to Meet

The summer meeting of the Steering committee will be Wednesday, July 8, at the Western Maryland 4-H Center, it was announced by Merle Garletts, chairman. The meeting will be picnic style for the entire family beginning in the evening.

Mrs. Gerald Glotfelty is in charge of recreation. Games for the children, swimming, softball, and horseshoe for the adults will make up the early part of the program. This will be followed by a bnsiness meeting. Main items of business are an evaluation of the past year's activities and an election of members and officers.

with the Red Cross, which she recalled began October 27, 1917. Mrs. Tower expressed appreciation to the many unpaid volunteer workers who had assisted in the multitude of projects.

She recalled the chapter's activities during the depression years of the mid 1930's, when the organization acted as a distributing agency for government clothing, material, seeds and food, a forerunner of the present surplus foods program.

Other activities in which she was active included the Red Cross sponsored water safety program, through which hundreds of persons were taught to swim by Red Cross instructors.

She said the chapter, in earlier years, had sponsored a school lunch program which aided needy students. This activity has now been taken over by the schools themselves.

Assistance in cases of personal disaster such as residential fires was given in many instances, she said.

Mrs. Tower stressed the fact that assistance to service personnel is the first consideration. This consists, at the present time, largely of verifying requests for emergency leave or in furnishing detailed biographies for the War Department.

Second, and most expensive activity is that of the Bloodmobile which is handled entirely by Red Cross volunteers.

During the years, Mrs. Tower said that she had acted in multiple capacities as Chairman, Executive Secretary and Home Service Chairman when volunteers were slow in forthcoming. She emphasized that neither she nor any of her co-workers had ever received any financial payment for services rendered, as it was the policy of the chapter to have no salaried personnel.

According to Lowell Loomis, chapter secretary, Mrs. Tower said she still wanted to be kept informed of organization activities and to be mailed local and national informative material as she has received in the past.

At Friday's meeting, also H. D. Swartzentruber attended for the first time as a new member of the Board. Other directors are Lowell Loomis, Mrs. Stemple, Jay L. Bell, Mrs. Joseph Fahey, Willard L. Hawkins and Miss Floss Shaffer, treasurer.

James H. McHenry, county agent, is presently fund drive chairman.

Watercolor Exhibit Of Elizabeth Patton Is Shown at Library

An exhibit of watercolors by Elizabeth Patton is on display at the Ruth Fulow library from June 27 to July 10.

There are twenty-six paintings in the group which includes landscape, figures and flower paintings, several of this county. Several have won awards in exhibits in the South and one of the paintings, by winning in Florida competitions, was one of ten painting representing the state of Florida in the grand national exhibition in New York last year.

All of the work shown in the present exhibit has been done since the exhibit here in 1955 which was sponsored by the American Association of University Women.

Mrs. Patton, a resident of Hollywood, Fla., and summer resident of Deep Creek Lake for a number of years, is the wife of W. Duncan Patton. She is affiliated with the Miami Art League, American Artists Professional League, Miami chapter; Lowe Art gallery, University of Miami, Broward Art Guild, Fort Lauderdale, Fla.; Art Guild of Boca Raton, Fla.

Two paintings are loaned to the exhibition by their owners, Mr. and Mrs. George Hanst and Mrs. Homer L. Bennett. Some of Mrs. Patton's painting are hung in a number of private and gallery collections and also purchased for publication by the Ford Motor company. The Ford Times purchased several pictures some time ago for a story of Deep Creek Lake, scheduled to appear in "Ford Times," and the company recently purchased her Seminole Indian story and pictures about the Indians cutting most of the palm buds used in churches on Palm Sunday throughout the United States and Canada.

Return From Convention

Columbine Is Chosen By Garden Society

Mrs. Willoughby Chesley, national chairman of legislation of the Woman's National Farm and Garden Association, Inc., has announced that the "Columbine" has been chosen by that group as the national flower of the United States. Mrs. Chesley, summer resident of Mt. Lake Park for many years, pointed out that the Columbine is a native plant and will grow in all states.

Quoting from the National Geographic Society's book on wild flowers she praised the wildflower: "among all the flowers that bloom none outshines the American Columbine for wild grace, untrammeled and unconventional beauty. This striking flower is a child of America."

It comes in red, white and blue, suggesting colors of the United States. It has thirteen little lobes which develop into leaves, suggesting the original thirteen colonies.

The proposal has been endorsed by the National Garden clubs of America and many other garden club groups.

Almost two pages of Dr. Harned's book, "Wild Flowers of the Alleghanies," is devoted to the wild columbine which he termed "one of the most widely known and highly cherished flowers" in the area, and also one of the early blooming plants.

The book was published in 1931 and at that time Dr. Harned said "In a recent discussion among our scientific men they suggested the Columbine as most appropriate for our "National flower." One of his eight colored photographs in his book was the wild columbine.

IN CONGRESS, JULY 4, 1776
The unanimous Declaration of the thirteen United States of America,

The Declaration of Independence not only signalized the founding of our country, but also marked a giant step forward in man's quest for freedom. As we celebrate the 183rd anniversary of its adoption by the Continental Congress, may we all firmly resolve that the principles of liberty which it so bravely enunciated shall ever be maintained.

REV. RALPH JACKS Pastor

John; 45&46: Philip findeth Nathaniel and said unto him, We have found him of whom Moses in the law, and the Prophets, did write Jesus of Nazareth, the son of Joseph.

And Nathaniel said unto him, Can there be any good thing come out of Nazareth? Philip saith unto him, come and see.

Never underestimate the power of Christ or of Christianity. Nathaniel did, only to cry out later, Rabbi, thou art the son of God; thou art the King of Israel! Jesus himself said in Matt. 28:18—that all power to me is given in Heaven and in earth.

He was born in a supernatural way. Even the stars in Heaven announced his birth along with the angels singing, Glory to God in the highest and, For unto you is born this day in the city of David a Savior which is Christ the Lord. This one grew up in obscurity, had no wealth, and attended no college. Yet, the wisdom man has never equalled discourses. Records show that never a man spoke like this man.

His relatives were plain people living in a rural community and in boyhood he puzzled the Doctors and lawyers. At the age of twelve he possessed greater wisdom than the theologian. In manhood, he ruled the elements. He defied the law of gravitation by walking on the water. The winds obeyed his voice He spoke peace to a raging sea and it became calm.

He relieved the broken hearted, he healed the sick, cleansed the lepers, blessed the children, he was the man of mercy, and still is even today. He has the power to transform lives from evil to good.

He never mobilized an army or drafted a soldier, or fired a gun, and yet no military leader has ever enlisted as many volunteers as those who take orders from Him, or won as many victories as those who live for Him.

You do not have to be an astronomer to understand that He is the day star of eternal hope. You do not have to be a geologist to understand that He is the Rock of Ages. You do not have to be a zoologist to understand that he is the Lamb of God slain from the Foundation of the world. You do not have to be a botonist to understand that He is the rose of Sharon and the Lily of the Valley. You do not have to be a musician to understand that He is the great Harmonizer of all discords.

Great men have come and gone, but friend, this one lives on, and will live in your heart and solve all your problems if you will let Him in. Matt. 11:28 Come unto me, all ye that labor and are heavy laden, and I will give you rest.

DIED

MRS. MARGARET E. HETZ

Mrs. Margaret Elizabeth Hetz, 89, died Wednesday, July 1, at the home of her son, Thomas Hetz, route 1, Lonaconing.

A native of this county, she was a daughter of the late Nelson and Ellen McKenzie Wilhelm. She was a member of St. Anne's Catholic church, Avilton.

Surviving is another son, Melvin Hetz, Meyersdale; a daughter, Mrs. Agnes Bows, Frostburg; two brothers, Benjamin Wilhelm, Cutler City, Ore., and James Wilhelm, Frostburg; and 24 grandchildren.

A requiem mass will be celebrated Saturday morning at 10 o'clock from St. Anne's church. Burial will be in the church cemetery. The body is at the Newman Funeral home in Grantsville.

MRS. FRANK FELD

Mrs. Ray Leibowitz Feld died suddenly early Wednesday morning, July 1, enroute from the railroad station to Garrett County Memorial hospital. She collapsed upon alighting from train No. 1 and was pronounced dead upon arrival at the hospital. She had been in Baltimore to attend the wedding of a niece.

Mrs. Feld was the daughter of the late Joseph and Lena Glass Leibowitz and was born in Baltimore April 29, 1890. She was aged 69 years.

Surviving are a daughter, Mrs. Eugene Lipstein, Wilmington, Del., and one son, Irvin Feld, Oakland. Her husband, Frank Harry Feld, founder of the H-P Stores, preceded her in death in 1944.

Also surviving are one brother, Albert Leibowitz, Baltimore, five sisters, Mrs. Stanley Mogul, Mrs. Samuel Shemer, Mrs. Irvin Friedlander, all of Baltimore, one sister in Utica, N. Y., one sister in Toronto, Canada, and six grandchildren.

Mrs. Feld was a member of the Order of Eastern Star, Business and Professional Women's club and the Oakland Civic club.

Funeral services will be conducted on Friday, July 3, at 12 o'clock noon, from the Lewis Funeral Home in Baltimore, in charge of Rabbi Max. Interment will be in the Mogen Abraham cemetery, Rosedale, Baltimore.

The family has requested that any memoriams be made to the Allegany-Garrett Heart Association, care of Mrs. Ora Mae Lewis, Cumberland.

Republican Women Plan Fall Rally

Plans for a fall county-wide dinner meeting were made by members of the County Republican Women's club in session at a picnic supper Monday evening at the home of Mrs. Kermit Glotfelty, president, Accident. Twenty-five attended.

Mrs. Dwight Stover will contact U. S. Senator J. Glenn Beall to engage a speaker for the occasion.

Members were urged to cooperate in work being planned for young Republicans in the county and in colleges. Miss Karen Ridder, Kitzmiller, is organizing this phase of the work. Members plan to urge all women to vote at the next election and to have their correct married names and complete addresses listed in the registration files of the election board.

Reports were given on recent state meetings. The treasurer reported a membership of 136, a 60 percent gain since cards were mailed out recently to all Republican women. Mrs. Glotfelty said the club had one of the largest membership gains of any in the state.

The Senate agreed to do away with federal taxes on travel, telegrams and telephone calls. House still had to take action.

Announce Engagement

Mr. and Mrs. Harvey D. Swartzentruber, of Oakland, announce the engagement of their daughter, Lois Grace, to Lester Oreu Bittinger, son of Mr. and Mrs. Lester Bittinger, of Oakland.

Miss Swartzentruber was a member of the 1959 graduating class at Southern High school and is presently employed at Garrett County Memorial hospital.

Mr. Bittinger, also a graduate of Southern High school this past June, is presently employed by the Winters dairy.

An early October wedding is planned.

Is Your Name RICHTER ?

Richter, an old and honored surname, is principally of German origin. Of relatively simple derivation, it is obtained from the German "richter", meaning "judge or magistrate", and therefore was bestowed in mediaeval times upon those who held such office. This is in line with the practice, often followed when surnames first came into vogue, of naming people in accordance with their place of residence, physical characteristics, occupation or profession.

John Richter and Michael Richter were privates in the Lancaster County, Pennsylvania militia at the time of the Revolutionary War.

According to "The Pennsylvania German Pioneers", published by the Pennsylvania German Society in 1934 and listing the immigrant arrivals at the Port of Philadelphia from 1727 to 1808, Johannes Richter arrived on the ship "Hope Galley" in September 1734 Simon Richter came on the ship "Dragon" in September 1749, and Johann Gottfried Richter arrived on the ship "Osgood" in September 1750.

John L. Richter was a tanner in the Accident district of Garrett County during the later part of the 19th century.

George Richter was a school trustee of Accident district, Garrett County for the year ending May 13, 1882.

Johann Paul Friedrich Richter (1763-1825) was a distinguished German author and humorist.

Henry Joseph Richter (1838-1916), a native of Oldenburg, Germany, was ordained priest, Roman Catholic Church in 1865, was vice-president and a member of the faculty of Mount Saint Mary's Seminary, Cincinnati, Ohio, for a number of years and was consecrated Bishop of Grand Rapids, Michigan, in 1883, in which capacity he served until the time of his death.

Curt Paul Richter is professor of psychology at Johns Hopkins Medical School.

Conrad Michael Richter of New York City is known nationally as an author of fiction. He was the recipient of the Pulitzer Prize for fiction in 1951.

George H. Richter is professor and chairman of the department of chemistry, Rice Institute, Houston, Texas.

Old Dutch Settlement

By ROSS C. DURST

It would be interesting to know how many residents of Garrett County ever heard of Old Dutch Settlement. I must admit that until last year I had never heard the name.

While searching through some old records in the Courthouse at Cumberland last summer, I came across a deed dated Oct. 18, 1839, involving the transfer of 83 3/8 acres of land between John Kamp and Daniel Durst. Since Daniel Durst was my paternal grandfather, I was naturally interested in reading further. The description of the property was in the usual metes and bounds used in early land surveys. It began at a "double-hounded" chestnut - oak tree, thence to a locust tree, thence to a chestnut tree, etc. Then came the real surprise. In attempting to further describe the property, it stated that the property was located in the Old Dutch Settlement.

I knew that Daniel Durst had lived on a farm on the south-east slope of Meadow Mountain where my father and several of the younger children were born. In 1844 some acreage was transferred to an older son William. In my youth this farm was owned by Christian Otto and I believe it is still in the Otto family.

Just when the name was changed to New Germany, I do not know. Government records show that when the first Postoffice was opened in 1883, the name used was New Germany. However, the break with the old ways came much earlier. For instance, my father who was affectionately known as "Uncle Mad", could speak not a single word of German.

The name "Old Dutch" does not necessarily mean that the settlers came from Holland. The weight of evidence at present seems to indicate that the first Dursts came from Switzerland. A more reasonable explanation of the name is that most of the early settlers came from the Pennsylvania Dutch settlement in Elk Lick Township, the present day Salisbury. Other early settlers were the Swartzentrubers, the Benders and the Ottos.

At this point, perhaps a word about the much misunderstood Pennsylvania Dutch might not be amiss. The Edict of Nantes, although issued by a Catholic monarch, gave freedom of worship and the right to vote and hold office to the Protestant Hugenots, followers of Martin Luther and many of them of German stock. However, when Louis XIV came to the throne of France, he revoked the Edict in 1685. The Hugenots came under terrible persecuton. Dragoons were domiciled directly in the Hugenot homes with full permission to annoy and persecute their hosts "short only of violation and death". Untold thousands of them sought sanctuary in surrounding countries such as Holland, Switzerland and England. Some remained there and became citizens but many of the hardier ones emigrated to America. Philadelphia was the chief port-of-entry. The benevolent policy of William Penn appealed to them. The early settlements were in Berks County and adjoining counties of eastern Pennsylvania. Inevitably, some of the more adventuresome ones moved to western Pennsylvania and Maryland. Our great midwest of today is liberally stocked with the descendants of these hardy pioneers. This is the story of the "Pennsylvania Dutch."

Like so many sections of Garrett County, the exact boundaries of New Germany have never been clearly defined. In driving through the region some years ago with a friend from Ohio, he kept looking for a town or at least an exact spot which was New Germany. To apply the criterion that it includes the territory formerly served by the public school would be too limited. Separate schools were maintained at Red Hill, the Backwoods, Settlement and the old Dorsey School. And yet most of the residents of these places considered themselves as residents of New Germany. They were all served by the New Germany Post Office. Perhaps this would be a more reliable yardstick even though it might be a trifle too inclusive.

During World War I, it was suggested that since we were at war with Germany, it would be patriotic to change the name. The good citizens considered the matter carefully and decided that changing the name would hardly be considered a major blow at Kaiser Wilhelm. And so, good common sense prevailing, the name remained.

Since the closing of the postoffice, the name is perpetuated only by the New Germany Reereation Center of the Savage River State Forest. This has become one of the most popular recreation centers in the county. Every Sunday during the summer, indeed during the spring and fall, the place is over flowing with people who come from far and near. A tour of the parking lots shows cars from out-of-county and out-of-state. Others rent cottages and spend their vacations in these pastoral surroundings. A short distance below the lake is the Bear's Den, a natural cave, which is said to have been one of Old Meshach Browning's favorite hunting spots. I can still recall the thrill of crawling, on hands and knees into the dark cave and to hear the imaginary growl of an imaginary bear. I often wonder if the youth of today indulge in the same romantic pastime.

Nobody To Care

Many people are unhappy and lead miserable lives filled with bitterness, suspiciousness and jealousies because they believe no one cares for them. Life to them is an endless burden, one day is like another, nothing to live for. The Psalmist expressed such a feeling when he said in Psalm 142:4, "no man cared for my soul". Do you feel like this? Perhaps you have never shared your feeling with others. Nevertheless, life is meaningless, useless, and you wait for the grave. Let me inform you, friend, your attitude is based on a falsa premise. It's false because God cares for you. He not only said so (See John 3:16) but He proved it by sending His only Son to die that you might be forgiven and be reconciled to Himself (Romans 5:8). I believe that God values your soul so much and loves you so much, no matter who you are or what you have done, that if you had been the only person in the world, Christ would have come from Heaven's glory to die just for you. How can you say no one cares? Perhaps the reason you feel like you do is because you have spurned His love. Love must be reciprocal if it is to be enjoyed.

The American Way

(EDITOR'S NOTE: George Peck is Honorary Chairman of the Laymen's National Committee, sponsor of National Sunday School and Bible Weeks.)

Recently in this column it was pointed out that our national security is being threatened by purchases of heavy electrical equipment being made abroad by certain of the Federal Government power agencies. There is an explanation, but not a reasonable excuse, for this misguided policy of these government agencies—they are able to buy this equipment from European manufacturers at a considerably lower price than it can be purchased from American concerns. As was pointed out, the reason is that hourly earnings of workers in these foreign plants are only a fraction of the hourly earnings of our American workers.

In view of this great disparity in wages paid abroad and those paid in the U.S.A. which is working to the detriment of a vast segment of American concerns, it would seem to be the part of wisdom to take necessary measures to narrow the gap. But certain things are brewing that would widen the gap and make for an even greater handicap on our American manufacturers in their battle with foreign competition.

Legislative action is being proposed, backed by organized labor, to amend the Fair Labor Standards Act so as to provide for a shorter work week. Such legislation, the unions claim is necessary to spread available work and thus to create more jobs. Its proponents admit, however, that with a shorter work week, there could be a strong tendency for many workers to seek and hold second jobs, which would defeat its hoped for objective.

The present goal of the labor unions is a 35-hour week, with no reduction of take-home pay. This would result in a 14 percent increase in hourly wages. And further, should firms give their same employees overtime rather than hire additional workers, a work week of 40 hours, with the additional time paid at time and one-half, the result would be an increase of 19 percent in hourly wages.

This goal of the unions is fraught with great danger. At a time when our relatively high costs of production, due principally to wage hikes in recent years outrunning productivity, already have handicapped American concerns in the economic war being waged with the communist countries, can we afford to increase that handicap? The obvious answer is "NO."

In addition to fostering legislation to shorten the work week, the unions will work toward the same goal through collective bargaining. Of course, here again with the objective of spreading jobs and relieving unemployment. They consider the present an opportune time to press this issue, because of the large number of unemployed despite the economy's having turned upward.

The shorter work week is part of the goal in the present negotiations with the steel industry and may become an objective in other industries. Adding fuel to the fire, union labor is also working toward the same end in other ways—seeking more paid holidays, extended paid vacations, and other similar benefits. All of these involve more pay for the same or less hours, or pay for time not actually worked.

All of these things have a most appealing sound to the workers, but should they attain them, it would mean immediate higher wage bills. Unless these higher wage bills were offset by gains in productivity, our American manufacturers would be further handicapped in the competitive battle with Communist Russia and her satellites, as well as with friendly foreign countries.

Of course, the unions are advancing the argument that increase in hourly wages and the cost of further fringe benefits can be paid out of profits, and further price raises would not be necessary. This is, to put it mildly, bad thinking on the part of the union leaders. When wage increases are obtained at the expense of profits, future jobs are undermined because investment is discouraged.

Union labor leaders should by this time have learned that wage gains cannot outrun productivity without endangering many jobs. The 35-hour week and the fringe benefits, for which they clamor and are putting forth every effort to obtain, would increase the very unemployment which they seek to decrease.

It is earnestly hoped that the Congress will not amend the Fair Labor Standards Act, shortening the work week to 35 hours; and that the managements of our American concerns will stand resolute against increasing pay to employees without accompanying equal increase in productivity.

Gets Bids On Radio Tower In County

The State Roads commission has received bids for the construction of radio towers in 23 counties for its radio network.

SRC Chairman John B. Funk announced that the network linking 27 base stations and 380 vehicles, scheduled to go into operation by December, is aimed at making manpower and equipment available to meet emergencies and handle maintenance problems more efficiently.

The contracts call for construction of concrete foundations, erection, painting and attaching antenna and wiring to self supporting masts. The SRC is furnishing masts and antennas.

The commission said low bidders on the projects, among 17 estimates received were: Travelstead and Sons Construction company, Baltimore, $8,758 for towers in Allegany, Frederick, Garrett and Washington counties.

MISS DELORES FRAZEE

Announce Engagement

Mr. and Mrs. Sherman C. Frazee, of Accident, announce the engagement of their daughter, Delores, to Pvt. James M. Wolfington, son of Mr. and Mrs. William P. Wolfington, 811 Stewart avenue, Cumberland.

Miss Frazee is a graduate of Northern High school, class of 1956, and of Catherman's Business School, Cumberland. She is employed as a secretary by the Celanese Corporation of America near Cumberland.

Pvt Wolfington was graduated from Fort Hill High school, class of 1955 and is stationed with the army at Camp Gordon, Georgie.

Discuss Effects of Milk Strike Upon Economy of Farmers

Legislators and milk producers met last Saturday night in Grantsville to study the milk plant strike of the Carnation company, but after it was all over, the strike was still in effect.

The meeting had been called by Delegate Elbert Buckel and Senator B. I. Gonder with an invitation for Congressman John R Foley to attend. The purpose was to determine the issues of the labor-management dispute, its effect upon the economy of milk producers and to determine if steps could be taken to settle the dispute.

Invitation were extended to management, labor, milk producers and interested public. Management was not represented. Farmers revealed some 800 producers had been selling about 80,000 pounds of milk per day at the receiving station at Oakland, and they were now without an outlet for their milk.

They said they must continue to feed and milk their cows but that most of the milk was being poured away. Some said they had been skimming cream and marketing it, feeding skimmed milk to the hogs but that most of the milk produced was being wasted. They said they must continue to invest money in feed. Drivers of trucks over 18 routes in the county are idle. A percentage of receipts from sale of milk goes to pay for the pick-up and delivery service.

Vice-president and president of Local 10-295, Oil Chemical and Atomic Workers, international union, AFL-CIO, outlined the issues between the company and the union. Some 140 union members are affected. Negotiations for a new contract between the union and Carnation company began June 3 and covered 17 items. The contract expired June 17 when the strike began.

Teen Corner

By DICK CASTILOW

Hi, hope you all had a very nice week-end. Teen Canteen was very pleased to have visitors from camps Minnetoska and Whitethorne last Friday night. There were eighteen or twenty in attendance. It's surprising the vacation people that are now attending Canteen, there were about forty vacationers there Friday night. I am very glad that they realize that they are welcome, all teen agers are welcome, this is without expection.

If you all happened to be tuned to channel twelve on Saturday, you saw and heard me make a statement on Boyland Bandstand that could stand a great deal of explaining. The statement was that "I think adults (parents) are often more delinquent than their teen-agers. "Well if you will turn to channel twelve on Saturday at two thirty I will try and explain the statement. This may prove difficult as I may not see the same view this week.

Do you know that in Clarksburg people know where Mountain Lake Park is much sooner than Oakland? This is a fact. People ask me where I'm from and I say Oakland, then the usual reply is. "Is that near Mt. Lake?" I think that this is from tennis tourneys, at least four that I know of were because of this. Gee, Mountain Lakers ought to really be proud.

Well I'll see you all at Teen Canteen Friday night. Everyone is welcome.

Welfare Expenses $25,868.59 For May

Public welfare expenditures for May in this county showed another decrease over the previous month, amounting to $470.71. Six hundred sixty-four persons received $25,868.59 through the county welfare board during that month, according to figures released by Dr. Alvin Thalheimer, chairman of the State Department of Public Welfare. The total did not include cost of local administration.

The report showed the total number receiving assistance was five less than the previous month.

Largest percentage of the total expenditures for May was for Aid to Dependent Children where 318 persons in 108 families received $9,974.45, an average of $92.36 per family. There were eight new applications for assistance in this category with five cases being added and eight cancelled.

Under Old Age Assistance category 211 persons received $9,540.93, an average of $45.22. There were six new applications with five cases being added and four cancelled.

Five blind persons received $340.75. Eighty-five persons listed as permanently and totally disabled received $4,188.55, an average of $48.45. There was one new application in this classification with two cases being added and four cancelled.

Twenty-two persons listed under general public assistance received $704.91, an average of $32.04. There was one new application with one case added and three cancelled. Twenty-three persons listed under foster home care received $1,189, an average of $51.70.

Twenty-five persons were investigated for free hospital care and that number were found eligible.

Throughout the state the welfare program cost $2,306,433 as compared to $2,303,991 for the previous month and $2,031,255 for May a year ago.

1890 Magazine Tells Of Deer Park's Glory

The glory that was once Deer Park's came to light in a magazine of 1890, discovered about a week ago, in the magazine "The Bulletin, a weekly journal of social and literary life," and dated June 28, 1890, was used as a floor covering under some linoleum or other material, and was in an outbuilding on a farm recently purchased by Albert Harvey from Miss Bernadine Warnick, located in Pleasant Valley.

The magazine was uncovered when Mr. Harvey was engaged in tearing down the outbuilding.

An advertisement in the magazine called attention to Deer Park and Oakland, "on the crest of the Alleghanies, 3,000 feet above tidewater," with the season opening June 21. Featured was the fact that electric lights had been introduced throughout the houses and grounds that Turkis and Russian baths and large swimming pools had been provided for ladies and gentlemen. The rates were $60, $75 and $90 per month.

In the same magazine was a double page spread concerning the summer season at Deer Park. A lot of it is not readable but one was able to discern that "the ride from Pittsburgh to Deer Park is delightful all-day panorama of romantic and variet beauty. The choicest scenery unfolds itself along the valleys of the Monongahela, the Youghiogheny, the Casselman and Will's Creek—From Cumberland up to Deer Park is a climb which only the ablest of iron horses can successfully accomplish for a steady, long grade of two hundred feet to the mile must be overcome ere the summit of the Alleghenies is reached."

There were pictures of the hotel itself, the Chapel, the Cleveland cottage, the office, the piazza, and other scenses.

Fourteen Apprehended For Motor Law Violations

Fourteen persons were apprehended for alleged violations of the motor vehicle laws in recent days. On file in the office of Trial Magistrate Robert M. Maroney in Oakland were the following, with fines assessed:

William Kenneth Hawkins, Jr., Kingwood, W. Va., exceeding 50 miles per hour, $15.

Merrill Henry Bickel, Altoona, Pa., failing to keep to the right of the center of the highway, $10.

Josephine Baker Bisbee, Oakland, exceeding 50 miles per hour, $10.

George Walter Sanders, Oakland, pleaded not guilty to operating an automobile at a speed greater than reasonable and proper. The case was dismissed.

Leon James Burgess, Elk Garden, also pleaded not guilty to a charge of failing to give the right of way but was found guilty and fined $10 at a hearing Saturday, June 27. The two cares grew out of a wreck near the Deep Creek bridge several days ago.

Fred Grover Kerns, Grafton, passing near the crest of a hill, $10.

Earl O. Wonderly, Mt. Lake Park, failing to obey stop sign, $5.

Harrison Marley Thrasher, Deer Park, exceeding 50 miles per hour, $10.

Dennis Neil Lowers, Swanton, operating without a license, $5.

William Donald Metheney, Crellin, operating without a license, $10.

William Gordon Savage, Pittsburgh, Pa., exceeding 50 miles per hour, $25.

Ira Newton Brown, Aliquippa, Pa., operating without a license $10.

Louis Cerolini, Monessen, Pa., operating at a speed greater than reasonable and proper, $25.

Stanley William Finzel, Grantsville, passing on a double white line, $5

Former County Student Is Scholarship Winner

A young lady who served her school at Poolesville as editor of the yearbook, her church as a committee chairman of Youth Fellowship, and her family as baby sitter for seven younger brothers and sisters, has been selected as the M. C. E. A. Scholarship winner for 1959.

Florence Beitzel, 17, senior at Poolesville High school, ranked first in a graduating class of 33. Her love of "working with people," as she terms it, has led to a variety of positions: library club president, F. H. A. reporter, student council chaplain. In addition she has been active in school plays and acted as chairman of the Community Fair. She will enter Frostburg State Teachers college in the fall.

Scholarship applicants are selected by the Montgomery county Education association scholarship committee of guidance counselors.

The girl also has been granted the Mrs. Harry Elkins Parkhurst scholarship in the amount of $100 per year for four years.

A daughter of Mr. and Mrs. Randall Beitzel, she attended Garrett county schools until September, 1956, when she entered Poolesville High school.

Asked why she wants to be a teacher, Florence replied: "I want to help others experience the same satisfaction I receive from knowing that a job has been well done."

CARD OF THANKS

We wish to extend our sincere thanks to our neighbors and friends for their kindness and sympathy extended at the death of our father, the late William Otto.

We especially want to thank Rev. Prince and we are grateful to those who sent flowers and helped in any way.

Grantsville Winner Over Salisburg 13-3

Grantsville Sluggers extended their two-year hex over the Salisbury Cardinals by beating them for the 7th consecutive time in a Pen-Mar Baseball league game Sunday at Grantsville by the decisive score of 13-3.

Salisbury never has beaten Grantsville since entering the League last year. The Sluggers swept four games last season and have taken three in a row this year.

Sunday's defeat dropped Salisbury two games back of the front-running Barrelville team which blanked the Mt. Savage team 6 to 0.

Grantsville, occupant of fourth place, four games off the pace, increased its winning streak to five games and snapped the four game skein enjoyed by Salisbury.

Dave Richards, who pitched four and one-half innings for Grantsville, got the credit for his sixth victory against a single loss. He fanned seven. The game was highlighted by the slugging of Catcher John Keister and the relief pitching of Robert Keister.

John Keister blasted two home runs and a single and had five RB's to his credit. He hit his first homer in the third with two aboard and led off the fifth with another one. After relieving Richards in the fifth inning, Robert Keister retired the next 13 Salisbury batsmen in order. Only one ball was hit out of the infield and that was a fly. Junie Perry had a double and single. Tucker Cain had a two-run homer in the third while Joe Taylor and Zumpano had two hits each.

Grantsville's record is now nine victories against seven defeats for a percentage of .563. The Sluggers are in fourth place with Barrelville, Salisbury and Hyndman ahead of them.

A Message from Clinton W. Englander, "Your Pharmacist"

Modern Prescriptions Are Tremendous Values.

It is amazing how they can be pricd so low, considering the time, effort and expense of perfecting a new "miracle" drug.

Ehlrich Discovered Neosalvarsan In 1910

He called it "606" because he had previously experimented with 605 other chemicals which were useless.

A Research Scientist Costs About $75,000 Per Year.

Salary is a smaller portion of this expense. Equipment, supplies and a laboratory are needed.

55 Research Scientists Worked For 2½ Years.

They tested more than 100,000 samples of soil collected from every part of the world. Finally one valuable broad-spectrum antibiotic was discovered or more than $4,000,000 would have been lost. Yet, the final prescription cost is only about fifty cents per dose.

Today's Prescriptions Save Lives And Money.

Your doctor makes fewer calls, sickness-time is lessened and you need fewer medicines to cure sickness. We always price them as reasonable as possible.

ALMIGHTY GOD, in Whose love and eternal care this world has found its sole meaning and ultimate destiny, bless this House.

In the exercise of a holy freedom our people have chosen that man who with his helpmate here abides. Whether we support or oppose his policies, lead us to uphold him in his sacred duty, to the preservation of our Constitution and the safeguard of our liberties.

Strengthen him and his counsellors in the fulfilment of their trust. Enlighten both his supporters and his loyal opposition in every search for the best solution to the problems that beset our nation and our world. Preserve the peace, never letting the flame of freedom flicker for one moment in our hearts.

And guide the families of our land to the Sources of Light and Life and Love, multiplying the influence of the Bible, extending the witness of the Church . . . that the blessing we invoke upon this House may permeate every home in a dedicated America.

Amen.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Capital Comment

By JOHN R. FOLEY
Congressman, 6th District

You probably have noticed the increased tempo in Congress. Things are speeding up. Floor action the past few weeks has been heavy. One week was spent on extensive discussion of the Mutual Security program and another was devoted principally to debate on H. R. 3. This bill would limit the power of the United States Supreme Court to interpret Federal statutes. I voted for the Mutual Security bill and against H. R. 3.

Recent developments in connection with the C & O Canal National Historical Park are favorable. Extensive public hearings were held in March and April. H. R. 2321 was thoroughly discussed in executive session early in June. On June 10 the Subcommittee reported H. R. 2321 to the full Interior Committee with one amendment.

The clarifying amendment deleted a provision in section 3 and added a new Section 4 as follows: "Any portion of the lands and interests in lands comprising the Chesapeake and Ohio Canal National Historical Park shall be made available upon Federal statutory authorization for public non-park uses when such uses shall have been found, in consideration of the public interest, to have a greater public necessity than the uses authorized by this Act."

This amendment clarifies what was stated in the proviso: that the water supply needs or other needs of the Washington Metropolitan area and the whole of the 6th District man and will be met in the future by act of Congress.

On June 24 the House Interior Committee reported H. R. 2331, as amended to the whole House. The bill now goes to the Rules Committee. It is not optimistic to expect House passage before the end of July.

The Antietam Battlefield preservation bill has been held in abeyance by the Public Lands Subcommittee. To date the National Park Service has not expressed an opinion on the Haley amendment.

You can be optimistic about the Antietam bill. The full Interior Committee wants to preserve the battlefield.

Mutual Security Act

On June 18 the House passed, by a vote of 271-142, an amended bill authorizing $3,542,500,000 in fiscal 1960 for the Mutual Security Program. Based on careful study by the Foreign Affairs Committee, the House authorized $266,800,000 less than the President requested. The House-passed bill also reflects a shift in the program's traditional emphasis on military aid to economic assistance.

Approximately ⅓ of the authorization was for economic, technical, and special assistance programs, for the President's contingency fund, and for other programs. About ⅓ of the funds were allocated for military aid.

The Russian who fled the Soviet Embassy in Burma said he would expose Red spy network.

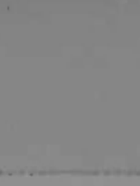
A Nation Under God

Lesson for July 5, 1959

"THIS NATION, under God" has been a classic phrase ever since Lincoln said it. The expression had no doubt been used before him. Indeed the reverse side of the United States seal, which can be seen on the back of any dollar bill, shows an unfinished pyramid, right under an eye, which the designers meant to be the eye of God. For the motto over the picture is ANNUIT COEPTIS. This being translated means "He has approved the things which have been begun." But who is "He"? It can be none other than God. For without his approval it does no good to brag about anybody else's.



Dr. Foreman

The Gods of the Nations

So from the very beginning, our nation on its official seal has acknowledged that is was begun and must continue under the eye of God. His approval is vital. We put "In God we trust" on our coins. We open Congress with prayer every day it meets. We administer solemn oaths to public officials. Even in the army, where you would perhaps not expect it, the Department of Defense sees to it that every man has the opportunity to worship God. At Fort Knox, for instance, there are not less than 20 chapels provided by the army and used every day by Roman Catholics, Protestants and Jews.

It is not a novelty, or a peculiar thing, for a nation to recognize God officially, and to keep God — a god of some kind — before the eyes of the people. Armies have had chaplains since back in the times of the Romans — not in the modern sense of course, but professional religious men who accompanied the troops. The Chinese emperors used to sacrifice annually to the God of Heaven. We all know about the Japanese Shinto, a religion all tied up with intense patriotism. In Abraham's time and long before that, the priest-kings of Ur used to sacrifice to the city's special deity, Nannar the moon-god. Every nation has some God. Even the wild Scythians, who bowed to no other god, would thrust a bare sword into the ground and offer sacrifice to the sword.

Where We Hang Our Hearts

Whatever a man hangs his heart on and depends on, said Martin Luther, that is his God. What a man hangs his heart on, in reality, may not be the God he officially acknowledges. "In God we trust," says every nickel of our money. But do we trust God or our money? What do we depend on? ICBM's, those intercontinental ballistic missiles that can destroy whole cities at one shot? IBM machines, those immense robots that can solve problems faster than any human being can? What is it that can render us secure? Space satellites? More education? Democratic government? A favorable trade balance—keeping other nations always in debt to us? Capitalism? These are all gods—somebody hangs his heart on these, some or all of these, and depends on them. But they are not God.

The God of Jesus Christ

The Christian belief about God is summed up in Paul's title for him in Romans 15:6: "The God and Father of our Lord Jesus Christ." Any sort of alleged god who does not measure up to that, is no true God. Any "god" who bears no family resemblance to Christ, any "god" Christ would have disowned, is no God. This proposition should set us thinking. One of the thoughts is this: A favorite book of Jesus in the Old Testament, one he quotes often, was Deuteronomy. Now the book of Deuteronomy makes a great deal of the idea of a nation under God. But close to the very beginning of that book you will find the Ten Commandments. The true God is the one who gives to man the law by which he lives. No man and no nation has any right to suppose that either a nation or a man can claim the favor and protection of God, and at the same time defy him by breaking his laws. The God and Father of our Lord Jesus Christ, because he is indeed the High God, says to every nation that professes to be "under" him: **Do you mean it?**

The Real Reason Strauss Was Rejected—Senate refusal to ratify the nomination of Lewis Strauss to a post in the President's Cabinet looms large in terms of personal and political drama. The rejection had its partisan aspects. No doubt many Democrats welcomed an opportunity to rebuff President Eisenhower. They have recently been frustrated both by his veto power and by gains in the country's economy which give support to his, rather than their, planning. Mr. Strauss was the victim of the rebuff.

The Constitution places on Senators the responsibility of a decision when they "advise and consent" to a Presidential appointment, but I have always felt that the President is entitled to pick the members of his Cabinet provided there is no evidence of corruption or incompetency on the part of the nominee. There was never any question of Admiral Strauss' intergrity and competency.

Those opposing confirmation made three charges against Mr. Strauss.

(1) The first was that his judgement was wrong in advocating the Dixon-Yates contract for supplying electric power in the TVA area. This was a political issue between those who advocate Federal ownership and those who favor the principle of private enterprise. In no way was Mr. Strauss' intergrity questioned.

(2) The second charge was that Mr. Strauss hurt the development of peacetime uses of atomic energy by overemphasizing the development of the hydrogen bomb while he was head of the Atomic Energy Commission. As a matter of fact, the AEC has a supurb record of promoting nonmilitary uses of atomic energy. Be that as it may, let us be thankful that the head of the AEC put national security first.

(3) The third charge was that Mr. Strauss discredited Dr. Robert Oppenheimer. The Atomic Energy Commission, of which Mr. Strauss was a member, suspended the scientist from the top secret status be held, for reasons of national security. After lengthy hearings, the AEC, by a vote of 4 to 1, denied Oppenheimer reinstatement. Can anyone who appreciates the seriousness of nuclear warfare say that Mr. Strauss should have acted other than he did? Admiral Strauss felt that even internationally-mined intellectuals must be bound by certain rules involving American national security.

Despite the collapse of the charges, Mr. Strauss was rejected. Thus ends the public career of an able and devoted man who has given 42 years of his life to the highest form of service to his country, both in the military and in the civil functions of the Government. It is to be regretted that party politics should deprive the country of the services of such a man. The American people are the losers.

Housing Bill Objectionable In Final Form—Last week the Senate, by a vote of 56 to 31, adopted the Conference Report on the Housing Bill. I had wanted to support the Housing measure, but in its final form I could not do so. It was full of ojectionable features, some of which were not immediately discernible. On general principles, I am opposed to committing the taxpayers to enormous expenditures before the Congress accepts the responsibility of raising the revenues which will be required. The Conference substitute not only violates important principles of fiscal responsibility, but is extravagant and wasteful. It goes far beyond the recommendations of the Administration. It is indeed a budget-buster.

The American people have felt hardships of inflation, and I know from the mail which has been coming in that this has made the people realize that Federal spending must be kept to the minimum and the Federal budget balanced. Otherwise, we conceivably could be submerged in a raising tide of inflation.

I can see the need of Federal support for many of our housing programs, but I cannot see the need, or the justification, for the extravagant provisions of the substitute measure on which we were called upon to vote "yea" or "nay".

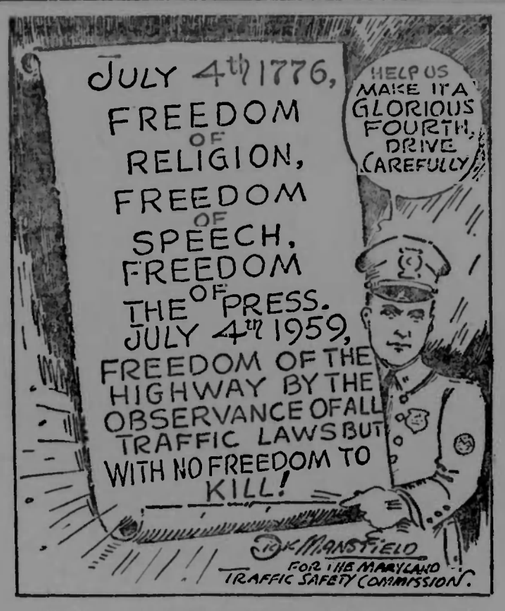
Cost Of Living In "Hours Of Work"—Recently, the Tax Foundation listed the amount of time it takes a $4,500-a-year wage earner to pay for various necessities of living. Out of an 8-hourday, he must work for 2 hours, 29 minutes to pay his taxes; 1 hour, 39 minutes to buy food; 1 hour, 25 minutes to pay for housing; 37 minutes to buy clothing; 42 minutes for transportation, 24 minutes for medical care, 20 minutes for recreation, and 24 minutes for other necessities.

Getting Some Of Your Money Back—Considerable Federal government activity in Maryland can be reported. The Small Business Administration has made a grant of $35,525 to Washington College, Chestertown, for a research project to look into certain aspects of food processing, distribution, and retailing on the Eastern Shore of Maryland. The General Services Administration has selected two Baltimore firms to design a $4,000,000 extension to the Old Age and Survivors Insurance Building in Baltimore. The Public Housing Administration has signed a loan-and-contribution contract with the housing authority of Frostburg for the building of 50 family dwelling units to cost $711,500.

The Department of Health, Education, and Welfare has made grants for (1) a new health center at 700 West Lombard Street, Baltimore (Federal participation, $110,119); (2) expansion of University Hospital, Baltimore (Federal share, $114,000); (3) financial assistance for schools in Towson, Baltimore County (certified for immediate payment, $226,623); (4) Ellicott City, Howard County ($55,895); Hagerstown, Washington County, has been reserved for a new high school in Upper Marlboro, Prince Georges County.

"By The Dawn's Early Light," 49 Stars!—On the Fourth of July, Fort McHenry, Maryland, will be the scene of the first official raising of the new 49-star flag. Secretary of the Interior Seaton tells me that he will be on hand for the colorful ceremonies at the birthplace of the "Star-Spangled Banner." At one minute after midnight on the morning of July Fourth, Secretary Seaton will raise the new flag while the United States Marine Band plays the "Star-Spangled Banner."

Before the raising of the 49-star banner, Army and Navy units will participate in a reenactment of the bombardment which Fort McHenry successfully withstood, its garrison flag flying proudly "through the perilous night", on September 13-14, 1814. A replica of the battle flag that Key saw "by dawn's early light", bearing 15 stars and stripes, will be flown from a 100-foot flagpole. The flag will be illuminated by "the rockets' red glare" and "the bombs bursting in air" as Navy ships offshore and Army units in the fort's outer exchange more fire. In 1818, Congress restored the flag to 13 stripes and provided that each additional State would be represented by a new star. Alaska's admission to the Union adds the 49th star. Hawaii's statehood will result in the addition of the 50th star on July 4, 1960.



The Fourth of July holiday is one which the citizens of Maryland look forward to with great expectancy of fun and enjoyment. Governor J. Millard Tawes stated, *"This holiday is a glorious occasion for all the people of our country—one to be celebrated with joy and a sense of responsibility."* He warns all those preparing for a trip over this weekend not to enter into a *"Careless Holiday Spirit"*—but to remember traffic accidents do not just happen they are caused by the motorist and pedestrian who refuse to observe the safe rules of the road. There will be heavy traffic on the highways throughout Maryland during this holiday weekend—drive carefully—obey all traffic laws—display courtesy at all times—and don't speed—SLOW DOWN AND LIVE!

A Fourth of July motorist who starts out like a rocket may end up a wreck!

MARRIED

Poland-Moorehead—Miss Faith Moorehead, daughter of Mr. and Mrs. Francis Moorehead, Bloomington, became the bride of Allan T. Poland, Jr., son of Mr. and Mrs. Allan T. Poland, Sr., of New Creek, formerly of Piedmont, W. Va., Sunday, June 14, at the Bloomington Methodist church.

The ceremony was performed by the Rev. Allan Parrish. The altar was decorated with white and pink mums and roses.

Miss Wilda Beard, Washington, formerly of Bloomington, was maid of honor, and Edward Mullan, McCoole, was best man. John Price and Leo Howard, Bloomington, were ushers.

The bride, given in marriage by her father, wore a waltz length gown over a skirt of white bridal satin. The gown was fashioned with Sabrina neckline and three-quarter length sleeves. An apron effect accented the front of the skirt and rullled tulle accented the back. From a white caplet adorned with seed pearls and sequins fell a fingertip veil of French illusion. The bride's only jewelry was a string of pearls. She carried a white Bible and an orchid with satin streamers.

A reception was held at the Bloomington Fire Hall. The bride is a 1959 graduate of Bruce High school. Mr. Poland was graduated from Piedmont High school in 1953 and is employed as assistant engineer at the power house at the Luke, plant of the West Virginia Pulp and Paper company.

CARD OF THANKS

We wish to express our sincere thanks to all for their kindness and helpfulness following the death of our sister, the late Lillie May Mason.

Congressional Viewpoint

Sen. John Marshall Butler

The Public Debt

Darned if you do, darned if you don't! This was the dilemma which the Senate last week had to resolve when the proposal to raise the debt limit from $288 billion to $295 billion was presented. A failure to increase the limit, it was said, would have severely restricted the ability of the Government to transact its business while at the other end of the spectrum it was argued that to do so would be fiscal irresponsibility. Ironically, there was merit to both views.

The public debt now stands at $285 billion. To understand the dimension of this staggering amount, repayment at a rate of $1 billion a year could be accomplished in 285 years. The interest alone on this sum is $7 billion annually. This continuing obligation, plus the essential funds for defense and security requirements, plus the year-in year-out commitments for a variety of Federally-sustained programs, plus the never-ending pyramid of questionable projects of dubious economic purpose and impact leaves nothing for debt reduction. This procrastination means that our children's children will one day discover that they must pay for many luxuries which their forebears could not afford.

But even still, those among our citizenry who demand that the Government provide more and more services and dole out more and more funds for unneeded and frequently idiotic frills are not silent. These free spenders are largely responsible for the necessity of an increase in the debt limit. For too many years, these armchair economists have nudged the Congress into spending more money than the Government receives in taxes.

A report of the Brookings Institution, released only last week, concludes that the debt ceiling has failed as a device for controlling Federal spending. This provocative study underscores the proposition that the Government has been forced to resort "to the petty practice of evading its bills and pretending not to increase its debts when it has increased them," and proposes that the "Congress can fulfill its constitutional duties by establishing a flexible ceiling that always leaves room for the Treasury to borrow what it needs to finance the outlays by Congress." These and other recommendations are receiving consideration.

For the first time in years, the managers of the national debt are viewing the problem realistically and trying to do something about it. I therefore felt compelled to support the move to raise the debt limit, though I did so with great reluctance.

Four-H'ers Attend Annual Campfire

Two hundred 4-H'ers, parents and friends attended the 4-H County-Wide Campfire last Friday, June 26, at the Western Maryland 4-H Center, near Bittinger.

Rainy weather prevented the usual Campfire circle down by the lake. The group was forced to crowd into the public picnic building with a fire in the fireplace to present their cheers, skits, and vesper program.

Following Indian traditions, the drummer, Garland Steyer, called the Council Circle together which was presided over by the O'Chief, Tom Magruder. Iskata (keeper of the fire), George Kahl, lighted the fire. As the fire began to burn, the group sang together "Brightly Beams Our Father's Mercy", led by the song leaders, Judy Buckel, Kathy Yaste and Cynthia Nace.

"I smoke this pipe as a sign of peace" was said by the tribe leaders as the peace pipe went around the council circle with each one giving a campfire law. Tribe leaders included: Judy Buckel, Cayuga, Bittinger Boys' and Girls'; Glenn Canan, Cherokee, Co-Oriole (Underwood); James Savage, Huron, Accident boys' and North Star girls'; Donald Stanton, Seneca, Grantsville boys' and Ant Hill girls'; Judith Kuhnle, Creeks, North Glade girls'; Charlotte Harvey, Mohawk, Ryan's Glade; Jill Jones, Shawnee, Monte Vista girls'; Patty DeVelbiss, Chicasaw; Roger Roderick, Nanticoke, Potomac Highlanders; Harold Gnegy, Jr., Powhatan, Green Mountain.

Vespers, at the close of the program, began with an Indian story by Kathy Yaste, followed by Tom Magruder giving the Indian version of the 23rd Psalm. A candlelighting ceremony highlighted the vesper program led by Dale Glotfelty, Stanley Hardesty, Blaine and Donna Bowser, and Trudy Mosser. "Follow the Gleam" was sung by the quartet, Judy Buckel, Kathy Yaste, Florence Emory, and Patty Shawley.

"Even the weather didn't dampen the kids' spirits" was a comment picked up after the campfire by Mrs. Charles DeVelbiss, local leader of the Chicasaw group. She said "I feel like a train wreck but, boy, did those kids have fun. memories they will never forget, rain and all!"

Refreshments were handled by the Accident Boys' club. All funds from this source are to be turned over to the State 4-H office during a ceremony at Club Week for the purpose of furnishing rooms at the newly opened National 4-H Foundation Center located in Washington, D. C. vicinity.

PEARL THELMA TULEY
vs.
WILLIAM THORNTON TULEY

No. 4336 Equity in the Circuit Court for Garrett County, Maryland

ORDER OF PUBLICATION

The object of this suit is to obtain a decree for a divorce A VINCULO MATRIMONII by the plaintiff from the defendant.

The bill states:

That on the 19th day of November, 1949, she was married to William Thorton Tuley, at Oakland, Garrett County, Maryland, with whom she resided until the month of January, 1950, at which time the said defendant deserted the said, plaintiff; that although the conduct of your oratrix towards her said husband has always been kind, affectionate and above reproach, the said William Thorton Tuley, without just cause or reason, abandoned and deserted her, and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for more than eighteen months, is deliberate and final, and the separation of the parties beyond any reasonable expectation of reconciliation; that no children were born of said marriage; that your oratrix is a resident of Garrett County, Maryland, and has resided therein for more than one year prior to the institution of this suit, and the last known address of the said defendant is Baltimore, Maryland.

It is thereupon ordered this 11th day of June, 1959, by the Circuit Court for Garrett County, Maryland, in Equity, that the plaintiff by having a copy of this order to be inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 10th day of July, 1959, giving notice to the said absent defendant, William Thorton Tuley, of the object and substance of the Bill of Complaint and warning him to be and appear in this Court either in person or by a solicitor on or before the 25th day of July, 1959, to show cause, if any he may have, why a decree should not be passed as prayed.

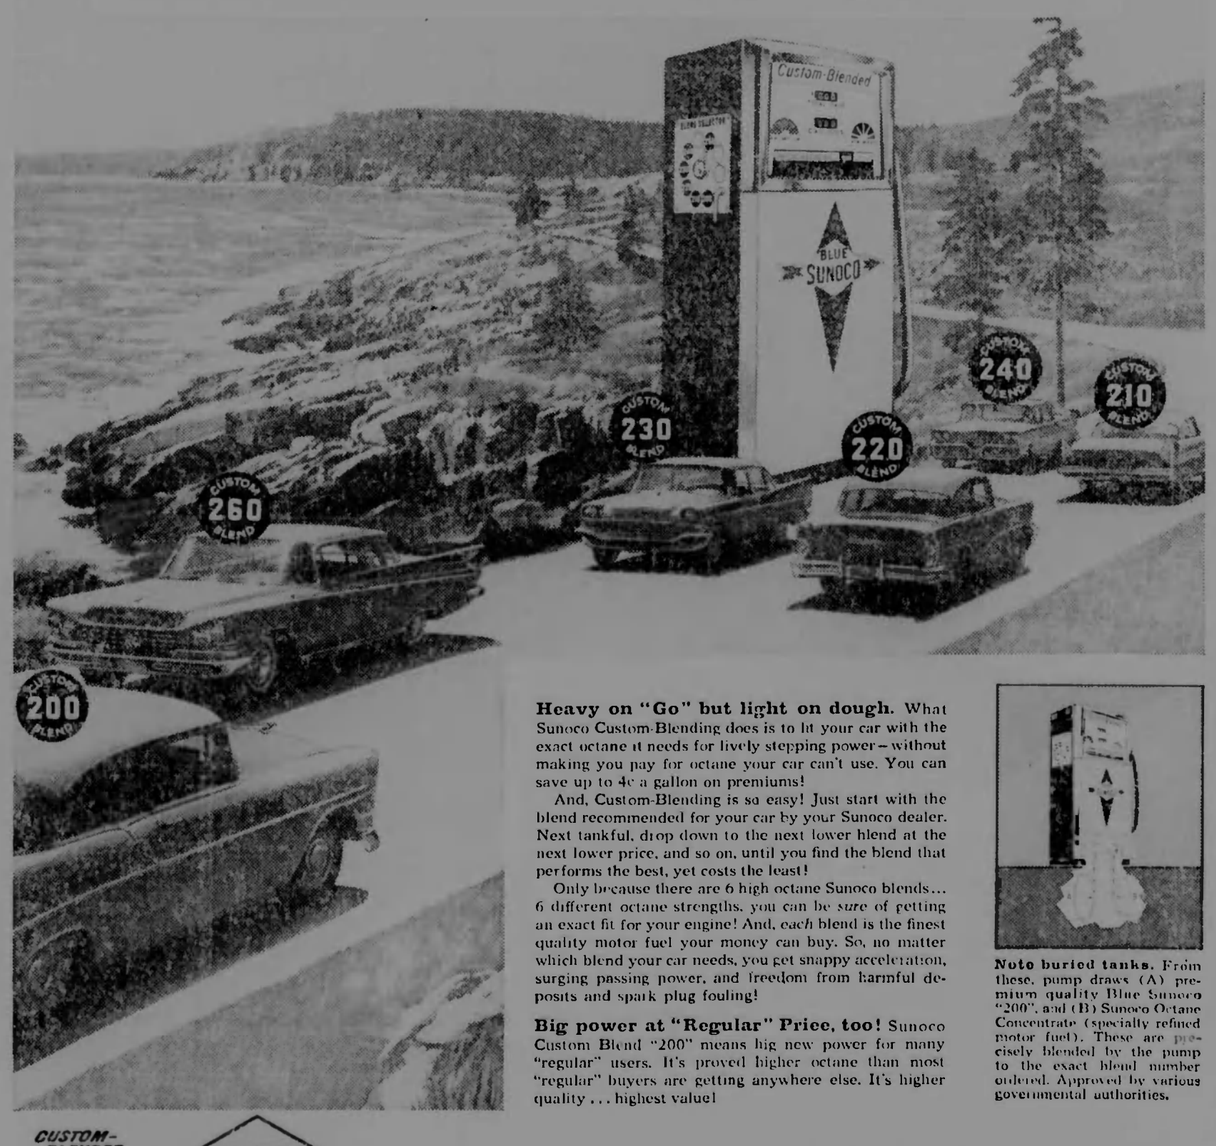
WHEN SUNOCO CUSTOM-BLENDS YOUR GASOLINE

your car comes alive!

Only at Sunoco can your car be fitted with the exact octane it needs to give full power most efficiently...most economically.

Sunoco's Miracle Pump Custom-Blends 6 high octane gasolines at 6 different prices. That's how your car gets an exact octane fit. And so gives peak power always...easily.



Heavy on "Go" but light on dough. What Sunoco Custom-Blending does is to fit your car with the exact octane it needs for lively stepping power—without making you pay for octane your car can't use. You can save up to 4c a gallon on premiums!

And, Custom-Blending is so easy! Just start with the blend recommended for your car by your Sunoco dealer. Next tankful, drop down to the next lower blend at the next lower price, and so on, until you find the blend that performs the best, yet costs the least!

Only because there are 6 high octane Sunoco blends... 6 different octane strengths, you can be *sure* of getting an exact fit for your engine! And, *each* blend is the finest quality motor fuel your money can buy. So, no matter which blend your car needs, you get snappy acceleration, surging passing power, and freedom from harmful deposits and spark plug fouling!

Big power at "Regular" Price, too! Sunoco Custom Blend "200" means big new power for many "regular" users. It's proved higher octane than most "regular" buyers are getting anywhere else. It's higher quality . . . highest value!

Note buried tanks. From these, pump draws (A) premium quality Blue Sunoco "200", and (B) Sunoco Octane Concentrate (specially refined motor fuel). These are precisely blended by the pump to the exact blend number ordered. Approved by various governmental authorities.

CUSTOM-BLENDED BLUE SUNOCO

Foreign Aid - - - - -

A group of distinguished Americans recently organized the Citizens' Foreign Aid committee to acquaint taxpayers with the facts about the spending of billions of tax money in a seemingly never to be ended foreign aid program. The list of committee members is impressive. It has just released its first report on 'Foreign Aid and You." It examines the facts of the U. S. government's foreign aid program and recommends that it be reduced drastically this year and ended entirely within three years. The report shows that 64 billion of American taxpayers' hard-earned cash has been doled out to foreign governments in recent years—mostly to Socialist governments which have put a great deal of the money into Socialist enterprises.

About $2 billion has gone to Communist Tito's Yugoslavia—vast amounts to Communist Poland; millions to nations calling themselves "neutralists" in our war with international Communism. The great outflow of our money and resources to these Socialist and Communist governments goes on in spite of the fact that our own continental defense against bombers and missiles is inadequate.

The Committee asks: "Suppose dozens of our cities are wiped out in an all-out nuclear war, what excuse can our political leaders who survive offer for such a tragedy, if we continue to arm other nations while neglecting adequately to defend our own people. A number of Central European, South Asian and Far Pacific countries have received more than $10 billion in military assistance. Yet some of these recipients are hostile to the United States. So it is possible that some of our own weapons might one day be turned against us. This has happened before."

Dr. George S. Benson, president of the National Education program, declared a friend of his was in Yugoslavia recently. There was ponted out to him a brand-new hotel, in which Communist dictator Tito was preparing to entertain

Amendment To Town's Charter Would Speed Water Improvements

Council Seeks To Borrow Funds To Insure Adequate Year-'Round Supply

The Mayor and Town Council of Oakland approved a resolution to amend the town charter at the regular meeting on Monday night and ordered proper steps taken for the amendment to become effective.

The amendment will empower the town to borrow enough funds to complete the improvements to the town's water system, so that an adequate supply will be available for every month of the year.

As a result of the change in the charter it will be possible for the town to borrow up to 12 percent of the value of the taxable property. The old charter had limited the borrowing to one percent.

The improvement of the town's water supply has been under discussion for many months and the latest plan is to use the water of the Youghiogheny river, from above where waters of the Little Youghiogheny river empty into it, piping it to Oakland and running the water through a filtration plant. The improvements contemplated would cost in the neighborhood of $500,000.

An advertisement concerning the amendment appears in today's issue of The Republican

Other Council Activities

Among other council activities the members approved a report of receipts and expenditures given by Mrs. Gladys Nordeck, clerk-collector. Receipts totaled $20,778.93, with $426 from water, $8,562.04 from taxes and $11,790.89 from miscellaneous. Among the receipts were $969 for parking meters, $5,132.68 for traders' licenses, and $4,699.30 for income tax.

Expenditures totaled $15,364.37. Capital outlay for the street department took $2,743.65, while capital outlay for the water department took $3,438.92. Other expenditures included $1,280.09 for street labor; $1,260.09 for street supplies; $1,972 for water supplies.

There was some discussion on the dog ordinance and whether or not there was a garbage ordinance. This was the result of a letter from a taxpayer whose name is not known who had complained of people who refuse to buy garbage cans but put out their refuse in bags which are strewn all over the place, thereby attracting rats, polecats and making filth. He praised the garbage collector but wanted

Credit Bureau Is Opened In Oakland

A credit bureau was opened in Oakland officially last Tuesday, June 30. This is a credit reporting service, making reports for bankers, industries, business and professional men as well as government branches.

Executive director of the business is Miss Mavadell Dodaro, formerly of Akron, O. Miss Dodaro came to Oakland several weeks ago. She has been engaged in editing, and doing magazine and column work in Ohio.

The credit bureau is designed to process requests for reference information, to aid people who are compelled to go to other areas for a position, and to obtain needed credit information for local people from other areas.

The office is located in the Garrett National Bank building, on Second street.

Class of 1944 Plans Reunion on July 11

The Oakland High school class of 1944 will hold its 15th anniversary reunion on Saturday, July 11, at Silver Lake Park, beginning at 6:30 p. m., it was announced by Dr. Alvin Friend, president.

Following the dinner a movie will be shown of the activities at the 10th anniversary reunion held in June 1951. Dr. Friend said there would be some entertainment by local artists.

At a short business meeting there will be election of officers for the reunion scheduled in five years. Other present officers are H. Rex Teagarden, vice-president; Cleda B. Stewart, secretary; Phyllis Trickett, treasurer.

A picnic will be held Sunday, July 12, at 1 p. m., at Swallow Falls. All children present will receive a small gift. There will be games and prizes. In case of rain the pavilion at Swallow Falls has been reserved.

Nursing Areas Have Undergone Rezoning

The four county nursing areas have been re-zoned, according to an announcement by Dr. Arthur Jones, county health officer.

He listed the areas as Kitzmiller, Friendsville, Grantsville and Oakland, under supervision of the following four health nurses respectively: Mrs. Betty Shaffer, Mrs. Alma Morgan, Mrs. Melda Georg, and Mrs. Hazel Walter.

Kitzmiller will cover Loch Lynn, Swanton, Red House, Deer Park and Gormania; Friendsville will cover Friendsville, Accident, North Glade and McHenry; Grantsville will cover Bloomington, Grantsville, Avilton, Finzel, while Oakland will cover Oakland, Mt. Lake Park, Swallow Falls and Sang Run.

Dr. Jones announced a well baby and immunization clinic at the health department office in the hospital at Oakland for all families near Oakland who find it difficult to get to their own particular health center. The time will be from 1 to 3 o'clock, Monday, July 13.

Invite Entries For Tennis Tourney

Invitations are being mailed this week to prospective entrants in the thirty-eighth annual tennis tournament which is scheduled for August 4 through August 8 on the Mt. Lake Park tennis courts.

There will be events for men's, women's singles and doubles during the five-day tournament, which is sponsored by the Mountain Lake Park Tennis club and sanctioned by the United States Lawn Tennis association.

Suitable prizes will be awarded all winners and runners-up. The men's singles on memorial bowl was won permanently last year by Philippe Neff, Washington, D. C., while Sosie Hublitz, of Alexandria, Va., won the women's challenge trophy for the second consecutive time. A third win this year would retire this award.

Ralph E. Weber, president of the tennis club, said he was looking forward to another successful tourney. "The number of entries in recent years has been more than satisfactory," he pointed out, "and the quality of competition has been of the highest."

The deadline for entries is Monday, August 3, and the drawing will be held at 8 o'clock that night. Singles play will begin at 10:30 a. m. Tuesday, August 4. For the doubles events, entries will close the evening before doubles play begins.

Several social activities are planned for the tennis entrants and others. Admission to social events will be free to every tennis entrant. There will be an open house, informal parties, and an old fashioned corn roast among the events. A tournament dance, semi-formal, has been scheduled for Saturday night, August 8.

In addition to Mr. Weber as president, the other officers are J. Horner Davis, Neil McCord, Nelson Thomasson III, vice presidents; Mrs. Walter W. Pollard, Jr., treasurer; Mrs. George P. Deacon, corresponding secretary; Mrs. Wilson K. Levering, Jr., recording secretary; Alex Keiles, chairman of publicity; Jennings Randolph, Earl Brown, co-chairmen. Walter W. Pollard, Jr., is chairman of the tournament committee with Mrs. James Holloway, Mrs. Nelson Thomasson III as assistant chairmen. On the tournament committee are Mrs. Francis Bassett, Alex Keiles, Wilson K. Levering, Earl Brown, Horner Davis, Robert M. Brown, Doyle Royal, Frank Hartz and Jessie Levering.

To Construct Radio Station On Savage

Construction was scheduled to begin this week on a new building that would house the offices and studios of Radio station WFRB, it was announced by D. C. Loughry, general manager.

Davis Construction company of Apollo, Pa., is the contractor. The building will be a two-story red-brick structure and will be located three miles west of Frostburg on top of Little Savage mountain, at the sight of the present transmission tower. Present facilities are located in a nearby frame dwelling.

The new building will house the transmitting equipment as well as provide modern studio facilities and offices. Plans call for completion by October followed by a dedication and "open house."

Playhouse Prepares For Second Offering

The Garrett County Playhouse artists, while presenting "Petticoat Fever" for the balance of this week, were preparing for the second week's presentation, "Home at Seven."

This is a murder mystery, written by R. C. Sheriff and will be given at the Playhouse at the former Arden Boat club at McHenry, Tuesday through Saturday, July 14 to 18.

Gene Falcetta will play the male lead with E. J. Peaker as his wife Sai Springwell will play the waitress, George Randall will portray Major Watson, Ray Caton will be the attorney, Neil Flanagan will be Inspector Hemingway. Chris Curran will portray the doctor. The entire summer playhouse cast will be involved.

Attendance for the first two nights of this week's play has been satisfactory. There were 135 admissions on opening night and about the same number last night. Larger crowds are anticipated for the week-end.

People Drive Cautiously Over Holiday Week-End

Apparently people drove with caution on the Garrett county highways over the holiday week-end. State police said they had information on only one accident and it was considered of a minor nature.

James Dwight Snyder, of Gortner, was charged with failing to give the right of way in the case of a slight accident on the corner of Center and Wilson streets, on the 4th of July. Snyder crashed into an automobile driven by John Fitzwater, of Oakland. Snyder paid a fine of $10 and costs.

County Girls Score Blues in District

County 4-H girls scored blue ribbon awards in the district demonstration competition in Cumberland on Tuesday. The girls had been named champions in the county at demonstrations held in Oakland on June 29 and 30.

Final class placings for the county girls were: dairy foods team, Kathy Yaste and Florence Emory, Bittinger club, blue; home management, Mary Ellen Beachy, Bittinger club, blue; electric, Patti DeVelbiss, Chicasaw club, blue; poultry foods, Linda Oursler, Monte Vista, red; clothing, Marjorie Swarzentruber, Monte Vista, red; general foods, Patty Shawley, Bittinger, red; family life, Mary Ellen Frazee, North Star, white.

Mrs. Harold G. Bittinger served as a judge for the cherry pie and general foods demonstrations, while Mrs. Kenneth Ridder assisted with the poultry food demonstrations. Mrs. H. T. Oursler 4-H leader, and Mrs. Johanna Stull, assistant home agent, accompanied the group.

Participating in the district competion were 4-H'ers from Carroll, Frederick, Washington and Allegany counties in addition to those from Garrett county.

Gets Car as Present

An unknown number of generous contributors, members of St. Paul's Methodist church in Oakland, presented their pastor, the Rev. Charles Godwin, with an automobile on Monday evening.

It was a nine-passenger Plymouth station wagon and came as a complete surprise to the minister. Creigh Teets knocked on the pastor's door on Monday about dinner time and said "I have something here that you and your entire family need." Pastor Godwin thought it was a kind of sales talk and proceeded to eat his dinner. But after dinner Teets told him to give him the keys to his present automobile and he would turn over the keys to the station wagon. He never did say who the donors were and Pastor Godwin still doesn't know.

But he is sure that, whereas on Monday afternoon he was owner of a 1955 two-door Ford car, he was now owner of a 1959 model station wagon.

Godwin came to Oakland in June of 1958 from the Moorefield charge. He was reappointed to Oakland for his second year last month. Pastor and Mrs. Godwin have six children.

Nine Births Occur

Nine births occurred at the Garrett County Memorial hospital in Oakland during the past week, four boys and five girls.

On the 5th a son to Mr. and Mrs. James H. Trickett, route 2, Oakland; a daughter to Mr. and Mrs. Lloyd Shillingburg, Deer Park.

On the 6th a daughter to Mr. and Mrs. Luther J. Bowman, Swallow Falls, a daughter to Mr. and Mrs. Benjamin Shaffer, Mt. Lake Park; a daughter to Mr. and Mrs. Albert Garlitz, Kitzmiller; a son to Mr. and Mrs. Hubert Wolfe, Hutton.

On the 7th a son to Mr. and Mrs. James Sharpless, Mt. Lake Park.

On the 8th a daughter to Mr. and Mrs. Claude Franklin Beckman, Mt. Lake Park; a son to Mr. and Mrs. Robert L. Glotfelty, McHenry.

It was erroneously reported last week of the birth of a daughter to Mr. and Mrs. James E. Lantz on June 26. It should have read, James E. Frantz.

During the week the hospital admitted 60 patients and discharged 60. Censns this morning was 50.

The Rev. and Mrs. Charles W. Carlson and family, of Pittsburgh, were visiting friends in Oakland yesterday.

Accident Resident Jailed For Forgery

An Accident resident was placed in the county jail this week in default of bond as the result of charges of forgecy. He was docketed in the office of Trial Magistrate Robert M. Maroney as William Baxter Bailey.

Magistrate Maroney ordered him under bond for action of the September Term Grand jury. He is charged by Claude Wagner and Blair Simmons. The man is alleged to have signed Mr. Wagner's name to a series of checks that were cashed by Mr. Simmons, by Ray Teets Garage and Browning's store. Mr. Maroney said the man also had another check in his possession which he was trying to cash when apprehended. The checks were for $50.

The man also is charged by his wife, Mildred L. Bailey, with desertion and non-support of herself and four minor children. The children are 8, 6, 5 and 2 years of age.

State Is Planning More Park Lands

State officials are hoping to add 6,500 acres of park land next year to a program aimed at developing recreational areas for Maryland.

More than two thirds of a recent $2,750,000 capital improvement budget request is for land acquisition, Joseph F. Kaylor, director of the Department of Forests and Parks, said.

The department has a 10-year goal of expanding the present park system from 17,000 to 43,000. Most of the large projects are underway.

"We are giving priority to the Washington-Baltimore population corridor, because if we don't get land there soon we won't get it," Kaylor said.

The chief project in this section is Gunpowder Falls State Park which eventually will cover 11,600 acres serving the metropolitan Baltimore area. The Legislature already appropriated $1,000,000 toward the $3,518,000 project. The department will request an additional $1,500,000 next year and the remaining $1,018,000 for land acquisition in fiscal 1962.

Kaylor explained that all of the money doesn't actually go for the purchase of land. Much is channeled into title searches, appraisals and other incidental expenses. The department also hopes to acquire further land next year in the South Mountain-Catoctin watershed, Deep Creek Lake State Park, and others.

They are among 37 different items listed in the proposed capital improvements program for fiscal 1961 which awaits approval by the State Planning Commission and the governor.

Those listed in order of priority after Gunpowder are:

No. 4—South Mountain Catoctin watershed; $100,000 requested as the second step in a $600,000 land acquisition project to protect watersheds in Frederick and Washington counties.

No. 8—Deep Creek Lake; $10,000 to acquire 50 additional acres at this area where the new state park was opened July 1. Assigned slightly lower priority in the same budget are $25,000 for continued beach development at Deep Creek, $35,000 to expand the picnic area and $20,000 for enlargement of camping facilities.

Most of the other items in the proposed budget are for improvements at presently existing parks. These included:

Gatliland—$25,000 for water supply system, $40,000 for restoration of the library building and $10,000 for site improvements.

New Germany—$27,000 as the first step in a three-year program of additional cabin construction. $10,000 for beach construction, $12,500 for sanitary facilities.

Swallow Falls—$27,500 to enlarge and improve camping area (part of a $40,000 project).

Herrington Manor—$15,000 for construction of equipment storage shed.

To Teach at Route 40

Mrs. Joyce Lancaster, a graduate of Beall High School and Frostburg State Teachers College, has accepted an appointment as an upper grade elementary teacher in the Route 40 School, beginning in September.

Mrs. Lancaster graduated from Frostburg in June and did her practice teaching in the Hill Street Elementary School. She is one of the two additional teachers being added to the Route 40 School next term.

Pleads Guilty To Driving Under Influence Of Alcohol

Russell Francis Kimmel, McHenry, entered a plea of guilty to a charge of operating an automobile under the influence of alcohol or drugs when given a hearing before Trial Magistrate Robert M. Maroney, in his Oakland office this week. He was fined $100 and costs and was sentenced to jail for 30 days in default of payment of the fine.

On a reckless driving charge he also was fined $10 and costs and given an additional ten days in jail in default of payment.

In the only other case on the trial magistrate's automobile docket this week was one against Adolph J. Waitiekunas, of Westernport, who was fined $10 and costs on a charge of exceeding 30 miles per hour.

Harvey Winters Is New Rotary Head

Harvey Winters was installed last week as president of the Oakland Rotary club. He succeeds William E. Hesen.

Other officers installed were Maurice Brookhart, vice-president; O. T. Graser, secretary; Dan Donley, treasurer; Walter W. Dawson, sergeant-at-arms.

The board of directors includes Maurice Brookhart, Edward Kahl, Willis Shaffer, Prentice DeBerry, William Hesen and Earl Wise. Fifty-two names are listed on the roster for 1959-60.

Winters appointed a number of club committees. The chairmen include Maurice Brookhart, club service; Edward Kahl, vocational service; Willis Shaffer, community service; Prentice DeBerry, international service; John Forman, program; Reaford Purbaugh, attendance; Arthur Naylor, Jr., classification; Willard Hawkins, club bulletin; B. I. Gonder, fellowship; Foster Riggs, magazine; Fred Thayer, public information; Mason Glotfelty, Rotary information; Aza Stanton, music; Alva Gortner, crippled children; Frank Custer, rural-urban; F. D. Bittle, scholarship; Robert Hoffman, youth service; Earl Wise, recreation.

The club, which was chartered December 7, 1925, meets every Friday evening at 6:15 o'clock at the William-James hotel.

Rare Arctic Bird Observed at Lake

A Long-tailed Jaeger (Stercorarius longicaudus), rarest of the three Jaegers, has been observed for the past three or four days on Deep Creek Lake near McHenry, it was learned from Cecil C. Edwards, fish culturist assistant. Peterson's Field Guide to the Birds states that the Jaeger's range is: "Arctic; in migration on the open ocean and probably Great Lakes. Rarely noted. Probably winters off S. United States."

This bird soars and floats much like a gull, has black webbed feet, and is fairly tame, three people being able to approach to within approximately ten feet of it. The two tail-points extend about 8 to 9 inches.

Holiday Weather Ideal

The weather on the mountain top has been considered ideal for vacationers. The holiday week-end of Friday, Saturday and Sunday was considered ideal with a good breeze blowing to keep the thermometer from mounting above the 80's. Almost an inch of rain fell throughout the area Sunday night and Monday morning. Skies cleared Monday afternoon and the balance of the week has been clear and warm with cool nights.

The rain did not add materially to the water supply and the town council still maintained its ban on unnecessary use of water by sprinkling of lawns and washing automobiles.

Capt. and Mrs. William O. Treacy and family, from Dayton, O., are vacationing this week on Deep Creek Lake. Capt. Treacy, with the legal department of the U. S. Air Force, is being assigned to Hawaii for a tour of duty. He and his family plan to move there in the future.

Walter Falkenstein, Myersville, is recuperating following a slight heart attack at his home recently. He is a son of J. M. Falkenstein, of Oakland.

Mr. and Mrs. Horace Trauger, Mr. and Mrs. Lloyd Crouthamel, of Perkasie, Pa., were guests of Mr. and Mrs. Paul B. Naylor, at their home on Wilson street.

Extra Attraction At Playhouse Is Listed

The extra play to be offered this year at the Garrett County Playhouse, featuring a Broadway star in the field of drama was revealed this week by Gene Yell, playhouse director.

The star is Dorothy Stickney, and she will appear in "A Lovely Light," a portrait of Edna St. Vincent Millay. This is a dramatization in three acts of the poems and letters of the writer.

The showing will be from Monday, August 31, through Saturday, September 5. This is not on the subscription series, and will be an extra presentation.

Dorothy Stickney is remembered as Vinnie in "Life with Father," a role which won her a number of awards, including that of the New York Drama League and of Virginia's Barter theatre. Miss Stickney also appeared in such stage productions as "On Borrowed Time," "Beaux Stratagem," "Front Page," "Another Language," "The Small Hours," and "Kind Sir." Her movies include "The Catered Affair," "I Met My Love Again," "The Little Minister," "The Great Diamond Rohbery," "What a Life," and the forthcoming "The Remarkable Mr. Pennypacker." She also created the role of the Queen Mother in the recent television show "Cinderella."

The production is under direction of Howard Lindsay, actor, director, author and producer. He has turned up in one or several of these roles in no fewer than twenty-eight productions. With Russell Crouse he turned "Life with Father" into Broadway's longest run hit, and played the role of Father for 1,618 performances

Mt. Lake Election To Be Held Tuesday

A mayor and three councilmen will be elected by citizens of Mt. Lake Park on Tuesday, July 14. The election will be held at the town council office from 1 to 7 o'clock p. m., daylight time.

Candidates for mayor are Charles C. Mason, and Lawrence W. Riley. There are six candidates for city council, William H. McCrohie, Raymond R. Welch, Stanley G. Wood, J. Edward Tasker, Alfred Cainoun Two persons were disqualified as candidates for council because of incorrect signatures, it was announced by the clerk. They were Glenn A. Simpson and Aubrey O Savage.

To be eligible to vote a person must be registered in the town of Mt. Lake Park. He must be a property owner of the town or have lived in the town for six months and be registered as a voter of the state.

All persons elected will serve for a period of two years from the second Tuesday in July.

Camping Activities For 4-H Under Way

4-H camping activities began July 6 at the Western Maryland 4-H Center near Bittinger with the State 4-H Conservation Camp.

James Buckel, Bittinger and Thomas Stanton, Grantsville are the two delegates selected from Garrett to attend Conservation Camp July 6 through 11. Approximately 80 delegates representating counties all over the state are in attendance. This camp schedule consists of a special program on wildlife, soil, and forestry. Special demonstrations are being held in the morning with rifle, games, and swimming in the afternoon. Campfire activities take place in the evening.

Four-H Boys' Tri-County Camp Algawa will be held from July 12 to 18. Boys age 10 and up from Garrett, Allegany and Washington counties will participate in a program of crafts, swimming, sports, campfire, hikes, wildlife, rifle marksmanship, and vespers. Camp Director is James B. Arnold, Assistant County Agent of Allegany county. Barry Carr, Rankin Lusby, Asst. Agents, Garrett county; Ken Shifflet, Assistant Agent, Frederick County; and Richard Schukraft, Assistant Agent, Washington County, will be in charge of various activities.

Joint 4-H Week-end camp for boys and girls of Garrett, Allegany, and Washington counties, age 14 and up, will be held from July 25 to 27. This camp is designed for 4-H'ers who are unable to attend the full week of activities. The camp program is designed so that interested members may participate in one-day activities if they cannot attend the whole camp

Flood Control Aid Is Recommended For Kitzmiller

Legislators Make Recommendation For $30,000 In Next Fiscal Budget

The Legislative Council of the Maryland General Assembly recommended yesterday that the State Board of Public Works contribute the $30,000 necessary to get a $340,000 flood control project under way at Kitzmiller.

The federal government has tentatively agreed to pay up to $280,000 of the cost if there is a commitment from local sources for $60,000 to pay for easements and rights of way.

The Board of County Commissioners of Garrett county has agreed to include $15,000 in its 1960 budget for this purpose, and the town of Kitzmiller is committed to issue bonds in the amount of $15,000 as its contribution.

The mayor of Kitzmiller, county commissioners and state senator Bernard I. Gonder, Sr., asked the Legislative Council, study arm of the General Assembly to have the state make up the other $30,000

After a hearing by the council's finance committee chairman, Delegate Boone, recommended to the entire council that it suggest the Board of Public Works contribute the money from contingent funds at its disposal. The motion was adopted unanimously.

Officials of Kitzmiller and Garrett county have contended the construction of the flood control facilities will help relieve unemployment and boost the area's sagging economy. Boone said the state's $30,000 contribution could be spread over two years and repaid through the capital improvements bond bill.

Other Council Action

In other council action Chairman Della was authorized to appoint a committee of attorneys and doctors to study the handing of cases involving narcotic users.

Delegate Robinson of Baltimore, who suggested this study, said other states are considering treating users as medical cases rather than grouping them with narcotic peddlers for criminal treatment.

The perennial question of a veterans' bonus came up at the Finance committee hearing and was held over until October. The question is whether to recommend a bonus bill to the Legislature, and if so, what financing means to suggest.

Will Induct Five

Five young men will be inducted into the armed forces on Tuesday, July 14. They will be sent to the induction station at Fairmont, W. Va., from the local selective service board.

Mrs. Helen Bittinger, clerk, said those to be inducted were Franklin J. Lantz, Bloomington; Dewey A. Shaffer, Lonaconing; Kenneth L. Snelson, Grantsville; Gary A. Deniker, Accident; and Harland E. Bowser, Swanton.

At the same time five young men will be sent to Fairmont for preinduction physical examination.

Awarded Lake Lot

Mrs. Irene Wertman, Baltimore, was awarded a Deep Creek Lake waterfront lot last Saturday evening, July 4, by the Kitzmiller Lions club.

The deed to the lot will be officially presented the week-end of July 19 at a ladies' night celebration at Kitzmiller. Mrs. Wertman will be present at that time to receive the award.

The lot is located in the Green Glade section and is 100 by 200 feet in size. Proceeds from the project will be used by the Kitzmiller club to finance community activities. The club provides glasses for needy children and has other projects.

To Be Buried In New York

The body of Mrs. Cecelia Griffith Cole, 57, who died in Anchorage, Alaska, on July 5, is being brought to Elmira, New York, for burial, relatives in Oakland were informed last evening

The body will arrive in Elmira on Saturday morning at 10 o'clock and will be taken to the Smith and Fudge funeral home Funeral services will be conducted there on Monday afternoon and interment will be beside her husband in an Elmira cemetery.

Wheat Marketing Quota Referendum To Be Held July 23

A referendum will be held on Thursday, July 23 to determine whether or not the marketing quota program with penalties for excess wheat, will apply to the 1960 wheat crop, it was announced by Curtis Savage, Chairman of the County ASC Committee. Mr. Savage stated that the wheat law has not been changed and that the large surplus of wheat made it necessary for a referendum to be held.

All farmers who plan to harvest more than 15 acres of wheat for grain from one farm in 1960 are eligible to vote, with the exception of those who receive approval to grow up to 30 acres of wheat, for use on the farm, under the feed-wheat provision.

Because of the small number eligible to vote in this county only one polling place will be established. This will be at the County ASC Office which is located at 65 Third Street in Oakland. Voting hours are from 8:00 a. m. to 7:00 p. m., Daylight time.

If marketing quotas are approved by two-thirds or more of the farmers voting in the referendum, nationally they will continue in effect for 1960. If quotas remain in effect those farmers who have a wheat acreage allotment established for their farm and also more than 15 acres will be required to pay a penalty on the excess wheat. Price support at 75% of parity will be available to all farmers who do not exceed their wheat acreage allotment if marketing quotas are approved. Marketing quotas and acreage allotments apply to all wheat to be harvested as grain regardless of what the wheat is to be used for and also to mixtures of wheat and other grains. A change made in the wheat law in 1957 now makes it possible for farmers to receive approval to grow up to 30 acres of wheat when all of it is to be used on the farm where produced.

If marketing quotas are not approved there will be no penalties for producing excess wheat, however in this case the level of price support will drop 50% of parity for those farmers who harvest within their acreage allotment.

Wheat acreage allotment notices will be mailed to wheat growers in this county on July 13.

If Plants Could Talk

Plants need three main nutrients, nitrogen, phosphorus and potassium, according to Barry Carr, ... Plant County agent. Of course they use others but these are the main ones they need. They also need time to maintain the soil at the proper balance between acidity and alkalinity. The right amount of lime will help keep your soil at the proper pH ... "too sweet" or "too sour."

... to have so many plants do have definite ways of showing what they need. For instance corn shows its need for nitrogen by a pale green color with the bottom yellowing at the tip. The yellowing works its way up the midrib of the leaf. Lower leaves will brown first. In severe cases, they die.

And so, corn like other plants, can talk—if you know their language.

But, the way to make sure your plants are getting enough to eat would be to ask your county agent for instructions about a free soil test. Now is an especially good time to get your lawn soil test, so you can be sure to have results and recommendations back in time for late summer or early fall fertilizing.

enforcement of a garbage ordinance the same as the council's announced enforcement of the dog ordinance.

Two applications for permits were tabled for further investigation, and two applications were granted. Use of town equipment in five instances was approved.

Permits tabled: applications of Osbourne D. Mason, to erect steel building 24 by 64 in rear of his present dwelling on 4th street for garage and storage, approximate cost $2,500; application of Joseph Hinebaugh who sought permission to depress curb in front of C. and A. Gas company office on Green street to allow cars to be parked off street while paying bills.

Permits granted: to S. F. Hamill to brace and repair retaining wall and put in black top sidewalk on Oak street side of A. and P. building; to Allan E. Skidmore to install and operate a bowling alley in basement of A. and P. building, to include six alleys, semi-automatic, with concession stand, approximate cost $20,000. He declared Mr. Hamill proposed to spend from $3,000 to $4,000 in improving the basement of the buildment, at regular rental rate to

Approved use of town equipment, at regular rental rate to Edward F. Sinouse, Pennington street; W. E. Shirer and Son, Oak street; American Legion Club, Inc., at north edge of town; Edward C. Lawrence, old State road; and W. A. Shirer to repave portion of elementary playground.

The council ordered "no parking" signs erected on Omar street; and a "yield right of way" sign on Pennington street, at 4th. Sunday movie tax for June amounted to $21.30. Council discussed number of proposed street improvements before adjourning.

Foreign Aid . . .

(Continued From Page One)

the Communist dictator of North Viet-Nam. It had been built, he said, entirely with economic aid from the U. S.

He felt unless foreign aid was soon terminated our country faced economic peril. "This peril is inevitable because neither this nor any other Congress will reduce or restrain spending at home so long as it votes colossal foreign handouts."

The Committee has recommended that citizens request their Congressmen and Senators to reduce the $3.9 billion requested foreign aid item in the budget to $2 billion this year and "that each year thereafter foreign aid be substantially reduced until terminated within three years."

In an interview this week in the U. S. News and World Report, Jean Monnett of France, planner of Europe's common market, felt United States was giving away too much money to the rest of the world. He suggested a join partnership, requiring other nations to contribute their share.

There is more and more clamor for an end to foreign aid as presently carried on. The waste is colossal. We are inclined to agree with this committee and Dr. Benson, that termination of this program "makes good sense."

Grantsville Wins 8 To 7

Grantsville Sluggers rallied for a pair of runs in the tenth inning yesterday to edge Centerville 8 to 7 in a Pen Mar league baseball contest.

The two teams battled to a 6-6 tie through nine innings before Centerville scored over a run in the top half of the overtime inning. Grantsville battled back to win the game when Joe Kelster was safe on an error, was sacrificed to second and forced at third by Joe Taylor after Junie Perry was intentionally passed. Tucker Cain then doubled home the tying run and Taylor scored the winning tally on a wild pitch. George Lauder had two singles and a homer in the third with two aboard for Grantsville. John Kelster and Junie Perry also chipped in with solo circuit clouts in the second and sixth innings.

Hot Weather Lowers Success In Fishing

The fishing success dropped to some extent during the past week, possibly due to higher water temperatures, but the clear warm days and cooling breezes of Friday and Saturday created ideal weather conditions for vacationers on Deep Creek Lake, according to the regular report of Cecil C. Edwards, fish commission assistant.

He said the water temperature rose to 78 degrees Wednesday evening, July 1, but the cool breezes of the week-end lowered it to 72.

Trolling with "Alar" or Skyster" spinners continued to be the best method of catching the larger fish. Live minnows, worms, lizards and artificial "flatfish" were attracting nice largemouth bass, while smallmouth bass were being caught on crayfish and night crawlers.

MARRIED

Ruff Crawford—The marriage of Miss Nancy L. Crawford, Third street, Oakland, daughter of Mrs. Elizabeth C. Robinette, of Lonaconing, to John F. Ruff, son of Mrs. Edna E. Ruff, also of Oakland and the late John Frank Ruff, took place on Saturday, June 20.

The double ring candlelight ceremony was performed at St. Paul's Methodist church with the Rev. Charles Godwin officiating.

The bride wore a floor length bouffant gown of nylon pucheree, covered with a princess style jacket of Chantilly lace, with "V" portrait sleeves. Her fingertip veil of French illusion fell from a nylon and pearl headdress and she carried a white Bible covered with Chantilly and Monroe lace.

She was given in marriage by her step-father, Hugh Robinette.

Miss Rita Buckel, of Bittinger, was the bride's only attendant. She wore a waltz length gown of pink nylon and a matching pink headdress with a small lace veil. She carried a cascade of large blue daisies.

Carlton Hinebaugh, Oakland, uncle of the groom, served as best man.

Mrs. Margaret Fratz, Accident, soloist, sang "Because," "I Love You Truly," and "The Lord's Prayer" while the couple knelt at the altar. She was accompanied by Mrs. Elaine Koch, who also played the traditional wedding marches.

The bride is a graduate of Valley High school, Lonaconing and South Baltimore General hospital. She is employed on the nursing staff at the Garrett County Memorial hospital in Oakland.

Mr. Ruff is a graduate of Southern High School where he was active in sports. He is serving with the U. S. Navy and is stationed in Jacksonville, Fla. He is scheduled to leave for a six months' tour of duty on a Mediterranean cruise in August. He left Sunday to resume his duties.

Best Room!

Take a tip from the experts . . . in their own words . . . and from on-the-record facts and figures: More than ever, Chevrolet gives you more than any other of the leading low-priced three! More room to relax in, for instance. A sampling of official dimensions reported to A.M.A.* makes this clear. Chevy front seat hip room, for one thing, is up to 5.9 inches wider than comparable cars. And Chevy even offers more front seat head room than all but one of the *high*-priced cars!

Best Brakes Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR†-conducted test of repeated stops from highway speeds.

Best Style It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

Best Engine Every motor magazine has given Chevrolet's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: ". . . surely the most wonderfully responsive engine available today at any price."

Best Ride MOTOR TREND magazine calls Chevy ". . . the smoothest, most quiet, softest riding car in its price class." You'll be able to tell this yourself instantly, once you take the wheel.

Best Economy No doubt about this: two Chevrolet 6's won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car, 22.38 miles per gallon—with Powerglide.

Best Trade-In Check in any N.A.D.A.‡ Guide Book. Chevy used car prices last year averaged up to $128 higher than comparable models of the "other two."

Review of The Play

Hooray and Hurrah! summer is here and with it as an important part of the season is the opening of the Garrett County Playhouse on Deep Creek Lake. Glitter and glamour have returned to the normally placid village of McHenry. And for the information of the bachelors of the area, the pulchritude of the distaff members of the playhouse group has never been better. After the very warm and receptive response of the opening night audience on Tuesday evening (which incidentally was almost a capacity house) even the most cantankerous sort of a reviewer can't be restrained from saying "my but is is good to have you back for the summer."

Judging from the nature of this week's performance one may safely make the observation that impressario Gene Yell has this year gathered together a cast of young hired hands who have the potential for becoming the most cohesive group thus far in the five years of the playhouse.

On the opening night everything went off well. This is not an accident or just an occurrence to be expected but rather is the result of much hard work on the part of Miss Sallie Lutin, stage manager, and Ray Caton, technical director. This year too we are assured of productions well staged since Gene Yell himself is functioning as director. On Tuesday night there was little that one could find fault with. Everyone seemed alert and the performance went on without hitches.

"Petticoat Fever" is a farce with the history of a successful Broadway run and is a play well adapted to summer stock requirements. It is the story of a young British radio operator located in the cold northern part of Labrador. His lack of contact with members of the opposite sex has caused him some mental anguish. A visit by a members of Parliament and his fiance results in some rather humorous situations. This along with the unexpected appearance of an old sweetheart provide the rest of the story.

We are given an excellent performance in the lead male role by Neil Flanagan, a friend of previous seasons, who has grown a beard and moustache especially for this performance. In a way it is unfortunate that "Trilby" and "Abe Lincoln in Illinois" are not being given this year in order that this luxuriant growth of beaver of Mr. Flanagan could be used to its best advantage.

Chris Curran who plays the part of the Reverend Shapham, the somewhat distraught Anglican of Labrador, is the only other player present here in previous seasons.

The two young ladies who add to the consternation of Dinsmore are Sai Springwell and E. J. Peaker. Personally I think more glamorous names should be evolved for two such lovely and capable young ingenues. Perhaps later in the season we may have a contest for the submitting of names more fitting.

George Randall, another newcomer in the vis a vis of Neil Flanagan. He gives a well studied interpretation of Sir James Fenton, a somewhat dull, stagy type of Englishman.

In minor roles this week are Gene Falcetta, Ray Caton, Jennifer Yell, and Markley Meeter. It is always pleasant to see one of our local young people present. This week we have Dick Snyder playing the part of Kimo, the servant of Dinsmore, the subject of the somewhat unusual clinical entity "Petticoat Fever." Dick does an excellent job in this week's show.

By now it should seem evident that we had an enjoyable time this week at the playhouse. We did, and in addition are looking forward to more pleasant weeks. To those of you who have not gone to the playhouse by now, may we suggest you make a visit. It is just fine and you will enjoy it.

Television, while perhaps satisfactory media of entertainment, quite often leaves the viewers disappointed. There is nothing to take the place of the living theatre. There is a thrill and satisfaction build up by watching an earnest capable group of players. Such a feeling of warmth exists this week.

Get down—give them your support—you'll have yourselves a ball.

Incidentally, in the foyer this week is an excellent collection of paintings by Larry O'Toole. These too you will enjoy seeing.

Scouts On Tour Of New Mexico Ranch

Ready to hit the trail in a two-week high adventure, 8 Explorers from this area arrived at Philmont Scout Ranch, Cimarron, New Mexico, last week, according to a dispatch from Mr. W. Kenneth Johns, expedition leader, of Oakland.

The delegation of 5 young men, under the leadership of Mr. Johns, toured across 10 states as they headed for the national Scout ranch. The expedition boarded the train at Cumberland, on June 26. Part of the group remained in the dome car for the whole trip to Chicago and saw many sights. At Chicago they went on a tour of the city and then boarded the Santa Fe Railroad. Six of the eight young men crossed the Mississippi River for the first time on June 27. They then traveled through Iowa, Missouri, and Kansas, seeing all the plains of wheat and corn. In Colorado they stopped at La Junta where a bus took them to Colorado Springs. While there they were taken on a tour of the Air Force Academy, the Garden of the Gods, and went to the top of Pikes Peak. It was a clear day and the boys had quite a view. The bus took them back to La Junta where they spent the night in the Koshare Indian Kiva. The next day they again boarded a train and arrived at Philmont Scout Ranch about three hours later.

Having arrived at the base camp, the expedition underwent a rigid preparation period, after which they hit the trail for 12 days of rugged outdoor living. The group planned to tour the northern sector of the 127,000 acre ranch, taking advantage of the program offered—gold panning, the study of archeology at ancient Indian ruins, the firing of 30.06 rifles, and trout fishing—to name only a few of the things offered at Philmont. The group planned on picking up two burros at Harlan Trail Camp to help carry the load in the rugged country.

The expedition includes these young men from Oakland: Buzz Updyke, Tom Forman and Porter Welch, and five other boys from the Potomac Council Scout area.

Newest Enrollees In F F B L Program

If the Farming for Better Living Councils are seeking any adoptions they would do well to adopt the family pictured above.

When Farming for Better Living, a program sponsored by the Monongahela Power company, came into effect twenty years ago, Charles W. Mason, Jr., of Garrett county, was born.

Now both Farming for Better Living and Charley Mason are celebrating their twentieth birthday anniversary. Mr. and Mrs. Mason are the newest enrollees in the Garrett county program.

This is the first year also that the Masons have owned their farm and they are building a Grade "A" Holstein herd. They are shown here with James McHenry, county agricultural agent, inspecting five new Holstein heifers (three imports from Wisconsin) that Mason is using to enlarge and improve his herd.

The job now is clearing up the farm, rebuilding fences, and getting ready for a new arrival in the Mason family. Mason has a vocational agriculture background. He has the State Farmer degree in F. F. A., and is in the process of qualifying as a candidate for his American Farmer degree.

Mr. and Mrs. Mason own 55 acres, rent another 25, are milking nine cows, have two brood sows and are expecting their first child. They are enrolled in the Farming For Better Living for their first year. The score probably will be a lot different when the FFBL program celebrates its 40th anniversary.

Reunion Dates Set

The Frazee reunion will be held Sunday, July 19, in the Spoerlein grove in Accident.

Grantsville Suffers Two League Losses

Grantsville suffered two defeats in the Pen Mar Baseball league over the week-end, losing to Hyndman 8 to 7 on Saturday and being defeated by Barrelville Sunday 7 to 1 at Grantsville.

On Saturday the game was closely fought. Grantsville Sluggers carried a five-game winning streak into the game and had it snapped when the Hyndman merchants shoved across the deciding tally in the home ninth at Hyndman.

Jim Keister put Grantsville at a tie in the first of the ninth with a home run after pitcher Rabbit Keister had singled. The blast over the left field fence made the score 7-7. In the last half Hite tripled with one out and scored the unearned run when, after two were out Bob Bryant's grounder to third was followed by a wild throw to first by the third baseman, allowing Hite to score.

Grantsville had 13 hits. Keister gave up eight hits and struck out four. Jim Keister homered and singled, John Keister singled twice as did Taylor and Morgan for Grantsville, Junie Perry smacked a homer in the seventh with one on.

In Sunday's encounter Barrelville reeled off its fifth consecutive victory at the expense of the Grantsville Sluggers 7 to 1 and extended its lead to three games in the league.

Dawson limited the Sluggers to five hits and struck out nine. Lashbaugh and Richards yielded only seven hits but they issued a total of 11 bases on balls and the free tickets figured prominently in the scoring. Joe Taylor accounted for two of the five hits credited to Grantsville.

Grantsville remained in four place with a record of nine victories and nine defeats for a percentage of .500

The National league won the all-star game from the American league 5 to 4.

Because Ford's the first manufacturer to sell over one million '59 cars... your Ford Dealer can offer you even greater savings now, on the 59 FORD of your choice!
59 Ford Galaxie Club Victoria
GET A HONEY OF A 2nd MILLION DEAL NOW!
Ford sales are booming over the million mark! And right now, during the Ford Summer Swapping Bee, you can get an extra-generous 2nd Million Deal on any one of the new Fords that are already lowest priced of the best-selling three!
YOU CAN SAVE UP TO $102.75 ON THE POSTED PRICE ALONE! Ford prices are the lowest of the best-selling three. Take a Fairlane 500, for example. It is priced $102.75 lower than the major competitive model,* when both are equipped the way most people buy cars—with heater, radio and automatic transmission. And the bigger 2nd Million Ford trade your Ford Dealer can make you, *now*, makes your savings still greater!
SAVE UP TO A DOLLAR ON EVERY TANKFUL OF GAS! Standard Ford engines thrive on lower-cost, regular gas. That saves you as much as a dollar a tankful. And Ford's standard Full-Flow filter stretches oil changes 4000 miles apart.
SAVE ON MAINTENANCE! Some of the new saving features you get in the 59 Ford are ... amazing Diamond Lustre Finish that never requires waxing to keep its beauty bright ... an aluminized muffler that normally lasts twice as long as the ordinary kind used in other cars ... a husky 66-plate battery instead of the usual 54-plate battery installed in other cars.

The sight of a child playing in the sun — a reflection of God's goodness!

At such moments, children seem like echoes of God's love. In their own boundless joy, with their unquenchable enthusiasm, they point the way to truth, love, faith and beauty.

It is a way all of us can follow. By turning to God with a child's simplicity, by seeking Him through the Church, we can emerge from life's shadows and stand again in the full light of eternal truth.

Find your way to church . . . this Sunday.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

NOTICE

NOTICE IS HEREBY GIVEN that on July 6, 1959, at a regular meeting, the Mayor and Town Council of Oakland, Garrett County, Maryland, adopted a Resolution to amend Sections 461 and 462 of the Town Charter, as follows:

RESOLUTION of the Mayor and Town Council of Oakland, adopted pursuant to the authority of Article 11-E of the Constitution of Maryland and Section 13 of Article 23-A of the Annotated Code of Maryland (1957 Edition), title: "Corporations — Municipal", to amend Sections 461 and 462 of the Code of Public Local Laws of Garrett County (1957 Edition), said Code being Article 12 of the Code of Public Local Laws of Maryland and said Sections being part of the Charter of the Town of Oakland, applicable only to said Town, so as to amend said Section 461 to authorize the Mayor and Town Council to levy and collect taxes without limitation as to rate or amount on all taxable property to pay the principal of and interest on all indebtedness incurred by the Town pursuant to said Section 462, notwithstanding the limitation on the taxing power of the Town contained in said Section 461, and so as to repeal the limitation on the borrowing power of the Mayor and Town Council of Oakland contained in said Section 462 and to substitute in lieu thereof authority in said Mayor and Town Council to borrow money and issue bonds pursuant to the authority of, and in the manner prescribed by, Sections 31 to 39, inclusive, of said Article 23-A of the Annotated Code of Maryland (1957 Edition), as said Sections now exist or may hereafter from time to time be amended, subject to the limitation that if any proposed borrowing pursuant to such authority will increase the indebtedness of the Town beyond twelve per centum (12%) of the value of all taxable property in the Town, then such borrowing must first be referred to the qualified voters of the Town for approval or disapproval.

A complete copy of said Resolution may be examined at the Town office during regular business hours.

No. 157, folio 71, one of the Land Records of Garrett County, Maryland, title to which is now vested in the aforesaid owners.

Said property is subject to a right-of-way for pipe line running from the B. and O. Railroad to Boiling Spring, granted by previous conveyances, and certain rights which the Baltimore and Ohio Railroad has with respect to the waters of the Little Youghiogheny River, as also set forth in previous conveyances, and to the personal privilege to J. Edward Helbig and wife to use jointly water from a certain spring on said property. There is also reserved to the owners, their heirs and assigns, all of the oil, gas or other minerals in or under said land, together with all usual and customary rights, rights-of-way and privileges necessary and convenient for the removal and marketing of the same and, in particular, all the rights to a certain lease from the owners to Cumberland and Allegheny Gas company, dated February 6, 1959, and recorded in Liber R.L.D. No. 220, folio 297, one of the Land Records of Garrett County, Maryland, as set forth in the aforesaid deed from the owners to the Trustees.

Said farm is improved by an eight-room dwelling with two baths, full basement, having a coal furnace with hot water heat, and an electric hot water heater, said dwelling being in a good state of repair. There are also two cattle sheds, machinery sheds and other outbuildings on said farm.

PERSONAL PROPERTY: After the sale of said farm, the following personal property will be offered for sale:

One 1949 Ford F-5 Truck, 1 1949 Ferguson Tractor, 1 International Tractor, Model H, 1 Ferguson Manure Spreader, 1 Double-disk Harrow, 1 Ferguson Double Plow, 1 Ferguson 6-foot Mower, 1 Grain Drill, 1 Hay Wagon on Rubber Wheels, 1 Threshing Machine, 1 hay Loader, 1 corn Binder, 1 lime Spreader, 1 potato Digger, 1 Case Hammer Mill, 1 ensilage Cutter, 1 50-ft. 6-in. Belt, approximately 40 bushels Wheat, lot Oats, lot oats Straw in bales, lot cement Blocks, 9 aluminum Windows, 1 lot of Window Glass, 1 14-cubic foot Deep Freezer, 1 Washing Machine, and other miscellaneous farm equipment, machinery and tools too numerous to mention.

TERMS OF SALE: Land One-third cash on day of sale and balance within thirty days thereafter. Trustees reserve the right to reject any and all bids on said real estate.

Personal Property—Cash on day of sale.

Deed for the real estate will be executed and delivered immediately upon payment of the full purchase price.

Interested parties may obtain further information relative to the above described property by applying to the Trustees at their respective offices in Oakland, Maryland.

"The Greatest Difficulties Lie Where We Are Not Looking For Them."

— Author's Name Below —

Some people thoughtlessly obtaining medicines and health-aids from unqualified sources, do not realize they may be causing serious difficulties. Medicines are not ordinary merchandise to be sold by anyone.

Pharmacists are taught that any medicine can be potentially dangerous if taken improperly. Patent medicines sometimes only relieve symptoms while masking serious troubles. We can tell you about any possible dangers and avise you when it is best for you to consult a physician. You are safer when you get medicines from a pharmacist.

the BIG change is to the ELECTRIC RANGE

Almost ANYONE can Cook Better..ELECTRICALLY

North! South! East! West! Smart homemakers the country over are switching to thrifty, automatic electric ranges. Why? Because one housewife tells another about her experiences with electric cooking.

Among the points often stressed are: A COOLER, CLEANER KITCHEN, and SAFE, SURE COOKING RESULTS time after time.

Why settle for an ordinary fossil-fuel stove when you can get so much more in a more-automatic-thon-ever electric range? Live Better . . . Cook Better . . . Electrically!

The object of this suit is to obtain a decree for a divorce A VINCULO MATRIMONII by the plaintiff from the defendant.

The bill states:

That on the 19th day of November, 1919, she was married to William Thorton Tuley, at Oakland, Garrett County, Maryland, with whom she resided until the month of January, 1950, at which time the said defendant deserted the said plaintiff; that although the conduct of your oratrix towards her said husband has always been kind, affectionate and above reproach, the said William Thorton Tuley, without just cause or reason, abandoned and deserted her, and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for more than eighteen months, is deliberate and final, and the separation of the parties beyond any reasonable expectation of reconciliation; that no children were born of said marriage; that your oratrix is a resident of Garrett County, Maryland, and has resided therein for more than one year prior to the institution of this suit, and the last known address of the said defendant is Baltimore, Maryland

It is thereupon ordered this 11th day of June, 1959, by the Circuit Court for Garrett County, Maryland, in Equity, that the plaintiff by having a copy of this order to be inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 10th day of July, 1959 giving notice to the said absent defendant, William Thorton Tuley, of the object and substance of the Bill of Complaint and warning him to be and appear in this Court either in person or by a solicitor on or before the 25th day of July, 1959, to show cause, if any he may have, why a decree should not be passed as prayed.

Reducing Christ To Our Size

When Jesus therefore perceived that they would take him by force, to make him king, he departed . . . alone." John 6:15.

The people who followed after Jesus wanted Him very much. "Then those men, when they had seen the miracle that Jesus did said, This is of a truth that prophet that should come into the world." However, they did not want His ideals about the kingdom. So they resolved to "take him by force" and make Him king according to their own terms. Here is where Jesus "departed". Jesus was always on the lookout for such religious people; He could tell them as far as he could see them. Quite the same is true with us today; you can tell many religious people as far as you can see them. But you can't tell them much.

Trying to reduce Christ to fit certain ideals was the great trend of His day. Satan made a gallant attempt in Matt. 4-1-11. "Jesus after fasting for forty days and nights was tempted by Satan" but Jesus refused to be brought down to the ideals of Satan. Some would reduce Him to Sabbath traditions; "And they watched him, whether he would heal on the Sabbath day; that they might accuse him." Some thought he must conform to fasting ideals. "Then came to him the disciples of John saying, Why do we and the Pharisees fast oft, but thy disciples fast not. His disciples would have made Him a sectarian Jesus answered him, saying, Master, we saw one casting out devils in thy name, and he followeth not us: and we forbade him, because he followeth not us." While others of Jesus' day tried to reduce him to a small town boy.

Many religious people today would like to cut God's program down to their own size. We find in many areas that the religious size of many is very small. Many like the church just Sunday School size, while to others Sunday morning worship is enough. Some would cut out Sunday evening worship and most all would expel the mid-week prayer services. Many would cut the preacher's sermon to ten minutes and others would cut "cross bearing" out of the Gospel. Depending on many, there would be no prayers heard and the absentees of the church today teach that Christ may be ignored.

The tragedy resulting from these things are: The Church of our day is no longer a threat to a degenerate world. May we awake to these facts, that Christians are custodians of God's Truth. "And he called his ten servants and delivered them ten pounds, and said unto them, Occupy till I come." Remember Christ cannot be forced into our ideals. Today is ours, but the future belongs to Christ

Flyer Humberson Gets Pat on Back

Airman Humberson, 6th air postal squadron, at Westover air force base, was chosen last week by the Yankee Flyer, base newspaper, as the "man behind the scene" most deserving a pat on the back.

His duties besides typing, filing and posting, include monitoring detachment records management program. He also goes on inspection tours to Goose Bay, AB Labrador, Harmon AB, Newfoundland, and Pepperell AB, Newfoundland, to inspect the administrative systems, and to audit postal accounts every six months.

According to his administrative officer, airman Humberson is well qualified and quite capable of handling these responsible missions.

Airman Humberson is a native of Friendsville, and a graduate of Northern High school. Shortly after graduation he joined the air force and went to Sampson AFB, N. Y., for his basic training. From there he received a direct duty assignment to Plattsburgh AFB, N. Y., where he worked in the classified files section.

In August, 1957 he was reassigned to Pepperell AFB, Newfoundland where he also worked as an administrative clerk until his reassignment to Westover in March, 1958, when he assumed his present duties.

NEW "NO SQUEAL" ATLAS BUCRON TIRES

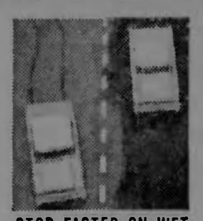
These are the sensational tires that ride, stop, look, and last like no others!

This is the season to get acquainted with the remarkable new tires of man-made miracle rubber . . . Atlas Bucron Tires. No matter where you drive them, the difference in ride is noticeable at once. In turnpike driving, road noise and car rattles virtually disappear. For this new tire *flows* over uneven spots, instead of bouncing over them.

And this revolutionary rubber grips roads so well that you *can't* make Atlas Bucron Tires squeal even with tight turns and panic stops. In fact, they stop shorter on wet surfaces than others on dry . . . 30% shorter than the best ordinary rubber tires! Yet they cost less than most premium tires.

Now that the pleasure-driving season is here, we earnestly suggest that you visit your Esso Dealer's and get a full set of "No Squeal" Atlas Bucron Tires, made of Butyl, a product of Esso Research. See how much enjoyment, luxury, and extra *safety* they add to your "Happy Motoring!"

HUG THE ROAD SO WELL YOU CAN'T MAKE THEM SQUEAL. That's a unique feature of this new kind of tire. Another — they sonk up road shock so efficiently that you get a brand new kind of ride.



STOP FASTER ON WET ROADS THAN OTHER TIRES CAN ON DRY. Test after test proves that these tires stop 30% faster than ordinary rubber tires. Special design puts more rubber in contact with the road.

YEARS OF TESTING PROVE LONG LIFE. In desert sun and mountain cold, tires of Butyl stay flexible, don't dry or crack like other rubber. They withstand deterioration, a unique contribution to longer life.

Top Danger - - - - -

More and more Americans are turning to boating as a pastime, which is bringing about a crisis in many areas. Deep Creek Lake is not escaping from this danger.

A well known author remarked recently that "for a really booming industry nothing beats boating, today one of America's leading family sports." Across the nation our bays, lakes and rivers are dotted with small craft, owned by middle class citizens who have more money and leisure than ever before. We are no exception in this area.

Within recent weeks at Deep Creek Lake there have been several boat collisions. Some people have been injured and property damage has been heavy. Quite a few persons have been apprehended in the past two years on charges of reckless operation of motor boats and fines have been levied. There are cases of illegal parking, without lights. The situation may become a lot more serious unless some definite plan of action is worked out.

Water skiing is becoming more popular every day and on week-ends and holidays there are hundreds of vacationers indulging in this probably exhilarating sport.

The population around Deep Creek Lake increases by 5,000 people or more during the vacation season. There are an estimated 2,200 cottages in that area, and almost every lot owner has a boat. There are some persons who do not yet own lots who have motor boats parked along the banks. In addition there are sail boats, row boats and canoes by the score.

What can be done to keep the lake from becoming a danger zone? We know that warnings about safety on the highways have had little effect in reducing the deaths from automobile accidents. People speed as usual. They are reckless and indifferent. Will it be the same way when it comes to boating?

The patrolling of these waters is very necessary and it cannot be done properly by one or two individuals. We know the budget of the Inland Game and Fish Commission is limited, but surely some concrete plan could be worked out that would lessen the mounting danger there.

Let the problem be given a lot of thought before it gets too much out of hand. Rigid enforcement of existing laws will help, along with adequate patrolling. So will a careful attitude on the part of the vacationers.

Need For Addition To Bloomington School Discussed

Discussion concerning the need of building an addition to the Bloomington School, because of the increasing population of that town, was held at the regular meeting of the Board of Education held last Wednesday, July 8.

Willard L. Hawkins, county superintendent of schools, said the three-room school was expected to have an enrollment of approximately 100 in September, and that due to the many houses being built in the area a continued increase in the enrollment was predicted.

He said the board debated whether a two-room addition would be adequate or whether a three-room addition that could house grades 1-7 should be considered. Hawkins pointed out that there was money in the state school construction fund for this purpose which could be borrowed and amortized at a low rate of interest over a fifteen-year period. Money borrowed from this fund would have to be approved by the County Commissioners, he said.

The cost of a two-room addition with full basement for cafeteria use was estimated at approximately $50,000; a three-room addition was estimated at $68,000. It was asserted that some move for additional space there would have to be made soon or there would be more children than could be housed in the present building.

The board authorized clearing and grading the Bloomington school ground, to be completed before the opening of school in September. Parke Tressler was low bidder with a price of $400.

The board also authorized acceptance of low bid on black topping of small playground areas at Grantsville, Accident, Loch Lynn and Crellin schools, work to be completed before opening of schools.

A low bid from Pittsburgh Stage company was accepted for stage and blackout curtains. Purchase will be made for stage curtains

Will Teach At Grantsville

Mr. James Russell Heyde, Jr., of Washington, D. C., has accepted a teaching position in the Grantsville School for the coming school year. A vacancy in the school was recently created by the resignation of Miss Joyce Warnick, who plans to be married this summer. Mr. Heyde is a graduate of Suitland High School, Prince George's County and is a June graduate of Frostburg State Teachers College. He did his practice teaching at Fort Hill and Northern High School and comes to the county school system with very fine recommendations. Mr. Heyde is single and a member of the Lutheran Church.

State Will Give Aid in Kitzmiller Flood Program

The State Board of Public Works on Monday in Annapolis approved a state grant of $30,000 toward the $340,000 flood control project at Kitzmiller.

The state funds will be paid out over two years on a matching basis with the town of Kitzmiller, Garrett county and the federal government.

The government has tentatively agreed to pay up to $280,000 of the cost of the Potomac River flood project if local sources put up $60,000 for easements and rights of way.

The County Commissioners have agreed to include $15,000 in its 1960 budget for matching funds and the town of Kitzmiller is committed to issue bonds in a like amount for its contribution.

Gov. Tawes termed the $30,000 state grant "a good investment." The project is one of three planned on the upper Potomac river by the Army Corps of Engineers.

Fazenbaker Faces Moonshine Charge

A McCoole area man turned himself in to Allegany county authorities Tuesday after he learned he was wanted on a moonshining charge.

The man, George "Bud" Fazenbaker, telephoned Sheriff Paul C. Haberlein and then drove to Cumberland with a bondsman. He was taken to Trial Magistrate's court where bond was set at $1,000 for his appearance at the next term of the Circuit court. The man is wanted also in Garrett County.

Authorities said Fazenbaker was wanted in connection with the operation of a still for the manufacture of whisky on the rnad between Swanton and Bloomington. The Allegany charge is for possession of whisky for purpose of sale, confiscated at McCoole. Another man, Claude Paugh, was arrested by federal and state authorities in June at the location of the still. Paugh was tried July 7, before Trial Magistrate Robert M. Maroney in Oakland and given a suspended sentence in the Maryland House of Correction.

The Garrett County warrant for Fazenbaker charges "unlawful possession of apparatus, material, equipment designed for unlawful manufacture of alcoholic beverage." There was a 100-gallon still and 400 gallons of rye mash on the site.

Mason Named Mayor Of Mt. Lake Park

Charles C. Mason, with 183 votes, was elected mayor of Mt. Lake Park for a two-year term in Tuesday's balloting. Lawrence Riley, his only opponent, received 18 votes.

Elected to Council, also for a two year term, were Stanley G. Wnod, with 147 votes, Alfred Calhoun with 133 votes, and Raymond Welch with 120 votes. Unsuccessful candidates were Edward Tasker with 75 votes, William McRobb with 61. There were six write-in votes for Aubrey Savage.

Aviiton Girl, 8, Killed By Auto

Head Injury Fatal To Bonnie L. Broadwater On U. S. Route 40

Bonnie Lee Broadwater, eight year old girl of Aviiton, was killed Monday afternoon when she was struck by an automobile on U. S. route 40, six miles west of Frostburg.

The girl was pronounced dead on arrival at Miners hospital in Frostburg, Dr. James Feaster, Jr., deputy county medical examiner, said the victim died of a fractured skull.

She was a daughter nf Roy and Diona Crowe Broadwater. Authorities said the driver of the automobile was Mavis Irene Warren, 32, of Washington, D. C.

The accident occurred at 4 p. m., at Long Stretch, in front of the route 40 elementary school. The child was reported to have gone to the school earlier in the day to take a band lesson. Afterward she and several other children were standing in front of the school waiting for a ride home.

Tfc. Glenn D. Folk of the state police, said the driver was operating her car eastward on route 40 apparently at a moderate rate of speed. As the car came abreast of the child, police said, the victim began crossing the highway and was struck by the right front fender of the auto. The child was thrown off to the right of the highway.

A native of Avilton, the little girl was born February 15, 1951, and was a member of Mt. Zion Methodist church.

Surviving besides her parents are two brothers, Monty Roy and Rickey Wayne Broadwater, both at home; and three sisters, Barbara Diane, Gladys Louise and Denise June Broadwater, also at home.

Funeral services are being held this afternoon at 3:30 o'clock from the Mt. Zion Methodist church, route 40, Rev. Emory McGraw, pastor, will officiate and interment will be in the church cemetery. The body was at the home of her grandparents, Mr. and Mrs. Samuel Crowe, Avilton, until time for the service.

Woman Not Held

W. Dwight Stover, state's attorney, following a thorough investigation, said that Mrs. Warren would not he held on any manslaughter by automobile charges. He said witnesses testified that the accident was unavoidable. She was held on a technical motor vehicle law violation, that of displaying improper registration, for which she was fined $5 and costs but the fine and costs were suspended by Trial Magistrate Robert M. Maroney.

Exhibitors Must Meet Health Needs

Farmers planning to exhibit livestock at the Garrett county fair in August must meet the livestock requirements, they were advised this week by James McHenry, county agent.

He urged any farmer who is going to exhibit to pick up a yellow form either from the County Extension office or Dr. F. D. Custer, veterinarian or from the department superintendents.

McHenry said this form should be filled out immediately and returned to Dr. Custer so that he can begin to do the work necessary for clearing the animals for show.

Exhibitors failing to meet this requirement will be barred from exhibiting in the fair, McHenry said.

Teachers To Meet Monday, August 31

Plans have been completed for the annual meeting of teachers prior to the opening of school, scheduled for Monday, August 31. The session is an all-day affair.

All teachers will report to their respective schools the following day, on Tuesday, September 1, and schools will open for instruction on Wednesday, September 2. Labor Day, Monday, September 7, will be a holiday.

Willard L. Hawkins, county superintendent of schools, said he had engaged two well known speakers for the teachers' meeting on August 31. Neil Swanson, education editor of the Baltimore News-Post, will deliver the opening address at 10 a. m., and Dr. Charles Bish, professor at George Washington university and presently on the staff of the National Education association will be the luncheon speaker.

First Summer School Ends

The first summer school program sponsored by the Garrett County Board of Education came to an end Friday, July 10. The twenty-one children taught by Mrs. Hildred Mulvey experienced a profitable month of half-day sessions, dealing with needs in the fundamentals of reading, geography, and arithmetic, according to Willard L. Hawkins, county superintendent of schools. Parents expressed satisfaction with the program and indicated their wishes for it to continue another year. A charge of $12.00 per pupil was made hy the Board. The money was used to pay the teacher and ineidental expenses of the program.

One class in typing is also heing conducted at Southern High school by F. DeNeal Dean.

The pupils who attended summer school at Dennett Road are sbown in the picture as follows: Front Row—Dennis Baker, Milton Naylor, Ray Ivan Rhodes, Larry Steyer, Sharon Teagarden, Mary Lou Mussard, Larry Iden, Peggy Waller (not pictured). Back Row—Marilyn Englander, Sandra Beckman, Christine Umstot, Carol Pelton, Douglas Bittinger, Marshall Strachan, Curtis Miller, Keith Cannon, Paul McIntyre, Billy Hawkins, Thomas Kight, Michael Flaherty, Thomas Nace.

Turkey Growers Make Plans For Fall

Plans for fall activities for the Turkey Growers were announced this week by Walter Bowman, president.

He said that due to conflicting dates the turkey festival dinner would not be held this year. Usually it was held the week-end before Labor Day. He said the group would have a booth at the Fair and planned also to participate as usual in the autumn glory train excursion.

County Remains Dry Despite Last Minute State Wide Bill

In spite of some divergence of opinion, it is probable that Garrett county will remain as Maryland's only "dry" area, where the sale of liquor is prohibited.

Doubt was raised in some quarters recently with the publication of the Acts of this year's legislature, and particularly with reference to House Bill 696, published in Chapter 683 of the compiled laws.

This bill, introduced by the Frederick county delegation, permits the sale of whiskey in hotels meeting certain minimum qualifications, and was introduced as a state-wide measure, excepting only Montgomery county from its provisions.

For this reason, some persons believed that under the new law a suitable hotel in this county could qualify for a liquor license. State Senator Bernard I. Gonder said he did not feel this was the case, however, as the new legislation merely added another chapter to the existing liquor laws, and the previous measures were still in effect.

In any event, it did not seem likely that anyone would be forthcoming with a qualifying hostelry. Among the stipulations were that the building must be at least three stories in height, contain not less than 100 rooms, maintain a dining room seating at least 125 persons and represent an investment of not less than half a million dollars. Annual license fee was set at $2,000.

Manslaughter Case To Be Heard Aug. 4

The trial of Elwood Dale Brown, 23, of Baltimore, charged with manslaughter by automobile, has been set for August 4 before Associate Judge Neil C. Fraley in the Circuit court at Oakland.

Brown, native of Vindex, faces the trial as a result of the death of Ira Everett Paugh, 28, of Vindex, in a one-car accident on State route 38 near Kitzmiller on June 27.

According to Tfc. Robert D. Henline, state police, who investigated, Brown failed to negotiate a curve on the highway and the car turned over several times before crashing into a tree. Both men were thrown from the 1950 model car, the trooper said, adding that the vehicle apparently was traveling at a high rate of speed. Paugh was instantly killed in the accident.

Brown was hospitalized with internal injuries and was served a warrant on the manslaughter charge following his discharge last week from Garrett County Memorial hospital. The warrant was issued by Trial Magistrate Robert M. Maroney.

Plenty Of Rain Tuesday

There was a generous downpour of rain on Tuesday evening which gave a mighty "shot in the arm" to growing crops. The week's weather otherwise was normal. There was a slight sprinkle of rain Sunday afternoon in the Oakland area. Days have been warm and the nights cool.

4 Teachers Resign; Positions Filled

Four resignations were accepted by the Board of Education at its meeting on July 8, and appointments were made to fill all vacancies.

Willard L. Hawkins, county superintendent of schools, said the total number of resignations was low and that the turnover thus far had reached only about seven percent. All teacher vacancies were filled, he said, and added that in the case of every replacement it had been made with a degree holding, fully qualified person.

Resignations accepted: Eugene Weese, Southern High school; Mrs. JoAnn Robinson, Northern High school; Mrs. Charleen Dryfield, Friendsville school; Miss Joyce E. Warnick, Grantsville school.

The following appointments were approved:

Russell Fitzgerald, Jr., to replace Mr. Weese at Southern. Mr. Fitzgerald was graduated from Frostburg State Teachers college and taught one year in North Hagerstown High school.

Lawrence K. Myers, who was granted a year's leave of absence, will return to Northern to fill the vacancy created by the resignation of Mrs. Robinson.

Russell J. Heyde, Jr., Washington, D. C., a June graduate of Frostburg State Teachers college, will replace Miss Warnick at Grantsville.

Mrs. Sally C. Butler, graduate of Frostburg State Teachers college, was appointed to replace Mrs. Mary Jo Dougherty at the route 40 school.

The Board also approved the transfer of Miss Arline Thacker from Northern High school to the Friendsville school to replace Mrs. Dryfield as a primary teacher.

Athletic Boosters To Meet

A meeting of the Athletic Boosters of Southern will be held on Thursday evening, July 23, at 8 o'clock, at the school, it was announced by Mrs. Samuel Butler, president.

The group will discuss means of raising money to care for some of the expense providing football shoes and insurance for the boys playing foothall. All parents of boys who will be out for football and other interested patrons are invited.

A Red terror wave was feared in Viet Nam. An army major and sergeant were killed

Deep Creek Crash Sinks Motor Boat

Two, Charged With Reckless Driving, Give Conflicting Stories

Charges against a Cumberland man and a Pittsburgher as the result of the collision of two motorboats last Thursday night on Deep Creek Lake were dismissed Saturday at a hearing before Trial Magistrate Robert M. Maroney, in Oakland.

C. Edgar Collier, Cumberland, and Gary R. Phirmann, Pittsburgh, were each charged with operating a boat in reckless manner after the crafts collided at about 9:45 p. m., Thursday near the Glendale bridge.

Collier's boat, the inboard motor type, was sunk in the accident and was submerged in some 30 to 40 feet of water. Phirmann's boat was damaged in the mishap but was able to be driven to a dock. His was an outboard motor craft.

Game Warden Robert Brown was patroling the lake at the time, and in view of conflicting testimony, charged both men with recklessness. Magistrate Maroney said he dismissed the charges since there were no other witnesses to the accident.

Attorney L. R. Jones, Oakland, represented Collier, while Phirman's attorney was Albert A. Doub, Cumberland. Court attaches indicated civil suits would be filed by each party.

Three other reckless operation cases involving motor boats on Deep Creek Lake were tried last week. Two of them were listed in last Thursday's issue. John D. Coleman, Frostburg, was fined $25 and costs following a hearing last Friday.

Regional Game Warden Joseph A. Minke said the patroling of the resort lake is becoming an increasingly difficult job. With a shoreline of some 75 miles there are between 2,600 and 2,700 licensed craft in the area, and other hundreds of sail and row boats which do not need licenses.

Only 1 patrol boat is available for Deep Creek Lake.

The increasing popularity of water skiing adds to the responsibility of the game wardens who must also watch for the safety of bathers as well as violators of the state's fishing laws, Minke stated. Violators of safety rules face fines ranging from $25 to $100.

The water is patrolled from early morning to well after dark, Minke said, since many water skiers have shown a preference for evening hours. He said this was particularly dangerous unless the operator of the boat keeps a close watch for other crafts and bathers.

The opening of the new Deep Creek Lake State Park has attracted many people to the area.

Veterinarian Here To Assist Dr. Custer

Dr. George A. Keck arrived here the 1st of July to assume duties as assistant to Dr. F. D. Custer at the Mountain Top Veterinary Hospital. Dr. Keck is a native of Pittsburgh, and is a graduate of the University of Pittsburgh with a degree as Bachelor of Science. He was a member of the Marine Corps during the Korean conflict, and then worked as a research assistant at Mellon institute. He received his Doctor of Veterinary Medicine degree from the University of Pa., in June 1959. Doctor and Mrs. Keck are residing in Mt. Lake Park.

Dr. Ochme, assistant to Dr. Custer for the past year, has accepted a position with the Department of Surgery and Medicine in the School of Veterinary Medicine at Kansas State University.

Town Water Supply Situation Critical

The town's water supply is in a critical situation, it was stated this morning by Henry W. McComas, member of the Oakland City council.

He said he and an engineer had made a test of the several wells and that the flow in all but one of them was far from satisfactory.

The town uses approximately 250,000 gallons per day, and the supply at present is less than that amount. The No. 5 well, best of the group, is producing 60 gallons per minute, but Mr. McComas said the other four wells were far below that amount.

He urged that residents be particularly careful in the use of water.

Home For Aged To Be Opened Near Grantsville

A new home for aged people of the area plans to receive its first guests this fall, it was announced this week by Goodwill Mennonite Home, Incorporated, of Grantsville.

The corporation is sponsored by the Castleman River Conservative Mennonite church. Purpose of the home is to give comfortable living conditions to aged people in a pleasant, Christian environment. Although being established and maintained by the Castleman River Mennonite church, the home is intended to be of service to the community and will receive guests who meet entrance requirements, regardless of their religious affiliation. The home is incorporated under the laws of the state of Maryland as a non-profit organization. Paul H. Yoder, Grantsville, president of the Board of Directors, said it would seek to maintain high standards of comfort for guests at reasonable rates.

Other members of the Board include Clark A. Yoder, Salisbury, Pa., vice-president; Alvin H. Yoder, Grantsville, secretary; Ervin H. Yoder, Bittinger, treasurer; Norman Bender, Springs, Pa., Floyd C. Bender, Meyersdale, Pa., and Simon D. Beachy, Meyersdale.

The large brick structure, built In 1914 and used for years as a children's home, has been completely renovated and remodeled. Old plumbing, heating and wiring have all been removed and new equipment installed. A new, modern kitchen, new floors, new bedroom furniture and complete refinishing of all rooms are all a part of the building program now near completion. The initial capacity of the home will be over twenty.

The home is located one mile north of Grantsville, on an elevated position overlooking farm lands and wooded areas of the Castleman river valley. It is easily accessible from two main highways serving the area, U. S. route 40 and U. S. route 219. The home is

A 5-minute drive from various churches in Grantsville. The Maple Glen Church, central meeting place of the congregation establishing the home, lies adjacent to the home property.

Opening dates as well as an open house and dedication services will be announced.

Win Convention Trip

Two Oakland men, Spencer Graham, district manager of Woodmen of the World Life Insurance society, and Walter Wayne Graham, field representative, will attend the society's 32nd national biennial convention July 20-23 in Minneapolis, Minn. Each man won the trip for himself and a guest.

More than 750 persons will attend Woodmen conventioners will participate in events of the famous Minneapolis Aquatennial during the sessions.

Guilty Of Theft

Ernest Warren Nazelrod and Junior Donald Friend pleaded guilty to the theft of clothing and other equipment from a property at Paradise Point, at a hearing this week in the office of Trial Magistrate Robert M. Maroney.

The information was furnished by Sheriff James E. Frantz, who had an attachment on the property.

Magistrate Maroney sentenced both to 30 days in the county jail but suspended the sentence upon condition that both pay $25 to cover the cost of the goods stolen. They have thirty days in which to make restitution.

Rabies in Foxes Is Confined to Potomac

Although there have been eight positive cases of rabies in foxes during the first half of 1959, all of them have been confined to one section. All have occurred along the Potomac river on the southeast side of Backbone mountain. Three of the cases occurred in June.

Dr. F. D. Custer, veterinarian, said that in no case had any persons been bitten. He said the foxes in most cases had acted in a peculiar manner, most of them appearing to be somewhat dazed. Some would be found around the front doors of homes, some were eating out of cats' meal bowls and others would be in the middle of highways, refusing to get out of the way of approaching automobiles.

Dr. Custer said the control of rabies, eventually was tied up in the enforcement of the dog ordinance.

A check on enforcement this week at the Court House revealed that the sheriff was in charge of enforcement and that he had sworn in two game wardens who would assist In the work.

Mrs. Virginia Fizer, clerk of the County Commissioners, also stated that the commissioners had made a request of the State Game and Inland Fish commission to provide a state trapper for the area in an attempt to trap all the foxes in the southern section of the county. She said James Beall, of Finzel, a state trapper, had been contacted.

To Move Law Offices

After at least seventy years in the same building, the law offices of Stuart F. Hamill and Stuart F. Hamill, Jr., are being moved from the Garrett National Bank building to a property on Alder street recently purchased by Mr. Hamill from Ray Teets. The property is adjacent to the U. S. Employment office and the office of Dr. E. I. Baumgartner.

There has been a Hamill in law offices In the bank building probably since the building was constructed in 1888. There was Gilmor S. Hamill, grandfather of S. F. Hamill, Jr. There was also G. Semmes Hamill, brother of S. F. Hamill, Sr. And S. F. Hamill Sr., has been there for many years and S. F. Hamill, Jr., for a lesser number.

The move is contemplated for the near future.

R. and P. Store Is Under New Direction

The Oakland R. and P. store is now under new management, it was announced. New owner is James J. Cropp, of Cumberland, who has been associated in similar businesses for eighteen years and with the Firestone Tire and Rubber company stores for the past seven years. He has been territorial manager with headquarters in Cumberland.

The store will continue to operate as the R. and P. Firestone store, although Mr. Cropp said he was extending several lines to make it a complete home and auto supply operation. The change became effective on Saturday, July 11.

Mr. Cropp is married and the father of four children. He is minister of music at the Second Baptist church In Cumberland, where his wife is organist.

Former owners, Herbert and Arvey Ritchie, were undecided about their future plans. Both planned to remain at the store for the balance of this month at least, to assist the new owner.

Mr. and Mrs. Cropp and family will continue to reside for the present in Cumberland.

Roads Chairman Will Visit County

That John Funk, chairman of the State Roads commission would visit Garrett county in August, was announced this week by Carl A. Schell, president of the County Commissioners.

Mr. Schell and other members of the board had a conference with the Roads commission In Baltimore on July 7th and discussed the possibility of accelerating the new state roads projects in this county.

The group also met with the budget and finance committee of the Legislative council and Joseph F. Kaylor, director of the Board of Forests and Parks. With the latter the Commissioners discussed the possibility of a national park and the building of additional cabins at Herrington Manor and New Germany. Also discussed was a concentration yard and wood working industry in the county.

Before returning to Oakland the group visited the surplus equipment depots of the U. S. army at Aberdeen, Jessup and Cowie Park.

Review of The Play

For many years prior to the advent of the talkies motion picture there was no form of public entertainment which was popular all over the United States. This was the theatrical enterprise known as the stock company. Many such groups were to be found in most of the large cities in America and Canada. A stock company may be defined as a troupe of actors originally attached to a particular theatre or group of theatres operating on a repertory basis with frequent changes of plays, in some cases weekly and other instances nightly. Many of the leading performers became prominent local favorites; in some instances their claim to fame resulted from lack of talent rather than its presence. A well known group in Brooklyn was headed by Corse Payton, who might remark as "The World's Worst Actor." In Baltimore there was a well known stock company located at the old Albaugh's theatre on Washington D. C. The Garrick Lounge another group.

In addition to resident companies there were countless numbers of stock organizations which played theatres in small and medium sized towns, usually for a one week stand. These companies produced mostly melodramas. Many of these plays may be said to consist largely of "corn", in other words a type of melodrama typified by "East Lynne", "Human Hearts", "Bertha The Beautiful Sewing Machine Girl", etc. I remember well two groups that visited Oakland when the Maryland theatre had touring companies. The Manhattan Players and The Harry Shannon Stock company.

In addition to the companies which played theatres, there were many so called ten-twenty and thirty cent groups which played under canvas. It is these latter that popularized the so called "Toby Show".

Much of the acting in these outdoor groups was highly stylized and perhaps poor theatre, but it provided clean, wholesome entertainment to the American people.

When Warner Brothers produced the "Jazz Singer" the death knell of the stock and repertory forms was sounded. Some few years later there came into being the so called "Straw Hat" or summer theatre which, because of economic reasons, evolved into a form of stock company. One of the better known of the groups were the University Players who played at Falmouth, on Cape Cod, in the summer, and in Baltimore during the winter for two seasons. These "Straw Hat" groups made it possible for young interested actors to get the privilege of playing before live audiences. It thus created a sort of workshop or laboratory for interested Thespians and technicians. Such operations require that its members be really on their toes since while they are playing one show, they are rehearsing a second one and reading a third. For this reason one should not be too critical of an occasional missed cue or slightly forgotten line.

In recent years though, the tendency has been for the abandoning of many of the stock set ups and the substitution of so called package shows.

The organization which Gene Vell has assembled as The Carrett County Playhouse is a true stock company, and as such has all the good things as well as some less desirable features resulting from the need for a change of bill each week.

This week there is being presented "Home At Seven" by R. C. Sheriff. This is a psychological drama which is concerned with an apparent case of amnesia. For some reason or other most British dramas of this type, and in my opinion these include certain of J. B. Priestly's, become somewhat involved and require too much credulity on the part of the listener. Anyhow, this week we have this opus which, in addition to being involved, is a somewhat difficult play to give a real satisfactory interpretation. It is not an easy show to act. However, everyone tries hard and gives it his best. The leads in "Home At Seven", are entrusted to E. J. Peaker and Gene Falcetta who play Mr. and Mrs. Preston, the couple involved in the dirty work at the crossroads. Both turned in good performances. On Tuesday night I believe Gene Falcetta had a tendency to underplay the part and hence did not show the threatened emotional breakdown under which the character was laboring.

Chris Curran as the wise local medical practicioner and Neil Flanagan as the understanding inspector of police both interpreted their roles in a satisfactory manner. George Randall played Major Watson, another blundering type of Britisher.

Completing the cast were Ray Caton and Sai Springwell, who as a frowsy barmaid provides the final answer to the principal question in the play.

As we stated this is not an easy play. There were perhaps a few missed cues, but the entire cast did well with the material at hand. Unfortunately I don't think R. C. Sherriff did right by our boys and girls this week.

Next week things should look up. "Time Out For Ginger" is an American comedy dealing with a very interesting American family, which is more our dish.

Man Is Pulled From New Germany Lake

A 73-year-old Meyersdale man was saved from drowning last Thursday when he developed stomach cramps while swimming in the Lake at New Germany.

District Forester William H. Johnson said Thomas McKenzie, of Meyersdale was in about 12 feet of water when the attack came. He was saved by James McKenzie, Grantsville, life guard.

Mr. McKenzie had gone beneath the surface of the water once. The life guard experienced no great difficulty and no artifical respiration was necessary. McKenzie was spending the day at New Germany. He is the fourth person rescued this summer in the state-owned areas in the county.

Receives Degree

Key Descendant Dies in Oakland

Miss Julia Mellenry Howard, aged 73, great granddaughter of Francis Scott Key, composer of the Star Spangled Banner and John Eager Howard soldier and statesman, died last Friday, July 10, in Garrett County Memorial hospital, Oakland.

Miss Howard resided at 105 Charlcote Road in Baltimore and had arrived about a week ago to spend the summer in Oakland. She had been a patient at the hospital for three days.

A native of Baltimore, Miss Howard, known locally as "Frances," was a daughter of the late McHenry and Julia Coleman Howard. Members of the Howard family had been coming to Oakland to spend the summer since 1859. They purchased their summer home on Alder street from a Mr. Stabler, which had been used as a hunting lodge, in 1859, and had occupied it every year since 1869. She was the eighth member of the family to die while residing at the summer home.

Older residents familiar with the family said the deceased was a confirmed hiker and had hiked up every mountain of importance in the Appalachian chain from Maine to Georgia and continued active until about ten years ago.

Miss Howard, before her retirement, taught at Bryn Mawr college in Baltimore for thirty-nine years.

The body was taken to the Jenkins Funeral home in Baltimore on Saturday afternoon and funeral services were conducted from her home on Monday afternoon.

She is the last member of the Howard family.

"After The Art Of The Apothecary"

— *(Author's Name Below) —

The Bible states that the holy anointing oil was made by the apothtcary using his special skill. The compounding of medicines is a special art learned after years of study and apprenticeship in a pharmacy.

Some of the medicines we dispense now-a-days are prepared in the laboratories of pharmaceutical firms, but we still must exercise our art by making certain they are potent when dispensed and exactly the ones specified. We compound many special mixtures, ointments, pills, suppositories and eye drops. We welcome your bringing us these important prescriptions requiring skill, knowledge and compounding time.

Ordered To Comply With Wage-Hour Law

The First National Bank of Friendsville has been directed to comply with provisions of the Fair Labor Act in an order signed last Friday by U. S. District Judge R. Dorsey Watkins.

The judgment was the result of a complaint filed by Secretary of Labor, James P. Mitchell, through the Solicitor of Labor. The bank is subject to Federal Wage-Hour regulations because it conducts a substantial portion of its business in interstate commerce.

Judge Watkin's order requires the bank to pay its employees the minimum wage of $1 an hour and time and one-half their regular rates after 40 hours in the week. The court also directed the employer to maintain adequate records.

The defendant agreed to the entry of the decree which restrains future violations.

The court action was based on an investigation of the company by the U. S. Labor Department's Wage and Hour Division, under the supervision of William Hargadine, Jr., Regional Director, Chambersburg, Penna.

When contacted about the above matter, R. E. Guard, president of the bank, stated that the difficulty arose because of the failure of certain employees to keep the records required by the provisions of the Wage and Hour law and that when it was called to the attention of the officers and directors correction was made at once. Proper records are now being kept and the Wage and Hour law complied with in every respect. No further difficulty is anticipated.

C. of C. Committees Named By Peters

Various committees have been named by Frank Peters, president of the Mt. Top Chamber of Commerce, that will carry on the work of the organization in the ensuing year.

The Chamber named Clint Englander to head the membership committee which has sixty members for its membership with increased merchant support. The possibility of reviving a mercantile day was discussed.

Howard Naylor was named to head the publicity committee, with the prime need being a display at the fair.

Other chairmen: sign, Willis Shaffer; finance, Frank McDaniel, with Irvin Feld and Irvin Rudy, Jr., as members; education and economics, Willard Hawkins, with Earl Zepp and Irvin Feld; autumn glory, Irvin Rudy, Jr., with Tom Cain; Christmas treat, Newt Coplin, with Charles L. Briner; mercantile, Newt Coplin, with Howard Naylor and Clint Englander.

Peters said the education and economics committee would explore and promulgate avenues for chamber participation in broadening educational and economic development of the area.

Peters said he hoped to get the group working effectively for the economic, educational and cultural benefit of the community. A study is to be made of the possibilities of a full time industrial promotion man. The County Commissioners now have the authority to employ a full time man for this purpose. Mr. Hawkins is to make a study and report at the next meeting of the board.

What D'ya Mean
FREE WIRING?

"That's a good question, Mister. I guess the simplest answer is: My Boss, the Monongahela Power Company will give you, absolutely FREE the wiring which is needed to make an electric range, water heater, or an electric clothes dryer work most efficiently. That is if you live in a single family house, and the installation is normal or standard.

"But that's not all, for regardless of where you live in Monongahela's service area, there's a wiring plan which will save you money."

"Does that mean I have to buy these appliances from your company?"

"Certainly not! It doesn't make any difference what dealer you buy from the proper plan will apply. And, sir, this FREE wiring goes a long way toward giving you full HOUSEPOWER which will help you to LIVE BETTER ELECTRICALLY in your home. Be sure to ask your Approved Live Better Electrically Dealer for full details when you buy an electric range, water heater, or an electric clothes dryer."

Married In Accident Church

Miss Hazel Ruth Kahl, daughter of Mr. and Mrs. Jonas Ranza Fazenbaker, of Accident, became the bride of Wayne O'Brien, of Swanton, on Sunday afternoon, June 14, at 2 o'clock at an open church wedding.

The Rev. William E. Carlson, pastor of St. Paul's Lutheran church, Accident, officiated at the double ring ceremony.

The altar was decorated with white gladioli, mums, ferns, palms and candelabra.

The bride, given in marriage by her father, wore a baby blue gown of imported Chantilly lace with Cathedral sleeves and round neckline. The finger tip veil of French illusion was attached to a queen's crown of iridescent sequins and pearls all of matching color to the gown. Her only jewelry was a single strand of pearls and matching earrings. The bride carried a white prayer book with lilies of the valley tied in love knots on white satin streamers topped with a white orchid.

The maid of honor Miss Eva Schroyer, wore a gown of nylon print of pastel pink and green and white background. She wore matching pink hat and pink lace gloves. She carried a cascade bouquet of pink carnations.

Miss Delores Mattingly was flower girl. Her dress was of white nylon. She wore a matching white hat and white gloves. She carried a basket of assorted flowers. Frank Ray Mattingly was best man. Edward Kahl, ring bearer, carried a white satin pillow with satin streamers on which both rings were tied. Ushers were Clayton Resh and Randall O'Brien.

The bride's mother chose a blue and white nylon print dress with a nylon chiffon overskirt with all white accessories. Her corsage was of white rosebuds. The groom's mother wore a blue and white silk print with blue and white accessories. She had a white rosebud corsage.

Wendell Eisentrout uncle of the bride, sang "O Promise Me," "Because," and "O Perfect Love." He was accompanied at the organ by Miss Kay Silber who played a program of music and traditional wedding marches.

A reception was held following the ceremony at the Accident Fire hall with some 175 guests attending. A five-tiered wedding cake with a miniature bride and groom centered the table. Mrs. Irene Vansickle, aunt of the bride, cut and served the cake. Mrs. Randall O'Brien and Miss Shirley O'Brien served the punch. Mrs. Margaret Hetrick poured coffee. The decorations were in blue and white.

The couple left immediately following the reception for a brief honeymoon.

The bride attended Accident High school and has been employed in the Garrett County Assessor's office for two years. The groom was graduated from Oakland High school and served two years in the armed forces during the Korean conflict. He was recently employed as a state surveyor and at present is employed by the Burkholder and Burkholder construction company.

Dearth Of Cooks?

Apparenty there is a dearth of cooks in the area.

The local office of the Department of Employment Security announced it was encountering much difficulty in securing qualified cooks for resturant work in local and lake establishments. There are immediate openings for cooks.

Teen Corner

By DICK CASTLOW

Hi! We sure had a bumper crop at Canteen last Friday night. There were visitors from Reisterstown and Pittsburgh and other points. We welcome the summer visitors. They add a little to each dance we have. They are very interesting to watch dance.

Next Friday, the 24th, we have an extra added attraction, Bob Brinker, the original Rockin' Robin, will be guest d.j. As you all know, Bob is in the army now. For the week when Bob comes up a special admission of 25 cents will be charged.

Tomorrow evening I hope to see every one of you at Teen Canteen. We will have a few dance contests and a lot of fun.

Remember, Saturday on Channel 12, we will feature kids from Teen Canteen on Boyland Bandstand. Any teenager who would like to go and appear on Bandstand tell me tomorrow night. We are taking a bus and will picnic at Cheat Park. Boyland Bandstand is on from 2:30 to 4:30. Anyone may go on this bus to Bandstand, ages 13 to 20. There will be chaperones.

See you all tomorrow night at Teen Canteen, Moose Hall, 8 'til 11. Top records, lots of fun.

Time Out For Ginger To Be 3rd Offering At Summer Theatre

"Time Out for Ginger," will be the third play for the Garrett County Playhouse, and will be presented next week, Tuesday through Saturday at the former Arden Boat club at McHenry. The play is all about teen-age problems.

This will be the first domestic comedy of the season. It had a long Broadway run, featuring Melvin Douglas, Steve McQueen, Phillip Loeb and Polly Rowles. The author, Ronald Alexander, is currently responsible for the TV show, "Too Young to go Steady."

Appearing for the first time will be Becky Singer, an academy actress and night club worker, of New York. She appeared last season at the Wagon Wheel playhouse in Warsaw, Ind., with Bonnie Easton, who was with the summer theatre here for two seasons. Miss Singer plays the part of the mother.

Also appearing will be Jennifer Yell, Sai Springwell, E. J. Peaker, Chris Curran, Sandy Holloway, Neil Flanagan, Sally Luten, Gene Falcetta, and George Randall.

Gene Yell, manager, said that by next week the capacity of the theatre would be enlarged to 295. The first week's total admissions reached 712, a gain of eighteen over the first week last year. One hundred forty-eight attended last night and the total thus far is 65 greater than the same period last year for the second week.

This week's play, "Home at Seven," a mystery drama, will continue to be presented the balance of this week.

State 4-H Club Week Dates Announced

State 4-H Club week will be held on the University of Maryland College Park campus this year from August 3 through August 8. The plans have been announced by W. Sherard Wilson, state club agent.

About 1100 4-H boys and girls from every county in Maryland are expected to attend the annual event, says Wilson. He adds that youngsters who wish to register for the Week should contact their county extension office by July 20. To be eligible, 4-Hers must have passed their 12th birthday Jan. 1.

Educational classes are offered in agriculture for boys and home economics for girls. Extra-curricular activities will include group singing, assemblies, and various types of recreation.

Revival Is Beginning

Revival meetings are starting Tuesday, July 21, at the Glendale United Pentecostal church. Services will begin at 7:45 o'clock. Rev. Ralph Jacks, the pastor will do the preaching. All are welcome.

Hoopengardner Reunion

The annual Hoopengarner reunion will be held July 26, at Troxell Tichnell's home. All relatives and friends are invited to attend. Bring a picnic lunch and spend the day.

Jury Being Selected For Payton Trial

The trial of eight textile union members charged in a dynamite conspiracy at Henderson, N. C., moved into the tedious process of selecting a jury.

One of the members involved was Boyd Payton of Charlotte, Carolina's director of the Textile Workers Union of America. Payton was formerly identified with union activities at the Celanese plant near Cumberland. He was a former resident of Mt Lake Park and is a graduate of Oakland High school.

The textile strike began Nov. 17 when negotiations for a new contract broke down over renewal of an arbitration clause. The two mills remained closed until February when they resumed operations on a one-shift basis and violence became so common that state highway patrolmen, then National Guardsmen, were sent to the city. The mills now are operating on a full three-shift basis, though the strike has not been settled.

Miss Steyer Weds A. W. Riley, Jr.

Miss Shirley Ann Steyer, daughter of Mr. and Mrs. Arthur W. Steyer, of White Church community, became the bride of Audley W. Riley, Jr., son of A. W. Riley also of White Church, and the late Elizabeth A. Riley, on Sunday June 28.

The double ring ceremony was performed at the Methodist White Church, with the Rev. Randall D. Prince, pastor, officiating.

The altar was decorated with arrangements of roses and carnations. Traditional wedding music was played by Mrs. Dale Mahaffey.

Miss Helen Steyer served as her sister's matron of honor.

Donald Harvey served as best man.

Following the ceremony a reception was held in the Community Hall. The bride's table featured a three tiered wedding cake, encircled by a flower ring of roses.

The bride is a graduate of Southern High School, class of 1959 Mr. Riley attended Southern High.

After a wedding trip to Virginia, the couple will reside in Loch Lynn.

Explorers Return From Philmont Scout Ranch

The eight Explorer scouts from Potomac council, along with their adviser, W. Kenneth Johns, returned to their homes Monday after a seventeen day trip to Philmont Scout ranch in New Mexico. Among the group were Porter Welch, Tom Forman and Buzz Updyke.

Enroute to the ranch the group took a sight-seeing tour of the Colorado Springs area which included the new air force academy, the Garden of the Gods and Pike's Peak. On the latter the boys found a large snowbank and took time out for a snowball battle.

The council delegation spent their time in the northern part of the 127,050 acre ranch. Mr. Johns indicated that the group hiked between 55 to 60 miles during their stay. Three pack burros were assigned to the group for most of the trip. "Contrary to popular opinion, our expedition had little difficulty with the Rock Mountain 'canaries' as they are called," Mr. Johns said.

The boys visited the Indian Writing's sector of the ranch. In recent years excavations have revealed that an Indian tribe lived in the region from 800 to 1400 A. D. At the present time a trained archaeologist and two assistants are working in the area uncovering data that will reveal information as to customs and way of life. Following a lecture on information uncovered to date the boys assisted in the excavations. After watching the archaeologist work with such tools as a table spoon, a whisk broom, a dust pan and a trowel, the boys agreed that this type of work requires tedious, painstaking care and patience, Johns said.

Excitement ran high shortly after midnight one night; a full grown black bear raided their chuck box at one of the base camps. After a few well-thrown rocks and sticks toward the intruder's direction, it disappeared but not before getting a package of bacon and a box of cookies. But it broke all the fresh eggs the group had, their first in eight days, since they had been having powdered eggs up to that time.

Commenting on the trip Mr Johns said he believed "this is an experience which every scout should have some day."

Arrangements for the expedition were made by Willis Smith, scout executive, Cumberland. The group traveled to Chicago via B. and O. railroad and then transferred to the Santa Fe for the trip to Raton, New Mexico. On the return trip the boys spent three hours in Kansas City. Total cost of the expedition was $155 per boy.

Bishop Powell To Be At St. Matthew's

The Rt. Rev. Noble C. Powell, D. D., Bishop of the Episcopal Diocese of Maryland, will be at St. Matthew's Church, Oakland, Sunday, July 19th, to confirm a class and to preach. He will celebrate Holy Communion at 8:00 A. M., assisted by the rector, the Rev. W. Shelby Walthall. Confirmation and sermon will be at 11:00 A. M.

Bishop Powell will present a God and Country Scout award to Douglas Cargo at the late morning service at St. Matthew's. This is a high Scout award and is received only after approval by the vestry of the Church and the rector. In addition to receiving a medal of achievement Douglas will have presented to him a letter from the Rev. Richard Harbour, Executive Secretary for Youth Work of the National Council of the Episcopal Church.

The public is invited.

Following the Sunday services Mr. Walthall will leave for Claggett Diocesan Center at Buckeystown, Maryland, where he is director of a children's camp for ten days. Others who will be with him on the staff include Miss Jeanne Schmidt, music director; Miss Sally Stanton, of Grantsville, camp nurse; and Douglas Cargo, counsellor for boys.

Beef Cattle Field Day Scheduled Near Grafton

A West Virginia Beef Cattle field day, sponsored by the West Virginia Angus association, will be held July 25, on the Lake Breeze farm near Grafton. Beef cattle and parties interested in beef cattle are invited.

McLaughlin Moves To Bank Building

George McLaughlin, certified public accountant who opened an office in the William-James hotel in Oakland just ten year ago, moved Tuesday to a new office in the Garrett National Bank building.

In charge of the Oakland office will be Dale E. Evans graduate of Southern High school, 1956. Evans is now taking a course of International Accountants Society, Chicago, tieing in with on-the-job training leading to a CPA examination in 1961. He married the former Shirley Ritchie and they have one son David.

Mr. McLaughlin will continue to divide his time between Oakland and Elkins, usually being in Oakland the latter half of the week. He opened his Elkins office in 1939. Ten years ago he built a cottage on Deep Creek Lake which he has used as his office during the summer and fall months. He has two full time employes in his Elkins office.

Mr. McLaughlin has been treasurer of the First Baptist church in Elkins for nineteen years, is past president of the Elkins Rotary club, has five sons and a daughter, one son in the USAF academy, one preparing to attend West Virginia university, and four in the public schools in Elkins. He was in Elkins yesterday attending a meeting of the Elkins YMCA board of trustees of which he is president.

NEWS FROM THE Ruth Enlow Library

BY EDITH BROCK

Books have been given to the library recently in memory of Mrs. Ray Feld, Mrs. Cecelia Griffith Cole, and Miss Juha McHenry Howard.

Mr. and Mrs. Arthur Calhoun, Glenna DeWitt, Mr. and Mrs. F. A. Smouse, Mr. and Mrs. Edward Smouse, Dr. and Mrs. H. R. Gibson, Mrs. Mary Bolden, Mrs. John A. Michael, Sr. and family and the J. A. Holloway family have donated books to the library this week.

An exhibit of books on summer sports feature "Water Skiing" by Dick Pope, "Complete Boating Handbook" by Robert Scharff, "Complete Book of Fly Fishing" by Joe Brooks, "Science of Skin and Scuba Diving" and several other new books on sports.

Homemaker Dates Listed

Dates for meetings of Homemaker clubs for the ensuing week were announced by Miss Ethel Grove, home demonstration agent.

July 20, Mt. View club, 8 p. m., home of Mrs. Cecil Sebold and Mrs. Emerson Sebold. Mrs. William Kamp will give the demonstration on resurfacing worn linoleum. Mrs. Joseph Wengerd will give the report on mass feeding.

July 21, Hoyes club, 1:30 p. m., home of Mrs. W. W. DeWitt. Mrs. DeWitt and Mrs. Catherine McCrobie will give the demonstration. Mrs. Montell Friend will give the report.

The county clubs plan to cooperate in national safety week. Besides falls in the home and safety on the highway the clubs plan to feature safety in their annual achievement day program to be held in October, safety from fires. Mrs. Russell Klotz, Friendsville is county safety chairman.

Safety week emphasizes that "Safety Makes Sense." Extension workers are helping to reduce the toll of farm accidents by helping farm families to include safety in their daily work and leisure.

Compare Notes On Farm Implements

Twenty years ago this type of picture couldn't have been taken. Twenty years ago when the Farming For Better Living program was started, Roscoe Swiger (center) was a high school student in Rowlesburg, West Virginia, and his father, A. E. (right) was a sawyer on a band saw mill at Erwin. Now they are one of the leading Farming For Better Living families in Garrett County—and they are shown here comparing notes with County Agent James McHenry, who, incidentally, twenty years ago also was a high school pupil in Cumberland. A. E. Swiger bought his 191 acre farm in 1945. When he came here from West Virginia, he brought several teams of horses with him, but soon sold them and bought a tractor. The rail fence on the farm was replaced on the perimeter with four-strand barbed wire, on the inside with electric fence. The Swiger farm was one of the first to have 200 ampere electric service, an improvement that made possible use of an electric hay dryer, use of a welder in the farm workshop, and many other changes. Walking back in the field that Rocky had just plowed when the picture was taken, A. E. pointed out another change mechanization had brought about—a deeper plow bite and resultant better plant growth. Horse drawn plows rarely penetrated more than six inches—pulled up shallow when obstacles were hit; tractor drawn plows bite down ten or more inches, tear up stones, deep roots, and new soil—all this with more speed and less temperament.

The Swiger family has regularly enrolled in Farming for Beetter Living during each of the twelve years it has been operating in Garrett County.

Powell To Visit Episcopal Missions

The RT. REV. Noble C. Powell Episcopal Bishop of Maryland will make his annual visitation to the Garrett County Diocesan Missions, Sunday, July 19th. He will be assisted by the Rev. Thomas P. Stagg, newly appointed Vicar to the Missions.

At 9:30 a. m. Bishop Powell will be at Our Father's House, Altamont-Wilson, to administer the Sacrament of Holy Baptism and preach the sermon. He will baptize Dwayne Earl Boyce, infant son of Mr. and Mrs. Earl L. Boyce, Wilson.

Our Father's House commonly called The Log Church is on the Deer Park-Kitzmiller road. It is one of the few remaining log Churches in the eastern United States, and is a favorite spot for Sunday worship for visitors to Deep Creek Lake. J. Clark Middleton, of Turkey Neck, Deep Creek Lake, is organist.

At 3:00 p. m. Bishop Powell will visit St. Paul's Chapel, Swanton, to administer the Sacrament of Holy Baptism and to preach the sermon. He will baptize Daniel Raymond Paugh, son of Mr. and Mrs. Junior K. Paugh, Baltimore.

At 7:30 p. m. Bishop Powell will visit St. John's Church, Deer Park, to administer the Holy and Apostolic Sacrament of Confirmation and to preach the sermon. Those who have successfully completed the course of instruction and will be Confirmed by Bishop Powell are Mrs. Earl Hinebaugh, Jr., and Miss Sharon Madigan. Mr. Joseph L. Derry, organist and instructor of music at Valley High School, Lonaconing, will play.

An informal reception for Bishop Powell and the newly confirmed members will be held on the Church lawn at Deer Park following the service. Members and friends of all of the Missions are invited. In case of rain the reception will be held in the Church. Mrs. Harrison Thrasher is the Chairman of the committee to provide refreshments and is being assisted by Mrs. Cora Belle Marley, Mrs. Minnie Hinebaugh, Mrs. Eugene Jones, Mrs. Earl Hinebaugh, Jr., and Miss Rhea Belle George.

Women's fall fashions are to stress the feminine look.

The paratrooper has faith in his "chute." The motorist has faith in his brakes. The shopper has faith in the brand-name she buys. All of us exercise our faith a hundred times a day.

Religious faith is like its every-day cousin. It is the same implicit reliance . . . the same daring confidence.

Religious faith comes when we seek it. But there is always the *leap.* Man has to step from his worldly floor into the spiritual *space* where God reveals his power and love. He must decide to believe what he cannot prove!

Like the leap of the paratrooper, the leap of faith begins months earlier in careful training.

The day a family starts to attend Church regularly . . . the training begins.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

Bible Material: Ruth.
Devotional Reading: Isaiah 58:6-11.

All His Children

Lesson for July 19, 1959

THE "BOOK" of Ruth is a very short one. It could easily be printed in fairly large type on one page of a newspaper with room to spare. But it is a mistake to judge writings by their length, otherwise the Congressional Record would be the world's literary masterpiece, and Lincoln's Gettysburg Address a worthless trifle. As a story, the book of Ruth has a great charm. It is one of those parts of the Bible which we might call God's extras, something which could have been left out, but which, once we have it, we would not part with.

Dr. Foreman

Ways to Read Ruth

One can read this little tale of long ago just as a tale and enjoy its simplicity and beauty. Or one can find in it much sociological interest, what marriage meant in those far-off days, what provisions were made for the very poor, and so forth. One can also enjoy and learn something from the characters described in it, each one sketched in a few revealing words. The author is strangely modern at this point. Writers today seldom use adjectives (such as heroic, brutal, clever, or what not) about their characters; they just let us see them and judge for ourselves. So it is in the book of Ruth. But the way we propose to look at "Ruth" is this: the book shows with quiet simplicity how the very kinds of people many of us are inclined to look down on or shy away from, are God's children.

Plain People

There is another book in the Bible telling about the times when the characters in the story of Ruth were alive: it is the Book of Judges. It is full of hero-stories. But none of those heroes appears on the pages of "Ruth" and none of the characters in "Ruth" are mentioned in the tales of blood and battle that make up the Book of Judges. Apart from all the fame and the glory, apart from the people who nowadays would make the headlines, lived the simple farmers and poor people whom Ruth knew. You might get the idea from reading Judges that God is interested only in brilliant, exceptional people, great leaders and heroes. But the book of Ruth brings out the point, for the thoughtful reader, that God has just as much interest in the humble as in the great and famous. His children are everywhere.

The Foreigner

It was written in the Hebrew law that certain foreigners were not to be welcomed, not to be treated as equals, not to be married by a Hebrew. Moabites were especially to be kept apart. No descendant of a Moabite, to the tenth generation, was to be accepted as a member of the "congregation" of Israel. Yet first Mahlon and then Boaz married this Moabite girl. Boaz knew she was a foreigner, but his question was not: What is her nationality? but, What kind of woman is she? Boaz was one of those rare people who are kinder than any law requires; who look on people as individuals, not as members of a (perhaps hated) group. It is hard for us today to think of God as having children in Viet-Nam and Czecho-Slovakia and Thailand and other "outlandish" places. But he does!

In-Laws

The most impressive and solemn expression of the devotion of one person to another is found here in the book of Ruth. Strangely enough (some would think) it is addressed to a mother-in-law. How down-to-earth the Bible is! Many people think of in-laws as either away off yonder, a strange tribe, or else as an interfering lot when they live too close. They have status only because they are married to some of US. Nothing could be more absurd. God's children are your in-laws just as much as your "own" people. This particular in-law—or we ought to say, this pair of them—were closer, more helpful to each other and more understanding than their own flesh and blood. There may be undiscovered treasures among your in-laws!

CARD OF THANKS

We would like to take this means to express to our many friends, our sincere thanks for their help, gifts, flowers, cards and expressions of sympathy during the illness and following the death of our father, Floyd Lee. Especially do we want to thank the women of St. John's Lutheran church, Red House, for their thoughtfulness for serving the family lunch on the day of the funeral.

Reunion Is Held

The fourth annual Kempton reunion was held Sunday, July 5, at Silver Lake Park with 350 present.

A brief business session followed the basket lunch with Harry Bayless, of Oakland, president in charge. New officers include: Asa Lewis, Oakland, president; Cecil O. Kitt, Royalton, Pa., vice president; Mrs. James Morris, Morgantown, W. Va., secretary; Mrs. Toby Cook, re-elected treasurer.

Mrs. Sallie Stowers received a gift for the oldest former Kempton resident present. She is 88 years of age. A gift to the youngest child went to Susan Lee Cassidy, age two months, daughter of Mr. and Mrs. Elmer Cassidy, Lewistown, Pa. Recognition for coming the greatest distance went to Alice Jean Martin, Fort Lauderdale, Fla., and Mr. and Mrs. Charles Milkint of Auburndale, Fla. The next reunion will be held at Silver Lake Park on July 11, 1960.

CARD OF THANKS

We desire to express our sincere thanks and appreciation to all our friends and neighbors for their kindness and helpfulness during the illness and following the death of our father, the late George Wellbaum.

We also want to thank all who gave flowers and contributed the use of their automobiles for the funeral service.

TRUSTEES' SALE

OF VALUABLE

Farm Lands & Farm Personal Property

Situate near Deer Park, in Garrett County, Maryland

As Trustees and Attorneys for Mary Drazul Zachar and Stephen L. Zachar, her husband, and Paul Walla and Mary Walla, his wife, the owners of the hereinafter described property, and by virtue of the powers vested in us by a deed from the said owners, dated June 6, 1959, and to be recorded among the Land Records of Garrett County, Maryland, we hereby give notice that on

SATURDAY, AUGUST 1, 1959

At the Hour of 1:30 o'clock P. M. Daylight Saving Time

in front of the residence on the hereinafter described farm near Deer Park, we will offer for sale and sell to the highest bidders all of the following land and personal property of the aforesaid owners:

LAND: All that farm or tract of land situate in Election District No. 10 of Garrett County, Maryland, near the Town of Deer Park, containing in all 463.12 acres, more or less, and comprising the remainder of what was formerly known as the Charles A. Ashby Farm, and being the same property which was conveyed by deed from J. Edward Helbig and wife to Mary Drazul, and others, dated September 10, 1949, and recorded in Liber R.L.D. No. 157, folio 71, one of the Land Records of Garrett County, Maryland, title to which is now vested in the aforesaid owners.

Said property is subject to a right-of-way for pipe line running from the B. and O. Railroad to Boiling Spring, granted by previous conveyances, and certain rights which the Baltimore and Ohio Railroad has with respect to the waters of the Little Youghiogheny River, as also set forth in previous conveyances, and to the personal privilege to J. Edward Helbig and wife to use jointly water from a certain spring on said property. There is also reserved to the owners, their heirs and assigns, all of the oil, gas or other minerals in or under said land, together with all usual and customary rights, rights-of-way and privileges necessary and convenient for the removal and marketing of the same and, in particular, all the rights to a certain lease from the owners to Cumberland and Allegheny Gas company, dated February 6, 1959, and recorded in Liber R.L.D. No. 229, folio 297, one of the Land Records of Garrett County, Maryland, as set forth in the aforesaid deed from the owners to the Trustees.

Said farm is improved by an eight-room dwelling with two baths, full basement, having a coal furnace with hot water heat, and an electric hot water heater, said dwelling being in a good state of repair. There are also two cattle sheds, machinery sheds and other outbuildings on said farm.

PERSONAL PROPERTY: After the sale of said farm, the following personal property will be offered for sale:

One 1949 Ford F-5 Truck, 1 1949 Ferguson Tractor, 1 International Tractor, Model H, 1 Ferguson Manure Spreader, 1 Double-disk Harrow, 1 Ferguson Double Plow, 1 Ferguson 6-foot Mower, 1 Grain Drill, 1 Hay Wagon on Rubber Wheels, 1 Threshing Machine, 1 hay Loader, 1 corn Binder, 1 lime Spreader, 1 potato Digger, 1 Case Hammer Mill, 1 ensilage Cutter, 1 50-ft. 6-in. Belt, approximately 40 bushels Wheat, lot Oats, lot oats Straw in bales, lot cement Blocks, 9 aluminum Windows, 1 lot of Window Glass, 1 14-cubic foot Deep Freezer, 1 Washing Machine, and other miscellaneous farm equipment, machinery and tools too numerous to mention.

TERMS OF SALE: Land—One-third cash on day of sale and balance within thirty days thereafter. Trustees reserve the right to reject any and all bids on said real estate.

Personal Property—Cash on day of sale.

Deed for the real estate will be executed and delivered immediately upon payment of the full purchase price.

Interested parties may obtain further information relative to the above described property by applying to the Trustees at their respective offices in Oakland, Maryland.

NOTICE

NOTICE IS HEREBY GIVEN that on July 6, 1959, at a regular meeting, the Mayor and Town Council of Oakland, Garrett County, Maryland, adopted a Resolution to amend Sections 461 and 462 of the Town Charter, as follows:

RESOLUTION of the Mayor and Town Council of Oakland, adopted pursuant to the authority of Article 11-F of the Constitution of Maryland and Section 13 of Article 23-A of the Annotated Code of Maryland (1957 Edition), title: "Corporations — Municipal", to amend Section 461 of the Code of Public Local Laws of Garrett County (1957 Edition), said Code being Article 12 of the Code of Public Local Laws of Maryland and said Sections being part of the Charter of the Town of Oakland, applicable only to said Town, so as to amend said Section 461 to authorize the Mayor and Town Council to levy and collect taxes without limitation as to rate or amount on all taxable property to pay the principal of and interest on all indebtedness incurred by the Town pursuant to said Section 462, notwithstanding the limitation on the taxing power of the Town contained in said Section 481, and so as to repeal the limitation on the borrowing power of the Mayor and Town Council of Oakland contained in said Section 462 and to substitute in lieu thereof authority in said Mayor and Town Council to borrow money and issue bonds pursuant to the authority of, and in the manner prescribed by, Sections 31 to 39, inclusive, of said Article 23-A of the Annotated Code of Maryland (1957 Edition), as said Sections now exist or may hereafter from time to time be amended, subject to the limitation that if any proposed borrowing pursuant to such authority will increase the indebtedness of the Town beyond twelve per centum (12%) of the value of all taxable property in the Town, then such borrowing must first be referred to the qualified voters of the Town for approval or disapproval.

A complete copy of said Resolution may be examined at the Town office during regular business hours.

Sermonette By Area Ministers

By REV. G. A. LEROY
Kitzmiller Assembly of God
The Godly Man

"For bodily exercise profiteth little; but godliness is profitable unto all things, having promise of the life that now is, and of that which is to come." (I Tim. 4:8)

Having candidly admitted that "bodily exercise profiteth" materially and in this life, we find that the next phrase in this passage renders the first comparative only: "But godliness is profitable unto all things, having promise of the life that now is and that which is to come."

How wonderful it is to know that godliness not only contributes to the growth and development of the natural man, but it keeps him spiritually alert and active and holds promise for the life which is to come.

We all know that "bodily exercise", or the effort of the natural man goes far enough to supply many temporal needs of the individual and many admirable traits of character; but there is another 'exercise' that is profitable unto all things." Spiritual exercise accomplishes all that "bodily exercise" can do and much more; for godliness insures the eternal salvation of man.

The Gospel according to St. Matthew, chapter 19, describes to us a young man who was a model of purity. He had kept the law from his youth up and was regarded no doubt as a perfect example of integrity and success. His physical attractions and his personality were above the average. But we are perhaps told this story mainly to prove that without the second birth, the most exemplary person is spiritually lost and without hope.

When this rich young man asked, "What lack I yet?" Christ laid His hand on the one thing that meant most to him—his wealth. When Christ asked for this most precious possession, it was the supreme test of the young man's sincerity. If he trully wanted Christ, he must leave all and follow Him. The Master, knowing the particular weakness of the young man, laid His Hand upon that weakness and said: "Go, give it away and come and follow me." Not that Christ would have actually required this of him. It was probably a mere test of the young man's sincerity.

This eminently virtuous person went away sorrowful. And why? Not merely because he was wealthy, but because he loved his wealth more than he loved Christ.

This story proves that no matter how naturally righteous one may appear, every man must be reborn to inherit the kingdom. Christ said in Matthew 19:17: "There is none good, but one." None are good enough to inherit eternal life without regeneration, for "All have sinned and come short of the glory of God."

Fishing Success In Lake Scattered

Fishing success was scattered throughout the previous week, according to the weekly report of Cecil C. Edwards, fish culturist assistant. There were catches of walleye, chain pickerel, large mouth and smallmouth bass, yellow perch and bluegills reported. Trolling with spinners seemed to be the most successful method of catching the larger fish.

Among the successes:

Linn Phillips, three nice walleyes, one 28 inches and weighing 8 pounds and 10 onnces, two 18 inches and 16 inches, taken on "Abu" spinners while trolling near Beckman's peninsula, C. M. Waltz, Jr., Sykesville, caught another 23½ inches near Meadow Mountain.

Kerwin Sipe, York, Pa., got an 18 inch walleye and D. L. Crabb, Pittsburgh, a 17 inch, both caught near Shingle Camp hollow by trolled spinners.

Charles Shilke, Bedford, Pa., caught a four pound largemouth 20 inches long and two smallmouth of 15 and 12 at Penn Point, all with different bait. Paul and Bruce Frazee, Erie, Pa., caught four pickerel, two 22 inches, one 19 and one 17, and two northern pike 17½ and 16.

Jack Wotring, Kingwood, caught a chain pickerel 20 inches long. A five pound, 21 inch smallmouth was taken on a crayfish by Delbert Nicholson, Smithdale, Pa., near Glendale bridge, and a 20-inch, 4½ pound smallmouth at Hazelhurst by W. V. Fair, Cleveland.

Neil Wolfe, Bruceton, caught three nice smallmouth. Two fishermen interviewed near Penn Point had creeled five smallmouth from 10 to 14 inches, 7 yellow perch and a black crappie, plus a 19-inch pickerel. Three fishermen in Green Glade area had 12 yellow perch, four pickerel, two smallmouth and two brown bullheads.

A Louisiana gang that peddled counterfeit treasury checks on wholesale basis was broken up by the FBI.

Letter To The Editor - - - -

(The editor of The Republican is vacationing this week and the "editorial" will consist of a letter to him—or more likely it will consist of no editorial at all.)

Dear George:

While you are basking at the sea shore, the rest of us on the mountain top are doing our best to keep the wheels turning.

You will probably find this the most casual editorial ever written. In fact, you might find this the most casual newspaper ever produced.

This is not by accident. Too many times, and for too long, we often take ourselves too seriously. This is the time of the year, in the doldrums of summer, when a light touch is as refreshing as a dip in the Atlantic Ocean.

But when we say casual, we don't mean that the serious news stories will not be complete, factual and, we earnestly hope, accurate. In other words, up to The Republican's standards.

But, George, if you think we are going to sit here in the heat and beat our brains out while you are sitting at Rehoboth Beach—well, all we can say is—you are right!

Enjoy your vacation—you deserve it—our turn is next!

Sterling Processing Co. Picnic Big Day For Everyone But The Chickens

Half a ton of chicken is a lot of birds—but that's about what went down the hatch of six hundred employees and guests Saturday afternoon. The occasion? The annual picnic of members of the staff of the Sterling Processing Company in Oakland.

Besides members of the employees' families, the invitation list included members of the State Legislature, the Oakland Town Council, the County Commissioners and others.

The chickens, products of Sterling's own local plant, were barbecued on a specially constructed pit behind the Swallow Falls pavilion, where the affair was held. Some 300 fowl were used, besides the necessary complement of potato salad and other picnic delicacies.

The Sterling plant, which has been an Oakland industry for some five years, holds the annual outing for its staff and guests. According to Earl Wise, manager of the plant here, out of town officials included J. W. Ruby, Sterling president; A. B. Summers, vice-president; Paul Styles, director of Industrial relations, and Frank O'Malley, all of Morgantown.

Barbecue superintendent was Russell Thomas, of Reedsville, W. Va.

Directors To Meet

The Board of Directors of the Mt. Top Chamber of Commerce will meet Monday, July 27, in the Directors' room of the First National Bank at 8:00 p. m., it was announced by Frank Peters, president.

Peters said objectives for the coming year would be discussed and that a work program would be formulated.

Town Water Supply Not Helped by Rain

In spite of numerous showers over the week-end, the condition of the town's water supply remains critical, according to Henry W. McComas, chairman of the Water committee of the Town Council.

Mr. McComas said a prolonged period of steady rain would be necessary to raise the level of the town's wells to a normal level, the recent rains not penetrating more than a few inches into the ground.

At the present time, the town is consuming more water than the wells are producing. However, Mr. McComas commented that judging from current consumption, water users were responding to the appeal from town officials to conserve water for only essential uses.

Participate In Workshop

Six Western Maryland high school students, members of the University of Maryland High School Band and Choral Workshops, recently spent a week at College Park attending a music workshop sponsored by the College of Music.

In the picture above are shown First row, from left, Sam Gordon, Hagerstown, band; John Updyke, Oakland, band; Peggy McBee, Hancock chorus. Second row, William Borgwald, Oakland, chorus; Jeannine Richardson, Frostburg, chorus; and Bonnie Vitez, Friendsville chorus.

Also attending was Mrs. Lucille Sines, Bruce H. Price at North ern High school.

Annual Deep Creek Regatta Set For This Week-End

All defending champions will participate in the annual Deep Creek Yacht Club Regatta Saturday and Sunday.

The 1958 winners, however, may not find "smooth sailing" as club commodore John F. Schaidt of Cumberland reports that some of the East's hottest skippers plan to participate in the four-event, two-day show.

Races will start Saturday at 11 a. m., with a Flying Scot event. Thistles, Snipes and Rebels follow in that order at 15-minute intervals. Second races will start at 2 p. m., in the same order while the third and final of the series are set for Sunday, getting under way at 10:15 a. m.

Individual first, second and third-place trophies will be given in each event in which ten or more yachts participate. A first-place trophy only will be awarded in any class with less than six boats taking part. An Inscribed Maryland Snipe championship trophy will be retained by the Yacht Club of the winner for one year.

Last year's champs were Howard N. Richards of Oakville, Ontario, Canada (Maryland Snipe title); Ludwig Fromme, Toledo, Ohio (Maryland Rebel); D. C. Beelar, Washington, D. C. (Deep Creek Lake Thistle), and Gordon (Sandy) Donglass, Oakland, Md. (Maryland Flying Scot).

George S. (Stovey) Brown of the Deep Creek and Baltimore Yacht Clubs, who has taken part in a number of the Garrett races, winning the 1955 Snipe championship, is among the topnotch entrants. Brown, former national junior champ, represented the United States in the Snipe events during the recent North American Championships in Bermuda.

Entries have been received from skippers in Canada, New England, New Jersey, New York, Pennsylvania, Ohio and Indiana as well as Baltimore, Washington, Annapolis, West Virginia, Virginia and the Chesapeake Bay area. When the starting gun sounds Saturday, at least 50 yachts are expected to be in the field for the four separate events.

Fred Steiding, Cumberland, is chairman of the Regatta Committee. Bill German, Cumberland, heads the racing committee.

David H. (Jock) Murrie of Harrisburg, former Cumberland newspaper and radio man, is serving as publicity director for the 1959 two-day spectacle.

Entries Are Received For Tennis Tourney

Entries are beginning to come in for the 38th annual Western Maryland Tennis Tournament, to be held at Mt. Lake Park August 4 through 8.

Among those who have filed entries are Joe Bader, Asa Mannes and Fred Killmeyer, of Charleston, W. Va.; Red Brown, Morgantown; Franco Fiorio, Arlington, Va.; Lawrence Middleeamp, Adelphia, Md.; Robert Bennett and son; Mrs. Robert Bennett, Pittsburgh; Alex Kelles, Washington, D. C. and Earl Brown, also of Washington.

Several of the entrants are veterans of the tournaments. Other entries will be received during the weeks before the event.

On the social side, the Wally Gingers Orchestra, from Uniontown, has been engaged for the Tennis dance, held Saturday night of tennis week.

This is a 10-piece ensemble and has played at the Covered Wagon Inn near Philadelphia, Rustic Cabin night club, Englewood, N. J. Melody Mill ball room in Chicago, Aragon room in Cleveland, Ohio. The band has recently returned from a four weeks' engagement at Roseland ball room in New York City.

Glotfelty Reunion Held

Some 350 persons attended the annual Glotfelty reunion on Sunday at the Fred Glotfelty farm, north of Oakland. Many sections of the country were represented.

Prizes were awarded to three families tieing for having the largest number of children present, each with eight. They were Mr. and Mrs. Wilbur Bowser, Accident; Mr. and Mrs. Beeson Glotfelty, Oakland, and Mr. and Mrs. Paul Glotfelty, Oakland.

Officers of the clan are Mason Glotfelty, chairman; Mrs. Kermit Glotfelty, secretary; Fred Glotfelty, treasurer; Roy Glotfelty, Hubert Glotfelty, Robert L. Glotfelty and Gerald Glotfelty, members of the committee.

Will Teach At Southern

Russell Fitzgerald, Jr., has accepted an assignment as instructor in the field of social studies at Southern High School for the coming year. Mr. Fitzgerald was graduated from Bruce High School and from the Frostburg State Teachers College. He held a position as history teacher in the North Hagerstown High School for one year, and then went to work at the Luke Paper Mill.

Mr. Fitzgerald has special interests in music, dramatics, and athletics. He is married and has one child. Mr. Fitzgerald and family plan to move to Oakland as soon as suitable housing can be found. The Fitzgeralds are members of the Methodist Church.

"John Loves Mary" Next At Playhouse

DOROTHY STICKNEY
Hers Is A Lovely Light

With this week's production of "John Loves Mary," the Garrett County Playhouse reaches the halfway point in its regular schedule of eight plays in eight weeks. Theatre goers this summer will have an opportunity to see Dorothy Stickney, well known Broadway actress, in her one woman show, "A Lovely Light," the week of August 31st through September 5th, also at the Garrett County Playhouse.

"John Loves Mary" is a post war comedy of marital mishaps and military mix-ups. Written by Norman Krasna, the play will be performed for five nights starting Tuesday, July 28.

Set in New York, the play opens with John Lawrence's return from overseas bringing with him a bride for his best buddy, Fred Taylor. When he learns Fred has already taken a wife, the complications, confusion, and laughter mount. High placed Washington, D. C. politicians and the U. S. Army are called in and eventually get the situation "well in hand."

John is played by Cris Curran; Fred by Neil Flanagan; Senator James McKinley, Gene Falecita; Hartwood Biddle, George Randall; George Beechwood, Ray Caton; Lt. Victor O'Leary, Sandy Holloway.

Mary McKibley is played by Sai Springwell; Mrs. Phyllis McKinley by E. J. Peaker; Lily Herbish, Rebecca Singer; Mrs. Bertha Dugan, Sallie Lutin.

The play will run Tuesday through Saturday, beginning at 8:30 p. m., at the Garrett County Playhouse on the shores of Deep Creek Lake, Maryland.

Reservations may be made by dialing Deerfield 4-4881.

To Attend Sessions On Education Study

Kenneth Johns, principal of Southern High School, will attend a special meeting of the State Committee for the Study of Secondary Education in Maryland in Baltimore next Tuesday.

Mr. Johns, who was named as Garrett County's representative last winter, has been appointed to the Junior High School Subcommittee. This will be the second meeting of this particular group. Prior to the formation of this subcommittee, two general sessions were held with all committees.

Acting as consultant for the group is Dr. Howard Gaffney, of Harvard University. Dr. Gaffney is closely associated with Dr. James Conant who recently published a comprehensive study, "The American High School Today."

Mr. Johns indicated that the purpose of the meeting on Tuesday will be to write a philosophy and list the objectives of the Junior High School.

Local Scouts Take Life-Saving Course

Seven local explorer scouts are presently engaged in a special swimming life saving program at Camp Whitethorn.

Kenneth Johns, advisor to Post 31, explained that the instruction was arranged through Mason Callis, local water safety chairman for the American Red Cross and Chester Johns, director of the local youth camp.

Instructor for the course is Miss Anne French, a recent graduate of Notre Dame College in Baltimore. Miss French holds an American Red Cross swimming and life-saving instructor's certificate and is employed as water front director at Camp Whitethorn and Minnetoska.

Upon the successful completion of the seventeen-hour course these young men will be awarded an American Red Cross life-saving certificate. Two of the boys will be awarded a Junior Life Saving Certificate while the remaining five will receive a Senior Life Saving Certificate. "While the length of period of instruction is slightly longer for the latter group, the primary difference is the age limitation," Kenneth Johns said. "A boy must be sixteen years of age to qualify for the Senior Life Saving Certificate. Not only will this instruction benefit the individual boy's knowledge of water safety, but it may save another person's life someday," the post adviser said. "Also, it may give employment to some Garrett County boy around the lake or elsewhere in future summers."

Mr. Johns also expressed his appreciation to the camp staff for giving their time and use of camp facilities for the program.

Those taking the course are: Junior Life Saving—Porter Welch and Stewart Gray; Senior Life Saving—Brookie Brookhart, Tom Forman, Dave Gonder, Buzz Updyke and John Updyke.

Steering Committee Elects 3 Members

The Garrett County Rural Development Steering Committee had a meeting last week and elected three new county people to its membership. Those newly elected for a three-year term are Dr. Alta Schock, Lee Duvall, and John Elliott.

Dr. Alta Schrock has been active in the Grantsville area with the Penn Alps craft project. This project includes the recent purchase of the old Arlington Hotel for use as a native craft outlet and restaurant.

Lee Duvall is owner and operator of Duvall Farms located near Red House. Mr. Duvall has pioneered the production of cool weather vegetable crops on a large scale in the county.

John Elliott, a long-time resident of Grantsville, has been active in the Grantsville Community Improvement Sub-Committee. One of his major contributions has been a map marked with the locations where road signs are needed in the county. This map will be used by the County Roads Department to erect road directional signs on county roads.

Three members were re-elected to another term. Those serving another term are Mrs. John Beachy, Herbert Wildesen and John Reckner, Jr.

Merle Garletts was re-elected to another one-year term as chairman of the Steering Committee. Daniel W. Klotz of Grantsville was elected to a one-year term as vice chairman.

24 Hour Patrol Pays Off In Safety

Garrett county highways are now patrolled on a 24-hour basis, with six State troopers providing round the clock observation. This is the largest number of patrolmen this county has ever had at one time, according to Lt. W. E. O'Hara, commander of the LaVale Barracks.

Lt. O'Hara said that this and neighboring Allegany county are fortunate in not having any serious crime problems, and with the continuing patrol work the highway accident rate is steadily being reduced.

He pointed out that in 1957 Garrett and Allegany counties had 22 fatal accidents, while last year 16 persons lost their lives in area accidents. During the first six months of this year, only 10 persons in the two counties have been killed, and of these ten fatals, only two occurred during the night patrol's hours.

Snakes Not Seen As Menace To Visitors To This Area

Crotalus Adamanteus Atrox Garrett Countias

There are rattlesnakes in Garrett county—to be sure—but their menace has been exaggerated out of all proportion through statements from Forestry Department personnel, it was felt by persons qualified to know.

On July 14 The Cumberland News published a statement by William H. Johnson, district forester of Cumberland, stating that rattlesnakes "seem to be unusually numerous in Garrett county this summer."

Mr. Johnson went on to comment that during the past few weeks "quite a number have been killed in that county." He said that a number had been snared in the Swallow Falls forest area, some of them quite large. Mr Johnson commented that "If a person makes considerable noise while walking through the woods, it will have a tendency to scare off the snakes."

One of the most vociferous dissenters to the observation was E. W. Adams, Oakland real estate man and outdoorsman. In a letter to the editor of the Cumberland daily, Mr. Adams said, in part:

"The impression was given that this county, and particularly the Swallow Falls area, abounded with the reptiles and that caution was needed when walking through the woods to avoid them.

"I have spent my life in Garrett county—in its woods and hills and glades, and so have most of my friends. It is difficult for me to recollect any menace from snakes, particularly in recent years, and I feel your article does a disservice to a beautiful and popular recreation area.

"In checking with men who should know, I am informed that there are some rattlesnakes in the county, but to my knowledge none in any area frequented by the public. In fact, one friend who spends considerable time actually looking for them reports them most difficult to find, even in certain remote areas where they are known to exist.

"Actually, the rattlesnake is not the menace it is generally assumed to be. Unless cornered, attacked or provoked, it will run a hundred times quicker than it will strike.

"Certainly, it would be foolish to contend that there are no snakes in Garrett county any more than it would be to say there are no snakes in Allegany county or elsewhere. But definitely the

Frostburg To Meet Oakland All Stars

Frostburg's Little League All-Stars have been selected for the opening game of the district playoffs with Oakland's All-Stars at Frostburg, Monday, July 27, at 6 p. m.

In 1958, Frostburg won out over the local team 8-1. Previous to that, in 1957, the Mountain City sluggers also downed Oakland 4-3. The first encounter of the two teams, in 1955, resulted in an 8-7 victory for Frostburg.

Rock Throwers Face Grand Jury Action

Two Prince George's County youths were ordered held for grand jury action Monday in the death of a man formerly of Bloomington, who died nine days after he was involved in a rock-throwing fracas.

Police Court Judge George J. O'Hara ordered the youths held after a preliminary hearing. The boys, James B. A. Duvall, 18, of Coral Hills, Md., and Raymond F. Burke, 20, of Bradbury Park, Md., were released on $500 bond each.

They are charged with manslaughter in the May 19 death of Donald L. Moorehead 37, Washington.

Three juveniles, 15, 16 and 17 years old, also have been charged in the rock-throwing incident that occurred May 10, in Coral Hills, Prince Georges County police report. The three are awaiting action of the Prince Georges Juvenile Court, scheduled to take up the case Aug. 5.

Detective Lt. Earl Huber said the stoning occurred as Moorehead and four other men were sitting in a shaded area. The youths approached the men, there was a discussion over some beer being drunk and rocks were thrown, he added.

To Represent County At Teachers' Workshop

The Garrett County Teachers' association will be represented at the Institute on Maryland Public Affairs scheduled this week at Towson State Teachers college.

Miss Viola Broadwater, public relations chairman of the group, and member of the Maryland State Teachers' association, expects to attend the workshop which opens today and continues through Saturday.

Deer Park Man Is Victim Of Falling Tree

A 49 year old Deer Park man was killed early Tuesday afternoon when he was hit by a falling tree while cutting timber in the Bittinger section.

The victim was Lawrence Clifton Ervin, of near Deer Park, according to Sheriff James E. Frantz.

He said Mr. Ervin died instantly of a fractured skull when he was struck on the head by a falling chestnut tree.

As the timber toppled over, it struck some saplings and then a dead chestnut tree which fell and struck Mr. Ervin.

He said Mr. Ervin and a fellow worker, Bard McKenzie, had just completed sawing down a large oak tree.

Sheriff Frantz said McKenzie, who was wedging the tree as Ervin cut it with a power saw, reported the falling chestnut tree just missed him and that the accident happened so quickly neither had a chance to get out of the way.

A verdict, of accidental death was issued by Dr. James H. Feaster, Garrett County medical examiner.

Mr. Ervin, who was single, was a son of the late Coy and Bessie Pangh Ervin and was born in Garrett county November 20, 1918.

Surviving are five brothers, Julian, Mt. Lake Park; Ralph, Youngstown, Ohio; Ward, Loch Lynn, and Victor and Melvin Ervin, both of Deer Park, and one sister, Mrs. Bertie Hinebaugh, Deer Park.

Southern High Orders Textbooks

Orders for textbooks and other instructional materials totaling over $8,000 for Southern High School were placed with various firms this week, Kenneth Johns, principal, stated.

Over twelve hundred textbooks costing slightly more than $3,000 were included in the requisition. "Except for Junior High music and mathematics books, most of the books cost the school anywhere between $3.00 to $4.00," he said. "Generally speaking schools received a 25% discount when large quantities of textbooks are ordered".

The local high school library will also receive new books totaling $1100 from the above order. The remaining amount was distributed among all the various departments of the school. Included in the requisitions were orders for new industrial arts tools and supplies, arts and crafts, physical education equipment, office materials, music for the choruses and bands, home economics equipment and vocational agriculture materials.

"It is expected that the orders will be filled by the time school reopens," Mr. Johns concluded.

Dr. Jones Improving

Dr. Arthur F. Jones, county health officer, is improving at Memorial Hospital in Cumberland where he has been a medical patient since July 11.

Dr. Jones was admitted to the hospital there after being stricken while spending a week-end at his cottage on the South Branch.

Pickin' at the Chicken—Here are four distinguished guests at the annual picnic of the Sterling Processing Company, held Saturday at Swallow Falls. Left to right: Fred Glotfelty, County Commissioner; J. W. Ruby, company president; Bernard I. Gonder, State Senator and Russell Smith, mayor of Oakland.

Consider Ways Of Levying Taxes On House Trailers

Effective ways and means of taxing house trailers were discussed at a unique meeting of the county commissioners of the four Western Maryland counties at the Cumberland County Club last Thursday.

John J. Rowan, president of the Allegany County Board of Commissioners, who presided at the first session of this type in Western Maryland, said the commissioners from Garrett, Washington and Frederick counties were especially interested in the adoption on a state-wide basis of Allegany County legislation provided by House Bill 795, which was introduced in March by Delegate William Walsh.

House Bill 795, which became effective June 1, provides for an arrival tax of $10 upon each house trailer designed for habitation and parked in Allegany County for a period exceeding 30 days. The owner or lessee of each such trailer must within 10 days after the initial 30-day period register with the supervisor of assessments for Allegany County and pay the tax to the county tax collector and obtain an assessment permit.

This assessment permit will be in the form of an assessment plate, to be attached to the house trailer in a prominent place as evidence that the arrival tax has been paid and that the property has been placed on the tax rolls for assessment purposes.

The owner of any trailer park or his agent must report to the supervisor of assessments within 10 days after its arrival in the trailer park of any trailer not bearing the county assessment plate.

This problem of taxing trailers was discussed by William H. Riley, chief supervisor of assessments for Maryland, in his afternoon remarks to the commissioners. Mr. Riley contended that a trailer becomes a dwelling when it is located on a piece of land for an indefinite period, and should be assessed as a dwelling. He suggested that the assessment be upon the owner of the land upon which the trailer is resting.

A recommendation for the adoption of a state-wide measure along the lines laid down by Delegate Walsh's bill will be prepared when the commissioners from the four counties meet again August 20 in Garrett County, probably at the Court House.

The recommendation will be drawn up for favorable action by the State Association of County Commissioners meeting later in August at Ocean City.

Mr. and Mrs. Paul Peck and family, of Springs, Pa., visited Mr. and Mrs. Ross Speicher, on Monday evening.

Teen Corner

By DICK CASTILOW

I think every one who went to Clarksburg on the bus last Saturday enjoyed himself. The people that I work with commented on the excellent behavior and especially that our group were not camera "hogs." Garrett county can be proud of their teen agers.

I am planning for the same group to travel to Pittsburgh for the Jay Michael Bandstand with possibly a side trip to Kennywood Park. Later in August a group from Teen Canteen will travel to Philadelphia for Dick Clark's American Bandstand. At this time we hope to present to Clark a memento and an invitation to visit Oakland and especially Deep Creek Lake.

Remember tomorrow night our guest at Canteen will be Bob Brinker, the original Rockin' Robin, formerly of WCUM in Cumberland. The special price for tomorrow night only is 25 cents. The main reason for our price at Canteen being 15 cents (except for special events) is so a small allowance can take in a dance and a movie, too.

This is a promise: We will have every song played on Friday's edition of American Bandstand, excluding none.

Remember, parents are always welcome to drop up to Canteen at any time. We have had no trouble at Canteen.

Information about the Pittsburgh trip will be given at Canteen.

See you there.

This column also wishes to thank Emerson Kight for his kind and courteous service on our trip to Clarksburg. Also Emile Germain for the rental of his bus, and to the chaperons, Mr. and Mrs. William Martin and Mrs. John Castilow and the teen agers for their fine behavior on the bus.

For small families not needing the food storage capacity of a separate refrigerator, and a food freezer, the ideal answer is a refrigerator-freezer... two appliances in one cabinet . . . each with its own door.

The refrigerator section, complete in itself, has different zones of cold for keeping various foods at their best, such as vegetables, meats and butter.

The freezer section is a real freezer, not just a section in which to store pre-frozen packaged foods. Here you can quick-freeze your own vegetables and fruits and keep them at tip-top quality for future use.

There are many fine refrigerator-freezer combinations on the market, in white and in colors. Ask your dealer to demonstrate the outstanding features of the models he sells. Trade-ins and easy payments at most dealers.

Pictures Out Of The Past

When a newspaper has been published continuously for more than 80 years, its picture files become crammed with photographs out of the past— some of which have no identification.

With this issue, The Republican begins a series of "old pictures" which might take some of our readers back over the span of time and furnish interesting information for younger residents.

For instance, in the picture above which judging from the vintage of the cars, was taken in the early 1930's, just what is the purpose of the mobile jaunt, and what is the locale? Could it be the road into Herrington Manor?

The picture bears no identifying information. We'll be interested in hearing from anyone who might furnish this information, and if identification is made will publish it in a future issue.

It might be interesting to save this series of pictures and subsequent identifications to form a scrapbook collection of local persons and events of at least a quarter of a century ago.

The staff detective, after carefully studying the scene, came up with a few clues. "First," he pointed out, "judging by the trees, the event probably took place in the late summer or early fall. Probably the procession was some forerunner of the present Autumn Glory tour when local persons donated their automobiles to take visitors over the county.

"Second, it appears that it was raining. Note, please the uneven positions of the windshield wipers, which seem to indicate that they were in use. Probably you can't see it in the printed reproduction, but in the original photograph I can detect droplets in the mud puddle in the foreground."

Noting that the car on the extreme right had the door ajar, he was asked how come, if it was raining, the door would be open.

He had an answer for that, too. "That car belongs to the fellow who took the picture. He left the door open so he could get back in a hurry without getting too wet."

So maybe some of our readers can prove that our man's logic is all wet. We'll see.

Rattlesnakes

(Continued from Page One)

snake population is small, under control, and poses no menace to those who would take advantage of the area's recreational opportunities.

"Of much greater menace are the snakes encountered in the many bar rooms and saloons of our neighboring areas. This is a breed we do not have."

Wed In Aurora Church

The First Methodist Church of Aurora, W. Va., was the scene of the marriage in the afternoon of July 5, 1959, of Miss Nancy Joyce Stemple, daughter of Mr. and Mrs. Paul Stemple of Aurora, W. Va., to Airle Playford J. Friend, son of Mrs. Susan M. Friend and the late Mr. Friend of Friendsville. Rev. Robert Armentrout performed the double ring ceremony. Lighted candelabra, white lilies and daisies formed the background. Nuptial music was presented by Miss Lenera Schrock and soloist was Mr. Robert Wilson who sang "Because," "I Love You Truly," and "The Lord's Prayer."

The bride was given in marriage by her father. She was wearing a floor length gown of lace and tulle with beaded sweetheart neckline with full length sleeves ending in points over the hands, all-lace back and peplum front over the appliqued ruffled tulle skirt. The headpiece was a crown of seed pearls with a waist length veil. The bride carried a white Bible topped with white orchids and baby breath with streamers tied in love knots.

The matron of honor was Mrs. Betty Jean Kell of Bridgeton, N. J. She wore a light blue lace and tulle ballerina length gown with three-quarter length sleeves, sabrina neckline, scalloped edge lace apron effect front to back with rows of ruffled nylon tulle set in back. She were a matching floral spray headpiece with short veil, lace gloves and matching shoes and carried a mixed floral bouquet.

The bridesmaids were Miss Patricia Hriber of Johnstown, Pa., and Miss Betty Sue Ward of Nashville, Tenn. They wore light pink ballerina length gowns with matching headpieces, gloves and shoes identical to the matron-of-honor. They also carried mixed floral bouquets.

Little Miss Sharon Lee Stemple, niece of the bride, was flower girl. She wore a white nylon dress with a floral headpiece with shoulder length veil and matching gloves and shoes. She carried a basket of rose petals.

Mr. Martin Friend served his brother as best man. Ushers were Mr. Philip Stout and Mr. Joseph Stout, twin nephews of the groom.

Immediately following the ceremony a reception was held in the church social hall for approximately two hundred people.

After the reception the couple left for a honeymoon trip to Niagara Falls and Toronto, Canada. The bride was wearing a turquoise mist sheath dress with a white picture hat and matching accessories and red rose bud corsage.

The bride is a graduate of Aurora High School and was employed at Owens-Illinois Glass Plant at Bridgeton, N. J.

The groom is a graduate of Friendsville High School and has served eight years with the United States Air Force and is now stationed at Vandenberg Air Force Base in California.

Mr. and Mrs. Friend will make their home in Santa Maria, Calif.

Four-H Meeting Held

The Ryan's Glade 4-H club held its regular monthly meeting on July 21. A discussion was held on exhibits for the county fair, and a hayride scheduled for August 13.

Better Qualified Teachers Employed

In keeping with its pronounced policy of improving the county educational program on three fronts, namely, by providing better teachers, better curricula, and better buildings and better equipment, the Board of Education has released data relative to the educational qualifications and certification of teachers under contract for the coming school year as compared to the qualifications and certification of teachers under contract five years ago.

The number of teachers and principals holding Master's degrees will be 35 for the coming year as compared to 13 five years ago. This is an increase from 7% to 13% of the total teaching force. There will be 160 degree holding teachers and principals in the school system during the coming year as compared to 143 with degrees five years ago, with only three more teachers on the staff for the coming year than were employed five years ago.

There will be 18 non-certified teachers in the school system in September as compared to 21 non-degree, non-certified teachers in the school system five years ago. Most of the teachers in this group have been in the school system for some time and many of them are constantly working toward certification.

While the school board members enjoy some satisfaction in the improvement of the qualifications of teachers employed during the past several years, they are aware of the fact that this trend will be reversed within another year unless something is done either by the state or local government to provide the county with a more competitive salary scale. The defeat of the teachers' salary bill by the Legislature this year was a serious blow to the educational program of the county, and placed the wealthy counties of the state in a better position to offer top salary scales. By comparison, the Garrett County salary scale for teachers ranges from $3,500 to $5500 while the scale for the same work and qualifications in Montgomery County ranges from $4500 to $8500, and a number of the other wealthy counties are moving to compete with the scale in Montgomery County.

A number of local teachers who want to remain in the school system have expressed their willingness to do so for another year pending the outcome of an improved salary scale in line with what is being paid elsewhere across the state. Failure to accomplish this the school board feels will mean a heavy teacher loss the following year and a reversal of the trend in recent years of staffing the classrooms with teachers with higher qualifications. Garrett County cannot expect to attract qualified teacher replacements in the years ahead with a salary scale that offers $1,000 less for beginners and $3,000 less for teachers with top experience than they can get elsewhere in the state, it was said. The school board members feel that providing a competitive salary scale for teachers is the most important and challenging problem facing them within the immediate future.

The barbecue pit got a good workout as some 600 employees and guests of the Sterling Processing Company picknicked last Saturday at Swallow Falls.

Farm Bureau Women Planning For Events

Within the next few weeks, the Associated Women of the Garrett County Farm Bureau will sponsor the three main annual projects of the group, according to Mrs. Guy S. Stanton, secretary.

On July 29 the organization will hold its talent find, which features two age groups of farm youth. The first will be composed of persons from 12 to 17 years of age and the second those over 17 and under 31. This event will be held at the Friendsville school beginning at eight p. m. First and second place winners will be awarded cash prizes in each group, and the winner of the older group will be given traveling expenses to a regional contest to be announced later.

The Farm Queen contest will be held August 11 in conjunction with the Garrett County Fair, on the evening of Farm Bureau day. Farm Queen candidates are now being recruited from those in the 16-18 age group.

Later in the autumn, a Talk Fest will be held, sponsored by the Women of the Bureau, and all farm youth are eligible. The topic selected this year is "How Can We Maintain Individual Initiative And Responsibility in Agriculture."

Young people desiring to enter this competition may obtain additional information by contacting Mrs. Leslie Guard, Addison, Pa.; Mrs. Ross Crowe, Oakland, or Mrs. Orval Glotfelty, Accident, members of the committee in charge.

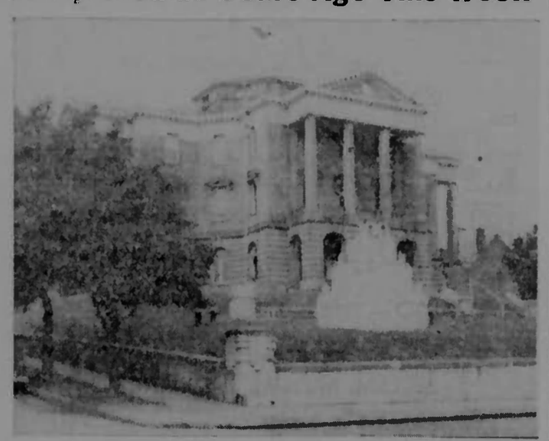
Centennial Preparations About Completed 10 Years Ago This Week



Ten years ago this week, various committees, individuals and organizations were winding up preparations for the celebration of Oakland's Centennial, which took place from August 8-14, 1949.

None who participated in the preparations, or witnessed the results, will forget the pageants, ballads, parades, exhibitions and the many activities which featured the observance.

One memorable sight was the 100th birthday cake, constructed by Aza Stanton and erected on the Court House lawn.

From the files of The Republican, the creation is pictured again today—to mark the beginning of Oakland's 110th year.

GLADES

Mr. and Mrs. Victor Stinchcomb and son David, and Mrs. Charles Wiley, all of Canton, O., spent several days with Mr. and Mrs. James Glotfelty and Mr. and Mrs. John Reckner. Kathy Stinchcomb returned home with them, accompanied by Linda Glotfelty, who will spend two weeks vacationing in Canton.

Mrs. Leah Beitzel and granddaughter, Carolyn Mihelcic, are visiting the former's daughter, Mildred Cline and family in Chicago, Ill., and also another daughter, Mrs. Evelyn Mihelcic, of Canton, O.

The Dan Englar family, of Westminster, visited Mrs. Englar's parents, Mr. and Mrs. Orval Glotfelty.

Larry O'Brien, who had been visiting his uncle and aunt, Mr. and Mrs. John Reckner, returned to his home in Canton, O., on Tuesday.

A jet airliner was poised to attempt to better the time schedule from New York to Moscow.

IN MEMORIAM

Review of The Play

Perhaps it's the American Idiom employed. On the other hand, it could be that everyone was ready for a light, fast moving comedy. As another thought there might be some extra sensory perception established between a cast doing a great job and an audience having a lot of fun. Whatever the catalytic agent involved, it was sufficient to provide producer-director Gene Yell with a "wing ding" of a hit at the Garrett County Playhouse this week.

There are some plays well adapted to the peculiar problems of straw hat stock in the round and the summer vacationing playgoer. Not that he is a particularly different person from his city brother who attends the theatre in the winter. He is though an individual more interested in entertainment and less in the type of play with a message.

"Time Out for Ginger" by Ronald Alexander is such a show since it has no subtle message except that teenagers can present quite a problem to their parents. One might also mention that it is concerned with the fact that a doting, well meaning parent may also become a serious problem to a group of rather well adjusted teenagers.

The play is the story of the Carols—father, mother, the three younger Carols, their boy friends and other townspeople who become involved in a somewhat off beat activity of Ginger, the youngest of the Carols. All this after Papa Carol has struck a blow for liberty and independence when he delivers a talk before the local high school assembly.

This week's show has been well cast and went off Tuesday night to the complete satisfaction of an almost capacity crowd. While the opening performance was excellent, it is felt that come Friday and Saturday nights it will have achieved the smoothness of a well established long playing hit.

As the idealistic and proper pater familias, Neil Flanagan does one of his best jobs of this or any other season. However the rather frenetic performance given by Neil as the ubiquitious Howard, makes one wonder whether or not a trainer might well be included in the retinue of the group. It is an excellent comic acrobatic display of the Thespian's art, and one which will give everyone a bang. We only hope he lasts out the week. Incidentally, it's been a long time since such a fine raccoon coat has been exhibited in these parts.

Rebecca Singer playing the part of Agnes Carol, the mother, makes her debut at Deep Creek. To say it was auspicious would be an understatement. Miss Singer is not only attractive but evidences marked ability as an actress. Her timing, mannerisms and general deportment were delightful. We are fortunate to have this engaging young comedienne with us this season. Some of her scenes with Neil were among the best ever seen locally since the advent of the Playhouse.

The three teenage daughters, each of whom has a definitely different personality, are well enacted by Sai Springwell, E. J. Peaker, and Jennifer Yell. This is Jennifer's lattest part so far and as Ginger is, what she really is, a truly normal delightful teenager.

Cris Curran is the puerile gargling boy friend of Ginger's and Sandy Holloway makes his bow as the star athlete of the show. Both give creditable performances.

In less important roles are Sallie Lutin, George Randall and Gene Falcetta—all of whom contribute to a smooth professional performance. "Time Out for Ginger" is not the great American comedy, nor did it receive a Pulitzer prize or a critics award. It is though a timely well knit show and one that will give you a lot of good solid belly laughs. At the same time it will afford you the opportunity to see what a competent group can do when they really get their teeth in a show. The "sro" sign should be up for Friday and Saturday nights. So get down to McHenry in time for a seat.

AURORA - EGLON

Mrs. Lawrence Attis, of near Eglon, underwent surgery in the Garrett County Memorial hospital Monday.

Mr. and Mrs. Gilbert Crowe, Aurora, are the proud parents of a daughter born July 19 in Garrett County Memorial hospital, to Mr. and Mrs. Charles Crowe. This is the couple's second child and daughter. Mr. and Mrs. Lester Worring, Brookside, are the maternal grandparents. Mr. Crowe left Sunday for Washington where he is employed by Capitol Airlines.

Mrs. Nina Schmidt, Horse Shoe Run and Brookside, went Sunday to Baltimore to be with her daughter, Mrs. Bird McTeer and family. Mrs. McTeer received a foot injury recently.

Mrs. Effie Henline is visiting relatives at Leadmine. Mrs. Henline resides at the home of her son-in-law and daughter, Mr. and Mrs. Paul Gnegy, near Eglon.

Miss Carol Harsh, daughter of Mr. and Mrs. Wilbur Harsh, Eglon, went Sunday to Cumberland where she is visiting at the home of her uncle and aunt, Mr. and Mrs. George Cole and family.

Gilbert Crowe is confined at his home at Aurora. Mrs. Crowe is a daughter of A. W. Fike, Eglon.

Jimmie Rembold, who is employed in Washington, came Friday to the home of his parents, Mr. and Mrs. Theodore Rembold, Horse Shoe Run. With him also were Sandra Markus, Aurora; Thelma Gnegy and Mr. and Mrs. Robert Maxie, all of near Eglon. Accompanying them back were Ernest Gabler, Silver Lake, and Donnie Gauer, of Ohio.

Mrs. Freda Whitehair, Terra Alta, and Mrs. Sadie Hollis, Kingwood, came last week to the home of their parents, Mr. and Mrs. John Slanbaugh, Eglon, where they did some interior painting. Thursday night guests in the Slanbaugh home were Mr. and Mrs. Revy Slanbaugh, Elgin, Ill., and Mrs. Elva Inks and son Paul, of Uniontown.

Mr. and Mrs. Robert Crowe came Friday evening to the home of the former's parents, Mr. and Mrs. Gilbert Crowe, Aurora.

Mr. and Mrs. David Teets and family, Horse Shoe Run, were Sunday to Monterey, Va., where they attended Sunday School and church services visited in the home of the Rev. and Mrs. Hugh Shiley. The Rev. Shiley is a former pastor of the Aurora Methodist church.

County 4-H Club Members Are Trained In Safe Rifle Handling

Rifle instruction was one of four daily activities participated in by fourteen Garrett county 4-H'ers attending Camp Algawa at the Western Maryland 4-H Center July 12-18. Rifle awards of marksman went to Donald Bittinger and promarksman went to Roger Roderick, David White, Gary Buckel, David Buckel, Nelson Swartzentruber. Rifle Instructor was Barry Carr, assistant county agent.

An "Outstanding Camper" award was achieved by Roger Roderick who also received the John Carter scholarship which is sponsored by the Garrett County Farm Bureau.

Crafts activities conducted by E. Rankin Lusby, Garrett County, and Richard Schukraft, Washington County, included plaster mold painting, gimp, rope halters and bird houses. Making terrariums and learning about insects were the topics for the nature class conducted by Kenneth Shifflet of Frederick County. Swimming instruction was conducted by Philip Beeman of Frostburg.

James Arnold, Allegany County, served as Camp Director. The 115 4-H'ers from the four Western Md. Counties attending the camp were divided into four tribes—Cherokee, Mohawk, Seneca, Shawnee. They competed against each other in sport activities, campfire participation and best tribe area.

The Mohawk Tribe took top honors for the week, including best cabin award.

In the photograph, left to right, are the participants. Front row: Jerry Swiger, Roger Thomas, Charles S. Butts, Kenneth Jamison, Gary Buckel, David White, Tom Wildesen.

Second row: Roger Roderick, Nelson Swartzentruber, Rockie Swiger, Donald Bittinger, David Buckel, Stanley Hardesty, Stewart Stanton and E. Rankin Lusby, Assistant County Agent.

Inka Comes Through Is Top Producer

Inka, a grade Holstein owned by Paul E. Yoder, was top producer in Dairy Herd Improvement Association No. 1 for the month of June, according to Roman L. Yoder, group supervisor.

The lady put forth 2,650 pounds of milk and 98 pounds of fat.

In second place was Fancy, a crossbreed, owned by Simon Tice, producing 2,060 pounds of milk and 91 pounds of fat. Third high was Adeen, owned by Clark Yoder, with 2,150 pounds of milk and 90 pounds of fat.

In fourth place was Gurney, another crossbreed, owned by Mr. Tice, with 1,950 pounds of milk and 88 pounds of fat.

White, a registered Holstein in the herd of Crist Yoder, racked up a record of 1,920 pounds of milk and 88 pounds of fat.

The top herd in the association is owned by Paul E. Yoder, whose 19 grade Holstein cows averaged 1,613 pounds of milk and 57.1 pounds of fat.

Simon Tice was second with 28 crossbreed cows producing 1180 pounds of milk and 54.0 pounds of fat.

Raymond Tice was third with 26 grade Guernsey and Holstein cows producing an average of 1072 pounds of milk and 47.1 pounds of of fat.

Hubert O. Glotfelty, with 33 grade Holstein cows was fourth with 1277 pounds of milk and 46.4 pounds of fat.

Oren Bender was fifth with 12 grade Holstein cows producing an average of 1195 pounds of milk and 45.8 pounds of fat.

Democratic senators and representatives overwhelming supported the leadership of Sen. Lyndon Johnson and Sam Rayburn against criticism of party chairman Paul Butler.

River Development Plans Are Rejected

Apparently, communities, like individuals, get very little for nothing. Towns along the North Branch of the Potomac River, which have been hoping for cooperation from Washington for development of water resources, are out of luck.

Any wishful thinking that the pressure for the proposed program would come from the Washington area was quashed by D. V. C. Birrell, Chief of the Potomac River Survey being conducted by the Corps of Engineers during a planning meeting held recently in Cumberland by officials of the Interstate Commission on the Potomac River basin.

He said the water from the North Branch of the Potomac River represents only about 10 per cent of Washington's water supply.

An interim report on the North Branch, designed to meet the area's needs for the next 50 years, was outlined last fall at a commission meeting at Blackwater Falls.

The heart of the plan are dams on the North Branch of the Potomac 2.4 miles above the junction of the Savage River, one on Stony River and a third on the Savage River 3.5 miles above the present Savage River dam.

Control of floods on the North Branch, the report said, would prevent flood damage from Luke to above Cumberland and remove from flood hazards some 1,600 acres of land suitable for industrial development.

More land could be made suitable for industry with only minor improvements by land or levees, the report said.

Newcomer to County Active In F.F.B.L.

A newcomer to Garrett county and to the Garrett County Farming For Better Living program is Jack Messenger, who moved here from Monongalia County in West Virginia last fall.

Even though Messenger is new to the Farming For Better Living program in Garrett county, he is no stranger to the idea of Farming For Better Living. He was a regular enrollee in the program each year during his farming career in West Virginia and consistently placed near the top of the Farming For Better Living list.

The change in farms has enabled Messenger to also change his farming program. In Monongalia county, Messenger has a 236 acre farm on Stewart's Run where he produced sheep, beef, swine and turkeys. Now he has designed his operation for a steady monthly income by switching to a Grade "A" dairy program together with a large flock of laying hens.

One of the first improvements that Messinger made to the 116 acre farm in Garrett county was to secure the entire farm so he could add as many mechanical helpers that he thought feasible. He installed three 150 ampere service entrances for his electricity. In his barn, he has an electric water heater, milkers and a milk cooler; in his chicken house he has fluorescent lights, an egg grader, an egg washer, automatic feeders, and infrared brooders. Using the infrared brooders, Messenger reports a cost of brooding of 3 cents per chick.

In the farm home there is an electric range, automatic washer and dryer, water heater and food freezer.

The dairy herd now has 15 producing cows and the chicken flock has 2,600 layers. The poultry operation is geared for the production of quality eggs that are washed, graded, and cooled before going to the market.

The Messenger farming operation is being run on a sound management basis with the advice of B. Beeson Snyder, who is the county supervisor for the Farmers' Home Administration.

In Appreciation

The family of Milton E. Tucker wishes to take this opportunity to express their deepest thanks to each individual and organization for all their kindnesses, floral tributes, assistance and expressions of sympathy shown during the illness and following the death of our husband and father.

We wish to express our special appreciation to the doctors and staff members of the Garrett County Memorial hospital for their professional and sympathetic care. We feel the religious, professional and friendly assistance carried us through a time of extreme sorrow.

With our heartfelt thanks.

Assessments Is Discussion Of Co. Commissioners

Assessments, ownership of cars, gasoline purchases, school budget, investment of money collected from taxes, and road construction were some of the chief subjects covered by the county commissioners from the four Western Maryland counties at the first of four planned meetings Thursday at the Cumberland Country Club.

General satisfaction as expressed by the county Commissioners from Allegany, Garrett, Washington and Frederick counties over the mutual exchange of information concerning the operation of their respective counties.

Next meeting of the commissioners from the four counties will be held in Garrett County on August 20, probably at the Court House.

Chief speakers at the session were Albert W. Ward, director of the State Department of Assessments and Taxation, and William H. Riley, chief supervisor of assessments for Maryland. John J. McMullen a member of the State Roads Commission, also met with the commissioners at luncheon.

The administrative duties of his department and the judicial and semi-judicial obligations were separated for more efficent operation.

Mr. Riley stressed in his remarks when the commissioners reconvened after lunch that his constant concern and effort is toward uniformity of assessments in all 23 counties and Baltimore city.

He cautioned the commissioners to protect the rights of the taxpayers by demanding that the assessors be able to prove the assessments they make on property.

In a final observation before leaving the meeting Mr. Ward commented upon a recent decision of the United States Supreme court. Since the early 19th century days of Chief Justice John Marshall, the U. S. Supreme Court has ruled that imports are immune from state taxation.

However, the high court in a recent decision involving the Youngstown Sheet and Tube Company, has offered a different interpretation of the state's right to tax imports. Imports may be taxed by a state when they become a part of the commerce of the state.

ONE OF THE 7 BIG BESTS CHEVROLET GIVES YOU OVER ANY CAR IN ITS FIELD

Take it, not from us, but from official results of this year's Mobilgas Economy Run: Chevy's pennypinching 6 delivers the most miles per gallon in its field. For a pair of these Chevrolet sixes with Powerglide walked away with the first two places in their class, getting the best mpg figure—a whopping 22.38—of any full-size car. And here are more expert, impartial opinions and on-the-record facts backing us up on Chevy's other six bests:

BEST TRADE-IN

Check the figures in any N.A.D.A.* Guide Book. Chevrolet used car prices last year averaged up to $128 higher than comparable models of the "other two."

BEST STYLE

It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "Chevrolet establishes a new high in daring styling."

BEST BRAKES

In direct competitive tests of repeated stops from highway speeds, conducted by NASCAR†, Chevrolet out-stopped both of the other leading low-priced cars—and why not: Chevy brakes are far larger, built with bonded linings, to help lengthen brake life by as much as 66%.

BEST ROOM

Official dimensions reported to A.M.A.‡ make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars.

BEST ENGINE

Every motor magazine has given Chevrolet's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed this device is surely the most wonderfully responsive engine available today at any price."

BEST RIDE

MOTOR TREND magazine calls Chevy "... the smoothest, most quiet, softest riding car in its price class." You'll be able to tell this yourself, instantly. And your Chevrolet dealer can tell you about a long list of other advantages besides these 7 big ones!

"Physicians Trust Entirely To The Druggists"
(Author's Name Below)

About fifty years after the birth of Christ, Pliny, the elder, warned of the danger of obtaining medicines from unreliable sources or people whose only interest in their sale was the profit to be made. He explained that physicians trust druggists who have a professional reputation to cherish and preserve.

There have always been some thoughtless or money-hungry people attempting to sell medicines, even though they have no knowledge of the problems involved. The simplest medicine requires proper cautions against possible dangerous misuse. We pharmacists have the knowledge to protect you.

To Plan For Mission

On Monday evening, July 27 at 8:00 o'clock, the Evangelism committees of St. Mark's Lutheran church will meet in the church assembly room to plan for a forthcoming evangelism mission.

Rev. Wm. Ernest Fox, pastor, also said that all of the teachers of the Sunday School and the officers, superintendents and himself, as well as members of the Church Council and Church Education committee would hold their quarterly business meeting, concerning the educational work of the church, in the assembly room on Wednesday, July 29, at 8:00 p. m.

Singer Alice Lon, veteran of the Lawrence Welk television show, announced her resignation, describing the troupe as "no longer the same happy family."

Our children love Sundays. First, of course, there is church. Afterwards, in good weather, we often have a "backyard picnic."

For me, this outing comes after a morning when I have completed one of the most important tasks of my week — preaching a sermon to my congregation. Yes, I'm a minister. If that surprises you, it shouldn't.

We ministers are people too — just as close as anyone else to pleasure, temptation, anxiety, and all the other things that go to make up life. But God has entrusted us with the task of conveying His message to you. It is a tremendous task. Yet always I feel blessed that it is mine.

When you see me standing alone in my pulpit on Sundays, do not feel that I am a figure apart from you. Rather, I want to share not only your hours of church attendance but also your moments both of triumph and of trial. I stand ever ready to serve you, to lend you my assistance, my understanding and, should you seek it, my counsel. It is only in this way that I can hope to be worthy of my vocation. Remember, won't you — and call upon me?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

CHRISTIAN OPTIMISM

There is evidence of a very practical side to Jesus' optimism. Jesus showed us that to live, to bring out with God's help the very best that is within us and others is not only right but productive of wonderful results.

We tend to see ourselves as we have been and as we are today. We even tend to think of our friends as they have been or as they are. But Jesus always sees us as we may become with God's help. He continues to believe that we can change, and that we can grow in Christian character long after we have lost faith and hope in ourselves. This is one reason why men have learned to call Jesus "Saviour"; this optimism does make a difference. Jesus called Simon, the son of Jonas a rock when his friends and fellow-fishermen regarded him as among the most fickle of men.

But Jesus' faith in Simon was justified; he did become Peter, a great leader of the early Christians. Jesus saw Zacchaeus a corrupt tax collector, and went to his house—a thing no rabbi or scribe or Pharisee would have thought of doing. And Jesus' faith was justified. Zacchaeus did repent and become a good man.

Jesus saw a poor woman of the streets whom others despised but he believed in her reformation and helped her. And again Jesus' faith was justified.

Christ saw Saul, a Pharisee of the Pharisees, whose great mind and zeal were bent on destroying the Christians in Jerusalem, in Damascus, and everywhere else. And Christ saw that this man might turn and use his abilities and his zeal not to destroy but to build the Christian community. And again, Christ's faith was justified.

Jesus prayed, "Thy kingdom come, Thy will be done, on earth as it is in heaven." And he taught us to pray it, too. It was the basis of his transforming optimism and it may well make the great difference in our lives as well. It brings God into our lives and gives us steadfast purpose and hope.

Jesus' optimism was based, first, upon the divine willingness and intenton to make the kingdom possible on earth; and, second, the prayer and work of men to realize this great promise. Shall you and I live?

Zion Church Women Meet

The United Lutheran Church Women of Zion Church, Jennings, held their regular monthly meeting July 12, in the church with Mrs. Herman C. Meyers as leader. The topic, "There's a Job for You and Yours", presented the challenge for voluntary Christian service in the home, community and the church at 2:00 p. m. At this time a foreeign mission study from the book, "The Way in Africa," will be discussed. A short business meeting and the ingathering of the quarterly thank offerings will follow the study.

Courage in Crisis

Lesson for July 26, 1959

ONE BOOK in our Bible never once mentions the name of God: the book of Esther. Indeed there is no reference to religion of any kind. Nothing said here about prayer, faith in God, repentance, immortality, sacrifice, public worship. Nothing about God at all. For this reason, from early Christian times there have been those in the church who have said that the book of Esther has no place even in the Hebrew Bible, let alone the Christian. But the church has kept this strange book, shockingly different as it is from the rest of the Bible. Why is this?

Dr. Foreman

A Head Held High

The reason is to be found not only in the fact that this book has an intricate and fascinating plot, not simple like Ruth but complicated, with a kind of barbaric dash about it. A tale that begins with a drinking party and ends with a massacre, is not "milk for babes." This however is not the main reason, one suspects, why the story has been preserved. It is rather that Esther brings out dramatically some valuable points about religion that is not expressed in words (prayers, liturgies) but in action.

Look at this one theme: "Courage in Crisis." (If the reader of this column has not read the book of Esther lately, he should do so before reading on.) The reader will think of Queen Esthers courage at once; but who put the notion into her head? It was her cousin and former guardian Mordecai. Now it is easy to tell some one else to be brave—"Let's you and him fight!"—but Mordecai was not that sort of person. He had a kind of courage himself. Refusing as he did to bow down to Haman was a risky thing to do. He could easily get his own head taken off for it. But Mordecai had a proper sense of his personal dignity.

The Timing of Destiny

If the rest of the family were like Mordecai and Esther, whatever religion they had they did not talk about it. It would have sounded pious for Mordecai to have said, "I fear God only, therefore I will not kiss the dust before this man Haman." But he didn't say that. It would have sounded pious, too, if he had told his young cousin, "God has brought you to the hour of destiny." But he didn't say that either. What he did say was, "Who knows whether you have not come to the kingdom for such a time as this?" He did not profess to know everything. He would not say flatly that this was the reason why Esther was queen. "Who knows—?" he said. It might be a mistake to approach the king—a fatal mistake. It was a risk but worth taking. There is something very fine here. Courage is always a matter of risk. Courage based on a sure thing is not courage. Furthermore, while (as always) Mordecai did not talk about God, the reader has the feeling that he must have believed. The Queen and the Occasion: Mordecai just felt that they matched too well to be an accident. But who matched them? Any one who believes in destiny has a choice: either an impersonal deity, a machine, a blind fate, or else a wise and powerful God. The timing of destiny is either an unexplainable happen-so, or else it comes from the planning of God.

Courage In Crisis

So the lovely young Queen took over from her wise old cousin. She took her life in her hands for the sake of her people's lives. There is a great deal more to be said, but the reader will think of it, about Esther's courage. One act of bravery did not settle the matter. There had to be planning and scheming after that. Mere courage, without brains, is not enough. That is why men have exterminated tigers and tigers have not exterminated men. But the thing to remember is: Why was Esther brave in the moment that called for bravery? It was not that she was hypnotized or bullied into courage by Mordecai; not that she was a daredevil. She found the courage because she knew that on it, on her, many lives depended.

Battleship Maryland To Be Scrapped In Oakland Yards

The battleship "Maryland" survivor of the infamous Japanese attack on Pearl Harbor and a participant in many World War II actions in the Pacific, is about to be scrapped at an Oakland ship yard.

Put into mothballs soon after the end of World War II the veteran of Bunker Hill, Iwo Jima and Okinawa will be known as "The Fighting Maid." However in two or three weeks, soldering torches will burn the destruction of the hull that the Japanese could never put out of commission.

Eight months will be required to cut up the old warrior. Several years ago the ship's electric silver service, donated at the time of commissioning by public contributions from the state's residents, was given by the Navy department to the Governor's mansion in Annapolis.

For the past few years, the ship has been in Bremerton, Washington. Before long, however, five tugs will tow the 31,000 ton battleship from there to Oakland, California, where scrappers will begin applying the torches.

Named College Officer

Kermit Glen Kope, son of Mr. and Mrs. Kermit W. Kope, Rt. 2 Deer Park, has been elected Recording Secretary of the Civil Engineering Society at Tri-State College, Angola, Indiana. Mr. Kope is a student in the Department of Civil Engineering at Tri-State College.

H-P Stores Name Manager At Ripley

The H-P Stores, Inc. announce the promotion of Homer Liston, assistant manager of the Oakland unit, in connection with the company's current expansion program.

He will take over the management of the H-P Stores' newest unit in Ripley, W. Va., where he will reside with his wife, Mary Mae, and their three daughters, Beverly, Debbie and Linda. They are planning to move to Ripley in the near future.

He has been associated with The H-P Stores for the past 2½ years. He received his training and practical experience in the Oakland store under the manage[illegible] of Eugene Nordeck. Prior to [illegible] his employment by the H-P Stores he worked for Ray Teets Garage.

Homer is a member of the Bethel Methodist Church at Mt. Lake Park, and Castle Hall 113, Knights of Pythias. He attended Oakland High School and served with the U. S. Army Quartermaster Corps in Japan after graduation in 1951. No replacement for Oakland has been named at the time of this writing.

Legion Auxiliary Is Presented State Patriotism Award

Proctor Kildow Unit No. 71, American Legion Auxiliary, was presented with the "Ellen Pearce Randall" trophy for Americanism work done this past year by the unit, at the State American Legion convention in Baltimore.

The unit also received a certificate of merit from the Heart association of Maryland which reads, "In recognition of those who place humanitarian ideals above self interest."

In addition to the cup for Americanism work, the unit also received a certificate of merit for second honorable mention in Americanism.

A certificate of merit for second honorable mention in child welfare work in Maryland was also given to the unit.

Mrs. Cleda B. Stewart, president of the Mountain District, was presented a pair of earrings in the shape of a heart symbol from the Maryland Heart association for having the most units in any district participating in the Heart Fund program.

The State president Mrs. Harry Vogel presented Mrs. Stewart a charm bracelet in appreciation of the work done this year. Mrs. Warren Boulden past state president, presented Mrs. Stewart with the cash award for having the second quota district in the state, and the local unit presented Mrs. Stewart with an orchid corsage.

Those attending the state convention in Baltimore from Oakland were Mrs. Wilda Stockslager, Mrs. Helen Strawser, Mrs. Shirley J. Helbig, Mrs. Mabel Smouse and Mrs. Cleda Stewart.

Farm Lands & Farm Personal Property

Situate near Deer Park, in Garrett County, Maryland

As Trustees and Attorneys for Mary Drazul Zachar and Stephen L. Zachar, her husband, and Paul Walla and Mary Walla, his wife, the owners of the hereinafter described property, and by virtue of the powers vested in us by a deed from the said owners, dated June 6, 1959, and to be recorded among the Land Records of Garrett County, Maryland, we hereby give notice that on

SATURDAY, AUGUST 1, 1959

At the Hour of 1:30 o'clock P. M. Daylight Saving Time

in front of the residence on the hereinafter described farm near Deer Park, we will offer for sale and sell to the highest bidders all of the following land and personal property of the aforesaid owners:

LAND: All that farm or tract of land situate in Election District No. 10 of Garrett County, Maryland, near the Town of Deer Park, containing in all 463.12 acres, more or less, and comprising the remainder of what was formerly known as the Charles A. Ashby Farm, and being the same property which was conveyed by deed from J. Edward Helbig and wife to Mary Drazul, and others, dated September 19, 1949, and recorded in Liber R.L.D. No. 157, folio 71, one of the Land Records of Garrett County, Maryland, title to which is now vested in the aforesaid owners.

Said property is subject to a right-of-way for pipe line running from the B. and O. Railroad to Boiling Spring, granted by previous conveyances, and certain rights which the Baltimore and Ohio Railroad has with respect to the waters of the Little Youghiogheny River, as also set forth in previous conveyances, and to the personal privilege to J. Edward Helbig and wife to use jointly water from a certain spring on said property. There is also reserved to the owners, their heirs and assigns, all of the oil, gas or other minerals in or under said land, together with all usual and customary rights, rights-of-way and privileges necessary and convenient for the removal and marketing of the same and, in particular, all the rights to a certain lease from the owners to Cumberland and Allegheny Gas company, dated February 6, 1959, and recorded in Liber R.L.D. No. 220, folio 297, one of the Land Records of Garrett County, Maryland, as set forth in the aforesaid deed from the owners to the Trustees.

Said farm is improved by an eight-room dwelling with two baths, full basement, having a coal furnace with hot water heat, and an electric hot water heater, said dwelling being in a good state of repair. There are also two cattle sheds, machinery sheds and other outbuildings on said farm.

PERSONAL PROPERTY: After the sale of said farm, the following personal property will be offered for sale:

One 1949 Ford F-5 Truck, 1 1949 Ferguson Tractor, 1 International Tractor, Model H, 1 Ferguson Manure Spreader, 1 Double-disk Harrow, 1 Ferguson Double Plow, 1 Ferguson 6-foot Mower, 1 Grain Drill, 1 Hay Wagon on Rubber Wheels, 1 Threshing Machine, 1 hay Loader, 1 corn Binder, 1 lime Spreader, 1 potato Digger, 1 Case Hammer Mill, 1 ensilage Cutter, 1 50-ft. 6-in. Belt, approximately 40 bushels Wheat, lot Oats, lot oats Straw in bales, lot cement Blocks, 9 aluminum Windows, 1 lot of Window Glass, 1 14-cubic foot Deep Freezer, 1 Washing Machine, and other miscellaneous farm equipment, machinery and tools too numerous to mention.

TERMS OF SALE: Land—One-third cash on day of sale and balance within thirty days thereafter. Trustees reserve the right to reject any and all bids on said real estate.

Personal Property—Cash on day of sale.

Deed for the real estate will be executed and delivered immediately upon payment of the full purchase price.

Interested parties may obtain further information relative to the above described property by applying to the Trustees at their respective offices in Oakland, Maryland.

Boat Owner Fined; Craft Rams Canoe

A Frostburg motor boat operator was assessed a minimum fine for reckless driving on Deep Creek Lake after the magistrate was informed he had gone to the assistance of three young boys whose canoe he had smashed into.

Raymond G. Hunt, Frostburg, was fined $25 Saturday after pleading guilty to the charge before Magistrate Robert M. Maroney.

According to Game Warden Robert Brown, Hunt was pulling two water skiiers when his craft smashed into the canoe occupied by Robert Phillips, 12, and his two cousins, Keith Phillips 12, and Thomas Phillips, 10. The youngest canoeist could not swim, Game Warden Brown said, and undoubtedly was saved from drowning because he was wearing a "Mae West" life preserver.

Hunt went to the rescue of the young boys as soon as he realized what had occurred. Testimony disclosed he was watching the skiiers he was towing instead of keeping watch ahead.

Following the accident, the boys were examined by a doctor who was near the scene of the mishap. They were not injured, but were suffering from shock, the doctor stated.

In view of the assistance rendered by Hunt, Maroney assessed the minimum fine, although he warned the Frostburger to be more careful in the future.

In another case Brown charged Charles J. Lang, Pittsburgh, with operating a motor boat without a proper license. Lang was fined $25 by the Oakland magistrate.

Brown said he was patrolling the lake when he observed Lang operating his craft in a reckless manner. He pursued the Pittsburgher with the intension of only warning him to be careful, but after overhauling the boat discovered it was being operated with a Pennsylvania license instead of a Maryland permit.

Regional Game Warden Joseph A. Minke said the daily patrolling of Deep Creek Lake by game wardens has helped curb reckless driving by motor boat operators, but that the area is too large to be patrolled so as to insure constant safe operation of boats.

Fidel Castro, Cuban premier, fired Manuel Urrutia Lleo and then announced his own resignation. Island groups were reported asking him to reconsider.

New County Industry Now Making Charcoal In White Church Area

A row of smoking kilns, and a stockpile of raw lumber, at the site of the charcoal operation of the Kingsford company.

The hard wood logs are cut into uniform one foot lengths before being loaded into the kilns.

It's not the Northern Lights—St. Elmo's fire or the blast-off from a Niki launching pad. The light that illumes the sky over the White Church community has a much more prosaic purpose.

That glow in the summer darkness is charcoal amaking.

For the past nine months or more the Kingsford company, with area headquarters in Parsons, W. Va., has been engaged in the manufacture of charcoal from native hard woods on the property of Everett Steyer, about a mile and a half from Route 219 on the Gorman road.

Beginning with cutting of timber on the grounds now occupied by the charcoal kilns, the business has grown to the point where it employes fourteen persons in the baking process and purchases necessary timber from many county and nearby tree growers. Local operations are in charge of Mr. Steyer.

One hundred metal kilns are in use in the process reducing timber to the briquettes that are the delight of picknickers and alfresco chefs—and giving their own flavor to countless steaks, weiners and hamburgers cooked over the thousands of outdoor grills which have grown enormously in popularity in recent years.

The charcoaling process begins with the sawing of the 3-foot long timbers into uniform lengths of one foot, which are placed in the metal kilns. Positioned in long, uniformly spaced rows, the kilns resemble an oversized apiary or bee colony. But there the similarity ends.

Portable flues are attached to the base of each sometimes as many as seven to each kiln and the timber inside is fired with fuel oil. For twenty-four hours the flame is kept at top temperature—the wood being stirred periodically by pokers. As the burning process continues, some of the flues are removed to retard combustion. At the end of the twenty-four hour period, the kilns are sealed with dirt and the wood continues to "charcoal" for another four days. Then, the kiln is picked up and moved to another previously selected location where the process is repeated. Partially consumed wood remaining is given another treatment until the desired result is obtained.

Following this operation, the raw charcoal is taken by trailer truck to the Kingsford plant in Parsons, where it is cut into the familiar briquettes, packaged and shipped for sale throughout the entire United States.

The operation at present uses eight thousand cords of wood per year, and delivers at least two trailer loads of charcoal to the final processing plant daily.

In the process, either green or cured hard wood may be used, and the operation will continue here so long as sufficient raw timber is available.

Miss Knox Is Wed To Mr. Scibelli

Miss Monna N. Knox, daughter of Mr. and Mrs. Earl Knox of Accident and Benjamin Scibelli, son of Mrs. Florence Scibelli, of Farrell, Pennsylvania, were united in marriage at the Church of Our Lady of Fatima, Farrell, Penna., Saturday morning, June 27.

The ceremony was performed by Father Geno Monti in the presence of the families and close friends.

The bride was attired in a waltz-length gown of Chantilly lace, featuring a Sabrina neckline, fitted bodice and bouffant skirt. The back of the gown was accented by a net butterfly bow. Her embroidered illusion veil, which was held by a cap of net and iridescent beads and blossoms, was a gift to the bride from her sister, now in Germany. She carried a white prayer book bedecked with a bouquet of white carnations and stephanotis.

Miss Loretta Ranelli, the bride's only attendent, wore a light green gown of net and lace and carried a bouquet of pink carnations. Tony Lenzi was best man.

Following a family dinner, an afternoon reception was held at the Italian Home in Sharpsville, Pa.

Subversive Inactivity - - -

A minister remarked recently "I am less afraid of subversive activity than of subversive INactivity!" He went on to say that it isn't because we don't keep busy. We do—but with either the wrong things or trivial things. Our values are upside down, he feels.

It isn't that people are asleep. Americans seem to be alive with energy—but so much of it is filled with "sound and fury, signifying nothing." We may not even be indifferent or unaware. It's just that we have "too many other things to do." or hide in that futile appearing escape clause, "There is nothing I can do."

Whatever the cause, the effects are the same: Congress founders in inaction over labor reforms. We go another 12 billions in the red, the debt limit is hiked, inflation takes another nick out of our dollar, and the county, state and federal governments are generous with other people's money!

The Devil's business, according to Edward W. Greenfield, writing in "Pause for Reflection," is not to make us bad but to keep us blind. While people fiddle, freedom and virtue burn. Subversive activity thrives on nothing so much as subversive INactivity.

We could change this picture if we would stop saying "There is nothing I can do." There's something everyone can do. He can take an active interest in his government, from his community on up to the federal level. He can vote at every opportunity. He can write to his Congressman and Senators on any question under the sun, and if enough people write they will get action. He can provide a deep interest in activities of his home community. He can support a church of his choice. The opportunities are limitless.

GET FIRST AID INSTRUCTION—First aid instruction at the Oakland Boy Scout camp for the first session was in charge of Porter Welch, member of Oakland Explorer Post 31, who recently returned from a ten-day trip to Philmont Ranch in Arizona. Welch is in the center of the group. Others are Bobby Johnson, Keith Cannon, Bob Lohr, Ronnie Riley, Gale Sorge, Doug Hinebaugh, Donald Browning, David Close, George Evans and Smokey Stanton. Classes in first aid will continue through this week.

Final Program For Annual Fair Is Announced

Third Annual Event Set For McHenry, August 11 Through 15

The complete program for the third Garrett county fair, to be held at McHenry August 11 through 15, was announced this week by H. G. Gortner, president of the association.

Scheduled for the first day will be the Farm Bureau program and the farm queen contest sponsored by the Associated Women of the Farm Bureau. Acceptance and placing of entries will take place also on the first day, from 9 a. m. to 7 p. m.

Wednesday, August 12, will be children's day with a special pet show from 3 to 4 o'clock. Indoor exhibits will be judged and also entries in senior dairy, 4-H and F. F. A. dairy and pony department. There will be an attempt to catch the greased pig at 8 o'clock.

Thursday, August 13, will be Farm and City day with the only parade of the week taking place that evening at 6.30 $200 in cash prizes will be given for the junior division, dairy and livestock division, homemaking, pioneer day and miscellaneous floats coming in for their share.

Judging will be done on 4-H and F. F. A. senior beef, sheep, swine, horses and baby beef.

Stoney Roberts and his all American dare devils, will also perform at 8 o'clock. Roberts is the only one-armed stuntman in the world today and he has surrounded himself with a group of automobile and motorcycle stuntmen, including Lucky Maynard, Lyle Anderson, Ernie Hamilton, Jack Richards Smashing Flip Harris, crashing Guy Wolfe and Dick Smith. There will be 28 individual acts.

Friday, August 14 there will be a tractor contest and Joe Smiley's Illusion act, Saturday, August 15, there will be a horse pulling contest from 2 to 4 and a baby beef sale at 8 o'clock.

Fraukie's Amusements will be on the grounds for the full run of the fair. There will be a free act daily with Capt. MacDonald giving a leap for life from a 75-foot tower into a blazing tank.

A special feature for Saturday will be the Eddie Benedict show, featuring range riders and the Kendall Sisters. Prize winners for the parade and throughout the week will be presented Saturday evening. The Oakland Rotary club again has offered an award for the outstanding youth at the fair.

Mr. Gortner remarked that interest in the fair seemed to be high among the people of the county and he anticipated a greater number of exhibits than last year. The entry list has been revised. Mr. Gortner said that premium hooks still were available and he urged all who planned to enter exhibits to get one and make arrangements for their entries.

The fair grounds have been put in good condition and the exhibit buildings are ready.

TOPS IN STYLE REVUE—Carol Ann Haenftling, Accident (left), won top honors in the 4-H dress revue Tuesday evening at the Episcopal Parish house in Oakland. Gas Production Check Is Lower

County Commissioners Get Check For $19,341 As Share Of Market Value

Natural gas production in the past three months ending June 30 took a substantial drop of some nine thousand dollars over the last report.

The report for the period was received this week by the County Commissioners. The check was for $19,341 and was exactly $9,036.52 less than the one three months ago.

The number of cubic feet produced in the period totaled 1,066,218,000, more than eleven million cubic feet per day. The marketable gas was valued at $276,300.01.

The gas company's check was the amount for the seven percent tax on the marketable gas. The largest check received for any 90-day period was $28,573.82.

The breakdown of the latest tax receipts showed $7,736.40 as the purchaser's proportion of the tax, (2.8 percent) and $11,604.60 as the producer's proportion of the tax (4.2 percent).

Thirty-five wells were listed as producing gas at this time, one less than the previous report. Four tabulations were listed as "various" and meant that several wells were involved. These wells are listed separately at the bottom of the tabulated report found in today's issue.

The "various" wells had a production of 957,257,000 cubic feet, a majority of the total produced.

Largest producing well was the Herman and Hanlin well with 216,691,000, while next on the list was Black and Frazee with 166,821,000. Others were Bowser, 131,708,000; Mitchell Rush, 118,966,000; Barbara Miller, 67,698,000; Miller, 59,750,000; Whiteface, 53,024,000; Arnold and George 46,445,000; Knox, 44,481,000. The N. K. Welch well, first producer in the area, still was supplying over 17 million

The check was the third one on the new year. Last year's total was $83,888.56. The total for the new year is now $68,124.90. The first $50,000 in any one year goes toward liquidation of the school indebtedness. The next $25,000 goes toward expenses of the Garrett County Memorial hospital and any amount above $75,000 goes into a fund for new school building repairs or additional new construction. A percentage of the total received by the Commissioners goes to incorporated towns if a producing well is located within the corporate limits.

Since the first check for the tax on the marketable gas was received by the Commissioners in July, 1951, the county's governing body has received $433,341.74.

The complete report of the production for the ninety-day period is shown in tabular form.

Two Youths Held In Robbery Case

Clarence Stemple And Unidentified Juvenile Arrested Last Friday

Two young Oakland area youths were arrested last Friday following their appearance at a cache of articles which had been stolen earlier in the week from a business establishment at Tunnelton, W. Va.

Sheriff James E. Frantz identified one of the youths as Clarence W. Stemple, 2t. of the Fingerboard road, west of Oakland, who is presently out on bond for appearance at the September term of court on a robbery charge in another case. The other boy arrested was only 15 years old and comes under the juvenile laws.

The stolen goods, which included a half dozen rifles, canned goods, cartons of cigarets and two bicycles had been hidden in a wooded area off Fingerboard road, about two miles west of Oakland. The location was called to his attention by a resident of the area who investigated after noticing several boxes had been stacked up and partially camouflaged.

A stake-out of the area was made by Deputy Sheriff Bruce Close, who moved in and made the arrests after the two boys began uncovering the loot.

Sheriff Frantz said the boys have not cooperated in the investigation and had indicated they will not waive extradition on the West Virginia charges. West Virginia authorities, however, said they would institute extradition proceedings.

Sheriff Frantz said he felt the two boys are members of a gang that has been committing robberies in the Maryland-West Virginia area for several months. He based his observation on the means used to enter schools and business houses as well as by the variety of articles which have been stolen. Mostly cash was stolen from the Oakland business places and would be difficult to trace.

Special Gospel Preaching Service Is Scheduled

A special gospel preaching service has been scheduled for Saturday evening, August 15, at the Mt. Lake Park tabernacle, beginning at 7:30 o'clock daylight time, it was announced.

Preacher will be R. L. Phillips, pastor of the Baptist temple at Parkersburg, West Virginia. There will be special singing by the Gospel Crusaders and others. Pastor Phillips may be heard over radio station WELD at Fisher, W. Va., every Sunday at 1.30 o'clock.

Boosters' Club Will Buy Insurance and Shoes for Athletes

Southern High Boosters' Club authorized the local school to purchase thirty pairs of football shoes and to underwrite a player insurance at their meeting last Thursday evening. Announcement was made by Dick Travis, athletic director.

In the absence of the secretary-treasurer, Mrs. Samuel Butler, president, reported that funds in the treasurer's account were in access of $400. She also reported that an additional $400 would be needed if the boosters' club was to take care of both insurance and shoes.

Plans to raise the additional funds were discussed. Mrs. Butler indicated that the mothers were planning to hold a bake sale on Saturday, August 1, at City Hardware. The mothers also agreed to work at the concession stand during the home games.

Dr. H. R. Gibson, Cliff Holler and Kenneth Johns were authorized to go ahead with plans to give away a portable TV set.

The next meeting of the organization was set for Thursday, August 6. Mr. Johns, principal, indicated that in all probability, Mr. Adolfson, new football coach, would be present.

The purchase of football shoes and insurance will mean a savings to each player of approximately $25. Persons to this year the boy or his parent had to purchase these two items.

Travis said the purpose of the club was to promote better interest in athletics.

Veteran Forest Employe Retires After 44 Years

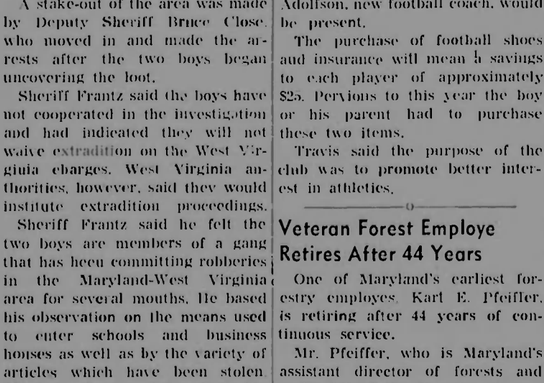
One of Maryland's earliest forestry employes, Karl E. Pfeiffer, is retiring after 44 years of continuous service.

Mr. Pfeiffer, who is Maryland's assistant director of forests and parks, joined the department as a temporary student assistant in 1912. A graduate of Cornell University's school of forestry, he returned to Maryland upon completion of his studies in 1915.

His long service has permitted time to specialize in practically every administrative branch of state forest work. Forestry officials from four states and the federal forester's office in Washington participated in a retirement dinner July 20 attended by more than 200.

Mr. Pfeiffer had been active in the development of Herrington Manor four miles west of Oakland.

Experts blamed neither Ike nor Congress for the $12 billion deficit.



SCOUTS LEARN MAP READING—A class in map reading and compass reading was underway when this picture was taken Tuesday morning at the Oakland Boy Scout camp. In charge of the instruction was Stewart Gray, second from the left. Others in the group are Billy Spiker, Robert Browning and Rodney Godwin. The scouts will remain in camp for two weeks.

Plans Complete For Week of Missions

Plans for the Lutheran evangelism mission among churches of the Mountain Top area are about complete, it was reported this week by the Rev. George C. Weirick, retiring president of the West Virginia Lutheran Synod.

The mission is set for August 22 to 28. After the morning service in all the churches an opening rally is scheduled to be held in St. John's church at Davis, W. Va., on Sunday evening at 8.30 o'clock, at which time the Rev. Frederick P. Eckhardt, pastor of St. John's Lutheran church, New York City, will be the speaker. A short pageant will be presented by members of the Luther League from the various churches.

Services will be held in the thirteen churches of the area each evening, Monday through Thursday, and the entire program will conclude with a rally in Northern High school, on Friday, August 28 at 8:30. The speaker will be the Rev. Dr. G. Lawrence Himmelman, president of the Pittsburgh synod.

Special missioners are being brought to the area who will have charge of five services in the various churches, Sunday morning, Monday, Tuesday, Wednesday and Thursday evenings. These missioners: the Rev. Manfred K. Bahmann, of Grafton, for St. Paul's, Accident; the Rev. Harold L. Hann, Fairmont, for St. John's, Cove; the Rev. Charles L. Lady, Konnarock, Va. for Grace, Friendsville; Rev. J. Malcolm MacDonald, Shenandoah, Pa., for Emmanuel, Bittinger; the Rev. David Fetter, Salisbury, for St. John's, Meadow Mountain; the Rev. Glenn A. Shackelford, Madison, Va., for Zion, Jennings; Rev. James R. Stephenson, Clarksburg, W. Va. for St. Paul's, Aurora; the Rev. Milo W. Geberding, New Martinsville, W. Va., for St. John's, Davis; the Rev. Frederick P. Eckhardt, New York City, for Triuity, Keyser; the Rev. Dixon A. Yaste, Baltimore, for Glade Farms; the Rev. Michael W. Kretsinger, Lovettsville, Va., for St. Mark's, Oakland; the Rev. Richard F. Neal, Charles Town, W. Va., for St. John's, Red House; and the Rev. Thomas C. Cooper, Pittsburgh, for Mt. Calvary, Westernport.

A brief biography of each missioner will be printed, using four or five each week. The pictures and sketches appear on another page of today's issue.

Guard Unit Leaves For Two Weeks Encampment

The local unit of the Maryland National Guard left Oakland last Friday for Fort Knox, Ky. where they will spend a two weeks' encampment period.

Extensive tank training will be taken by the guardsmen, according to Col. Robert C. Matlick, commanding officer of the battalion.

The Oakland unit was reorganized during the spring months after having been originally organized ten years ago as an engineering company. The companies at Cumberland and Frostburg also were made into units and all are training at Fort Knox.

Named To Dean's List

Warren Quinn Smith, son of Mr. and Mrs. Stanley P. Smith of 71 Green St., Oakland, is one of 385 undergraduate men at Duke University who have been named to the Dean's List for the spring semester.

A 3.0 average out of a possible 4.0 average is necessary to qualify for the Dean's List.

Hazelwood Starts on Hutton Road Project

The George F. Hazelwood company, of Cumberland, which was awarded the contract for 2.344 miles of highway from the Crellin bridge to the West Virginia state line, began preliminary work this week. The project is not expected to be completed for several months.

Cost of the improvement program is $131,990.83.

The State Roads commission also has awarded an $8,758.88 contract to Travelstead and Sons construction company of Baltimore for concrete bases for radio masts and antennas in Garrett, Allegany, Washington and Frederick counties. The Garrett county antenna will be placed at the State Roads garage in Oakland. The Allegany county tower will be located on Dan's Rock.

The bases will be used for a radio communications net linking key vehicles and operating personnel of the SRC.

One Vacancy Exists On Teaching Staff

One vacancy exists at present in the field of girls' physical education at Southern High school, it was announced this week by Willard L. Hawkins, county superintendent of schools.

Hawkins said every effort was being made to fill the vacancy but that up to the present time no qualified prospects had been found. He added that failure to locate a teacher in this field would mean greatly curtailing the girls' program of physical education.

The superintendent declares a few other late resignations were anticipated which would be difficult to fill.

All teaching candidates are required to appear for an interview before being selected. He said he was of the opinion that the thirteen new teachers selected and previously announced were well above average and some of them superior and he hoped that the teaching staff would be strengthened accordingly. In view of the low salary scale he said he felt very fortunate and that the children in the schools would profit.

Conservation Group To Meet on Tuesday

Members of the Garrett County Conservation association will meet Tuesday evening, August 4, in the Oakland fire hall, at 8 o'clock.

Edwin Barry, chief of the enforcement division of the State Game and Inland Fish Commission, and Harold J. Elser, member of the Department of Research and Education for the commission, will explain the rotenoning process at Hooppole cove, on Deep Creek lake, which will take place on Wednesday, September 9. This will be a follow up of the rotenoning conducted several years ago to determine the fish population of the lake. The public is invited.

Light Rains Fall

Light rains fell here three days during the week, but failed to add anything to the dwindling water supply. There was some rain last Friday and Saturday. A thunder shower threatened Wednesday evening but brought only scattered drops to the area.

Sunday, Monday, Tuesday and Wednesday were fairly clear and warm.

Mayor Recommends Another Well To Hike Water Supply

At a special meeting of the Mayor and Town Council of Oakland on Tuesday evening, Mayor Russell Smith recommended the digging of an additional well to augment the dwindling water supply, but the council took no action.

Because of the absence of three of the councilmen, Dr. E. I. Baumgartner, Dr. H. R. Gibson and John A. Wolf, it was decided to wait until the regular meeting on Monday, August 3 for a final decision.

Mayor Smith explained that several weeks ago he had attempted to stop washing of cars and sprinkling of laws and a week later had restricted the Sterling Processing company to ice making and drinking purposes but that the total amount being used was less than

Wins Virginia Trip

Two Garrett county FFA youths won an educational trip to Virginia as a result of their 1958 turkey production records. They are Harold Schmidt, of Accident, who placed first, and Dwight Glotfelty, Oakland, who finished second.

The youths spent last Thursday and Friday in the Rockingham area where they visited hatcheries, marketing cooperatives and breeding and turkey farms.

4-H Dress Revue Winners Are Named

Carol Ann Haenftling, accident, 14 year old member of the North Star 4-H Club, won top honors in the 4-H Dress Revue held Tuesday evening at the Episcopal Parish House in Oakland. Patty Shawley, 13, Bittinger Club; and Jane Hanst, 16, Monte Vista Club, Oakland, were runners-up. Cynthia Nace, 18, Monte Vista Club, was named alternate.

Miss Haenftling modeled a dress and jacket ensemble of blue nubby cotton sparked by pale multi-colored stripes. The packet featured a round neckline, kimono sleeves, and a bow at the waist. The sleeveless dress had a square neckline, fitted bodice, and a full pleated skirt. White accessories completed the outfit.

Patty Shawley showed a versatile sports outfit made from polished cotton. Beige polished cotton was chosen for the shorts and blouse. A flowered skirt with double box pleats and buttons down the front completed an outfit suitable for school or play.

Jane Hanst appeared in a short party dress of blue sheer woolen crepe. The dress featured button front closing, shaped collar, welt pockets, below elbow length sleeves and a slim skirt. Miss Hanst choose an embroidered braid belt and black patent accessories as the finishing touch.

Cornflowers of violet and subdued orange scattered over a pale bluish background describees the print Cynithia Nace chose for her dress. The sleeveless full-skirted button down the front dress had a wide neckline trimmed with a pointed collar. Violet buttons were the only trim.

Garrett County will be represented in the State Dress Revue to be held during Club Week by Miss Haenftling and Miss Shawley. Miss Hanst will be unable to participate because she will be serving as a Tribe Leader during the week. Miss Nace will attend Club Week and serve as Co Head-Hostess.

Other 4-H'ers participating in the Style Revue and their final placings were: Blue, Karen Shawley, Jackie Brenneman, Helen Emory, Bittinger Club; Linda Oursler, Marjorie Swartzentruber, Connie Crowe, Monte Vista. Red, Eileen Kellison, Mary Ellen Beachy, Ruth Ann Beitzel, Carolyn Brenneman, Bittinger; and Ruth Ann Harvey, North Star.

Mrs. Charles Myers and Mrs. Harry Friend served as judges for the event, Mrs. Taft Oursler, local leader, acted as consultant.

Street Improvements Are Temporarily Halted

Street improvement work on Oak street was halted temporarily yesterday afternoon, to determine who has jurisdiction to tear up what.

The construction company, working on Rt. 219 and Maryland 41 improvements, has been engaged in placing curbing on several streets and alleys within the corporate limits of Oakland. Apparently several sewer lines had been destroyed.

Thurl Tower, owner of property on Oak street, said that workers had broken through at least two sewer lines and had left them exposed for several days. When he arrived on the scene yesterday he discovered an eight foot ditch in front of his property, apparently for a new sewer line.

Town workmen also had been doing repair work along Oak street, laying new water and sewer lines, in preparation for the state road improvements.

Apparently replacing of the sewers was termed the responsibility of the State Roads commission and this work was resumed this morning.

Assessments Survey Crew Visits County

A six-member survey crew appointed by the State Department of Assessments and Taxation spent several days last week in Garrett county conducting a check of assessments in the area, according to R. C. McComas, supervisor of assessments.

Mr. McComas said the crew was particularly interested in checking the ratio of assessments to true values and sales. They visited all sixteen districts in the county.

The survey crew was appointed as a result of a resolution adopted by the General Assembly in Annapolis, calling for an evaluation of assessments in each county and Baltimore city every five years.

Norris Burgee, assistant director of assessments for Baltimore city, is serving as chairman of the survey crew. Other members are Walter L. Lindsay, deputy state supervisor of assessments; Gordon Cade, assistant supervisor of assessments for Baltimore county; Garner W. DuVall, field supervisor of assessments for Montgomery county; Reginald A. Jones, supervisor of assessments for Dorchester county; and Robert Ludwig, an assessor in Washington county.

The crew will submit a report to the State Department of Assessments and Taxation when all counties are reviewed. The group is in Allegany county this week.

Passenger Is Hurt In Wreck of Truck

A Swanton man, passenger in a truck ditched after it went out of control while descending route 135 one mile west of Bloomington, remained in fair condition in Potomac Valley hospital, Keyser.

Dorsey William Wilson, 41, route 1, Swanton, was a passenger in the truck operated by Riley Mathew Wilson, 34, of route 3, Swanton, who was not hurt.

The man suffered possible internal injuries and a facial laceration in the mishap which occurred last Thursday. The driver ditched the truck after the drive shaft broke.

An ex-professor at Athens W. Va., believed a pauper, died leaving estate of $200,000.

Port On The North Branch

By W. W. Hill
Illustrated by Harold C. Pendleton

Reprinted from The Glade Star

The Rebel army built a log and earth redoubt in the summer of 1861 on the North Branch of the Potomac River guarding a covered bridge that carried the Northwestern Turnpike across this stream. The military defenses were located on land owned by Philip Pendleton and the post has consequently, Fort Pendleton. Some evidence of its existence can still be found there on the steep pasture land rising westward from the river and marked by crooked, half-filled trenches facing the towns of Gorman, Maryland, and Gormania West Virginia.

The Confederate army had started the fort, but had to abandon their works after General McClellan's troops routed them at Philippi and killed General Robert S. Garnett, the West Point trained commander of the rebel troops at Corrick's Ford, July 13, 1861.

The Union troops, Fourth Ohio Volunteer Infantry, began work on the fortification in August and had completed the project by the middle of September. A reliable estimate of their labor gives sixteen thousand man-days expended upon the entrenchments in the thirty days used to construct them. This also included cutting a fine stand of timber across the Fort on the bishop oak to be over below. The trees extended for nearly a mile from the fort and within an earthen dove in hill and over the covered bridge.

Fort Pendleton was occupied by [illegible] from Fort August 1861, until February 15, 1862 during the first year of the Civil War. It was vacated then and re-garrisoned sometime after the Jones' raid in 1863. The fort proved of no importance in the overall operations of the war. In fact, Fort Pendleton was an example of labor and funds wasted. This is typical of many phases of military activity, which appears only after the business of war is over. Circumstances might have proved this western Maryland post of great importance for it stood guard along side an important route of travel and communication.

The importance of the Northwestern Turnpike had been replaced by the construction of the Baltimore and Ohio railroad. When Job Sion built the covered bridge across this stream in the wilderness, thirty years before the Civil War, this road was the only route across this part of the Allegheny mountains for freight, mail and passenger movement leading directly to the central Ohio river country. The route had been advocated by Washington, its importance to commerce finally recognized by Virginia, and its plan put on paper by Virginia's principal engineer, Colonel Claudius Crozet, once a West Point instructor and an engineer in Napoleon's French army during the Egyptian campaign.

The situation still held that to the Confederate forces this road across the mountains was important for it offered them a route to come North and reach the vital railroad communications serving the Union command. Fort Pendleton was of no use the one time that General Imboden sent his northern division, under General William E. Jones over this road to reach and destroy the railroad. However, General Jones accomplished only temporary interference in the railroad's operations and after that time no rebel forces of any importance came into what is now Garrett County.

There are many details concerning the building of Fort Pendleton and its temporary existence that might be given, but this is of slight importance in the military operations of that period. Suffice it to state that Farmer Pendleton's house, his timber, and his land were appropriated by the military authorities for their purposes in that nearly forgotten time.

I have been advised that within a few years the present course of U. S. Highway 50, the old Northwestern Turnpike, will be changed and completely bypass the site of old Fort Pendleton. This will be of small concern to tourists as no marker has ever been erected to tell travelers that such a military post ever existed within the borders of Garrett County.

The personal fortunes of people once involved with the existence of Fort Pendleton has been suggested through other writings. The province of such historical interpretation does not come within the scope of the amateur. No doubt a Catton or a Freeman could easily absorb such facts of Fort Pendleton's history and make them come soldier's joke may have originated alive as vitally concerned with our nation's past.

We can suggest that those who wish to study this subject in detail will find good material in the private in that regiment, William Kepler. The editor of the Glade Star has a copy of this rare book.

In checking on the site of Old Fort Pendleton, we found that this land had been granted by patent from the State of Maryland, in 1850, to W. W. Seaton, from whom Philip Pendleton bought it in 1853. The tract was called "Setonia" by

Fort Pendleton, erected 1861

Seaton and "Winstoa" by Pendleton. The name found in land records after Pendelton acquired the land can be associated with a turnpike post office "Winston's Post Office" that was in existence during the Civil War and for a short period after the war closed. This office was located on the turnpike between the covered bridge and the Pendleton house and seems to have been kept by a man named Winston.

Some half dozen Union soldiers died of illness while the Fourth Ohio occupied Fort Pendleton. They were buried near the old Presbyterian church. It may be possible to establish the presence of the old church in the artist's sketch of the area. The church is gone now for years and its burial ground obliterated by time and cultivation. This was a structure that stood just above the sharp bend in the road leading up from the covered bridge. One resident of Gorman told me that soldiers once ripped off the weatherboarding, from the church for their own use and left the dedicated structure open to the rain and snow. He said that some tramps in later years, sheltering in the building, set it afire and thus burned what had been a place of worship and entertainment during Civil War days.

Historian Kepler is the source of the information as to the church having provided entertainment. He states that sometimes stag dances were held in the old church. He also explained that the soldiers in that summer and autumn of 1861 staged a few amateur shows in the building. The Fourth Ohio, commanded in August by Colonel Lorin Andrews, was provided with a chaplain. We know he preached at least once to them, on a Sunday in September after the troops had returned from a skirmish with the rebels at Petersburg.

As to the religious services offered to the troops who occupied Fort Pendleton in the closing years of the war, we know nothing. We have learned, from the official correspondence of the area commander, General B. F. Kelley, that these troops at Fort Pendleton were prone to neglecting picket duty, blockading roads, and to fishing. General Kelley sent their commanding officer, Captain Joseph M. Godwin, word on at least one occasion that such conduct must be discontinued at once or the captain would find himself dismissed from the service of his country.

I do not know if Captain Joe mended his discipline. Perhaps before he got around to it, General Kelley had been captured. Anyhow, the soldiers finally left and the Pendletons stood looking at the raw trenches and the stumpy ground. Hards times seem to have been coming their way continually.

"Winston" was sold for taxes by Edward Jamison, Sheriff of Garrett County, in 1878. It was bought by Abraham Rex, of Philadelphia, and John T. Mason, of Baltimore. Mr. Rex sold one-third of the property to Mr. Mason for five thousand dollars a few years later. This was approximately seven times what the property brought at the tax sale.

One writer states that the Philip Pendletons, lived in the old fort at one time after the Union Army vacated the structure. We wonder at this, but remember that he had mortgaged the property before the war even began. A Deakins family is also supposed to have lived in the fort after the Pendletons. There is evidence that the structure burned down in 1888.

Prosperity did not follow the ownership of the land on which Fort Pendleton stood. It was sold again in front of the courthouse door in Oakland, June 11, 1892, by Uriah M. Stanton, "late treasurer of Garrett County." We failed to find the details of this court order sale and there we left it.

Urge Attorneys For Magistrates' Posts

A committee of attorneys studying Maryland's trial magistrates' system agreed Tuesday that lawyers, not laymen, should serve in those judicial posts.

The committee also decided to recommend to Gov. Tawes that a uniform system of legal forms, procedures and court costs be prescribed for magistrates' courts which now vary widely from county to county.

The group reached no final conclusions on whether magistrates should serve fulltime at higher salaries, whether they should continue to be appointed by the governor with consent of the Senate, or be elected locally and whether they should be given increased jurisdiction and greater powers.

The report was unanimous that attorneys were better equipped to serve as magistrates and should receive an adequate salary to do the job. It was noted there was considerable sentiment in Allegany and Garrett counties for a people's court consisting of two or three attorneys as fulltime judges to take over the jurisdiction now held by magistrates.

Plans Yough Lake Swim

Gue Brickner, Charleroi, Pa., distance swimmer who swam Deep Creek Lake from Green Glade to the end of McHenry inlet, announced plans for another marathon swim. He plans to swim the length of the Youghiogheny dam, said to be a distance of 18 miles, from near Friendsville to Confluence, Pa. He will make the attempt Tuesday, August 4. A financial setback forced him to abandon plans for a second attempt to swim the English channel.

Review of The Play

Farce may be defined as an extreme form of comedy in which laughter is raised at the expense of probability, and is one of the oldest forms of playcrafting. Today there are few true farces being written. Rather instead there has developed the farcical comedy which is a full length play dealing with some absurd situation hinging often on extra marital relations hence the term "Bedroom Farce".

"John Loves Mary" by Norma Krasna is a farcical comedy of misunderstanding caused by a young soldier's inability to reveal the fact that he is actually unmarried—even though he has come to the assistance of a buddy in England by engaging in a marriage ceremony of convenience. This perhaps sounds rather involved, and to some extent it is. Actually I suppose one might also say that it is concerned with the vicissitudes involved in keeping love's young dream from becoming unrequited in nature.

Sure John loves Mary, but he is somewhat of a dope, because he marries an acrobatic dancer, who does bumps and grinds while walking on her hands, in order that she may get into the United States and become the wife of the buddy long time departed. In the meanwhile the other huddy has taken onto himself a wife and is rapidly approaching fatherhood.

Buddy number one arrives in New York to find the girl of his dreams still waiting—albeit with a father who is a United States senator and none to inclined towards marriage—arrives the cockney dancer—more complications—an attempt to postpone a fast marriage being arranged by the senator by using a set of false orders. This in order that a Reno divorce may be effected—arrives a general of the army and with him the machinations representing the peerless efficiency of the upper brass. But in spite of all this our hero gets the girl and everything ends well. Even the gal with the gimmick winds up with a husband.

All of which makes for a very pleasant evening for those attending the playhouse this week. Not only because of the fact that quite amusing entertainment is offered, but also that it permits the members of the playhouse group to exhibit a definite change of pace.

The leads of John and Mary are essayed by Chris Curran and Sal Springwell. Both do an excellent job, however it might be better were Chris to be a little less intense and seek to be more relaxed.

The part of Fred Taylor, a sort of Brooklynese type of character, is played with good comic values by Neil Flanagan and rather proves Neil's versatility since his part this week is entirely different from anything heretofore played by him.

Gene Falcetta as Senator McKinley portrays a big-wig in political power with considerable bravura. E. J. Peaker is his somewhat monsy yet conniving wife. As a mother she is quite convincing.

Rebecca Singer is Lily Herbish, the cockney "fly in the ointment" gives a well studied delineation as a rather brash and not too pure young lady.

In supporting rolls are Sally Lutin, Sandy Holloway, Dick Snyder and Ray Caton.

"John Loves Mary" was originally produced in New York by Rogers and Hammerstein. It enjoyed a successful run as one of the first of the post war plays dealing with the mores of the returning servicemen. This is understandable since it is easy to follow and gives more than its share of laughs. It has become a very popular member in the repertoire of summer theatres which is as the author intended.

Fish Management Personnel Study Fish Population

The strange bright lights and noisy motors that some people heard in the Poland Run and Holy Cross areas several nights last week were not caused by an invasion from outer space, according to Cecil C. Edwards, fish culturist assistant, but were from a crew of fish management personnel from the Game and Inland Fish Commission and Department of Research and Education who were busy with their electro-fishing gear, studying the fish population and reproduction of various fishes.

Edwards explained that the gear consisted of a series of positive and negative electrodes powered by a portable generator and mounted on a large flat-bottom boat in such a manner that they may be raised or lowered in front of the boat. When submerged in the water an electrical field is created which temporarily stuns any fish coming in contact with it. The fish are removed for observation.

He said that as a result of last week's study it had been determined that eastern chain pickerel, first stocked in the lake in 1956, had successfully spawned and reproduced for three successive years. Increasing catches of larger chain pickerel indicate the adult pickerel are thriving well.

Reports on Catch

Edwards reported on last week's catch. Many pickerel, 16 to 25 inches, were reported, one of the largest being caught by Jack Wotring and Bob Hartley above Glendale bridge. Wotring creeled three and Hartley creeled five, ranging from 16 to 25 inches, with a combined total weight of 16¼ pounds. All were caught on an "Abu" spinner while trolling. Other pickerel catches: Cecil Jackson, Oakland, 21½, near Breast of Dam; Dennis Wotring, Kingwood, 21¼ near Turkey Neck; Robert Wagner, Fairchance, 21 inches, Meadow Mountain; Frank Williamson and son, Cumberland, 19 & 18½ inches, near Mellemy; I. J. Delorme, Wilkinsburg, 18½, Hoop Pole cove; Bill Stockslager, Oakland, 18 inches, Red Run; Emory Myers, New Stanton, 17 inches, near Meadow Mountain.

Frank Williamson and son also caught a largemouth and smallmouth bass each 16 inches. Delbert Nicholson, Smithdale, 22½ inch largemouth, 6¼ pounds, at Thayersville; and four smallmouth 11 to 18 inches at Glendale: Frank Fox, Irwin, two largemouth bass, 16 and 17 inches, at McHenry; Linn Phillips, Pittsburgh, 19 inch smallmouth, 23-inch walleye in Slide Hollow by Jack McLaughlin, Pittsburgh; 19-inch walleye near State Park, by Virginia Thompson, Cleveland; two 18-inch walleyes by two Glen Burnie men and an 18-inch walleye by I. J. Detorre near Beckman's peninsula.

Ray Strickler, Perryopolis, caught a 30-inch, five pound northern pike near Shingle camp taken on a small minnow. B. G. Bennett, Morgantown, 19½ northern pike near Holy Cross.

Edwards said fishermen were returning quite a few tags from yellow perch that were tagged in April, some in Cherry Creek cove. Some have traveled as far as Harvey's peninsula and Deep Creek cove, while some tagged in Hoop Pole cove have been caught at Red Run and McHenry. He urged fishermen to keep the tags coming in.

GLADES

Mrs. Margaret Casteel, Oakland, spent last week with her niece and nephew, Lucille and Nathan Glotfelty. They all took dinner with Mrs. Casteel's family at their cottage at Deep Creek Lake, Sunday.

Mr. and Mrs. Harold Orendorf and sons are visiting friends and relatives here. Their home is in St. Petersburg, Fla.

Donald Beitzel returned to his home in Fairfax, Va., Sunday.

Linda Glotfelty is vacationing with relatives in Canton, O.

Mr. and Mrs. Charles Wilcomb and Mr. and Mrs. James Warfield are spending a few days with the James Glotfeltys.

The Bittinger Homemakers met with Lucille Glotfelty, Tuesday evening.

Mr. and Mrs. Isaac Metzler attended the Metzler reunion at Martinsburg, and visited relatives in Allensville and Bellville, over the week-end. The George Bowsers also attended the Metzler reunion.

Lee Sterling, Hagerstown, spent Tuesday night with the Metzlers.

The Earl Bakers, of Springs, Pa., attended church here Sunday, and were dinner guests of the Park Opel family.

To Attend Meeting

State Senator Bernard I. Gonder left today for Washington where he planned to attend a dinner tonight and a meeting tomorrow in regard to problems of the Potomac River basin.

Mr. Gonder is vice-chairman of a special sub-committee of the Maryland Legislative council that deals primarily with the Potomac River basin.

U. S. turnpikes were found to be nearly twice as safe as other roads.

DIED

RICHARD D. KNEPPER

Richard D. Knepper, Denver, Col., formerly of Oakland, died suddenly of a heart attack in Detroit, Mich., on July 21.

Deceased was born September 11, 1916. He had also resided at one time in Berlin, Pa.

Funeral services were conducted in Denver on Saturday, July 25, with burial in Chapel Hill Memorial Gardens, in that city.

Surviving are his wife, Dorothy Knepper, of Denver; his mother, Mrs. Blanche Knepper Shaffer, Cumberland; and a sister, Mrs. E. W. Bradshaw, Jr., of Falls Church, Va.

Mayor Recommends

(Continued from Page One)

He was advised by Henry McComas, chairman of the water committee, that the city was pumping 2,400,000 gallons per minute but that over 250,000 gallons of water was being consumed daily. He said that under normal conditions the wells would not begin to show improvement until December or January, and that schools opening early in September would cause more than the usual amount of water to be used.

He pointed out the new program would not bring plentiful water to the community before May or June, 1960, and he recommended to the council the immediate drilling of another well as an emergency measure.

44 Marriage Permits Granted Past Week

Forty-four marriage licenses were issued during the past week ending Monday at noon from the office of Richard L. Davis, clerk of the Circuit court. This brought the total for July thus far to 161. Two licenses issued were marked "don't publish."

The number for July already has surpassed the total for the entire month of June which was 156.

Congressional Viewpoint

Sen. John Marshall Butler

Equal Time or No Time?

In past election campaigns, the broadcasting industry has not been too harassed by a section of the Communications Act of 1934 requiring that equal time be given every candidate, no matter how small a splinter he might be. But recent events have demonstrated that this provision could tie stations and network hand, foot and throat in the performance of their political coverage and lead to an eclipse of politics in a campaign year. This section (termed "ridiculous" by the President) is Sec. 315, stipulating that equal broadcast time be given to all candidates for public office.

During the Chicago mayoralty this Spring, a candidate, virtually ignored by the city electorate in the primary, demanded equal time with the Democratic and Republican candidates on radio and television newcasts, panel discussions and interviews. Under existing law, he was entitled to such equal treatment. The absurdity of that law was proven when he received two write-in votes on election day. In a recent Texas election, a newscaster who was also candidate for mayor, in the performance of his regular duties, commented upon such innocuous topics as stock car races, the possibility of rain and the latest price of hogs. Even so, his opponent demanded and received equal time under the same statute.

The president of NBC has declared Sec. 315's "clear and immediate effect is to clamp a political . . . gag on the eve of a national political campaign." The president of CBS has pointed out that in 1956 there were 18 different candidates for the presidency and that, excluding the two major nominees, the other 16 candidates received 400,000 out of a total of 62 million votes. Equal time to all could have monopolized all CBS news coverage during the entire campaign.

But relief from this ridiculous situation is within sight. Last Wednesday, the Senate Committee on Interstate and Foreign Commerce, of which I am a member, approved an amendment to provide that equal time requirements with respect to candidates for public office shall not apply to newscasts and similar programs such as interviews, documentaries, on-the-spot coverage, or panel discussions. Without this amendment, equal time to all candidates could mean no time at all, and deny the voter the privilege to assess the relative merits of potential public officials. In the interest of quality and clarity of political discussions vital to a well-informed electorate, The Congress should approve this long overdue amendment to the Communications Act. It has my wholehearted support.

Tractor Mishap Is Fatal To Young Girl

Funeral services for three-year-old Diana Elaine Durst who died of head injuries when run over by a tractor on her father's farm near Keyser's Ridge last Friday afternoon, were held Sunday afternoon at 2:30 o'clock from the Newman Funeral home in Grantsville.

Rev. Clarence Movers, pastor of the Grantsville Church of the Brethren, and Rev. Joseph Lewis, pastor of the Markleysburg Church of the Brethren, officiated. Interment was in Grantsville cemetery.

The child, daughter of Edison and Lula Bittinger Durst, was pronounced dead on arrival at Meyersdale Community hospital. Her injuries included a fractured skull.

Tfc. Glen D. Folk said the child was walking behind a farm tractor operated by her sister, Donna Kay Durst, 15, when it backed up, running over her.

A neighbor and relative of the family, Harry Campbell, took the mother and the victim to Grantsville where they met Trooper Folk who escorted them to the hospital.

The little girl's father, who is employed as a driver for Sanders Motor Freight Inc., of Cumberland, was on a trip to Baltimore at the time of the accident.

Besides her parents, she is survived by the following brothers and sisters: Dennis and Wayne Durst, Baltimore; Mitchell, Roger, Merle, Gary, Richard, Neil, Donna, Judy and Sandra Durst, all at home.

Also surviving are her paternal grandmother, Mrs. Lettie Durst, Salisbury, and her maternal grandmother, Mrs. Annie Bittinger, Grantsville.

Secretary of State Herter declared the West never would accept a Soviet deadline for a solution of the Berlin question.

Farmers Warned On Hay Harvest Hazards

Haying operations and combining mark the beginning of a season when farm accidents run high, cautions Guy W. Grenger, Extension specialist of the Agricultural Engineering Department, College of Agriculture, at the University of Maryland. He points out that haying and combining machinery with high speed cutting mechanism and gears are operated in a busy season when chances for accidents mount rapidly.

To assure safety and avoid lost time, the first step is to check equipment carefully before work starts. Watch out for defective hitches, ropes, pulleys, lifts, hay racks or ladders. See that loft floors are in good repair and hay chutes guarded to avoid falls. Also check your cutting equipment and see that safety guards are in place. While operating, workers must be constantly on the alert to avoid falls. Watch out for falls from machines, moving wagons and barn lofts.

Watch starts and stops while loading, especially on rough ground. Never dismount from tractors or machines while they are in operation.

Pitchforks are frequently misused more than any other tool. You cannot afford to take chances with these long, sharp unguarded steel tines. For outside work, carry a pitchfork over your shoulder and stick it securely in the ground when not in use. Don't lay it down. Never throw a pitchfork. See that it is hung up or stored in a rack in the barn.

Be sure that the hay is well cured before it is stored in hay mows. Damp hay will heat and start a fire. This is one of the principle causes of barn fires. Freshly stored hay should be checked regularly for several weeks to see that there are no signs of heating.

Seven Births Occur

Seven births occurred at the Garrett County Memorial hospital in Oakland during the past week, two boys and five girls.

On the 23rd a daughter to Mr. and Mrs. Carroll Comer, of Baltimore.

On the 24th a daughter to Mr. and Mrs. Claude Kenneth Friend, Accident.

On the 27th a daughter to Mr. and Mrs. Bobbie Leroy Harsh, Hutton; a son to Mr. and Mrs. Leroy Carr, Oakland.

On the 28th a son to Mr. and Mrs. James H. Christenopher, route 1, Swanton; a daughter to Mr. and Mrs. John E. Thomas, route 1, Oakland.

On the 29th a daughter to Mr. and Mrs. Jack Hardesty, Oakland.

During the week the hospital admitted 47 patients and discharged 42. Census this morning was 47.

Grantsville Wins 7-3

Grantsville's Sluggers whipped Mt. Savage 7 to 3 in the Pen-Mar Baseball league Sunday at Mt. Savage and retained its grip on fourth place. Ahead of the Sluggers were Barrelville, Hyndman and Salisbury.

Manager Robert Keister tossed a five-hitter and whiffed nine in the victory. Grantsville got twelve hits. Ronald Young and Tucker Cain hit three each while Junior Perry had two singles.

Ministers Who Will Participate In Evangelism Mission

THE REV. HAROLD L. HANN

THE REV. MANFRED BAHMANN

THE REV. J. M. MacDONALD

THE REV. CHARLES L. LADY

Here are four of the missioners who will take part in the coming evangelism mission in Lutheran churches of the Mt. Top area, August 23 to 28.

The Rev. Harold L. Hann, Fairmont, W. Va., will be missioner for St. John's Lutheran church at Cove. He has been pastor of Grace church, Fairmont, since 1934. A native of Frederick he holds an A.B. degree from Gettysburg college and a B.D. degree from the Lutheran theological seminary, Gettysburg. He has been a member of the West Virginia synod since, has served as secretary of the synod, secretary of Christian Education, as chairman of the home missions committee and is synodical reporter to The Lutheran magazine.

The Rev. Manfred Bahmann, Grafton, W. Va., will be missioner for St. Paul's, Accident. He returned to the United States from his home country of Germany for the second time in May, 1949. He lived during World War II in Germany. In 1945 his family lost all their property in an air raid in Dresden, Germany. After the war he took theological training at universities in Goettingen, Heidelberg and Bonn, Germany. He received a scholarship at the United Theological seminary in Dayton, O., where he received the B.D. degree in 1954. That summer he served three congregation in Saskatchewan, Canada, and returned to Germany. He was ordained by the Protestant Provincial church of the Palatinate in 1955. For four years he was chaplain in the German Civilian Service units of the U. S. Army and U. S. Air Force around Kaiserslauten.

The Rev. Charles L. Lady, Konnarock, Va., will be missioner for Grace, Friendsville. He is rural missionary for the Board of American Missions and received his B.A. degree from Susquehanna university and his B. D. degree from Gettysburg seminary. He has served parishes in York county, Pa., and was a student pastor of Edinburg parish in Virginia in 1950. He went to Konnarock in 1957. He is married and the father of four children. He has served as missioner in a number of Pennsylvania churches and Aurora, W. Va.

The Rev. J. Malcolm MacDonald, Shenandoah, Pa., will be missioner for Emmanuel, Bittinger. A native of Baltimore he was graduated from both Gettysburg college and Seminary. He is married and the father of three children. While at seminary he served a church. Following ordination he served in Gouldsboro, Pa., where he opened a summer chapel. In March, 1958, the Gouldsboro church and Christ church, Scranton, formed a two-church parish and assumed pastorate of St. John's, Shenandoah. In January of this year he took on additional duties as supply pastor of a church at Girard Manor, Pa.

Economic Committee Has Initial Meeting

Members of the County Economic Development committee recently appointed, met with the County Commissioners last evening for a discussion of the possibility of attracting industry to the county.

Five members of this committee were named June 2 and announced just this week after all had signified their acceptance. They are Earl Guard, Friendsville; Jesse J. Walker, Kitzmiller; Robert Ridder, Gorman; Lowell Loomis, Oakland; Harry Edwards, Grantsville.

The group felt that for the time being they would work as a committee with the commissioners and not have a formal organization.

At last night's session they agreed to have a representative of Fantus Area Research, Inc., of New York City, to meet with them concerning the possibility of an industrial survey.

The appointment of an Industrial development committee was authorized by a measure passed by the 1959 legislature, which is now Chapter 752 of the Laws of Maryland. It also authorizes the Commissioners to employ an Industrial Engineer with an annual salary and expenses not to exceed $25,000 to administer an overall program of economic development for the county, if the commissioners deem it advisable.

The same measure authorized this committee, to be composed of five members who should represent the geographical areas of the county. The members serve without compensation and at the pleasure of the commissioners. The committee would assist the industrial engineer, when and if named, in an advisory capacity and assist in the development of an overall program.

Maryland's income tax collections jumped some three million dollars over estimates for fiscal year.

Federal Communications commission ordered charges on interstate long distance telephone calls cut by about 50 million dollars a year.

A Japanese model won the Miss Universe Crown at Long Beach, California.

Flight To Outer Space Is Next Play

"A Visit to a Small Planet," will be the Garrett County Playhouse presentation for its fifth week, which will start next Tuesday, August 3, and continue until Saturday evening, August 8. Rehearsals have been under way all this week.

This is another comedy production written by Gore Vidal and takes the viewer on a flight of fancy from outer space to the deep south. The play enjoyed a two-year run on Broadway starring Cyril Ritchard and featuring Eddie Mayehoff.

In the local production Neil Flanagan will be the visitor to a small planet. He visits the home of the Speldings in Virginia. Mr. and Mrs. Spelding will be portrayed by Gene Falcetta and Rebecca Singer, with E. J. Peaker as the daughter. The next door neighbor will be Chris Curran. Bert Haman, a newcomer, will play the general with Sandy Holliday playing the part of the General's aide. The visitor from outer space will be played by Sai Springwell.

Director Gene Yell said attendance for last week totaled 837 which he considered satisfactory. The theatre now has a seating capacity of 230.

For the balance of this week the play, "John Loves Mary" will be presented.

All shows are given at the summer theatre, in the former Arden Boat club, at McHenry. Curtain time is 8:30.

WSCS Circles To Meet

WSCS circles of St. Paul's Methodist church, Oakland, will meet next Wednesday evening, August 5.

Circle 1, Mrs. Ray Teets leader, and Mrs. William Naylor as co-leader, will meet with Mrs. Melvin Kight at her cottage on the Lake.

Circle 2, Mrs. Howard Naylor leader, and Mrs. Walter DeBerry, co-leader, will meet at Swallow Falls for a picnic.

Circle 3, Miss Ethel Hesser leader and Mrs. H. C. Leighton co-leader will meet at the cottage of Mrs. Theodore Laskey.

Circle 4, Mrs. James Feaster leader and Mrs. Richard Davis, co-leader, will have a picnic at the Feaster cottage on Deep Creek Lake.

There will be bank opening at all circles.

The $1 an hour minimum wage law would be extended to 2 million more workers under bill approved by Senate labor subcommittee.

Is Your Name GUARD?

Guard, an old and honored surname, is principally of English origin. It is the equivalent of such names as Gard and Garde and is of occupational meaning. It was the name often bestowed in mediaeval times upon those who guarded or were keepers of private and public lands and buildings. This is in line with the practice, frequently followed when surnames first came into vogue, of naming people in accordance with their physical characteristics, place of residence or occupation.

The first census of the United States, taken in 1790, has a listing of Joshua Guard who was a resident of Craven County, North Carolina and head of a family at that time. The census records of Maryland for the same year contain no references to persons by the name of Guard.

Jeremiah Guard was County Commissioner of Garrett County from 1877 to 1879.

Jasper Guard was elected Collector of Garrett County in 1873.

Jefferson Guard was a school teacher in the Selbysport district of Garrett County for the year ending May 13, 1881.

Shirley Guard 1886-1943) was a distinguished architect of New York City. He served as a village trustee and fire commissioner of North Pelham, N. Y., where he made his home.

Willard F. Guard is professor and chairman of the department of veterinary surgery, Purdue University, Lafayette, Indiana.

Samuel R. Guard is known nationally as an authority on agricultural livestock and has been editor and publisher of The Breeder's Gazette for the past thirty two years.

Ray Wesley Guard of Schenectady, N. Y. has earned widespread recognition as a scientist and particularly as a research metallurgist with the General Electric Company. He has done valuable work and performed numerous original investigations in the field of high temperature alloys.

Rail Worker Dies In Viaduct Plunge

Charles Edward Turner, 48, of Kitzmiller, fell 44 feet to his death last Thursday morning, July 23, from a railroad viaduct about two miles east of Meyersdale, Pa.

The father of three children, he was pronounced dead on arrival at Meyersdale Community hospital. The coroner said the man died from skull fractures, neck and chest injuries.

Mr. Turner was employed by the Bridge and Construction department of the Western Maryland Railway company and was working on the Keystone viaduct at the time of the accident. While removing old paint and cleaning a steel girder on the span, he apparently lost his footing and toppled to the tracks.

A native of Oakmont, W. Va., he was a son of the late Charles W. and Katie Stark Turner. Mr. Turner was a member of the Brotherhood of Maintenance of Way Employes and of Eagle Lodge 77, Knights of Pythias.

He is survived by his widow, Lena V. Hott Turner; three children, Richard, of Montgomery, Ala.; Joann and Doris Turner, both at home; and two sisters, Mrs. Irene Markley, Kitzmiller; Mrs. Hallie Iser, Ridgeley, W. Va.

Funeral services were conducted Saturday afternoon from the Kitzmiller Presbyterian church. The Rev. Ben Reed, of Burlington, W. Va., retired Presbyterian minister, officiated. Interment was in the IOOF cemetery at Elk Garden, W. Va.

Homemaker Dates Listed

The Homemakers Clubs are having picnics during August. August 4—the Casselman Valley club will have a cook-out at 6:30 p. m. August 5—the Grantsville club will picnic at 1:30 p. m., in Old Stone Bridge Park.

The Texas hurricane Debra, slammed into the coast at 105 MPH, causing millions of dollars of damage.

CARD OF THANKS

We desire to express our sincere thanks and appreciation to all our friends and neighbors for their kindness and helpfulness during the illness and following the death of our husband and father, the late John Foley.

We also want to thank all who gave flowers and contributed the use of their automobiles for the funeral service.

Mrs. Foley and Family.

MUST WE GO TO CHURCH TO BE CHRISTIANS?

You've probably heard people comment at times on the fact that their Catholic neighbors go to church so often. Perhaps you have wondered yourself... is all this necessary?

Catholics, you may be sure, have good reasons.

Going to Mass on Sunday is, of course, an obligation for every Catholic. Confession and Holy Communion at least once a year are a sacred duty. But most Catholics go to Confession and receive Holy Communion oftener... some every month, some every week, some every day.

There are also many other special services and devotions for which Catholics go to church. In the average city, the Catholic Church is always open—and seldom empty. Many will enter the church at any hour of the day to visit Jesus Christ present on the altar, mindful of His invitation: "Come to Me, all you who labor and are burdened, and I will give you rest."

Catholics believe that Christ not only called upon us to honor and serve God... but prescribed the ways in which we should do so. He did not say how often we must go to church... nor how many prayers we were to recite. But He did establish a Church with the power and authority to carry on His work... and He promised that His Church would last to the end of time—that it would have God's protection in teaching all men to observe all things He had commanded, especially to believe and to be baptized and thereby become members of His Church to attain the purpose of their lives.

And how do Catholics know theirs is Christ's Church?

Because it possesses the distinguishing marks Christ gave His Church. It covers the earth as Christ said it would. Unchanged after nearly 2,000 years, it continues to live and grow, in fulfillment of His promise that His Church would last to the end of the world.

But the most convincing mark that He gave it is its unity of faith, worship and obedience under the authority of the lawful and historical successor of Peter, the first Bishop of Rome and the "rock" upon which Christ built His Church. Just as Peter was the first Pope and the first Vicar of Christ, so also is Pius XII the 262nd Pope and the Vicar of Christ today.

If you would like to know more about the distinguishing characteristics which Christ declared His Church must have and which the Catholic Church possesses today, we will be glad to send you, in a plain wrapper, without cost or obligation, an interesting and enlightening pamphlet. And nobody will call on you. Write today for Pamphlet KC-2.

Bagworms And Spider Mites Harm Evergreens

Two serious pests of cedar, juniper, arbor vitae and spruce should be combatted by gardeners in July. These pests are the bagworm and the spruce spider mite, says Ted Bissell, University of Maryland College of Agriculture, Extension entomologist.

The bagworm is a curious caterpillar that builds a house of silk and bits of dead foliage and carries it around as it feeds. The full sized bag, seen in August, is 2 inches long, but around the first of July measures less than 1 inch long. As the bagworm grows, it becomes very greedy and an infested plant seems to be stripped overnight, Bissell adds.

Spider mites are very small creatures no larger than grains of pepper and salt. They feed only on the surface of the foliage. But, he points out, their numbers are overwhelming, and they soon take all the green color from a spruce bough. A fine protective web is spun over the needles by the busy mites.

Lead arsenate with a sticker is a tried and true remedy for bagworms. Use two-thirds of a cup of lead arsenate and a tablespoonful of flour to 3 gallons of water when bagworms are small. Later in the season, the dosage must be increased by a third.

Malathion can be used for both bagworms and spider mite. To 3 gallons of water use two-thirds cup of 25 percent wettable powder, of 2 tablespoonfuls of 55 percent liquid malathion, Bissell recommends.

A thorough forceful application of spray is necessary for mite control, because all parts of the foliage and bark may be infested. Also, a second application of malathion should be made 3 or 4 days later, to poison the mites which are likely to hatch from eggs laid earlier.

"When Pain Grows Sharp And Sickness Rages"

— (Author's Name Below) —

Pain is an indication of sickness. Persistant recurring pain is nature's warning signal that something must be done to correct the condition or serious danger may result.

No one but a physician has the knowledge to determine if a pain is the result of a minor or serious condition. Pain is just one of many other symptoms to be studied if a cure is to result. Do not wait 'til pain grows sharp and sickness rages. Consult your physician immediately to prevent other pain-filled days and possible serious sickness.

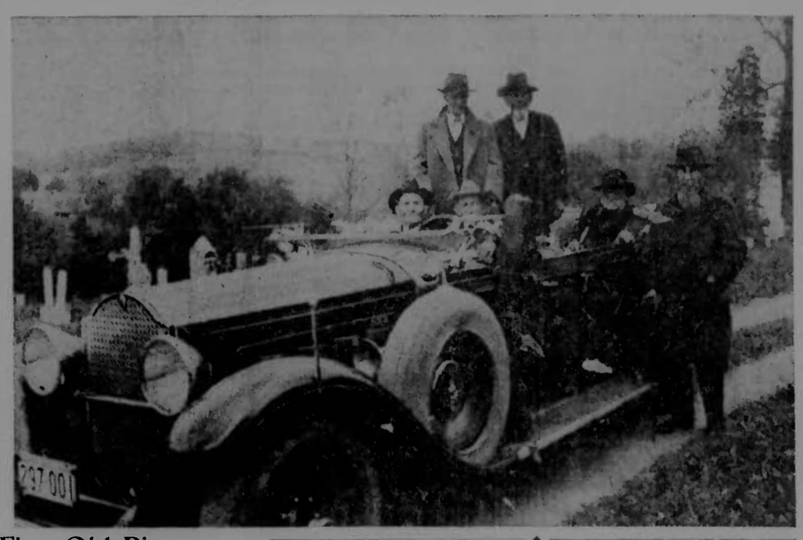
Pictures Out Of The Past



First Old Picture Identified; Another Published Today

The motorcade featured in the first old picture series last week has been identified by a number of persons.

First to come up with a solution was Henry Arnold, Oakland police chief, who even produced a circular issued by the Baltimore and Ohio Railroad advertising the "camera caravan" through Garrett county forests and parks.

This particular event apparently occurred in October, 1937, and was, as it was suggested last week, a forerunner of the present autumn glory excursions, when private individuals donated the use of their automobiles for transportation of sight-seers.

The automobile in the center of the picture was identified by E. W. Adams as belonging to him, and he recalled the occasion. He said the scene was on the hill just below the Tom Johnson farm on the Herrington Manor road.

Oddly enough, it was also suggested last week that the day was a rainy one. An old newspaper clipping offered by Mr. Arnold noted that "it rained most of the day."

Probably many persons will recognize the picture printed today. A little close observation will reveal many clues to the event--but we'll let you make your own decision until next week.

Entries Continuing For Tennis Tourney

Entries have continued to pour in for the 38th annual Western Maryland Tennis Tournament, to be held at Mt. Lake Park, August 4 through August 8.

Among those who have filed entries in addition to those listed last week, are C. E. Alcorn, Jr., Pittsburgh, Pa.; John Cotonill, Hagerstown; Joseph Korck, Uniontown; Don Floyd, Arlington, Va.; Robert Weisenheimer, Henry Foss, Tim Coss, Fred McNair; John Myers, Doyle Royal, Buddy Adair, Jack Sloat, all of Washington; Jack Eaton, Joe Short, Pittsburgh, Myers is a former champion.

Presents New Bowl

A new challenge bowl for the champion in men's singles, has been presented to the tennis club by Mr. and Mrs. Nelson Thomasson, of Barrington, Ill., and summer residents of the Park, in memory of their son, Robbie Thomasson. The former challenge bowl was won permanently last year by Philip Neff.

The women's challenge bowl has been won twice by Sosie Hublitz, and if she repeats this year, will become her permanent possession. She is planning to enter the contest.

Several social events are scheduled for tennis participants. Wally Ginger's orchestra, Uniontown, will play for the Tennis dance to be held Saturday night of tennis week.

Announce Engagement

Mr. and Mrs. Wilbur Lowdermilk, of Friendsville, announce the engagement of their daughter, Shirley, to Edwin Drummer, son of Mr. and Mrs. Robert Drummer, of Markleysburg, Pa.

Miss Lowdermilk is a graduate of Northern High school, class of 1959. Mr. Drummer was graduated from Southern Union High school, Uniontown, Pa., and is now employed in Cleveland, O.

No definite date has been set for the wedding.

Local Little League Trims Frostburg 8-4

Rallying for six runs in the bottom of the fourth inning, Oakland's All-Stars eliminated Frostburg's All-Stars in the first game of the Little League district playoffs by winning Monday afternoon at Frostburg by the score of 8 to 4.

Frostburg held a 3-2 lead going into the bottom of the fourth when the local team coupled three hits with three walks and two errors for six runs and that was enough to put the game on ice.

Gary Trickett went the route for Oakland, kept Frostburg's seven hits well spaced, fanned seven and walked five. Greg Harper, who started on the mound for the Frostburg Little Leaguers, hurled three and two-thirds innings and was charged with the loss.

Oakland had four hits, three of which came in the "big" inning. The local nine is managed by Harrison B. Stewart with John Palmer as assistant.

Oakland was eliminated in the opening round of the district playoffs in 1958 by the score of 8-1 and in 1957 by the score of 4-3.

Playing for Oakland were R. Lohr, Keller, Harvey, Trickett, Perrine, Sharpless, Cesnick, Collette, Friend and Sweitzer.

Lose To Hancock

Hancock ushered Oakland out of the Little League district playoffs by defeating the local team on the home field Tuesday evening by the score of 6 to 1.

Wheeler, Hancock pitcher, and Friend, of Oakland, yielded only two hits each but the latter's wildness brought about his downfall.

Hancock's next opponent will be Williamsport.

To Operate Bus Tour

Trailways is operating bus tours through the county this summer and is planning to use U. S. route 219, from Keyser Ridge to Red House, and thence to Davis, W. Va. The first tour is scheduled for Saturday, August 8.

The company has written to county roads officials here concerning the condition of roads and bridges in the area.

Hazards of Water Sports Are Aired

The Maryland State Game and Inland Fish Commission spent the week-end at Deep Creek Lake conferring with county delegates and officials of several groups at the lake in regard to the hazards of water sports.

The problem of reckless operation of boats, water skiing hazards, building of docks and similar matters affecting the safety of persons around the lake were on the agenda.

Attending as representative of the Legislative Council sub-committee on boating was Del. William Walsh, Allegany county Democrat. Members of the commission attending included Dr. William B. Holton, chairman; W. Desmond Walker, vice-chairman; R. Frank Wimbrow, Eastern Shore; Royden A. Blunt, Baltimore; and George D. Walters, Allegany county.

Members of the commission have been disturbed by the outbreak of boating law violations at Deep Creek Lake this summer.

Also presenting their views at the session were State Senator Bernard I. Gonder and Delegates Elbert E. Buckel and Leslie E. Savage, all of this county; Edwin Barry, chief of the enforcement division of the State Game and Inland Fish commission; Helmuth Heise, Deep Creek Lake-Garrett County Promotion Council; and R. R. Keener, of the Deep Creek Lake Property Owners association.

A joint effort is to be made by the game commission and the Pennsylvania Electric company which owns and operates the lake, to clear up any points in connection with the installation of docks and floats in the lake. The power company does not sanction any permanent docking facilities.

Boyd Payton Files Appeal To Sentence

Boyd Payton, former Cumberland labor leader, and a one-time graduate of Oakland High school and resident of Mt. Lake Park, last Thursday was free on $25,000 bond after appealing the sentence of six to ten years at hard labor handed him in Henderson, N. C.

Payton and seven other Textile Worker Union of America employes were found guilty by a jury of conspiring to blow up vital installations at the struck cotton mills plant in that city. The verdict of guilty was rendered on all three counts.

Judge Raymond Mallard told Payton, 51, Carolina's director of the TWUA, as he passed sentence: "I hope all of you gentlemen will some day come to understand that the law is bigger than you, bigger than the union, bigger than any organization. The good people of North Carolina will not tolerate anyone holding themselves above the law."

Payton, his aide and a minor union official drew the stiffest sentences. Four others drew 5-7 year terms. Another defendant drew 2-3 years.

Each defendant actually received three sentences, one for each count against him. But Judge Mallard ordered that the terms run concurrently.

Judge Mallard also said: "We need unions in the United States. We do not need a union or union officials who think and act like they are the law. Fear has run rampant in Henderson and Vance county the last few months. I don't know who caused it. But it must end right here." He told Payton that the union leader's radio speeches during the strike were "inflammatory," and added: "A leader who would do what Mr. Payton is accused of doing in this conspiracy does not deserve to be called a leader."

The defendants were accused of conspiring to destroy a power substation, office building and boiler room of the Cotton mills. The defense offered no testimony after the state had presented 16 witnesses, including agents of the state bureau of investigation, who said they had recorded on tape conversations of defendants at a meeting in a motel room at Roanoke Rapids.

Girl Scouts Return From Camping Trip

Senior Girl Scout Troop No. 4 returned to Oakland after several days of camping at the Boy Scout camp at Deep Creek Lake.

Swimming and water skiing were enjoyed. Charcoal drawing lessons were given by Mrs. Wayne Frederick. Counselors for the camp included Mrs. L. J. Sacher, Miss Elaine Graham, Mrs. Foster Riggs, and Mrs. Janice Hutchinson.

Attending the camp were Sally Gray, Carol Wooters, Roberta DeWitt, Patty Sacher, Margaret Nally, Katheryn Mosser, Connie Evans, Lois Davis, and Susan Gibson.

The camp program and menus were planned and carried out by the girls as part of their camping requirements.

Hyde Blames GOP For His Defeat

DeWitt S. Hyde, Bethesda, who was defeated for return to his seat in Congress from the Sixth District in the November election, blamed his loss on "all Republicans from the top down."

Hyde also launched a verbal broadside at the Democratic party in general, and Rep. John R. Foley, Democrat, who defeated him, in particular.

Hyde scored Foley on his stand on the C. and C. Canal park, charging he was a man who "promised everything to everybody, and that just won't work."

Hyde termed Foley as "not a powerful opponent," and expressed the opinion he could win if he were drafted to run again.

Hyde said every citizen was interested in four basic points in government: fair representation, economic stability, peace, and challenging leadership. He charged that Republicans had not been as enthusiastic as the "generally socialistic" Democratic party and said the GOP needed more of the fire which the Democrats seemed to have.

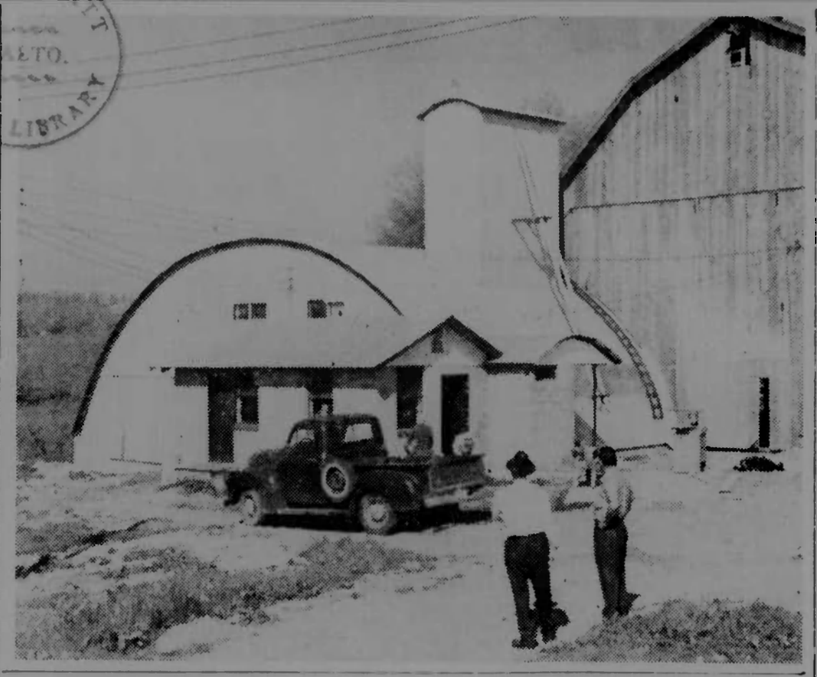
Accepts Construction Bonds

The State Roads commission received bids on $1,986,000 of county highway construction bonds on Tuesday in Baltimore.

Of this amount, $183,000 will be allocated to Garrett county which elected to participate in this particular issue.



IMPROVES HIS FARM—A new milking parlor, milk house and milking system has been installed recently at the Deer Park home of Wilbert DeWitt. DeWitt, who is enrolled in the Garrett County Farming for Better Living program for the fourth year, designed the Quonset type construction which houses the milking parlor, the milk house and a loafing area for his cows. The milking parlor is the "herringbone" type and includes a pipe-line milking system. The new arrangement has cut his chore time for milking in about half. The square tower in the center of the new construction covers a bulk feed bin—feed will be delivered by bulk truck, fed into the bulk bin by elevator and fed to the cows by gravity. DeWitt has a 100 acre farm, milks 25 cows, and has been farming in Garrett County since 1948. His enterprise has consistently been brought up-to-date with new mechanical helpers. Recent addition of a 200 ampere central pole electrical service system has made possible the use of many new electrical aids—including a recently acquired silo unloader. Twenty years ago, when Farming for Better Living started, DeWitt was a factory worker in Detroit. He came to Garrett County after the war and service in the Navy.

Teen Corner

By DICK CASTILOW

There were about a hundred and forty in attendance at Teen Canteen last Friday night. Bob Brinker, a top Cumberland deejay was supposed to conduct a hop, but he just didn't show up. There were many Canteeners, including myself, very disappointed. I can now safely promise the top tunes. I guarantee to have every song played on American Bandstand the day of Canteen.

I have been asked to continue Canteen during the winter months by many who attend Canteen. I will only consider it if I receive some mail concerning this issue.

In case anyone watched the show Saturday and is curious about the runaway hamster, he has not been caught as of yet. It was a very amusing incident, and it gave the show a terrific lift, still it gave my little sister a terrible let down.

Have you all ever heard of "Princess Pat"? If not, you will.

I bet you all think I am writing in riddles today. Well that's how I feel. This column is being written on Monday evening and I am anticipating two nice quiet days on Deep Creek Lake. I'll be in a tent at the new park with no TV, radio, or typewriter. I can hardly wait.

Remember Teen Canteen on Friday night at the Moose Hall and also Boyland Bandstand, Saturday afternoon from 2:30 until 4:30 on Channel 12. I'll be looking for you both places. Adios.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	John	6	15-21
Monday	John	6	22-27
Tuesday	II Samuel	22	22-29
Wednesday	Ephesians	6	1-7
Thursday	II Timothy	4	6-12
Friday	I Corinthians	12	7-13
Saturday	Matthew	22	34-40

The imaginative adult waits for his ship to come in. The child watches his ship go out.

And only the ship which has gone out, will ever come in!

Success, in other words, comes to those who venture. Discovery is the reward only of the explorer.

But failure can repay our venturing; futility can frustrate our exploring.

What shall we seek when our ship goes out? This is the crucial question! Shall we seek the qualities of faith and noble life which make honest ventures worthwhile; or the selfish lures which make searching our downfall?

It is no strange coincidence that so many of the happy, contented, successful people in our community are also faithful church-goers. Jesus said:

Seek ye first the Kingdom of God, and His righteousness, and all these things shall be added unto you.

THE BIBLE SPEAKS

BY DR. KENNETH J. FOREMAN

Bible Material: Job 1; 19; 28; 38; 42.
Devotional Reading: James 1:2-12.

Testing of Faith

Lesson for August 2, 1959

THE CHAPTERS forming the "Bible Material" for this week are inadequate, and the few verses chosen for printing in most Sunday school quarterlies or leaflets are pitifully inadequate, to give the reader an impression of the book of Job such as that tremendous book deserves. This column therefore will be devoted this week to giving briefly the background of Job and to encouraging the reader to explore the great book itself.

Dr. Foreman

An "All Men's Book"

One of the great writers and thinkers of the 19th century called Job an "all men's book." Just a year or so ago a distinguished American writer produced a play, "J. B.," based directly on the book of Job. This book speaks to people who never read any other book of the Bible. Most of the Old Testament is distinctly Jewish (not that this is a mark against it); but the book of Job is not Jewish. There is in it no mention of the promised land, or of the people made famous in Hebrew history. There is no reference to the temple nor to its sacrifices, no quotation from any prophet. In fact Job is not represented as even being a Hebrew himself. He is one of the "children of the East,"—in Jewish eyes a foreigner. There is nothing to attach the book to any particular place or time. For the problem dealt with here—and it is indeed a problem play in a profound sense—is your problem and mine and everybody's.

Prologue In Heaven

The theme and the problem is suffering. Every human being either suffers personally or has to watch the suffering of those he loves. But this is more of a puzzle to religious persons. The non-religious person can shrug it off, decide to join and leave it and say, "Well, what can you expect? We are caught in the vast universe like a fly in a printing press, no wonder we get crushed. No machine cares for what it produces." But the religious person believes in a God who is all powerful, all-wise, all-loving. All creatures are in his hand, the whole world is in his hand as the song says. So then why doesn't he prevent suffering, if he can?

This is the problem; but it is not discussed as a professor or theologian might discuss it, in an essay. It is put into the form of a dramatic poem.

It begins with a prologue in heaven. God's sons have come to see him, and among them is satan. God asks Satan where he has been, and Satan says on the earth. God asks him if he has seen that good man, God's servant Job, "a blameless and upright man." Satan says yes, but he doesn't think much of Job. God pays Job well for being good; who wouldn't be "good" for the prosperity and happiness which Job enjoys? Take away the prosperity and happiness, and then you'll see Job throw his goodness away in the whirlwind; he will renounce God to his face.

Man's Faith in God

Satan has no faith in Job; but God has. God lets Satan bring calamity after calamity on Job's head, quite sure that Job will hold true. And Job does hold true. His faith stands the test. But meanwhile there is a tremendous and agonizing wrestling with the problem. Job has three friends who come to "comfort" him but all they do is debate. They believe that all suffering is caused by sin, and therefore all Job has to do is repent and his troubles will vanish. He knows that his sins have not brought on these troubles, so how can he repent? So begins the great debate. This is not a book for children, it is for grown people who have wrestled with pain, grief and bitterness. The reader should try to read Job for himself, and see how it comes out. One striking fact: The question, Why do good men suffer? is never really answered in the book; it is unique in the Bible in raising a great question it does not answer. But two great truths stand out: God's faith in his servants, and God's servant's faith in God.

- FACTORY-APPROVED EQUIPMENT
- FACTORY-CONTROLLED METHODS
- FACTORY-TRAINED MEN
- and GENERAL TRUCK TIRE RUBBER

Here's What We Do . . .

We carefully inspect every tire both inside and out to check for injuries and hidden bruises to be sure the carcass is sound for recapping. Only a tire that passes this inspection is accepted for Kraft System Recapping. Our factory-trained Kraftsmen use precision buffing to accurately buff the tire to the proper contour.

Every tire is scientifically balanced by factory methods to give new tire performance.

Our Time Temperature and Pressure Curing is constantly accurate.

The end result is a tire, recapped with General Tire rubber, that will give you thousands of safe, extra miles at lower cost per mile . . . because saving your tires is our business

WHOLESALING DEATH

According to a report which I read recently, we now possess biological powers which make the H-Bomb look like a toy. It is reported that our Gov- spent $50,000,000 on research to perfect this poison. It is so powerful that less than one seven-millionth of a gram will kill you, and one gram will kill seven million people just like you. One cubic inch of it will kill every living person in the United States and Canada. Surely we have every reason to hope that it will never be used by our Government or others. If they do, "WHOLESALING DEATH" will be more than a startling title. But friend, even if we escape such wholesale death, we still must die sometime, should the return of Christ be further delayed. After death we must face God in the Judgment where the sentence of our eternal destiny will be passed. Would we not be wise to give a lot more consideration to this very real future event? The New Testament declares that "All have sinned" (Romans 3:23) and therefore will not be acquitted in the Judgment. The secret of being prepared can be secured by studying the meaning of Luke 24:47 - - do you care enough to look it up? Your soul's destiny depends upon it.

Sisters Injured in Crash Still Critical

Two Salisbury, Pa., sisters, injured in an automobile accident last Friday evening, remained in critical condition in Meyersdale Community hospital. Two other persons hurt in the two-car crash, were reported "improving."

Miss Elinor Ann Showalter, 22, and her 17-year-old sister, Linda Lou, had severe head and internal injuries. A nephew, John Richard Showalter, 12, who was riding in the car operated by Linda Showalter, is reported "good". He had fractured ribs, abrasions and contusions. The driver of the second car, Charles O. Speicher, 22, of Grantsville, also is reported in "good condition. Speicher had a fractured right forearm, kneecaps and elbow injuries. The four were admitted to the hospital following the head-on collision on U. S. Route 219, two miles south of Meyersdale Friday evening about 5:10.

Red Oak-Fairview

Rev. Galen Fike, presiding elder of Fairview, conducted worship service Sunday morning. His sermon was, "Speak Lord, for Thy Servant Heareth," which was followed by installation service in which Ernest Cullers, Roy Gibbs, Harold Bittinger and Ray Harvey became deacons of the church.

Harold Gregory, son of Mr. and Mrs. Raymond Gregory, is a patient in Johns Hopkins hospital due to severe injuries received when some mine caps exploded. He was taken to Baltimore in Leighton's ambulance accompanied by his pastor, Rev. Eugene Matthews. His present address is Halstead 3, Johns Hopkins hospital, Baltimore, Md.

William Bittinger remains a patient in Garrett County Memorial hospital, but is improving satisfactorily.

Guss Hilleary is a surgical patient in Garrett County Memorial hospital, Oakland. He became ill while visiting here in the community and was taken to the hospital by his friend, Mark Moon, with whom he was spending the day.

Sunday evening visitors of the Clifford Realls were Mr. and Mrs. Harold Simmons, Mr. and Mrs. Clifton Reall and daughters, and Mr. and Mrs. Gene Lambert and son.

Mr and Mrs. Elmer Cosner spent the week-end with her parents, Mr. and Mrs. Victor Lee, of near Red House. Mr. and Mrs. Cosner and Mr and Mrs. Lee were Saturday evening dinner guests of Mr. and Mrs. Howard Cosner.

Miss Linda Sue Gordon, daughter of Mr. and Mrs. John Gordon, was honored on her sixth birthday by a special dinner. Guests were Mr. and Mrs. Marshall Simmons and daughters, Madaline, Brenda and Maralyn, of Warren, O., and Wilmer Simmons.

Mr. and Mrs. Walter Cooper and family were Sunday evening dinner guests of Mr. and Mrs. Isadora Skeweris and Mrs. Marshall Lewis.

Mr. and Mrs. Boyd Warsaw, Bruce, Mrs. Ruth Dilgard and Mrs. Ethel Gibbs visited Mr. and Mrs. Walter Baer at their home in Winchester, last Thursday.

The Clifford Reall and Gene Lambert families were overnight campers on the Rohrbaugh Plains, Saturday. They report the berries being plentiful this season.

Mr and Mrs. James Gordon called on the Ray Harveys, Monday evening.

Monday afternoon visitors of the Frank Blambles were Mrs. Ruth Dilgard, Mrs. Lucy Warsaw and son Bruce.

Mrs. Elmer Nine and Don, Lake Worth, Fla., are visiting with her parents, Mr and Mrs. Lee Ritchie.

Mr. and Mrs. Elwood Emerson and family, of Fairmont, spent the week-end at their cabin on Sand Run. Mrs. Emerson and daughter Margie, called on the Frank Blambles, Friday evening.

Mr. and Mrs. George Reall and children visited the Clifford Realls Wednesday evening.

Mr. and Mrs. Frank Blamble and daughter Jannie Marie, spent the week-end with their son Jon, and daughter and family, Mr. and Mrs. Albert Livesay, all of near Baltimore.

Welfare Expenses Increase for June

Public welfare expenditures for June in this county showed an increase over the previous month, amounting to $185.89. Six hundred sixty-six persons received $26,054.39 through the county welfare board during the month, according to figures released by Dr. Alvin Thalheimer, chairman of the State Department of Public Welfare. The total did not include cost of local administration.

The report showed the total number receiving assistance was two more than the previous month.

Largest percentage of the total expenditures for June was for Aid to Dependent Children where 319 persons in 109 families received $10,074.20, an average of $92.42 per family. There were six new applications for assistance in this category with seven cases added and five canceled.

Under Old Age Assistance category 209 persons received $9,509.74, an average of $45.50. There were two new applications here with three cases added and five canceled.

Five blind persons received $340.75. Eighty-nine persons listed as permanently and totally disabled received $4,251.04, an average of $47.76. There were six new applications with three cases being added and one canceled.

Twenty-one persons listed under general public assistance received $689.66, an average of $32.84. There were three new applications here with one case added and two canceled.

Twenty-three persons listed under general public assistance received $1,189, an average of $51.70.

Twenty-five persons were investigated for free hospital care and twenty-three were found eligible. Throughout the state the welfare program cost $2,302,467 as compared to $2,305,153 for the previous month and $2,032,163 for June a year ago.

THE
COUNTRY-PULPIT
WEEKLY SERMON
by
Pastor P. F. Nieuwkoop

Church and Crime Soar

Church membership stands at an all time high—so does wickedness! There must be something wrong when Church attendence and crime soar during the same periods. Perhaps it is because the salt (an anti-corruption agent) has lost its savour. Gone are the days when mighty men of God thundered against the sins of the people in the congregation and warned people to flee from certain judgement and Hell. Ministers tell jokes about Hell now while the people laugh. The old timers wept as they pled with people to turn from their wickedness to a Christ that would forgive and cleanse, and people wept with them. The impending doom like that which hung over Sodom and Gomorrah hangs over us and we are not alarmed. I am happy that we have many ministers who are regular readers of this column which appears in a number of papers in the State. I call upon you men to not only preach on the joys of Heaven, but also to speak plainly about the miseries of Hell. I call upon you readers to insist that your pastor preach the whole counsel of Christ and if they refuse, then find a preacher that will. When the Pastors perform this God-appointed duty then crime will decrease while Church membership soars.

State Forestry Camp Session Is Conducted

Representatives of the State Welfare Department, the State Department of Forests and Parks and the three boys' forestry camps in Garrett and Allegany counties met Tuesday at the camp near Lonaconing to discuss problems of operation.

Participants were State Forester H. C. Buckingham, Raymond Marella, chief of the Training School division, State Welfare Department; David L. Curran, field supervisor of the camps for the welfare department; Floyd Custer, superintendent, Green Ridge forest; Harlan Upole, superintendent, Savage River forest; Ralph Swauger, camp director, near Lonaconing; Robert Wolford, Green Ridge camp director; Philip Axman, Meadow Mountain camp director; Marcia Bond, work supervisor.

Marcia said between 250 and 300 boys received training at the three camps each year. Some 80 boys can be handled at one time with 30 at Green Ridge, 25 at each of the two sites in this county. At present they have 55 to 60 boys.

Mr. Curran explained that the work being done by the boys is work that probably would not be done if it were not for the camps. Much of their work involved in clearing brush and other tasks not generally performed. The boys receive training in handling small tools which equips them to serve as forest fire fighters in an emergency.

House Appropriations committee recommended that Congress appropriate 3 billion for mutual security program in fiscal 1960.

The double ring ceremony was performed at the Blooming Rose Methodist church with the Rev. H. L. Short, pastor, officiating.

The table featured a two-tiered wedding cake at the reception.

The bride is a graduate of Northern High school, class of 1958.

After visiting at the bride's mother's home, they will visit his relatives in Kentucky.

The couple will reside in Cleveland, O.

Kelly-Rolf—Mr. and Mrs. Harman Rolf, of Red House, have announced the marriage of their daughter, Carolyn Sue, to William R. Kelly, near Oakland. The ceremony was performed by the Rev. Henry G. Lauba, of Westernport, on May 25.

The bride is at present employed in Painesville, O., while the groom is attending the Harrisburg School of Barbering in Harrisburg. He was graduated from Southern High school with the 1959 class.

The couple will return to this county in September at which time Mrs. Kelley will enter Southern High school to complete her senior year.

United States Senator from Maryland

"Fire! Fire! Pour On The Gasoline!"—Prices of most things are higher—and so, millions of workers demand and get higher wages to pay them. That means higher costs, which force prices up again, which brings another wage demand. The destructive flames of inflation reach higher and higher. Now it's the steel workers, striking for higher wages. If the steel workers get a raise, prices on steel and other things will surely go up.

Steel Strike: No "National Emergency"—One reason President Eisenhower is not invoking the 80-day cooling-off period in the steel strike (the Taft-Hartley law gives him this device in a national emergency) is that he does not think this is a national emergency. It may become one, but not now. There is a great deal of steel on hand. The automobile industry can get by until winter without more steel. Industries have been buying steel heavily for months, in anticipation of a strike. Steel workers have four weeks' pay—covering the last two weeks' work plus two weeks' vacation. The pinch in steel will not come for perhaps two months. Then, the President could apply the cooling-off period procedure.

Railroads and railroad workers and coal miners will be hurt. But the biggest losers, next to the steel workers and the steel shareholders, will be the Federal government and the general public. The Federal tax loss on profits of $500,000,000 for an 8-week period will be about $250,000,000, and the tax loss on wages of $650,000,000 for that same period will be about $125,000,000. And this tax loss will have to be made up in some other way.

People Like Benefits, Hate Taxes—I believe that the people are beginning to realize that when they get something from the Federal government—like, for instance, a new post office, or school, or hospital, or urban renewal project, or improved housing, or unemployment payments, or any of a hundred other good things—they are simply getting back some of their own money. They know now that when more "benefits" are voted, it means more taxes. It's well for us all to hold on to this simple and hard fact when we hear an occasional eloquent plea for more billions for, say, housing, more billions for this or that—more billions for government spending.

How Much Is A Billion Dollars—We hear the word "million" and "billion" tossed around, and actually used interchangably by some careless speakers. A graphic illustration of the difference: If you had a million dollars in 1,000-dollar bills, it would make a stack 12 inches high; a billion in 1,000 bills would make a stack 88 stories high!

Bigger Spending Without Bigger Taxes? Sure!—Those who favor government spending over and above the Federal Budget want either (a) deficit spending or (b) higher taxes. Those who are on the side of irresponsibility naturally choose "deficit spending". They have little or no regard for balancing the budget. You may hear one ask, "What's so all fired important about balancing the budget?" Well, I have an answer: If the budget is not balanced, it "printing press money" means a "printing press money means a cheaper dollar—a dollar that will buy less. Balancing the budget is therefore important to every man, woman and child in the United States.

Capital Punishment In The Capital—I am co-sponsoring with Senator Keating of New York a bill to abolish mandatory capital punishment in the District of Columbia. In all the Western world, only Washington, D. C., its ostensible capital, continues to require a mandatory death sentence for any offender convicted of first degree murder. Neither jury nor judge may ask for the susbstitution of a life sentence regardless of the circumstances. The rigidity of this law is self-defeating, because juries in some cases have shown themselves reluctant to convict an obviously guilty defendant when conviction meant execution. With no choice of punishment, acpital is often substituted for life-term conviction. Our bill would remedy this situation. I shall work for its passage in this session of Congress.

Help Wanted, Nurses—The Washington Hospital Center is looking for qualified nurses to fill openings in the area's newest and largest air-conditioned hospital. The address is 110 Irving Street, N. W., Washington, D. C.

Whistler's Mother, Off Her Rocker!—Young people are getting older, and older people are getting younger. A new and delightful concept of age is opening wide vistas in many directions. The modern "Whistler's Mother" has a permanent, wears bright and stylish clothes, drives a car, and has varied interests and activities. The fact is that people are not growing old in the way they did in the past, when a woman in her forties felt it unladylike not to "look the part" and take a back seat, preferably a rocking chair. Congress is showing its awareness of the new outlook which is creating a change in the economy—opening up new markets, creating new businesses.

Looking At Both Sides—One often hears: "Look at both sides. Keep an open mind." Fine! Up to a point! But there comes a time when we must make up our minds. In this, we are aided by deep-rooted principles which give us a certain "bias". There are fundamental principles that guide our destinies—as individuals and as a nation. In our personal relationships, we have the Ten Commandments and the Golden Rule. As citizens, we have the Constitution and the Bill of Rights. In addition, there are codes of ethics. Together these things constitute the yarkstick, the frame of reference we must use when we "look at both sides."

I got to thinking along this line as I read your differing opinions on the questionnaries which you are returning to me. All the arguments and all the angles about the issues must be viewed by me against my yardstick of principles. In my opinion, much fuzzy thinking, poor legislation, and harmful social experimentation is caused by abandoning this simple rule.

May I carry this thought a step further? There are those who would excuse the lapse of common sense in national legislation with the argument that we are living in "a changing world" calling for "new approaches." It's true that our world is changing, but only the patterns, the trappings of society are different—not the principles upon which this country was founded and which have made it strong. Change for the mere sake of change is wrong; change that allows us to meet new conditions without abandoning the economic and social principles of America is right! Let us listen to both sides, yes—but always with a tuning fork pitched to principle. It's not conformity that threatens America; it's lack of conformity to the principles that have guided this nation to greatness.

Finzel Soldier Dies After Fall at Camp

A 26-year-old soldier from Finzel, who fell from a second floor porch of a Fort George G. Meade barracks, died of head injuries Tuesday at Walter Reed hospital in Washington.

Sp/5 Robert J. Bolden, son of Mr. and Mrs. Arthur Bolden, of Finzel, was found unconscious early Sunday morning by a sentry.

An investigation showed that he earlier had been to a party. The coroner has not ruled on the cause of death.

The soldier who went as far as the 11th grade at Grantsville High school, enlisted in the army and received basic training at Fort Knox, Ky. Later he was sent to Germany. After he returned to the states he was discharged, later re-enlisted and was sent to Korea.

He had been stationed at Fort Meade for nearly a year and was in charge of a warehouse there.

Besides his parents he is survived by a brother, Oliver Bolden, Finzel; four sisters, Mrs. Merle Warner, near Meyersdale, Pa.; Mrs. James Arnone, near Frostburg; Mrs. Robert Dunn, Frostburg; and Miss Sylva Bolden, at home. He is also survived by his paternal grandmother, Mrs. Charles Bolden, near Meyersdale.

Workers idled by the nationwide steel strike reached 578,000.

As Trustees and Attorneys for Mary Drazul Zachar and Stephen L. Zachar, her husband, and Paul Walla and Mary Walla, his wife, the owners of the hereinafter described property, and by virtue of the powers vested in us by a deed from the said owners, dated June 6, 1959, and to be recorded among the Land Records of Garrett County, Maryland, we hereby give notice that on

SATURDAY, AUGUST 1, 1959

At the Hour of 1:30 o'clock P. M.
Daylight Saving Time

in front of the residence on the hereinafter described farm near Deer Park, we will offer for sale and sell to the highest bidders all of the following land and personal property of the aforesaid owners:

LAND: All that farm or tract of land situate in Election District No. 10 of Garrett County, Maryland, near the Town of Deer Park, containing in all 163.12 acres, more or less, and comprising the remainder of what was formerly known as the Charles A. Ashby Farm, and being the same property which was conveyed by deed from J. Edward Helbig and wife to Mary Drazul, and others, dated September 10, 1949, and recorded in Liber R.L.D. No. 157, folio 71, one of the Land Records of Garrett County, Maryland, title to which is now vested in the aforesaid owners.

Said property is subject to a right-of-way for pipe line cunning from the B. and O. Railroad to Boiling Spring, granted by previous conveyances, and certain rights which the Baltimore and Ohio Railroad has with respect to the waters of the Little Youghiogheny River, as also set forth in previous conveyances, and to the personal privilege to J. Edward Helbig and wife to use jointly water from a certain spring on said property. There is also reserved to the owners, their heirs and assigns, all of the oil, gas or other minerals in or under said land, together with all usual and customary rights, rights-of-way and privileges necessary and convenient for the removal and marketing of the same and, in particular, all the rights to a certain lease from the owners to Cumberland and Allegheny Gas company, dated February 6, 1959, and recorded in Liber R.L.D. No. 220, folio 297, one of the Land Records of Garrett County, Maryland, as set forth in the aforesaid deed from the owners to the Trustees.

Said farm is improved by an eight-room dwelling with two baths, full basement, having a coal furnace with hot water heat, and an electric hot water heater, said dwelling being in a good state of repair. There are also two cattle sheds, machinery sheds and other outbuildings on said farm.

PERSONAL PROPERTY: After the sale of said farm, the following personal property will be offered for sale:

One 1949 Ford F-5 Truck, 1 1949 Ferguson Tractor, 1 International Tractor, Model 11, 1 Ferguson Manure Spreader, 1 Double-disk Harrow, 1 Ferguson Double Plow, 1 Ferguson 6-foot Mower, 1 Grain Drill, 1 Hay Wagon on Rubber Wheels, 1 Threshing Machine, 1 hay Loader, 1 corn Binder, 1 lime Spreader, 1 potato Digger, 1 Case Hammer Mill, 1 ensilage Cutter, 1 50-ft. 6-in. Belt, approximately 40 bushels Wheat, lot Oats, lot oats Straw in bales, lot cement Blocks, 9 aluminum Windows, 1 lot of Window Glass, 1 14-cubic foot Deep Freezer, 1 Washing Machine, and other miscellaneous farm equipment, machinery and tools too numerous to mention.

TERMS OF SALE: Land—One-third cash on day of sale and balance within thirty days thereafter. Trustees reserve the right to reject any and all bids on said real estate.

Personal Property—Cash on day of sale.

Deed for the real estate will be executed and delivered immediately upon payment of the full purchase price.

Interested parties may obtain further information relative to the above described property by applying to the Trustees at their respective offices in Oakland, Maryland.

NOTICE

NOTICE IS HEREBY GIVEN that on July 6, 1959, at a regular meeting, the Mayor and Town Council of Oakland, Garrett County, Maryland, adopted a Resolution to amend Sections 461 and 462 of the Town Charter, as follows:

RESOLUTION of the Mayor and Town Council of Oakland, adopted pursuant to the authority of Article 11-E of the Constitution of Maryland and Section 13 of Artlele 23-A of the Annotated Code of Maryland (1957 Edition), title: "Corporations — Municipal", to amend Sections 461 and 462 of the Code of Public Local Laws of Garrett County (1957 Edition), said Code being Article 12 of the Code of Public Local Laws of Maryland and said Sections being part of the Charter of the Town of Oakland, applicable only to said Town, so as to amend said Section 461 to authorize the Mayor and Town Council to levy and collect taxes without limitation as to rate or amount on all taxable property to pay the principal of and interest on all indebtedness incurred by the Town pursuant to said Section 462, notwithstanding the limitation on the taxing power of the Town contained in said Section 461, and so as to repeal the limitation on the borrowing power of the Mayor and Town Council of Oakland contained in said Section 462 and to substitute in lieu thereof authority in said Mayor and Town Council to borrow money and issue bonds pursuant to the authority of, and in the manner prescribed by, Sections 31 to 39, inclusive, of said Article 23-A of the Annotated Code of Maryland (1957 Edition), as said Sections now exist or may hereafter from time to time be amended, subject to the limitation that if any proposed borrowing pursuant to such authority will increase the indebtedness of the Town beyond twelve per centum (12%) of the value of all taxable property in the Town, then such borrowing must first be referred to the qualified voters of the Town for approval or disapproval.

A complete copy of said Resolution may be examined at the Town office during regular business hours.

Congressional Viewpoint

Sen John Marshall Butler

A Too Familiar Refrain

The most recent revelations with regard to mutual aid for South Vietnam have excited officials in the International Cooperation Administration, which administers the program, the United States Senate, which appropriates the aid, and John Q. Citizen, the taxpayer. Again, questionable self-righteousness and inefficiency in Southeast Asia, as well as in other areas, on the part of ICA, have been exposed in shocking detail.

For years, investigating committees of the Congress have concluded that the Mutual Aid Program is wasteful in many respects. In the winter of 1956, the Senate Foreign Relations Committee conducted a special study of U. S. aid to South Vietnam. It reported that economic aid had been applied without "realism," and that the South Vietnam government was unable to initiate industrial recovery in spite of our largesse, and that the country suffered from a "muddled and dangerously deceptive monetary system."

Less than a year later, Vice President Richard Nixon admitted in a television broadcast that he would be "less than candid if I were not to say that in some areas of the world there has been waste and that in some areas of the world where we have provided funds it hasn't accomplished the purposes we would like . . . The Administration is, at this very time, examining the operation of these programs. . . .to see ways in which we can do it with less money than . . .in the past."

What has been the result of this examination? In January, 1958, the House Government Operations Committee stated that U. S. military assistance had been wasted and "needlessly expended." A few weeks later, Joseph Campbell, Comptroller of the United States, declared: "The administration of military aid has been. . .wasteful and inefficient." Strong misgivings now appearing in Congress, which has approved a mutual security authorization of $3.55 billion for the coming year, have made a close examination of the program more imperative.

Hearings on this lamentable situation will soon commence and ICA officials will attempt to refute these latest charges. It may be that they will show that some or most of the $1.1 billion poured into Vietnam has been properly spent, but that will not be enough. The American taxpayer is not interested in 75 or 85 or 95% efficiency--he want a 100% return on every one of his dollars that leave this country. It will be a welcome change if ICA's newest rendition is something other than the same tired chorus of the very old song which has been sung so often before.

Conserve That Water - - -

There should be no doubt left in any person's mind. Oakland is facing a definite shortage of water. Until the time comes when there is an announcement of some improvement it should be the duty of every citizen to CONSERVE THAT WATER!

Some citizens have been completely without water for parts of five days. Some areas of town have very low pressure.

It doesn't take a mathematician to realize that when a town normally uses 250,000 gallons of water daily and the pumps are producing less than 200,000, that the supply will soon be completely gone unless each individual assume some responsibility in the matter.

No longer should it be considered smart to let your lawn sprinkler run all night just because no one will see you doing it. There are so many ways that people could conserve. When taking a bath, if you are accustomed to using 10 gallons, then use eight or even six. If you let the water run in order to get a cool drink, try drinking it warm for a while—or put a jug in the refrigerator beforehand. If you have leaky spigots, get them fixed. Every little saving will help the town through this emergency.

The water table is dropping everywhere and this area is no exception. Five years ago the city councilmen thought there was enough water from the number of wells available. But such is not now the case.

So until such time as the supply equals the demand, how about being a thoughtful citizen and help in giving everyone a little water?

Helicopter Lands At Motel

There have been drive-in theatres in this area for a number of years, but Tuesday was the first occurrence here of a "drop in" for a motel.

It resulted when John Thompson and R. L. Dolton checked in at the Motel Oak-Land after landing their helicopter in an adjacent field. The two are engaged in spraying rights of way beneath power lines for the Potomac Edison Co. in an area extending from Elk Garden to Albright.

It's routine for Thompson, owner of the aircraft, who makes a profession of aerial spraying, working from his home in Jacksonville, Fla., through the entire eastern part of the country. At present he is working under contract to the Potomac Edison. His companion, Dolton, is system forester for the power company and supervises the operation over his utility's right of way.

Thompson pointed out that the spray used is non-toxic and entirely harmless to plants, wild flowers and animals. "It kills only brush," he said, and added that the practice of aerial spraying was becoming more popular each year as it is quicker than ground application and insures uninterrupted electric service to consumers.

The plane gives a wide berth to farms and gardens.

Specifically, according to Dolton, the spray drains carbon dioxide from the bushy plants and literally starves them to death.

Top Quality Players In Tennis Tourney

After being delayed one day because of rain, the thirty-eighth annual tennis tourney for Western Maryland championships got under way yesterday with seeded players coming through as expected.

There are some forty entries in the men's singles event, with what is considered as the most talented array of players in a number of years. Tim Coss heads the seeded players. He is ranked No. 1 in the Middle Atlantic states and has won the Middle Atlantic championship three times. Other seeded players are Fred McNair, Philippe Neff, Don Floyd, Doyle Royal, Jack Eaton, Frank Harz and Henry Foss. Three of the seeded players drew first round byes but will see action today.

Today's matches will bring the winners up to the quarter finals.

In the women's events the quality was not up to former years, according to tournament officials. Sosie Hublitz, two-time winner of the women's challenge bowl, was here for the tournament but unable to complete because of an ear infection. There are fifteen entries in the women's singles. Doubles events were also expected to get under way today.

Finals in all events are scheduled for Saturday afternoon on the tournament courts at Mt. Lake Park.

Scouts Return Saturday

Oakland Boy Scouts will return to their homes Saturday after two weeks of camping at the scout camp on Deep Creek Lake.

Sponsored by the Oakland-Mt. Lake Park Lions club, the members dined at the camp last Thursday night, after which the troop charter and membership cards were presented to the scouts by George Stuck and Gerald Crabtree.

Delinquent Tax Accounts To Be Advertised Soon

Joseph H. Welch, county treasurer, announced yesterday that 80 delinquent tax accounts had been turned over to attorneys to prepare for advertising within the next ten days or two weeks.

There will now be a penalty of $7.50 added to the accounts for the processing charge, and if they are advertised the costs will mount still higher. Mr. Welch said that all delinquent accounts had been notified by letter several times. The delinquent accounts are for failure to pay 1958 county and state taxes and the law requires that all delinquent accounts must be advertised for sale.

One Day Of Rain

The Mountain Top had one day of rain during the week. A plentiful supply fell on Tuesday.

The temperature dropped to 41 degrees on Monday morning but since that time the weather has moderated. There has been a heavy fog Wednesday and Thursday mornings.

Activity at Girls' State Is Outlined

Miss Carolyn Lee Miller, selected by the American Legion auxiliary of Oakland to attend Girls State a few weeks ago, gave a report of her experiences at a joint meeting of the auxiliary and Proctor Kildow Post No. 71 American Legion, on Monday evening, August 3.

Miss Miller, daughter of Mr and Mrs. Elwood Miller, 8th street, cited one busy day in the seven that she had while attending the sessions. The girls were housed in Carvel Hall with meetings being held in the State house. She told of the election of their officers, how the campaign was planned and how the election was held. Voting machines were used. Previous to voting the girls listened to speeches given by the candidates.

She said she was happy for the experience and hoped that the unit would be able to sponsor another girl next year.

Mrs. Harrison Stewart, district and unit secretary, introduced Miss Miller and told the group that those selected to attend Girls State must be a junior in high school, be outstanding in school activities and maintain a "B" average. The Legion and other organizations also have the same privilege of sponsoring boys and girls to Boys and Girls State.

Paul A. Turney, post adjutant, who opened the meeting in the absence of the post commander, spoke briefly on the county child welfare fund and outlined the committee's recommendation to the district.

Following adjournment members of the auxiliary unit served refreshments.

Participote In Conference

Two teen-age drivers from this county were participants in a 3-day conference at the University of Maryland, College Park, to study methods for reducing traffic fatalities and injuries on the highways.

They were selected and recommended by their high school principals and student councils. Attending were Carolyn Spoerlein, and Edward Unstot, both of Oakland.

Under discussion were such topics as driver licensing procedures, traffic legislation, respect for law enforcement, and pedestrian safety.

Two Girls Injured When Auto Hits Herd Of Cattle

Two 16-year-old girls from Eglon, W. Va., were seriously injured Sunday morning when the car in which they were passengers ran into a herd of cattle and killed five cows along foggy U. S. route 219, south of Gortner. The girls were hospitalized in Garrett County Memorial hospital.

Caroline Lee Arnold, riding in the right front seat of the car, suffered a possible fractured skull, multiple lacerations and abrasions.

Wilma Gladys Hauser sustained multiple lacerations and abrasions of her head and face. She was riding in the middle of the front seat. They were admitted to the hospital shortly after the accident. Their condition was reported as "fair," but they are expected to remain as patients for several weeks.

The driver of the auto, Virgil F. Helmick, 19, of Falls Church, Va., was not injured, according to Trooper first class Donald Tucker, who investigated.

Tucker said Helmick was traveling north on the highway when the accident occurred at 7:30 a. m. The road was foggy. Tucker said that Helmick had been charged with a motor violation and that a hearing had been set for Saturday, August 22, before Trial Magistrate Robert M. Maroney in Oakland.

The driver said he noticed a flagman and the herd of cattle on the highway but was unable to stop the car and plummeted into the herd, killing five of the cows. When the car rammed into the cows it upset and came to a stop in the southbound lane of the highway.

There were some sixteen cattle in the herd crossing the highway at the time and were owned by Claude Swartzentruber.

Additional Cases Of Rabies Occur

Additional cases of rabies among animals has caused health officials in the county to issue further warnings about the danger involved. An advertisement concerning the outbreak appears in today's issue.

Dr. F. D. Custer, veterinarian, said that during July there were investigated cases concerning five foxes, one cat, one mouse and one raccoon and that one positive case among them already had been established. Reports on the others had not yet been received.

The cases are still confined to the area on the South and East side of Backbone Mountain but it was advised that extreme care be exercised in other nearby areas. Dr. Custer said there was a possibility that a horse had been infected. It bit a cow just before it died and the cow is now under observation. This was in a section between Chestnut Grove and Walnut Bottom.

The state trapper began work Monday in an attempt to catch the large number of foxes that are at large.

Dr. Custer pointed out that health authorities are interested in checkpeople to let the County Commissing all possible cases and urged sioners know when any acted in an unusual manner.

Crash Was Fatal to Girl From Salisbury

Funeral services were conducted Sunday afternoon at 2:30 from a funeral home in Salisbury, Pa., for Miss Elinor Ann Showalter, 22, who was fatally injured in a two-car headon collision July 21 on U. S. route 219, two miles south of Meyersdale.

She died Thursday night in Meyersdale Community hospital of a fractured skull, intra-cranial injuries and facial injuries.

Her sister, Miss Linda Lou Showalter, 17, of Salisbury, is still in critical condition in the hospital with a fractured skull and other injuries.

Services were in charge of Rev. E. Kelley, pastor of the Salisbury Methodist church. Interment was in the Odd Fellows cemetery.

Besides the sister she is also survived by her mother, Mrs. Mabel Showalter, three brothers, John R., Fred W., and Samuel J. Showalter, all of Salisbury; six other sisters, Mrs. Esther Bittner, Mrs. Hazel Garlitz, Salisbury; Mrs. Harriett Saler, Akron; Mrs. Dorothy Bowers, Boynton, Pa.; Mrs. Mary Merrbach, Salisbury; Carol Showalter, at home.

Property Owners To Meet

The Board of Directors of the Property Owners association of Deep Creek Lake will meet Saturday evening, August 8, at 8 o'clock, DST, in the basement of the new Deep Creek Baptist church at Thayerville.

F. R. Keener, president, and the directors, will make plans for the program and set the date for the fall membership meeting.

Water Situation Gets Good Airing At Council Session

The water situation for the town of Oakland was given a vigorous and spirited airing at the regular meeting of the Town Council on Monday evening.

At a special meeting last week Mayor Russell L. Smith had recommended the digging of an additional well to augment the dwindling water supply but the council took no action because several of the members were absent.

Members of council were unanimously agreed that an additional well should be dug but they also wanted to make sure that any water from the additional well would be used exclusively for the people of Oakland, and not for industrial or commercial use.

The town has an agreement with Sterling Processing company for use of excess water. This was reduced in recent weeks for water for drinking and for making ice, but even this was cut off in recent days when there was not sufficient water to supply all users in the area.

Some sections of Oakland have been without water at various times of the day since Sunday and the pressure at other times is inadequate.

The Council passed a motion Monday night to authorize the water department to investigate the possibility of getting additional water from two wells already in existence, and in case that failed to make arrangements for the digging of a new well in the neighborhood of the Bradley farm, on the old Fair Grounds Two wells dug for the purpose of discovering gas were investigated, one on the Hamill property, at the eastern edge of town, and the other adjoining the Mussard market in the same area. The town planned to have John Brenneman move in his well drilling equipment on the Mussard property today to clean out the pipe and make a test. An adequate supply of water is indicated in the latter place.

The agreement between the Processing company and the town was discussed at length and the water department was instructed to allow only excess water to go to the company. The Processing company has two wells of its own which are at present apparently producing more than all the wells that the city of Oakland has.

Mayor Smith pointed out last week that the new program of bringing water from the Youghiogheny river, above the mouth of the Little Youghiogheny would not bring plentiful water to the community before May or June of 1960.

The council looked over figures for an estimated cost of a well which was $9,858, including $2,390 for pump, $2,250 for drilling, $1,018 for equipment and $4,200 for pipe.

Arsenic and Old Lace To Be Given

Next week the Garrett County Playhouse will present "Arsenic and Old Lace," for its sixth show of the season. Shows will be given Tuesday through Saturday, August 11 to 15, at the former Arden Boat club, at Mellenry.

The play is a time-tested pharmaceutical farce by Joseph Kesselring. Four summers it has been the choice of the overwhelming majority of the audiences when asked in the questionnaires, "What play would you most like to see at the playhouse?"

For the balance of this week the play, "Visit to a Small Planet," by Gore Vidal, is being produced.

To Address Rotary

V. T. Bassie, Washington, D. C., and summer resident of Deep Creek Lake, will discuss "The State of the Economy" in an address before the Oakland Rotary club on Friday evening.

The programs for the month of August are in charge of Paul B. Naylor. Mr. Naylor said Mr. Bassie was one of the top ten economists of the nation. He has a summer residence in the Turkey Neck section of Deep Creek Lake.

Oakland Youths Are Freed in Stealing

The Oakland area youths arrested last week by Deputy Sheriff Bruce Close when he apprehended them while in the vicinity of some bidden loot taken in a burglary of a Tunnelton, W. Va., business establishment, were released last Thursday because West Virginia authorities refused to carry out extradition proceedings in the case.

One of the youths, Clarence W. Stemple, 20, Fingerboard road, west of Oakland, is out on bond for arraignment at the September term of the Circuit court on another robbery charge.

The second youth is a 15-year-old juvenile.

Neither person admitted having anything to do with the theft and told officers they just happened to be in that area when Close nabbed them.

Another Stemple Held

One of Stemple's brothers, Harley Webster Stemple, was lodged in jail this week, with five charges against him. He was being held under $4,000 bond. He had pleaded to three of the charges.

He is charged on July 11 with stealing miscellaneous merchandise from the concession stand at Herrington Manor, operated by Mr. and Mrs. Charles Davis, with a value of $150.00, entered plea of guilty; with breaking and entering concession stand, entered plea of guilty; with receiving stolen goods knowing same to be stolen, entered plea of not guilty; with receiving a box of nut candy bars, entered a plea of not guilty; with stealing a box of nut candy bars; entered a plea of guilty.

Trial Magistrate Robert M. Maroney, who placed Stemple under bond and held him for action of the September grand jury, said that Stemple was observed in his actions by a forest guard at Herrington Manor, and discovered the loot across the Herrington Lake, hidden under some pine trees.

Commissioners of 4 Counties Will Meet

County Commissioners from the four Western Maryland counties will meet in the Deep Creek Lodge at Mellenry on Thursday, August 13, beginning at 10 o'clock a. m.

On July 16th the commissioners of Allegany, Garrett, Washington and Frederick counties had their first joint session at the Cumberland Country club as guests of the Allegany county group. The Garrett county group will be host at next week's session.

The annual convention of the State Association of County Commissioners will be held August 28 and 29 at Ocean City

Boys Lectured, Then Freed in Stoning

Three teen-agers charged in connection with the death of a man after a rock throwing fracas were lectured by a Judge Wednesday and placed on indefinite probation.

Donald L. Moorehead, 37, former Bloomington resident, died nine days after the May 10 incident. Doctors found he had suffered a ruptured spleen.

Two older youths have been charged with manslaughter and ordered held for grand jury action.

Former Vindex Man Is Guilty Of Manslaughter

Trial Held Tuesday—Gets Two-Year Suspended Sentence

Elwood Dale Brown, 23 of Baltimore, former resident of Vindex, was found guilty of manslaughter by automobile in a trial held in the Circuit court Tuesday before Associate Judge Neil C. Fraley.

The charge was preferred following the death of Ira Everett Paugh, 28, of Vindex, as the result of a one-car accident June 27, four miles west of Klizmiller. Death was due to a crushed skull and multiple bruises.

Both men were thrown from the vehicle in the wreck and Brown was hospitalized.

Judge Fraley sentenced the man to two years in the House of Correction but suspended the sentence providing Brown would pay the funeral expenses of Paugh. Paugh was buried June 29 in the Mt. Zion cemetery.

The accident occurred as the car was proceeding east on the highway apparently at a high rate of speed. The driver lost control of the car as it rounded a curve and rolled over several times before coming to rest against a tree along the highway. The car presumably passed over Paugh's body.

Testimony showed that Brown had driven from Baltimore early that morning and that he had been having difficulty with the brakes.

Seventy Six Voters Lost By Death In Six Months Period

Seventy-six voters were lost through death within a six-month period. It was reported from the office of the Board of Supervisors of Elections this week. The board met Tuesday evening to make plans for registration dates within the county and to tabulate registration totals.

At the end of September, 1958, there were 3,612 Democrats and 6,019 Republicans in the county.

The report for the period January 1 to July 1, shows that the Democrats had a net loss of four while Republicans had a net loss of 36.

Both parties had 20 new registrations. Democrats had 15 males and 5 females, while the Republicans had 10 males and 10 females.

Democrats had two cancellations, lost none through re-affiliation, gained eight through re-affiliation, and lost 30 through death.

Republicans had three cancellations, lost five males and two females through reaffiliation, gained none through re-affiliation and lost through death a total of 46. The eighth person to re-affiliate with the Democrats was an Independent.

The totals now show 3,608 Democrats, and 5,983 Republicans.

Albert Shaffer, president of the Board, said arrangements had been for a registration period to be held at Deer Park on Friday, August 14. He said a schedule for additional registration in districts would be set up for September. Some would be for a half day, others for a full day.

He also offered old ballot boxes to organizations that could use them. The old ballot boxes are no longer in use, since the voting machines are being used at all times.

Health Meetings Held This Week

A meeting was held in the Court House Monday afternoon concerning the Enabling Act of the Legislature which permits the set-up of Sanitary districts in Garrett county. This Act was passed by the last Legislature. Present at this meeting were the County Commissioners, members of the House of Delegates, the mayors of Oakland, Mt. Lake Park, Loch Lynn, and Deer Park; Thomas W. Shives, and Peter Dodge from the State Department of Health; Dr. Arthur F. Jones, and Charley B. Miller, of the local health department.

Thursday at 5 o'clock, Peter Dodge of the State Health Department, and members of the local health department will meet with the Accident Mayor and Council concerning the garbage situation in that area. Also, the preliminary survey for a sewage system for the town will be discussed.

Fifteen hundred people battled forest fire 80 miles from Los Angeles.

Bloodmobile To Visit In Grantsville August 17

The next visit of the Johnstown Red Cross bloodmobile to Garrett county will be on Monday, August 17, and will be at Grantsville, it was announced this week by Mrs. Grover C. Stemple, blood recruitment chairman.

Mrs. C. G. Bradley, Grantsville, will be in charge of the arrangements.

Back In Custody On Assault Charge

Jack Hardesty, of the Bethlehem community, is back in custody again after a charge of beating up Harold G. Friend, of Swanton, on Sunday, August 2. The information was sworn out by Leslie C. Friend, father of the youth. Friend is a patient in the Garrett County Memorial hospital suffering from multiple bruises and is expected to remain there for several more days.

Hardesty pleaded not guilty to the charge but was held for action of the September Term grand jury. Bond was set at $2,000 property bond or $1,000 cash bond.

The alleged assault occurred on Third street in the area between the Moose hall and Craig Motor.

Hardesty received a two year sentence in the House of Correction last November on a charge of assaulting Orval Bittinger at a road intersection in Mt. Lake Park. Mr. Bittinger sustained a broken nose and was otherwise injured. He was treated at the Garrett County Memorial hospital.

James Schroyer was arrested on a charge of being drunk and disorderly on Saturday night, August 1. At a hearing before Trial Magistrate Robert M. Maroney he pleaded guilty and was sentenced to serve 30 days in the Garrett County jail.

Bowling Alley To Open In September

A six lane regulation Brunswick bowling alley, will open in Oakland in September, it was announced by Alan E. Skidmore, manager. The alley is located in the basement under the A. and P. store, corner of Oak and Third Sts.

Remodeling work has been under way for two months or more and the place will include other recreational facilities along with a snack counter and modern rest rooms.

The new manager is a son of the late Howard Skidmore, of Friendsville. He has been residing in Cleveland for the past several years. Mr. Skidmore said the total investment in the new recreation place would total $45,000 to $50,000. It will be equipped with spotamatic pinsetters.

He said reservations were now being taken for league bowling and that anyone wishing to form a team could contact him. Free instructions are to be available to team participants. He said the contemplated charges would be $1.25 per week for league bowling, and for individuals 35 cents a line, or one game.

Farm Queen Contest To Be Held Aug. 11

The annual Farm Queen contest will be held Tuesday evening, August 11, in conjunction with the Garrett County Fair, it was announced by the Associated Women of the Garrett County Farm Bureau, sponsor of the event.

Farm queen candidates are being recruited from girls in the 16 to 18 years of age group.

The Associated Women also announced plans for other contests and named winners in the Talent Find which was conducted July 29 at Friendsville.

In the 17-30 age group first place went to James Callis, of Oakland. Second place went to Kathy Yaste, of Bittinger. Callis will represent the county in the regional contest later this month.

In the 12-17 age group first place went to Carolyn Bittinger, of Mt. Lake Park, while Joyce and Kathy Haenftling took second place.

A Talk Fest was scheduled for this autumn with all farm youth eligible to participate. The topic selected this year is "How Can we Maintain Individual Initiative and Responsibility in Agriculture."

The annual Essay contest again will be sponsored by the group. Young people desiring to enter any of these events may contact Mrs. Leslie Guard, Addison, Pa.; Mrs. Ross Crowe, Oakland, or Mrs. Orval Glotfelty, Accident, for additional information.

Annual Fair To Open On Tuesday

The third annual Garrett County Fair will open next Tuesday, August 11, at the fair grounds at Mellenry, and will continue through Saturday, August 15. Final plans for the event were made at a meeting of the fair officials on Tuesday evening.

A full program of events was announced last week and in addition to the usual judging events there will be a greased pig catch, farm queen contest, big parade on Thursday evening, and the usual number of extra attractions. There will be Stoney Roberts and his all American dare devils, Joe Smiley's Illusion act, horse pulling contest, the Eddie Benedict show, and a free act daily with Capt. MacDonald giving a leap for life from a 75-foot tower into a blazing tank.

Fair officials have prepared for a large number of entries, and the exhibition grounds are in good shape.

Mrs. Johanna M. Stull, superintendent of the girls' 4-H department announced the following food judges: foods, Mrs. Harold G. Bittinger, Mrs. W. W. DeWitt; home arts, Mrs. Cecil Bittinger, Mrs. Dwight Stover; clothing, Mrs. Cecil Edwards, Mrs. Carl Duckworth.

Mrs. Kenneth Ridder, home arts superintendent, also announced her judges: clothing, Mrs. J. H. Carter, Miss Ruth Engle, Mrs. Tom Fraley; foods, Miss Katherine Close, Miss Julia Larew, Miss Louise Dillon; home furnishings, Mrs. Robert Hoffman, Mrs. George Nethken; arts and crafts, Mrs. Robert Ruckert, Robert Rodeheaver; plants and flowers, Mrs. Wade Meese, Mrs. Beulah Walton.

Claude Wagner, Sr., announced judges for the agricultural department: dairy cattle, John Morris; ponies, Boyd Whittle; poultry and eggs, Wade Rice; honey, wax, fruits, vegetables and maple products, Harold Hoecker; hay and small grains, corn, Charles P. Ellington; tractor demonstrations, Guy W. Gienger.

Expected to be one of the unusual exhibits will be the Christmas Tree exhibit. Gaining in favor each year, this is sponsored by the Christmas Tree Growers association and features samples of white, red and scotch pine and spruce. There were some 20 to 25 exhibitors last year and an increase is expected this year.

Frankie's Amusements will be on the grounds for the full run of the fair.

Tractor Contest Set For Fair, August 14

The 4-H-F. F. A. Tractor Operators' Contest will be held on Friday, August 14 beginning at approximately 1:00 p. m. Anyone interested in the 4-H tractor project and having experience in driving a tractor are eligible to participate. A junior event for boys under 14 will be held if there is enough interest, it was announced by E. Rankin Lusby, assistant County Agent. The contest will include driving, safety, quiz, and belting. The highest scoring boy in the senior division will represent Garrett County at the State Fair.

Judging events for 4-H and F. F. A. include dairy, livestock and poultry, to be held on the same day that these entries are judged, Wednesday afternoon, August 12, Dairy and Poultry; Thursday afternoon, August 13, Livestock. An award of $10.00 will be made to any team of at least three members participating in either or all of the classes. Demonstration day will be Thursday, August 13, beginning at 2:30 p. m. Classes include electric, machinery, poultry, dairy and all other demonstrations.

Any 4-H boy in the county is eligible to participate in any or all of these events.

Ties for 11th Place In Golf Tournament

James Kreyenbuhl, Oakland golfer, tied for the 11th spot in the tournament held last week at the Preston Country club near Kingwood.

There were 114 entries with thirty persons qualifying for the finals. Kreyenbuhl qualified without difficulty and ended up with a tie for 11th place. J. Bailey, Baltimore, won the tournament.

Kreyenbuhl started as a caddy several years ago and has steadily improved his game with daily practice.

The Oakland Country club will play a match with the club from Frostburg on Sunday, August 9, on the local course.

Homemaker Club Dates

Homemaker clubs are having picnics and dinners during August.

August 11 Deer Park club will have a picnic with Mrs. Clarence Rollman in charge.

The Executive committee of the County Council has changed the meeting date of the Executive board from August 13 to August 20 at 1 p.m. DST at the Accident fire hall. Club presidents, vice presidents and project committee chairmen are scheduled to meet at that time. Final plans will be made for the 1960 Homemaker program of work and the Achievement day program.

Women Of Episcopal Missions To Organize

Women of the Episcopal Missions of the county will hold their first meeting and elect leadership for the new year, the Rev. Thomas P. Staup at Our Father's House, the local church, Altamont-Wilson, on Thursday evening, August 13, at 7:30 o'clock.

Following devotions and a short meditation by Mr. Staup the business session will be conducted on the church lawn. To be elected are a new president, vice-president, secretary, corresponding secretary and treasurer. A decision on a course of study for the fall and winter sessions will be made and plans laid for a fund raising activity. The Vicar is host for the meeting and Mrs. Grace Asnenfelter, Swanton, will be refreshment chairman. Those desiring transportation to the meeting may make arrangements with the vicar.

Selected For Dancing Course In New York

Dancers from the Clara Ann Dance School have been selected for participation in a dancing course. Those selected for this national dance artist conservatoire for a teacher training program are Charlotte Berkshire, Beth Walters, Georgie Brewer, Valerie Lesner, Mary Wiseman and Joan Mascioli.

They will participate in a week's training course at the Roosevelt hotel in New York which will include the study of ballet, free style, tap, modern jazz, ballroom, acrobatics, children foundation and modern interpretation.

The girls will be entertained by New York professionals at the annual artists' banquet and during the week will visit the Broadway show, Radio City and other places of interest. Graduation exercises will be held Friday evening when the dancing girls will receive their awards. Saturday afternoon the girls will appear as guests on Student Review. Clara Ann Lewis was appointed by the Pittsburgh chapter of National Dance Artists, to accompany her students to New York City.

Preaching Service Set

There will be a special gospel preaching service at the Mt. Lake Park tabernacle on Saturday evening, August 15, at 7:30 o'clock, daylight time. R. L. Phillips will be the speaker.

There will be special singing by the Gospel Crusaders, the Gospel Aires, the Swallow Falls quartet, the Pine Grove group and by Mrs. Alvin Friend.

Gets Citation

American Legion auxiliary, Accident Unit No. 208, has won the "Blast Off" citation for 1959 membership, the national citation and a certificate of merit from the Heart Association of Maryland, it was announced.

The August meeting for the unit will be held Monday, August 10, at 8 p. m., in the fire hall. The meeting date was changed because of the county fair.

Plan Baptismal Service

On Sunday at 12 o'clock noon, following the morning worship service, Dr. Charles P. Anderson, pastor of the Deep Creek Baptist church, will have a baptismal service in Deep Creek Lake for candidates who await this special church rite. A similar service was held July 26 in the lake. The new church, now under construction, will have a baptismal pool.

On August 23 the church will observe Homecoming day with an all-day meeting. August 24 to 30 the pastor will be assisted in a series of evangelistic services by his son, Rev. Charles P. Anderson, Jr., of Gloucester county, Va.

Announce Engagement

Dr. and Mrs. Arthur Ford Jones have announced the engagement and approaching marriage of their daughter, Nancy Philippa, to David Harrison Clark, son of Mrs. Ernest Clark, of Salisbury.

The wedding will take place in Cumberland on Tuesday, August 25.

The bride-elect was graduated in June from Western Maryland college and at present is employed by the TWA in Washington. She plans to teach this coming year in Carroll county. Mr. Clark is a senior at Western Maryland college where he is taking a pre-law course of study.

Wedding Date Set

Linda Pritts Weds Bert Hickman

Miss Linda Pritts, daughter of Mr. and Mrs. Ralph Pritts, Sr., of Oakland, became the bride of Bert Ingalls Hickman, Jr., of Baltimore, son of Mr. and Mrs. Bert Ingalls Hickman, Sr., of Winter Haven, Florida, on Saturday, July 25, at St. Mark's Lutheran church in Oakland.

The Rev. Wm. Ernest Fox, pastor, performed the ceremony at 4 o'clock p. m. The altar was decorated with white lilies and chrysanthemums with a background of palms and lighted candles.

Preceding the ceremony Mrs. Donald R. Sincell, church organist, presented a group of nuptial selections.

The bride was given in marriage by her father. She wore a gown of white silk mist, fashioned with a natural basque waist line and a modified V neckline appliqued with imported Alencon lace embroidered in seed pearls and crystals. The very full skirt which fell into a court train was appliqued with the same embroidered lace.

Her fingertip veil of imported silk illusion was attached to a cap of matching lace and seed pearls. She carried a white Bible topped with white orchids and seed pearls tied with satin ribbon.

Her attendants were Miss Patricia Gortner, maid of honor; Miss Shirley Calhoun and Miss Jo Ann Echard, bridesmaids. Miss Susan Pritts, sister of the bride, as junior bridesmaid. They wore ballerina length dresses of aqua silk organza with bell shaped skirts made with a draped swag. On their heads were matching bows of organza. They carried cascades of pink feathered carnations.

Theresa Pritts, niece of the bride, was flower girl and Ralph Pritts III, nephew of the bride, was ring bearer. Joseph Hull, of Alexandria, Va., was best man. Ushers were George Hanst, John Hanst, Baltimore, Wayne Pritts and Ralph Pritts, Jr.

Mrs. Pritts, mother of the bride, was attired in a shell pink dress of lace and chiffon with dark pink accessories. She had an orchid corsage.

Mrs. Hickman, mother of the groom, wore a beige faille dress with matching accessories, also with an orchid corsage.

A reception was held at the Mt. Lake Hotel following the ceremony. The tiered wedding cake was circled with smilax and topped with a miniature bride and groom. After the newly-weds cut the cake it was served by Mrs Ralph Pritts, Jr., and Mrs. Wayne Pritts, sisters-in-law of the bride.

Mrs. Patrick Inglese, of Boston, Mass., aunt of the bride, presided at the punch bowl, and Mrs. Hugh Echard presided at the tea table. Miss Ann Lee Lohr was in charge of the guest book.

The couple left for a wedding trip to Sea Island, Georgia. For traveling the bride wore a brown and gray tweed suit with matching accessories and wore her corsage of white orchids.

Upon their return the couple will reside in Baltimore.

Among the out of town guests were Mr and Mrs Bert Hickman, Winter Haven, Fla.; Mr. and Mrs. Walter Murray, Mr. and Mrs. Orren McKinkins, New York; Mr. and Merrill Russell, Mr. and Mrs. Donald Terraen, Mr and Mrs. John Heyde, Mr. and Mrs. Frederick Hoffman and daughter, Mr. and Mrs. Edwin Unger, Jr., Miss Lillian Helbig, Winston Palmer, all of Baltimore; Miss Katherine Michel, Washington, D. C.; Mr. and Mrs. Harvey Gortner, Mrs. D. A. Grantsville Sluggers Win Contest, 14 To 6

Grantsville Sluggers won over Wellersburg 14 to 6 Sunday at Grantsville in the Twin Star baseball League and kept a hold on third place with a 13-10 record.

Grantsville exploded for six runs in the eighth inning to ice the contest. The Sluggers led 8 to 6 until the big explosion. Dave Richards, relieving in the third inning, allowed only two runs in the final seven innings to pick up the win. He struck out 12. Joe Taylor homered and singled and John Keister banged out three singles for the winners. Peck had two hits and Wilt had a home run and single for Wellersburg.

The two league leaders, Barrelville and Hyndman, both had victories Sunday.

A Message from Clinton W. Englander, "Your Pharmacist"

An Older Pharmacist Friend once gave us this good advice which we have never forgotten and always tried to follow.

He Said, "Any Medicine Or Health-Aid can do much good if properly used and great harm if improperly or excessively taken.

"Pharmacists Learn in College how to compound medicines, protect their potency by proper storage and the possible dangers involved if they are not taken properly.

"Pharmacy's Code of Ethics directs pharmacists to consider the public's health to be more important that greater profits. It is the dedicated obligation of every pharmacist to caution folks who may be unwisely taking a patent medicine or home remedy."

Please Ask Our Professional Opinion of any patent medicine, vitamin, or home remedy. We will always give you an honest, informed answer. If necessary, we will explain when it would be wiser for you to consult a physician.

This Helpful Advice Is Important. Every medicine or health-aid should only be secured from a pharmacist. We will never knowingly permit you to gamble with your health.

DIED

WILLIAM THOMAS COSTELLO

William Thomas Costello, aged 69, of Shallmar, died Sunday afternoon, August 2, in Garrett County Memorial hospital, Oakland, where he had been a patient for the past three weeks.

A retired coal miner, Mr. Costello had resided in Shallmar the past 21 years. He was a native of Shaw, W. Va., and was born July 23, 1890, a son of the late Thomas and Julia Joyce Costello. He had been a coal miner most of his lifetime except for three years spent in the U. S. Army, 1911-1914. He was a member of Local 4597, United Mine Workers of America, and of Immaculate Conception Catholic church, Kitzmiller.

Surviving are his widow, Beulah E. Rhodes Costello; five sons, Fred, Belslo, W. Va.; Floyd, Minerva, Ohio; Lloyd, Fairchance, Pa.; Ford, Franks, Pa.; and Russell, Duquesne, Pa.; three daughters, Mrs. Francis Bray, Shallmar; Mrs. Catherine Finch, Altamont, and Mrs. Colleen Mayfield, Masontown, W. Va.

He also leaves three brothers, Patrick, Clarence and Edward Costello, Connellsville, Pa.; two sisters, Miss Anna Costello and Mrs. Agnes McMellon, both of Connellsville; two grandchildren and two great grandchildren.

A requiem mass was celebrated Wednesday morning at 10 o'clock at the Immaculate Conception Catholic church in Kitzmiller by the Rev. Michael K. Carney, pastor. Burial was in the Kalbaugh cemetery at Elk Garden.

CHARLES E. JOHNSON

Charles E. Johnson, 77, died Thursday evening, July 30, at his home in Bayard, W. Va.

A native of Elkton he was born October 9, 1881, and was a son of the late Horace and Annie McCracken Johnson. He had resided in Bayard for about nine years and prior to that lived in Parsons, W. Va.

The human body is a very delicate piece of machinery . . . it needs attention from time to time. See your doctor for a physical check-up from time to time—then if he prescribes, bring your prescription to us. We are proud of our large prescription department which is well stocked and constantly checked to insure fresh stocks of medicinals. Do not buy from "quack" peddlers . . . buy medicine only endorsed by your doctor and your pharmacist. They are trained in this field and authorized to aid you the right way . . . do not gamble with your health.

WHAT DOCTORS SAY ABOUT

Breast Lumps Dangerous—Male or Female

Q. I am a man 76 years old. I have a lump under the right nipple that is at times quite painful. What could this be? —S.

A. The inquirer has probably consulted a physician by now so this reply may serve only to emphasize a situation with which many people are unfamiliar. The small and undeveloped male breast is rarely afflicted with conditions that beset the more highly developed female breast but all breast lumps should be investigated—male or female. Serious conditions such as breast cancer are not unknown in men of all ages and even in boys. Not so long ago a physician told of seeing a 15-year-old lad who had noticed a lump beneath the left nipple. Following a football injury the lump became quite tender and a doctor was consulted. Surgery was performed and radium used but to no avail. The cancer had gone too far. The moral is—never ignore a breast lump—male or female.

Q. I have heard that much of our milk supply contains penicillin. How does it get into milk and is it harmful to drink such milk?

A. It is estimated that one out of four dairy cows in the U. S. has mastitis. Because the udder condition cuts down milk production, dairy farmers treat infected cows with penicillin. The antibiotic is later secreted in the milk. The Food and Drug Administration has recommended that milk containing antibiotics be considered "adulterated." Penicillin-containing milk and other dairy products can cause allergic reactions in certain persons. There may be other as yet unknown harmful effects of consuming small amounts of antibiotic via food products. The problem is under study and should be solved as quickly as possible.

Q. For almost a year my fingers have felt cold and numb winter and summer. Could this be Raynaud's disease? —N. W.

A. Only the examining physician could determine whether you have Raynaud's disease. In general, Raynaud's disease (dead fingers) most often occurs in middle-aged women. Exposure to cold or perhaps some emotional disturbance causes marked constriction of finger or toe arteries. The skin pales and the affected parts feel cold and numb. During recovery the skin may become quite red and there may be tingling and throbbing. Less severe attacks of this sort are usually referred to as Raynaud's phenomenon.

Quality . . . Skill . . . Service—you get the fullest measures of these three important factors in every prescription you have filled by us—and you get them at reasonable cost.

Answers do not necessarily reflect the opinion of all doctors. The diagnosis and treatment of disease is the function of the patient's personal physician.

"Medical Mirror"

A NEW AND DIFFERENT WEEKLY Health Column

Each week, starting next Thursday, Oakland Pharmacy will publish the "Medical Mirror"—which is written for you, about your own health problems by Science Editors, a group headed by Mr. Francis T. Roberts, Ph.C., in association with Dean Earl P. Slone, University of Kentucky, College of Pharmacy; John D. Ralston, M.D., of Indianapolis, and Harold C. Morris, M.S. and M.D. The material in "Medical Mirror" is based on various scientific publications and covers such subjects as CANCER, BLOOD PRESSURE, WARTS, ASTHMA, LATER LIFE. The articles are easy to read, in simple question and answer form, and can keep you well supplied with current health information while recognizing the professionally well known fact that diagnosis and treatment of individual disease requires the skill and knowledge that only a physician can apply personally. Start reading "Medical Mirrors" first column next Thursday . . . we promise you an entertaining and informative 10 minutes each week. See your family physician at least twice a year for a physical check-up. Remember when illness occurs see your doctor and when he prescribes bring your prescription to us. Please put your trust in us as we take pride in our prescription department.

Dr. Hugh C. Benner, district superintendent of the Church of the Nazarene from Kansas City, presents Rev. Willis D. Naill with his certificate of ordination as elder in the church group following Rev. Naill's graduation from the Ministerial Study course at Summersville, W. Va., recently. Mrs. Naill looks on. Rev. Naill is a former county resident, now at Rand, W. Va. (Story in this issue.)

Willis Naill Ordained As Nazarene Elder

Rev. Willis D. Naill, formerly of Crellin, was graduated recently from the Nazarene Ministerial Study course and ordained an elder in the Church of the Nazarene at Summersville, W. Va., on July 4th.

Rev. Naill is pastor of the Rand Nazarene Church, Rand, W. Va., five miles east of Charleston. Dr. Hugh C. Benner, general superintendent from Kansas City, presided over the ordination service. He was assisted by Dr. H. H. Hendershot, Charleston, district superintendent.

Rev. Naill is the son of Mr. and Mrs. C. S. Naill, Oldtown. He is married to the former Eva Ashby. They have two sons, Richard, 15, and Ronald, 10.

Attending the ordination service were Mrs. Naill's parents, Mr. and Mrs. Stanley Ashby, Crellin; and Rev. and Mrs. J. L. Hoopengarduer and family, Frostburg.

Birthday Party Held

A birthday party was given in honor of Susanna Ryan's 4th birthday anniversity on Saturday afternoon, August 1, at 2:30 o'clock. The party was given by her parents, Mr. and Mrs. Howard Ryan, at the home of Mr. and Mrs. L. C. Hutson, Kitzmiller.

Attending were Mr. and Mrs. John Hutson and daughters, of Cumberland, Mr. and Mrs. Fred Tichnell and daughters, Oakland; Mr. and Mrs. Dan Hutson and son, Swanton; Miss Linda Fisher, Everett, Pa.; Sandra Keller, Dixon Ridder, Bobby and Mary June Brown, all of Kitzmiller.

There were games and refreshments.

Building Permits Up For Discussion

What to do about building permits came in for its share of discussion at a meeting of the Mayor and Town Council of Oakland on Monday evening.

The discussion was raised over an application of a month ago, made by O. D. Mason 8th street, who wanted to erect a steel building 24 by 64 for a garage and storage building. The application was tabled in July.

Mr. Mason proceeded to erect his building without the building permit, this month the permit was refused.

Dr. E. F. Baumgartner, president of council offered a motion which would have abolished having building permits altogether but it failed for want of a second. At the end of the meeting he made another attempt but again he had no second.

Council discovered that there are no zoning regulations within the corporate limits of the town and the only method available for use against a person who paid no heed to building permits would be an injunction, and there was speculation that an injunction would not stick in court.

At any rate the following permits were granted:

To C. and P. Telephone company by W. A. Shirer, for an addition 28 by 36, two story addition to present office building on 6th and Oak streets, at an approximate cost of $25,000;

To Fred B. Glotfelty, Hawkinson Tread Service, to enclose the front portion of the tire shop, 15 by 21, at approximate cost of $500;

Council refused the permit to O. D. Mason and also refused application of Joseph Hinebaugh to depress curbing in front of the C. and A. gas office on Green street.

Teen Corner

By DICK CASTILOW

Hi! We had a great time at Canteen last Friday night. Our thanks to the chaperones, Mrs. McClung and Mr. and Mrs. Henry McComas.

The week after next D. A. and the Edsels, a rockin' roll group from Uniontown will play. There are four singers, drums, and two guitars, making a group of seven. They have appeared all over Western Pa., New Jersey and New York. They are one of the most promising and popular groups in the Pittsburgh area. The price for this will be 35 cents.

Then two weeks after D. A. and the Edsels, the Fairlaines will appear, there are ten in this group. The Fairlanes are negotiating at this time with Epic records. The lead singer for the Fairlanes, Chuck Hollis, is the former lead singer with the Prodigals who recorded "Judy". Incidentally, Chucks' Judy now sings in The Fairlaines' vocal group.

See you all Friday night.

RABIES

The rabies problem in Garrett County is becoming more serious each week with additional positive cases being found. It is imperative that each and every individual be alert to the serious condition which exists and cooperate in a voluntary control. We ask that the following measures be observed:

1. Report any suspicious acting livestock, dogs or wild animals to authorities. If you have reason to believe that any animal has been exposed, report same to the County Commissioners' Office, Maryland Livestock Sanitary Service Laboratory or the Sheriff's Office IMMEDIATELY.
2. Control movement of dogs by license and leash. Eliminate strays.
3. Vaccinate dogs against Rabies. (Present vaccines are effective and safe.)
4. Control wild animals, especially foxes, as they are a reservoir for rabies.

HOME FIRST AID FOR ANIMAL BITES

As soon as possible, the bite wounds should be washed in soapy water. (Strong laundry soap or tincture of green soap are best.) Wash and soak the wound in this warm soapy water for as much as 20 minutes. It is important to remember that this is only a good home remedy, and the person bitten should contact his physician or health department as soon as possible.

HANDLING OF ANIMALS SUSPECTED OF HAVING RABIES

A dog, or other animal, suspected of having rabies (when no known exposures have occurred) should be impounded for observation for at least 24 hours.

With known exposure to people or animals, the animal should be impounded for 10 days. If no symptoms develop in that time the exposed person or animals need not take prophylactic treatment.

No dog having clinical symptoms of rabies should be killed unless there are positively no known exposures and it is impossible to impound the dog without undue hazard to the person making the attempt to impound.

OF GARRETT COUNTY, MARYLAND

Fishing Pleasure Is Continuing at Lake

Fishing pleasure continued the past week on Deep Creek Lake but catches of the larger fish apparently were rather scarce. Catches of the smaller pan fish were numerous with yellow perch continuing to be the leader. Catches of smallmouth and largemouth bass seemed to be increasing, according to Cecil C. Edwards, fish culturist assistant.

Trolling with "spinners" in Turkey Neck area Bob Hartley and Herb Withers, Morgantown, creeled six chain pickerel, 23½, 21½, 20½, 17, 15 and 14, with a combined weight of 10½ pounds.

A 21-inch, 3-pound largemouth was caught by Tommy Thomas, Catawba, W. Va., using night crawlers at Point View. Lloyd Coulter's party from Monongahela, Pa., caught six smallmouth bass on crayfish near Holy Cross, all over 11 inches. Gary Inskeep, Westernport took two 15-inch and one 16-inch largemouth bass in Green Glade on an artificial night crawler.

In Turkey Neck-Green Glade area, an 18-inch walleye and 19½ inch 4 pound smallmouth were caught by Oscar Scheermesser, of Luke, on trolled "flatfish." Off Paradise Point, R. W. Schisler, Latrobe, Pa., hooked a 17½ inch smallmouth bass, using crayfish.

Fish management is planning another series of "electrofishing" tests this week to further study fishing habits, growth, reproduction, rate, etc. Many of these fish will be tagged and released for further study, Edwards said. Plans are continuing for another study of the fish population at Hoop Pole cove, similar to the one made in 1955.

Feed Service Meet Is Set for Sept. 9-10

The annual Maryland Poultry Service Conference will be expanded this year to include topics on dairy, beef and swine, it was announced by Harland Bowman, vice chairman. The conference will be now known as the Maryland Feed Service Conference. The move to expand the successful conference was made at the request of the Conference Advisory Board, composed of service personnel of the feed and poultry producing industries. More than 300 registered for the conference in 1958 and an increase in attendance is expected for this year's conference Sept. 9-10, on the University of Maryland College Park campus.

Factual topics for the conference are: First Week Brooding Management, Processing Plant Condemnation, Coccidiostats, Newcastle Vaccine Breaks, Drug Toxicities, Hatching and Market Egg Sources, and the popular "Stump the Experts" question panel. Tours of research projects in Poultry, Dairy and Animal Husbandry, and Animal Diseases will be conducted. Ken V. Naden, Agricultural Counsel, National Assn. of Food Chains, of Washington, D. C., will point out current problems of merchandising ments in chain stores at the evening banquet on Sept. 9.

Feeding and management problems in dairy, beef and swine from the feed service men's standpoint will be sifted on the second day followed by a "Stump the Experts" question panel covering these topics.

Additional information is available from Mr. Bowman.

Ministers Who Will Participate In Evangelism Mission

The Rev. Milo W. Gerberding

The Rev. James R. Stephenson

The Rev. Richard E. Neal

The Rev. David Fetter

Here are four additional ministers who will be missioners participating in the Lutheran Evangelism Mission in the churches of the Mt. Top area, August 23 to 28.

The Rev. David Fetter, pastor of the Salisbury Lutheran parish, Salisbury, Pa., will be the missioner for St. John's Church, Meadow Mountain. Pastor Fetter was born August 15, 1934, at Sunbury, Pa. He received elementary and secondary education in the public schools of Sunbury and was graduated from Susquehanna university in 1956. In 1959 he was graduated from the Lutheran Theological seminary at Gettysburg.

Pastor Fetter served at Sunbury, Lancaster, Pa., and Mt. Pleasant Mills Pa. Upon ordination June 14 of this year Pastor Fetter assumed the pastorate of the Salisbury Lutheran parish.

The Rev. James R. Stephenson, pastor of St. Mark's Lutheran church at Clarksburg, W. Va., will be the missioner for St. Paul's church at Aurora. He received his B.A. degree from Roanoke college, Salem, Va., in 1952, and his B.D. degree from the Lutheran Theological Seminary at Columbia, S. C., in 1955. During Seminary he served as student assistant and pastor in Columbia, Portsmouth, Va., and Charlotte, N. C. He served as assistant pastor in Salisbury, N. C., 1955 to 1958. He assumed pastorate in Clarksburg, February 3, 1958. He is married and has one daughter. At present he is chairman of the Social Missions committee of the Synod and a member of the Home Missions committee.

The Rev. Richard E. Neal, pastor of St. Thomas Lutheran church at Charles Town, W. Va., will be the missioner for St. John's church at Red House. Born in Wooster, O., twenty-seven years ago, he attended public schools in Mansfield, O., was graduated from Wittenburg college in Springfield, O., in 1954, with an A.B. degree, and was graduated from Hamma Divinity School in Springfield with a B.D. degree in 1957.

While at college he was president of his fraternity, managing editor of the college yearbook, member of the debating team and president of the student Senate. He was ordained by the Ohio Synod in May, 1954, and accepted a call to the St. Thomas church at Ranson, W. Va., a member of the Virginia Synod. He is married and has one son.

The Rev. Milo W. Gerberding, of New Martinsville, W. Va., will be the Missioner for St. John's church at Davis, W. Va. Born, reared and educated in Minneapolis, Minn., he is 33 years old. He entered Thiel college in 1943 and left to serve with the U. S. Navy through World War II. He was overseas for 17 months and was in the Okinawa campaign. He was graduated from Thiel college in 1950, received his B. A. degree from Northwestern Seminary, was graduated in 1953 with a B.D. degree and was ordained in May of that year.

He served a church in St. Louis Park, Minn., through its first building program and now is serving the Good Shepherd church at New Martinsville. He maintains interest in all forms of sports with fishing as his chief interest.

IN MEMORIAM

In memory of my husbands, son and grandson.

In loving memory of my first husband, Jefferson Hoover, who passed away 51 years ago, October 2, 1908; also his son, our only child, who left this life seven years ago, July 15, 1952; and his son, Harold Hoover; and my recent husband, Isaac Newton Bittinger, who died August 14, 1955, four years ago.

God took you all home,
Left it sad and lonely for all;
But God knows best I know,
May his loving will be done.
Happy once these homes were
And happy they can be again
But death has left a loneliness
This world can never fill
'Til we meet in that bright home on high
Where all can be happy.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	John	12	35-36
Monday	Psalms	85	1-6
Tuesday	Job	5	8-17
Wednesday	Isaiah	9	1-6
Thursday	Jeremiah	13	15-17
Friday	Lamentations	3	22-33
Saturday	John	14	6-17

Have you ever been deep in a woodland, where it is so dark that you think light can never enter? Then suddenly a shaft of sunlight strikes through the trees, and you find yourself standing in unexpected beauty.

Life can be like that, too. At the darkest moment, suddenly there can be light—if you have the power to see it. But that's an important "if." So many of us fumble through the days and years when the greatest candle of all, the Church, stands ready to light our path.

If you have been depriving yourself of the guiding strength of the Church, start now attending its services. It will help you find your way both in sunlight and in shadow.

Is Life Empty?

Lesson for August 9, 1959

THE COMMITTEE that chooses the "Uniform Lessons" represents more than 31 denominations. This quarter, as readers may have noticed, whole books of the Bible have been chosen. Unusual, indeed unique among these is the book called Ecclesiastes. It is not quoted by any New Testament writer. In fact, at the time of Christ debate was still going on among Jewish teachers as to whether to keep or discard this book from the sacred collection. It is a long way removed from the religion of the prophets, the apostles and of Jesus. For instance, it not only doubts immortality, it positively denies it. Whatever religion it presents is all of this world.

Dr. Foreman

The Religion of a Cynic

It was evidently written by a cynic, or a man whose cynical moments shadowed his writings. A cynic is not necessarily a sinner, except so far as lack of faith is sin. The cynic is a man who has tasted the cup of life and found it not so much bitter as empty. Like a mournful refrain the words run through the book, "All is vanity and a striving after wind." "Vanity" here represents a Hebrew word which does not mean pride, but emptiness. The modern expression would be, "Nothing to it." Life (to the author of this book) is like one of the boxes you may buy in a toy store—on opening it you find another box, and when that is opened, there is another . . . and so on and on. But what is in the last box? Nothing at all. So life has gay wrappings, it promises a great deal, but at the heart of it nothing but emptiness and a striving after wind. It is discouraging to see all the things the cynical author had found without value: work, wealth, fame, pleasure, novelty . . . Of love he only mentions it to say that there are times when hate is more appropriate. Of the life beyond he can only say "the dead know not anything." . . .

The Riddle of Ecclesiastes

Now a curious thing about this book is that here and there in it are flashes of unchanging heligion. It is religion, but as we would not much like what Paul and John knew. Along with all the expressions of unbelief, of cynicism, there are some expressions of faith a chilly kind of faith to be sure, but still faith; a crocus in the snow is not a summer garden, but still it's a flower. How account for the little crocus of the author's faith in the snowy waste of his cynicism? Various answers have been given. One is that this book is a sample of what little faith man can have without revelation; another is that one man couldn't have written the whole book, but that some pious editors added religious footnotes contradicting the irreligious pages. Another explanation is that this book was written all by one man, who had various moods. In his dark moods he lost faith in nearly everything, but in his better moods he could say, "Well, in spite of all that, nevertheless . . . !"

Nevertheless . . . !

For there were some things in which this poor rich man could believe. It may be true, he says, that man toils for the wind, that he seldom is rewarded in proportion to his toil; nevertheless a man may find enjoyment in the toil itself. The days of life may be few, nevertheless they can be used as well as possible while they last. God may be far away; but nevertheless there is a God, and it is stupid to act as if there were none. Of God's love, this ancient writer has no conception; of his forgiveness he feels no need. He had never been through the furnace of suffering as Job had; he suffered from having too much, not from having too little. He had never found any one to love, or to love him, we may judge. In short, this man had lived on the glittering surface of life. Nevertheless, though the deeper experiences were denied him, though he did not know God at close range, though he knew no way to love God, nevertheless he could obey him, he could pay his vows even to the distant God. If this faith of the cynic is not saving faith, it still is on the way.

Identifies Picture; Another Published

Several persons identified the old photograph published last week, showing a group of aged persons in an elaborate automobile.

The most complete identification came from Marshall Brown, a former local school teacher and former principal of Grantsville High school, now residing in Linthicum Heights.

Mr. Brown writes:

"The 'Picture Out of the Past' which appeared in the July 30 issue of The Republican was taken on Memorial Day, 1932, and appeared shortly thereafter in The Republican.

"I still have the picture which was clipped from The Republican.

"Under the picture the following information appears:

"This photograph was taken Memorial Day, 1932, and shows the late William C. Buncutter, standing beside the automobile. He was the last surviving Confederate soldier living in Garrett County. His death occurred Saturday morning.

"Others in the photograph are: Simon Meyers and George Brown, Spanish-American veterans, on front seat of automobile; rear standing, Thomas Nethken, Oakland, 87; John Sines, 89; sitting, George Marley, 98, Deer Park; all Union solders of the Civil War.'

"The George M. Brown was my father. All of the men in the picture are now deceased. The Packard automobile belonged to William Casteel and the picture was taken in the Oakland Cemetery."

This week's old photograph portrays a scene that was familiar more than twenty-five years ago but has not been repeated for some time. There are plenty of clues to the locale and time—but can you spot them?

Review of The Play

One evening some few years ago I remember vividly the exploding on my TV screen of a fantasy entitled "A Visit to a Small Planet", by Gore Vidal and starring Cyril Ritchard with Eddie Mayhoff. This was a most interesting hour, and received such excellent notices that it was expanded into a full length legitimate play which enjoyed a most successful run in New York as well as on the road.

As his fifth production of the '59 season, Producer-Director Gene Yell has selected "Visit". In this viewer's opinion it was a wise choice and a most entertaining production has come to pass. This week's show is about the heaviest show thus attempted, production-wise. Much credit is due to Ray Caton and Sally Lutin for the smoothness of the offering on opening night.

"Visit to a Small Planet" tells the story of Kreton, a visitor from outer space where time is purely relative. When he arrives on earth at a home located in Virginia, he is the cause of much consternation. Of course insofar as time is relative he is but a little boy and his reasoning and attempted activities have catastrophic implications, but eventually everything turns out all for the best. Much laughter and pleasure result from the strange and somewhat erratic activities taking place.

In the part of Kreton, the bad little ageless denizen of outer space, Neil Flanagan has a tour de force. This is unquestionably a flat part and Neil makes the most of it. Actually though the more we see of this boy Flanagan, the more we are impressed by his terrific versatility. Each week he is excellent, whether his be the lead or a supporting part. Surely it can't be too long before this "capable actor" obtains the break on Broadway to which he is so greatly entitled. Incidentally, Neil wears several most attractive costumes of the Civil war period.

As the not too intelligent general of the army we have a newcomer to the playhouse in the person of Burt Heyman. This young actor started out just a bit on the edgy side but shortly settled down and gave a satisfactory performance.

The Spelding family to whose home Kreton pays his visit are portrayed by Gene Falcetta, Rebecca Singer and E. J. Peaker, respectively. All three do an excellent job. Miss Singer as well as Miss Peaker have most convincing Virginia accents, and are most comely.

Chris Curran again essays a role as a mild young man who looks out for himself. About now I'm wondering if Chris is not actually at war with the army."

The remaining supporting roles are capably handled by Sandy Holloway and Sai Springwell. As one of the television technicians we have that well known Thespian George Spelvin, who is paying an unannounced visit to the playhouse this week.

Enough to tell you that they have done it again with a well directed and well acted play which you are sure to enjoy.

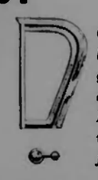
WHY DO WITHOUT A LITTLE LUXURY LIKE THIS... LET ALONE



Chevy's the only car of the leading low-priced three that gives you the convenience of crank-operated vent windows. No awkward latches to fumble with . . . your knuckles and fingernails will appreciate it.

THESE BIG CHEVY VIRTUES!

bigger brakes

Bigger, yes, and built with bonded linings for as much as 66% longer life. And how's this for proof that Chevy's a real stopper: in a NASCAR*-conducted test of repeated stops from highway speeds, Chevrolet outstopped both of the "other two" time after time.

*National Association for Stock Car Advancement and Research.

award-winning engines

The NASCAR Outstanding Achievement award goes to Chevrolet! Chevy wins for "the creation and continuing development of America's most efficient V-type engines . . . for the establishment of new levels of V8 compactness combined with outstanding smoothness." And you can choose among eight V8's and the Six that won the Mobilgas Economy Run for its class.

full coil ride

You're the expert on ride, so you'll want to try Chevy's easygoing smoothness for yourself. MOTOR TREND magazine can give you a hint of what you're in for: ". . . the smoothest, most quiet, softest riding car in its price class." And Full Coil springs, of course, never squeak, never need grease.

fresh styling

POPULAR SCIENCE magazine gave Chevy's styling a thoughtful look, then said it this way: "In its price class, Chevy establishes a new high in daring styling . . ." You'll find your own happy way of saying that Chevy's the only unmistakably modern car in its class.

greater roominess

Automobile Manufacturers Association records carry the facts on this. In a Chevy sedan, for example, you've got more front seat head room than all but one of the high-priced cars! And Chevy's front seat hip room spreads up to 5.9 inches wider than comparable cars.

bigger savings

Here's solid proof that Chevrolet squeezes more miles out of a gallon: In the famous Mobilgas Economy Run, two Chevrolet sixes with Powerglide took the first two places in their class. Winning mileage: 22.38 m.p.g. And that, friends, took top honors for Chevy from *every* full-sized car!

higher trade-in

N.A.D.A.* Guide Books prove that your Chevrolet will keep its value. Chevy used car prices last year, for example, averaged up to $128 higher than comparable models of the other two cars in Chevrolet's field.

Sermonette By Area Ministers

CHURCH OF THE NAZARENE

Rev. M. L. Brown

Be Careful For Nothing

"Let your moderation be known unto all men. The Lord is at hand. Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your request be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus."

Being careful for nothing is not being indifferent but is a calm repose of the soul. The soul that is humble will do its best and leave the results in God's hand. The Lord is at hand. Christians should have no worry lines. John Wesley said, "Worry and Hurry are of the Devil."

Christians do not worry because they realize it is useless, dishonoring to faith, hinders growth of spiritual life and is very destructive to true happiness. Let your requests be made known unto God. Carry all troubles to God. Casting all your care upon him for he careth for you I Peter 5:7.

Someone has so remarkably written on these verses in the following lines:

Are you fearing, fretting or repining?
You can never know God's perfect peace.
On His bosom all your weight reclining.
All your anxious doubts and cares must cease.
Would you find the very joy of heaven
Be careful for nothing.
Be prayerful for everything.
Be thankful for anything.
And the peace of God that passeth understanding shall keep your mind

A lady was traveling thru a dense forest in the night. She was overtaken by night and lost her way. The clever darkness and began to walk about among the trees, trying to find the road. The lady noticed in the dim light of the stars that his face was turned upward to the sky. She asked, "why he was looking upward, when he wanted to find was the road in the woods." The man answered, "If I can find the path in the sky I can find the road on the ground."

He knew that the only place in the thick forest where the sky could be seen thro the dense branches was where the trees had been cut away in making the road. To find the opening over head was to find the way on the ground. Even it is true that earth's right paths are marked out for us in the sky. We must look to the hills in our perplexity for guidance.

IN MEMORIAM

In loving memory of my husband, Earl C. Johnston, who departed this life one year ago, August 8.

Today my heart is heavy,
My thoughts are all of thee
Oh, how I miss you, Earl, dear
None but God in Heaven can see
Some say time heals an aching heart
But no, it isn't true,
For one long year has passed, dear
And my heart still aches for you.
Loving memories never die,
As years roll on and days pass by,
In my heart a memory is kept,
Of one I loved and will never forget.

SCHMIDT'S BAKES FOR YOUR FAMILY!

When Farming for Better Living Project Director L. Bush Swisher, left, and County Agent James A. McHenry, right, visited on the Roy A. Bittinger farm on Grantsville, Route 1, you couldn't have found two more surprised people. Roy Bittinger came out to meet them and in the course of the conversation, family was mentioned. Roy, who looks like a youngster just out of high school, mentioned he had a family of five—and what's more, they weren't toddlers—the oldest is 17 and the youngest is 12. This is the first year for the Bittinger family in Farming for Better Living and the family is making a good start on their new farm. Bittinger, who has been farming all his life, leased his present 116 acre farm last year. He is producing Grade "A" milk with a herd of 23 cows and sells pigs from two brood sows. He is working toward a good heifer crop to bring his milking herd eventually up to 35.

Area Woman Loses Greek Estate Case

A ruling by Judge Don J. Eddy of the 17th West Virginia Judicial Circuit at Morgantown in a unique case was against Mrs. Bess Cuppett, operator of the Cuppett Nursing Home at Oakland.

Mrs. Cuppett was seeking approximately $8,100 in checking and savings accounts of the late Nick Gerendakis, of Osage, W. Va., who was a patient in her nursing home at the time of his death. She claimed that the amount was given her by the deceased as a "gift cause mortis" (gift in contemplation of death.)

Sisters of Mr. Gerendakis, who live in Greece, were represented by George J. Cavas, Greek consul, and were declared legal heirs of the estate.

Judge Eddy ruled that it appeared unlikely that Gerendakis would become so attached to Mrs. Cuppett during the three months he spent in her rest home that he would leave his entire estate to her. It was decided that because of his serious illness he was not competent at the time of the gift transaction to conduct his own business.

Gerendakis, a naturalized American of Greek descent, resided in Osage for many years. He became ill in 1955 and was in a Morgantown hospital between February, 1956, and May 9, 1956. Upon advice of his doctor Gerendakis was then transferred to the Cuppett Nursing Home in Oakland where he remained until his death August 25, 1956.

Five days before he died testimony disclosed the deceased gave his deposit books, one of $2,566.92, and one of $5,270 from the First National Bank of Morgantown, to a nurse at the home, Mrs. Cuppett testified along with the nurse, that Gerendakis instructed the nurse to give the books to Mrs. Cuppett. The two sisters and two nephews in Greece later contacted the Greek Embassy. Nick Sarvis, of the Royal Greek Embassy, testified that Gerendakis was incompetent at the time he gave the money to Mrs. Cuppett.

Dr. Herman Rich, physician in Morgantown, testified the deceased's mental and physical health was too incompetent at the time he was transferred to the nursing home for him to transact business. Gerendakis died following a massive cerebral hemorrhage suffered August 20, 1956, the day he was reported to have given the deposit books to Mrs. Cuppett.

An account of the case was carried in The Republican on December 27, but at that time the Judge deferred his decision.

Completes Basic Training

Army Pvt. William C. Bowman, whose wife, Shirley, lives in Crellin, recently completed eight weeks of military police training at The Provost Marshal General's School, Fort Gordon, Ga. Bowman received instruction in self defense, traffic control and the basic procedures of civil and military law. He entered the Army last March and completed basic training at Fort Jackson, S. C.

Bowman, son of Mr. and Mrs. Walter C. Bowman, McHenry, is a 1951 graduate of Northern High School. Before entering the Army, he was employed by the Oak Grove Dairy, in McHenry.

Friendsville Pastor Wins $4,250 Verdict

A Friendsville minister was awarded damages in an unusual accident case heard in the Garrett County Circuit court one day last week.

Rev. Leroy Howard Wykoff, pastor of the Church of God at Friendsville, was awarded $4,250 by a jury in his suit against S. Bruce Lowdermilk, also of this county.

The minister had filed suit for damages after he was pinned between the front of his car and the vehicle of Lowdermilk, who was backing up at the time. The minister suffered a fractured leg and other injuries.

It was testified that the minister stopped his car during a snowstorm February 3, 1958, to dislodge snow from the grill work on the front of his auto. While he was engaged in this task Lowdermilk, a carpenter, came out of the Methodist church where he had been doing some work and got into his car. Being unable to get the machine started promptly he began to start and back up to gain traction on the snow. It was during this effort that Lowdermilk's machine backed into Rev. Wykoff and pinned him between the two vehicles.

Wykoff was represented by S. R. Pagenhardt, Oakland; and Gregg H. Llewellyn, Uniontown. The defendant was represented by E. Ray Jones and Lewis R. Jones. Associate Judge Neil C. Fraley was on the bench.

Reunions Planned

The Phillip and Cora Whitehair Lewis reunion will be held Sunday August 16, at Rainbow Park, Haydentown, near Fairchance, Pa. Dinner will be served at 1 o'clock. Relatives and friends are invited.

The Biggs reunion will be held Sunday, August 9, on the camp meeting grounds, Mt. Lake Park. Relatives and friends attending are requested to bring a picnic lunch. Following the meal a short business session will be held. Officers will be elected. Present president is W. H. Biggs, of Hagerstown.

Former Oakland Teacher Honored In Delaware

Mrs. Rebecca Ann Lowe, along with another teacher, were selected from the Elementary department of Wilmington, Del., schools to become members of Alpha Delta Kappa, national honorary sorority for women teachers. The initiation ceremony was recently held in Hotel DuPont, Wilmington.

In order to become a candidate for this honor they had to be highly recommended by educational officials and maintain a record of high teaching standards. There is just one chapter in the state of Delaware. Mrs. Lowe was also chosen recording secretary of the group.

Prior to her marriage to Philip S. Lowe, of Crisfield, Mrs. Lowe taught in the Center street school, Oakland, for one and one-half years and will be remembered as the former Rebecca Ann Lohr, daughter of Mr. and Mrs. Thomas P. Lohr, of Turkey Neck, route 1, Swanton.

She received her B. S. degree from Frostburg State Teachers college and is currently studying at the University of Delaware. Since going to Wilmington she received national recognition in 1957 when she was sent to Atlantic City, N. J., to give a demonstrative reading lesson at the National Teachers' convention.

Five died as a bloody riot swept Caracas, capital of Venezuela.

Announce Engagement

Mr. and Mrs. Earl Beckman, of Swanton, announce the engagement of their daughter, Mary Virginia, to Stanley Cornelius Savage, son of Mrs. Gertrude Savage, of Oakland, and Arthur Savage, of Mt. Lake Park.

Miss Beckman is a graduate of Southern High school, class of 1958. At present she is employed as bookkeeper with City Hardware in Oakland.

Mr. Savage was graduated from Southern High school, class of 1956. He attended Fairmont State College and after spending the summer vacation in Oakland, he will resume his studies this fall.

No definite date has been set for the wedding.

Sen. John Marshall Butler

A Curious Conspiracy

With understandable pride, some three million people consider Maryland not only a pleasant and agreeable location in which to live and to raise their children but an excellent place in which to do business. More than 3,000 manufacturing companies (metal fabrication, transportation equipment, aircraft, automobiles, steel and so on) along with seafood production, lumbering, agriculture and a multitude of other small and large activities, compose the economy of Maryland, whose industrial and commercial horizons are unlimited.

The unhappy truth though is that the Free State's proven performance and excellent capabilities are not obvious to several officials in the Defense department responsible for granting of Government contracts. By concentrating missile and military contracts in California, the Department seriously jeopardizes the defense production capacity of the nation. In Maryland, Martin at Middle River and Fairchild at Hagerstown have been forced to make cutbacks because some generals and admirals have favored the West Coast. The American people are entitled to know why the oft-stated policy of plant dispersal, especially in the Atomic Age, is being so arbitrarily ignored. The public should also be told whether retired officers of the Army, Navy and Air Force now working for California aircraft and missile concerns are in fact capitalizing upon past military connections and friendships to influence contract awards.

Equally serious, in a different field, is a provision of the Merchant Marine Act of 1936 which gives West Coast shipbuilders a 6% price advantage over East coast builders in bidding for the construction of ocean-going vessels. This is more economic hogwash since the development of the West has long since removed the necessity for any such special considerations. The time tested shipyards of the Port of Baltimore (second in the nation in total tonnage) are thus being unfairly penalized. I have accordingly introduced legislation to eliminate this price differential as discriminatory towards East Coast shipyards and wasteful of Federal funds in that it denies the government the opportunity to accept lower contract bids for identical work from East Coast shipbuilders.

These are examples of a curious conspiracy by certain individuals who either disregard or are indifferent to Maryland's history record of industrial efficiency, production and accomplishment. I shall continue by every means at my command to expose the policies of pure favoritism which are being followed by the brass hierarchy and the military establishments.

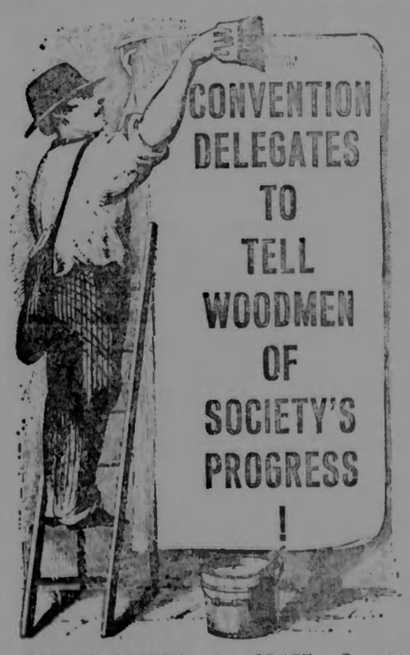
Mrs. Thelma Shaffer will entertain members of the WSCS this evening, August 6.

Miss Lois Rodeheaver, student nurse, Philippi, W. Va., visited her parents, Mr. and Mrs. Leslie Rodeheaver.

Miss Betty Clatterbuck, R.N., Washington, D. C., visited her parents, Mr. and Mrs. E. C. Clatterbuck.



More than 200 meetings are being held throughout the nation this month to inform members of Woodmen of the World Life Insurance Society of the Society's tremendous growth.

National and state officers and delegates to the recently-concluded 32nd national biennial convention are reporting on convention proceedings, the Society's program for future progress, and the gains made since the last convention. These gains include:

INSURANCE IN FORCE GAIN: $27,222,197; protection now totaling $632,284,809 — a new high.

GAIN IN ASSETS: $10,837,877; bringing assets to a new high of $220,782,990.

LARGEST SAVINGS REFUND in history was paid to the Society's 420,000 members in 1958: $2,310,373.

BENEFITS PAID MEMBERS the past two years: $26,755,895. Total since the Society's founding in 1890: $522,617,961.

RESERVE RATIO of $122.50 of assets for every $100 of liabilities is still greater than that of any other insurance organization.

SCHEDULE OF REPORT MEETINGS

Sites and dates of meetings to be held in Maryland will be announced by the State Manager.

Loyalty Oath For Students—This past week the Senate debated the bill to remove the requirement that each studem who receives Federal funds for his education must file an affidavit of loyalty to the United States. One of the amendments offered on the floor would have made it a criminal offense for a student belonging to a subversive organization, or otherwise disloyal to this country, to accept Federal funds. The Senate adopted a motion to send the legislation back to committee.

Equal Time" on Radio and TV—The Senate passed by voice vote the bill providing that the equal-time provision of the Communications Act shall not apply to news-type programs on radio and television. This has to do with "equal time" for opposing political parties. Panel-discussion programs were not included in the exemption; in other words the equal-time provision would still apply to panel-discussion programs.

Is a Floating Drydock a Ship?—By a vote of 48 yeas to 41 nays, the Senate passed a bill to include floating drydocks among the types of vessels eligible for Federal ship mortgage insurance. I voted against the bill because, in my opinion, it was getting away from the intent of legislation designed to benefit the shipbuilding industry, and I felt that this bill would open the door to the Government's guaranteeing the mortgages for all sorts of non-vessel facilities.

Armed Services Committee Progresses—Several of our Armed Services Committee bills passed the Senate during the week. Among them were our bill providing for the disposition of the Philadelphia Army Base, our bill relating to promotions and involuntary retirement of regular officers in the Armed Forces, and our bill to improve opportunities for promotion of naval officers.

Our Senate Committee on Armed Services ordered favorably reported a bill to authorize the establishment of a Bureau of Naval Weapons by consolidating existing Bureaus of Ordnance and Aeronautics. We continued our hearings on pending bills relating to military procurement.

Other Committee Work: Housing and D. C Problems—Our Sub-committee on Housing continued its series of hearings on pending housing legislation, including the Omnibus Housing Bill which was vetoed by President Eisenhower on the grounds of being wasteful and reckless.

Our Senate District Committee held hearings on bills to provide retirement increases for former D. C. policemen and firemen and their widows and orphans, and also a bill to prohibit examination in District of Columbia court of communications made by or to any minister of religion. Our District Committee favorably reported a resolution relating to the continuation of the Joint Committee to investigate Problems of Growth and Expansion of the District of Columbia and Its Metropolitan Area.

Maryland and the Federal Government—The Surgeon General informs me that the Public Health Service has approved the Government's sharing the cost of the Deer's Head State Hospital at Salisbury, Maryland. The total estimated cost of the hospital is $298,500, half of which will be paid by the Federal government. The approval clears the way for the development of plans and specifications.

Deputy Veterans Administrator Bradford Morse tells me that the Administration's Tuberculosis Hospital, Baltimore, is to be consolidated with the General Medical and Surgical Hospital, Fort Howard, Maryland. The two will be located in Baltimore under single management, and will be known as Veterans Administration Hospital. Dr. Horace D. Smith, presently manager of the General Medical and Surgical Hospital of Pittsburgh, will become the new manager.

Colonel Stanley Johnson, of the U. S. Army Engineers, has notified my office that the Maryland State for an extension of time in which to construct a dual-lane drawbridge across the Wicomico River at Salisbury. The work was to have been completed August 23, 1959. The Roads Commission proposes to start the work immediately.

To See the Universe Better—Government space mappers have received funds for two ambitious projects. One is to put into orbit an atomic clock designed to test the Einstein theory of relativity. The other is to put a 50-inch telescope into orbit, in order to get a better look at the universe.

Astronomers hope to overcome one of science's ancient handicaps, the obscuring effect of the earth's atmosphere. Recently, when a 12-inch telescope was sent aloft in a balloon, to a height of around 81,600 feet, we obtained the clearest, sharpest pictures of the sun's face ever taken. With the larger telescope and at the much greater height, it will be possible to "closely" study objects other than the sun which have previously been deep mysteries, such as the more distant planets of the solar system and galaxies of stars.

Playing With a Rattler?—There are plans for swapping information and scientists with Russia. Under Government sponsorship, 44 scientists from each country are scheduled to visit laboratories and research projects of the other, some to observe, some to lecture, and some to do actual research work. I hope our people who planned this know what they're doing.)

Nixon's TV debate with Khrushchev—The thing that impressed me most about the televised debate between Vice President Nixon and Khruschev was the Russian Premier's apparent ignorance of the United States. He kept insisting that the American people be permitted to hear his part of the debate translated into English, as though he did not know that we censor no news, good or bad. His deputies who have visited this country have failed to straighten him out. Khruschev's ignorance frightens me. He does not want war, but his lack of knowledge of the United States might cause him to blunder into war.

S. A. C. Is Ready 24 Hours A Day—It is 53 minutes past 10 P. M. in Moscow, 7:53 in London, and 1:53 in Nebraska, where the early afternoon sun stares hotly at a saucer of land. Report has just been received of an unidentified aircraft flying at 210 knots, 8,000 feet above the north Pacific off Alaska. You are sitting at a desk marked CINCSAC. You are looking through a gigantic glass window at a room 140 feet long, 39 feet wide, and 21 feet high. Lining the wall facing you are giant panels holding world maps, 16 feet across, weather maps. In the next room, a clacking, blinking electronic computer digests and sorts out complex strategies. Skilled Air Force technicians feed it questions, and get answers. Below and behind you, at the floor level of the map room, is the control center. A control panel lazily winks its tiny signal lights. Cradled near one corner of the panel is a bright red telephone. It is "hot," you are told. Were you to raise it to your lips and speak a certain message, within seconds you would have alerted and perhaps launched the awesome punch of the Strategic Air Command.

Some 70 bases and several thousand aircraft stand ready for orders from this underground control center. Here is the nerve center of the nation's prime war-deterring force. To deter, we must impress the man we are trying to deter. The only safe platform from which to work is one of overwhelming strength.

THE
COUNTRY-PULPIT

WEEKLY SERMON
by
Pastor P. F. Nieuwkoop

GRANDPA AN APE ?

Rep. Lloyd Eastep of Jefferson City, Missouri told the House Judiciary Committee, "If you teach a boy he comes from an animal, he'll act like it." He is sponsoring a bill barring the teaching of evolution in our schools. One only needs to scan a High School or College text, or follow the articles in Life, Times, and Look magazines to see how deeply engrained this false theory is in our educational system. There can be no compromise between the Revelation of God saying He made man in His own image and after His own likeness, and the evolutionists contention. One must choose to believe the truth of God or the foolishness of man. However Rep. Lloyd Eastep makes the point that there is a connection between such teaching and man's behaviour. This would of course be hard to prove. However it seems reasonable that if our young people are taught to regard this part of the Bible as error, it is but a small step to discard the moral behaviour as well. By consulting the current reports on the rise of crime and delinquency by the FBI, you will see that something is sadly amiss in our day. The respect for the sacred Word and the fear of God always acts as a dam against wickedness.

SUNNYSIDE UNDERWOOD

County Improves Bloomington Streets

Bloomington recently received improvements to all their streets through the County Commissioners Every street but one in the town was rocked and tarred.

Last April citizens met with the county commissioners at the school house in Bloomington and made recommendations for the improvements of certain streets. Many new houses have been erected in Bloomington in the last few years and several new streets leading to these have been opened. These new streets also were treated with rock, shale and oil.

Street improvements have been neglected in Bloomington in recent years. Because of this and the many new houses in the town the county commissioners felt that the citizens were entitled to some improvements this year. Bloomington is recognized as the fastest growing town in the county, mostly on account of the expansion in number of personnel at the West Virginia Pulp and Paper company plant at Luke.
